Something's wrong

I should have already gathered
enough strength to defeat Buu

I should have already gathered
enough strength to defeat Buu

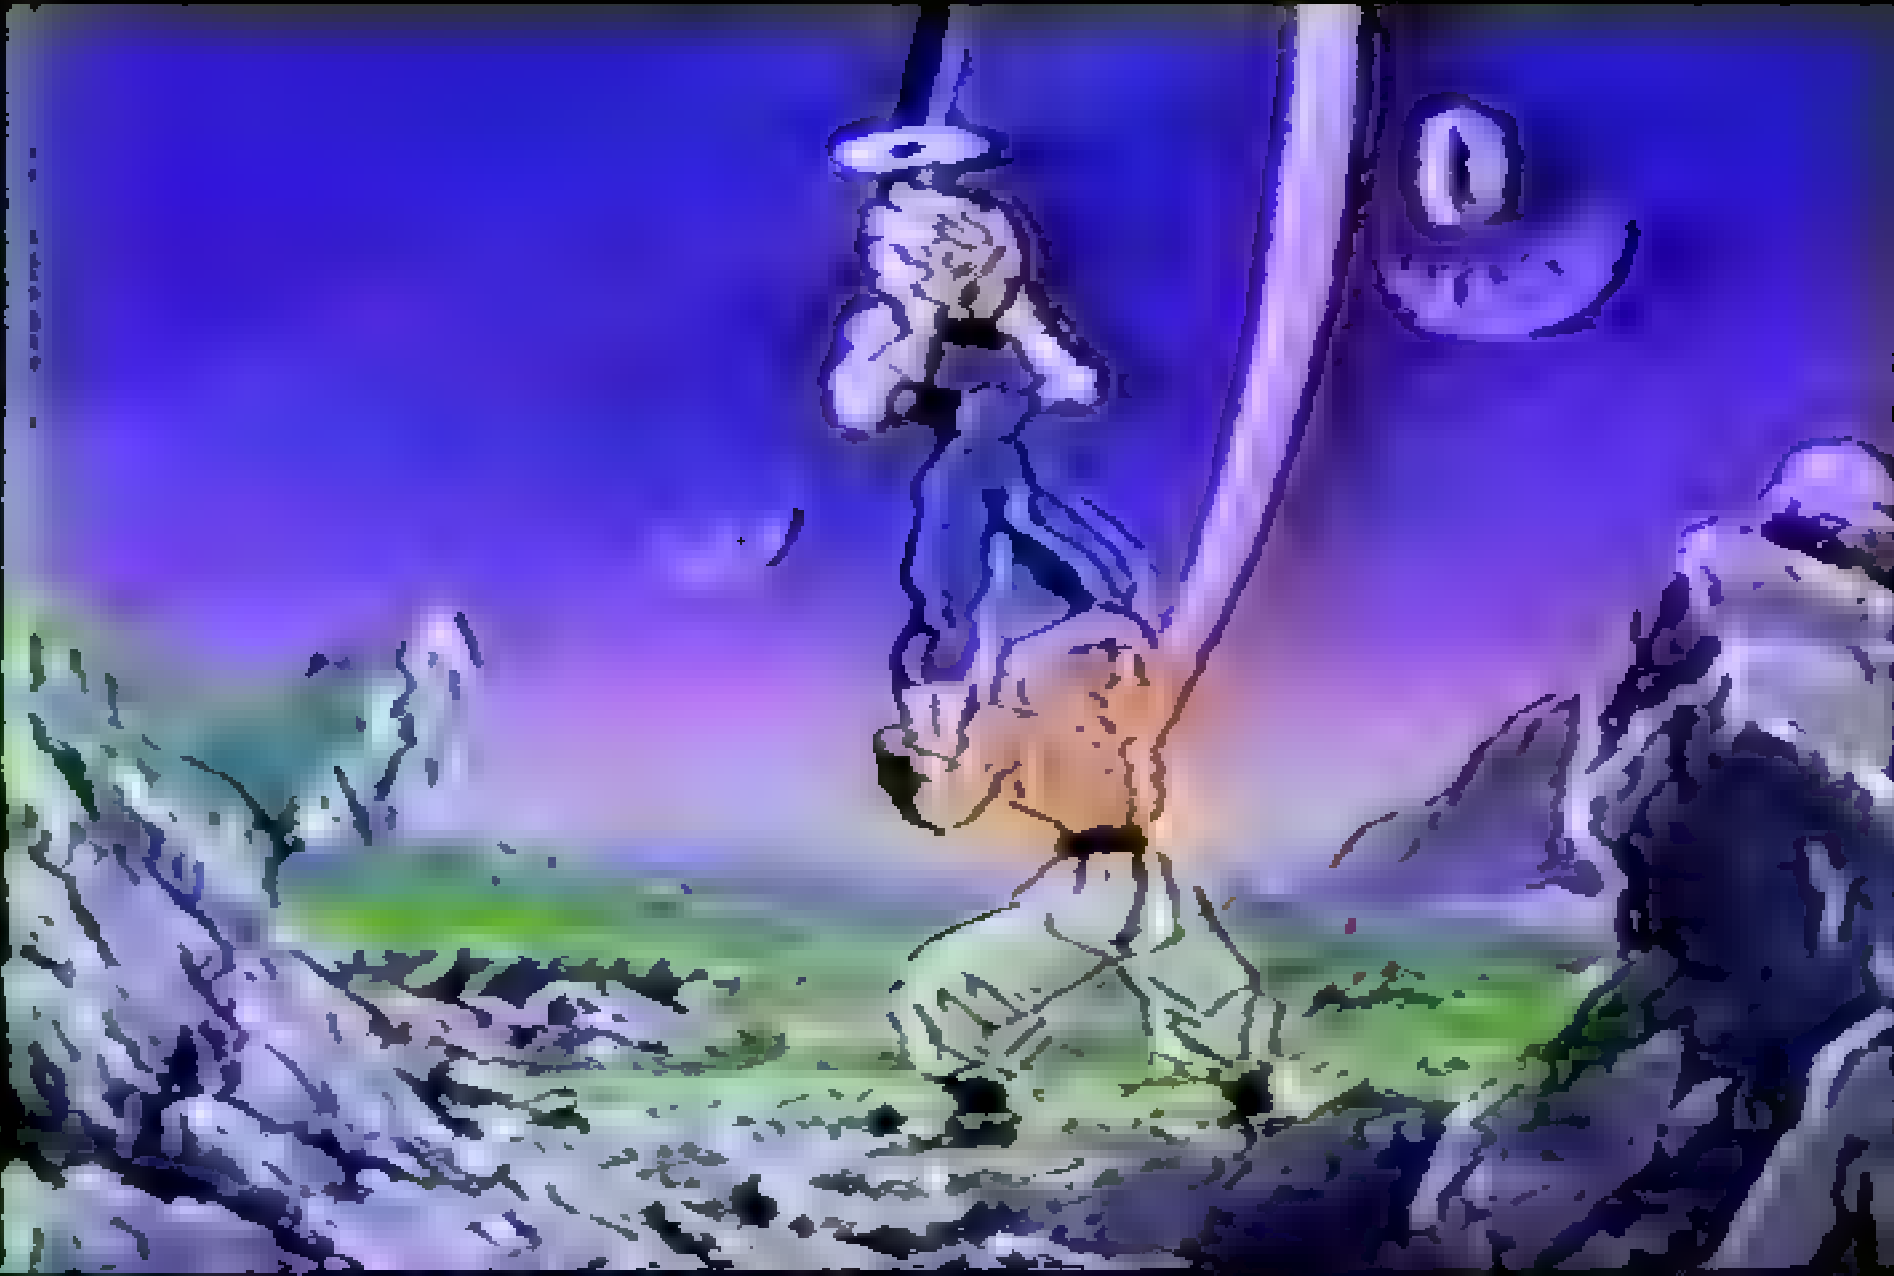

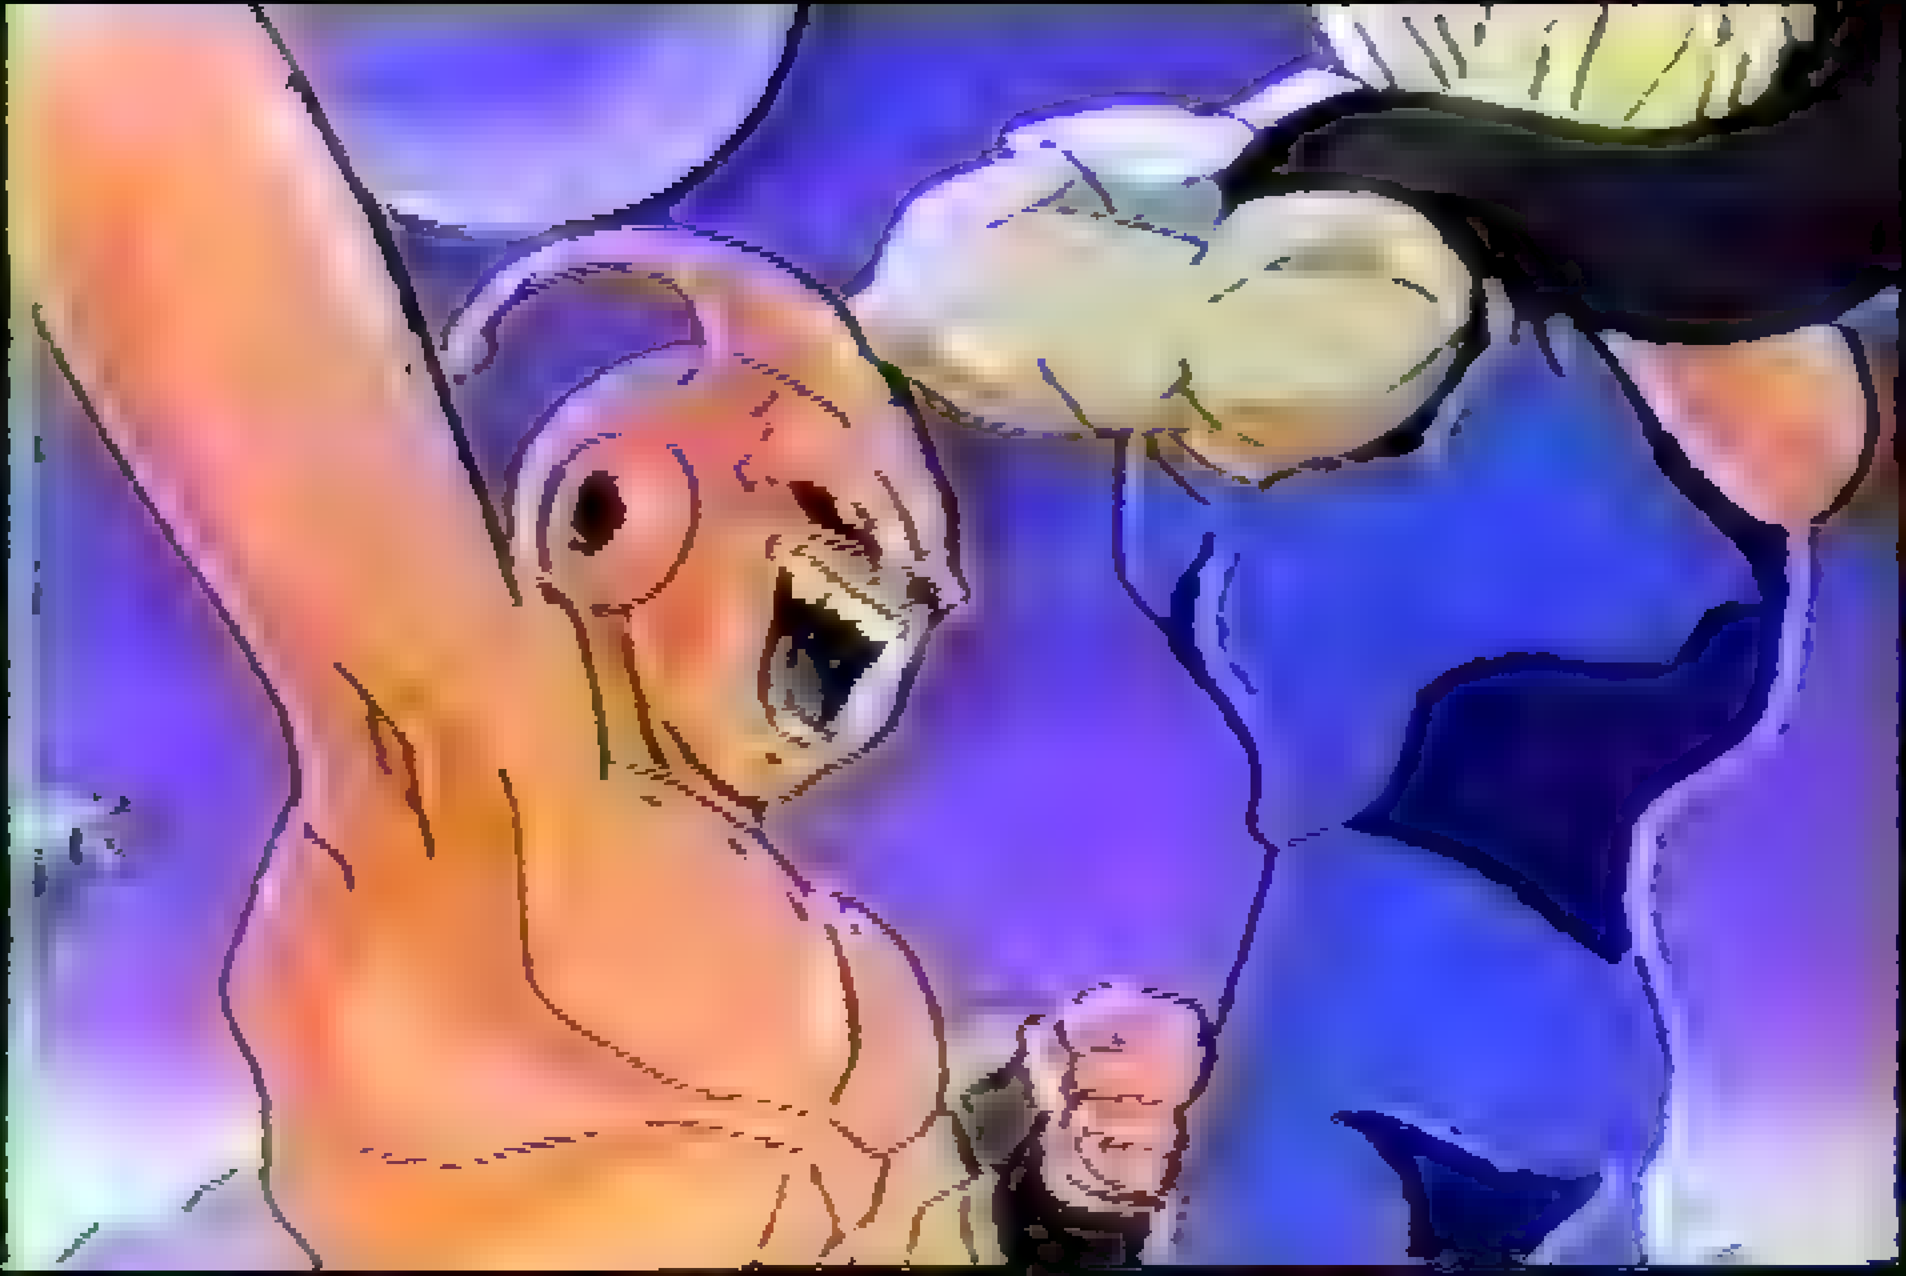

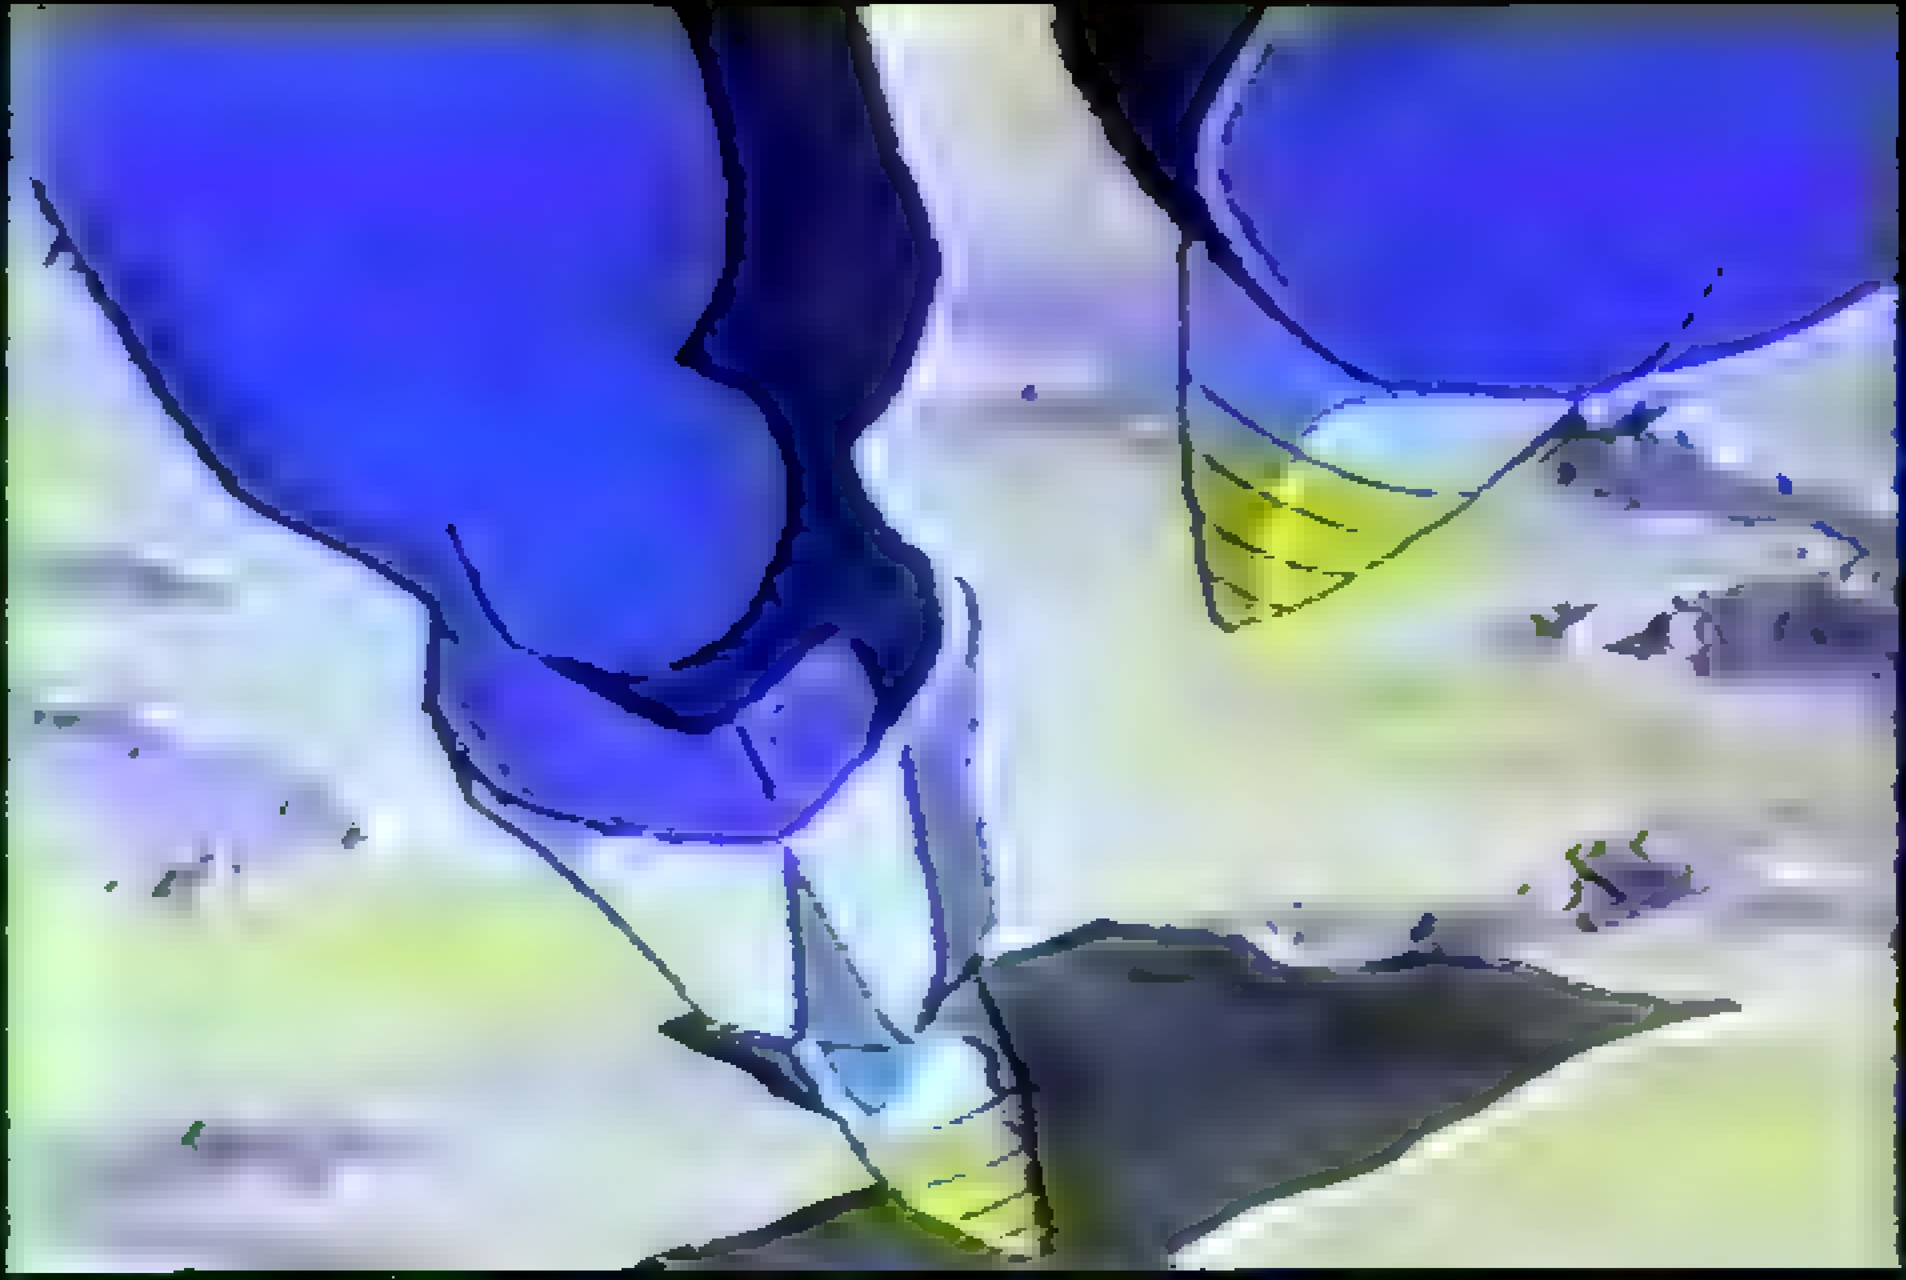

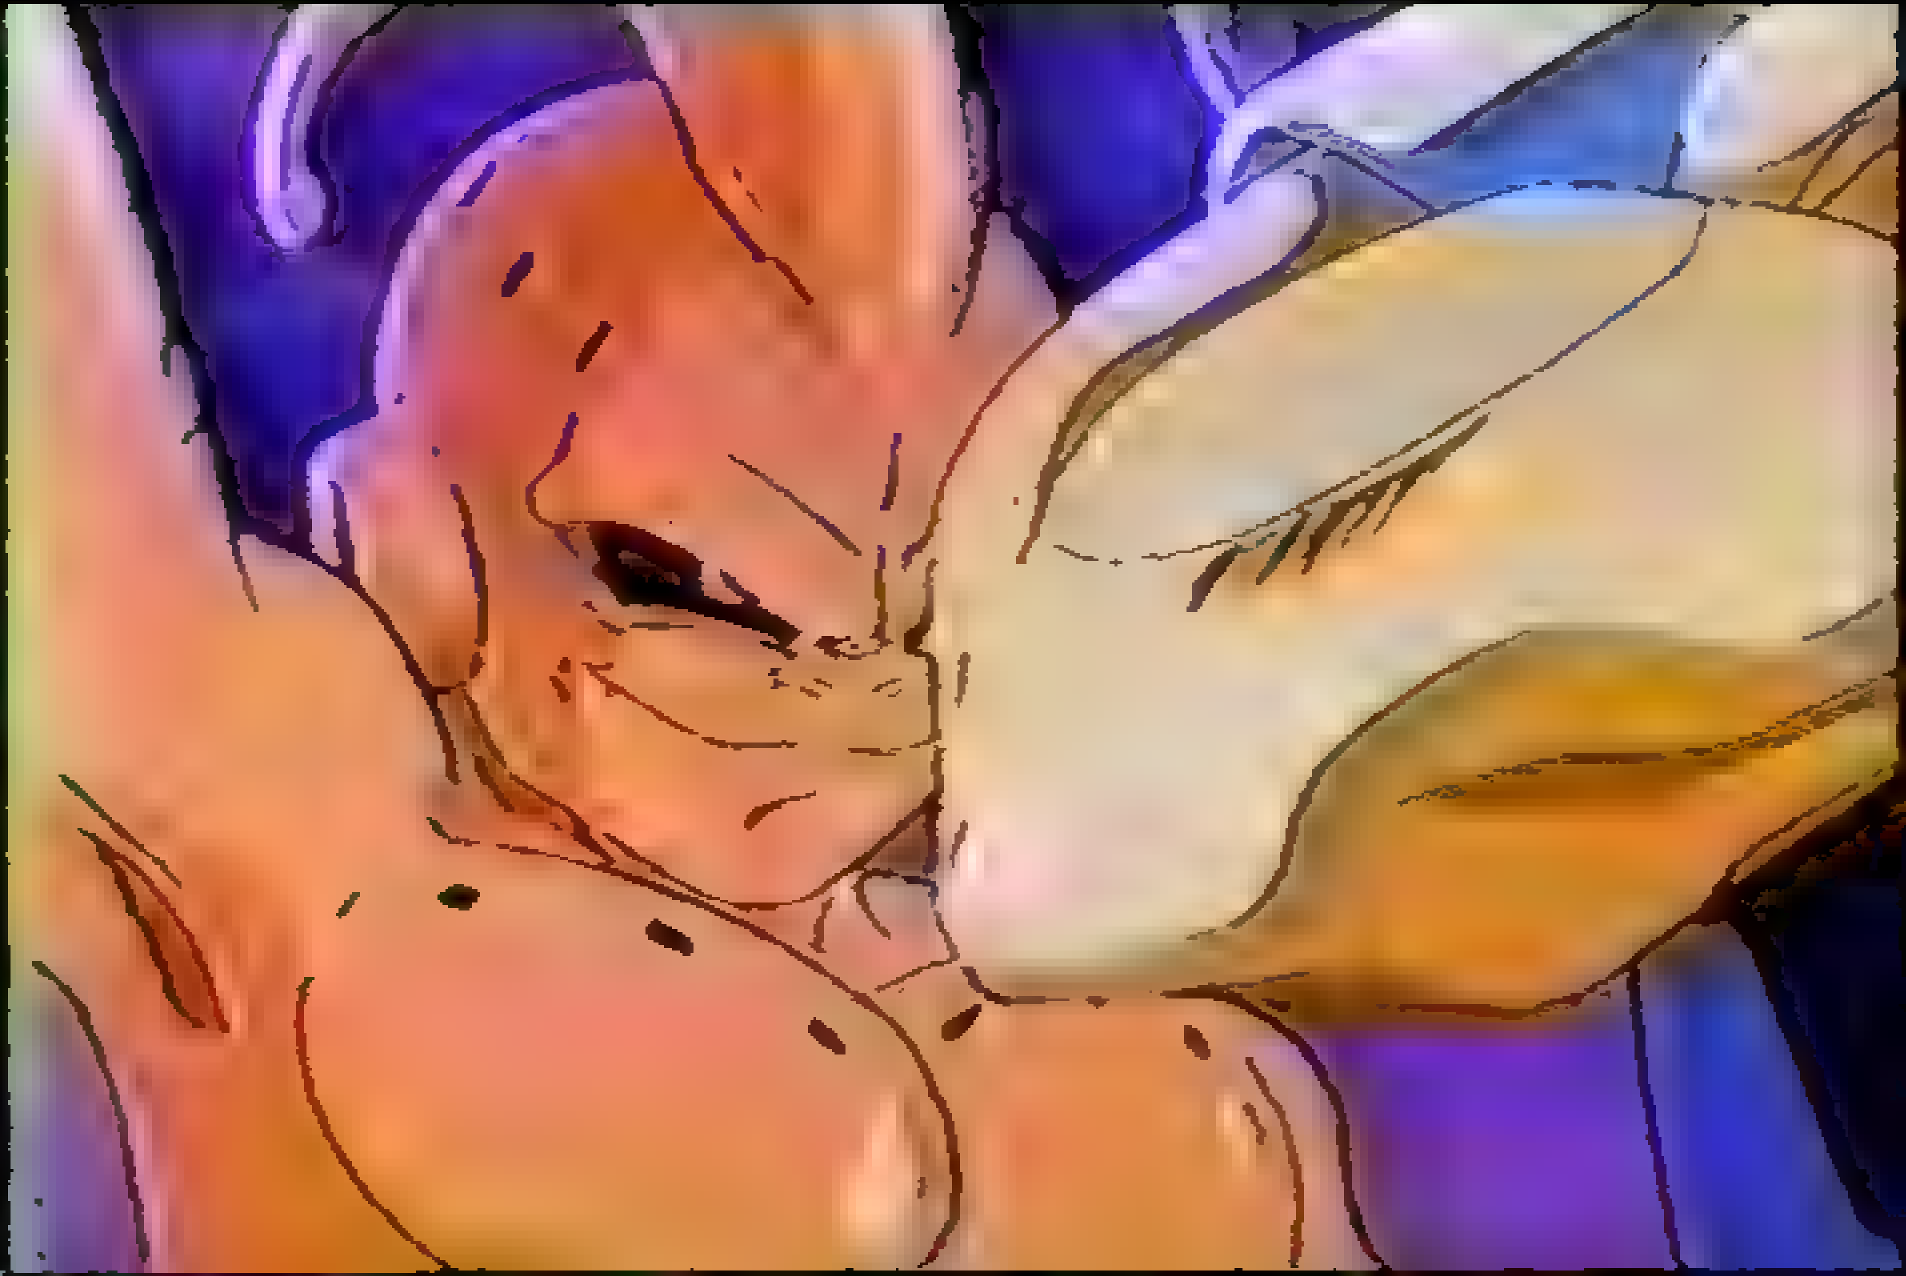

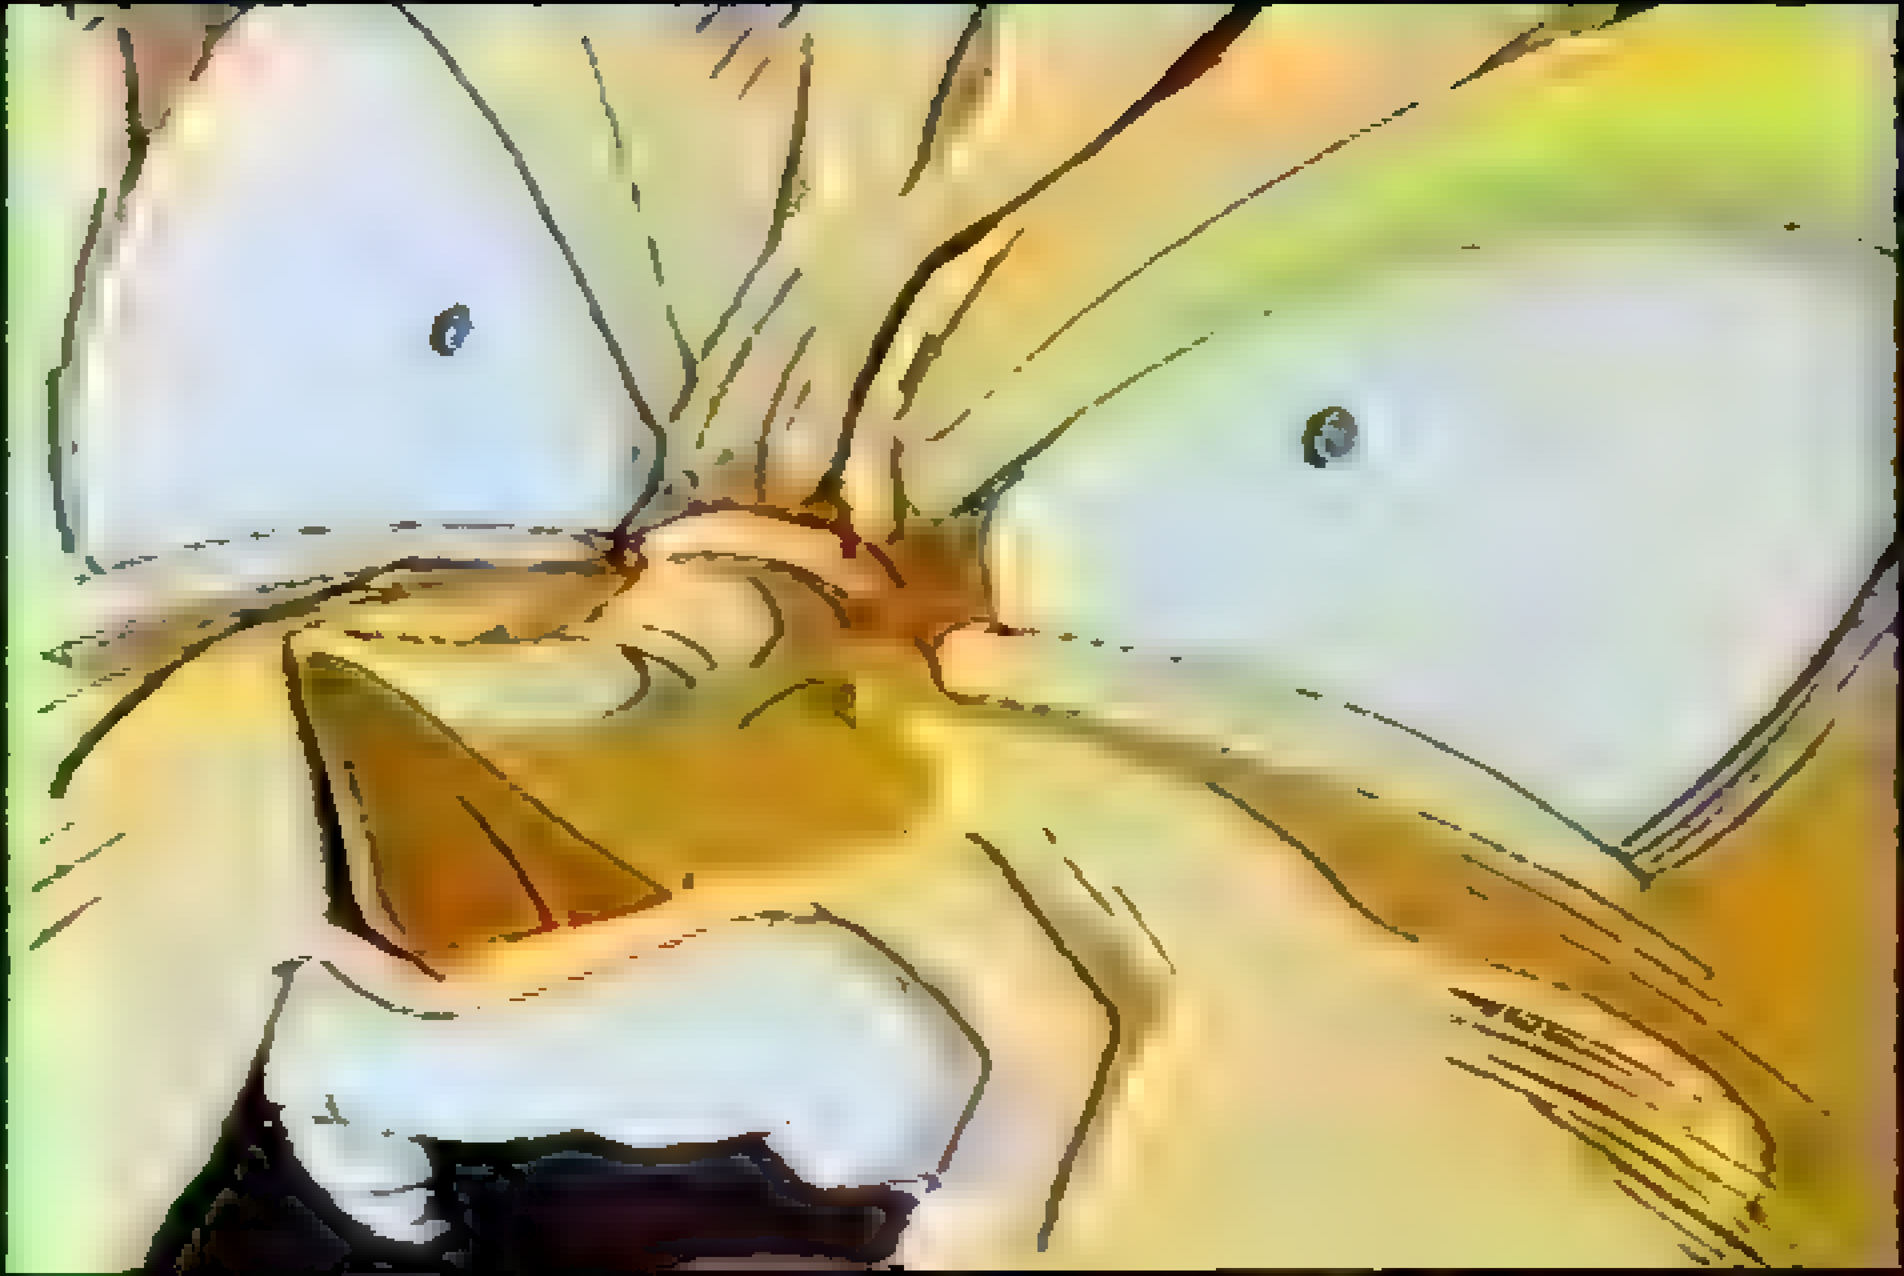

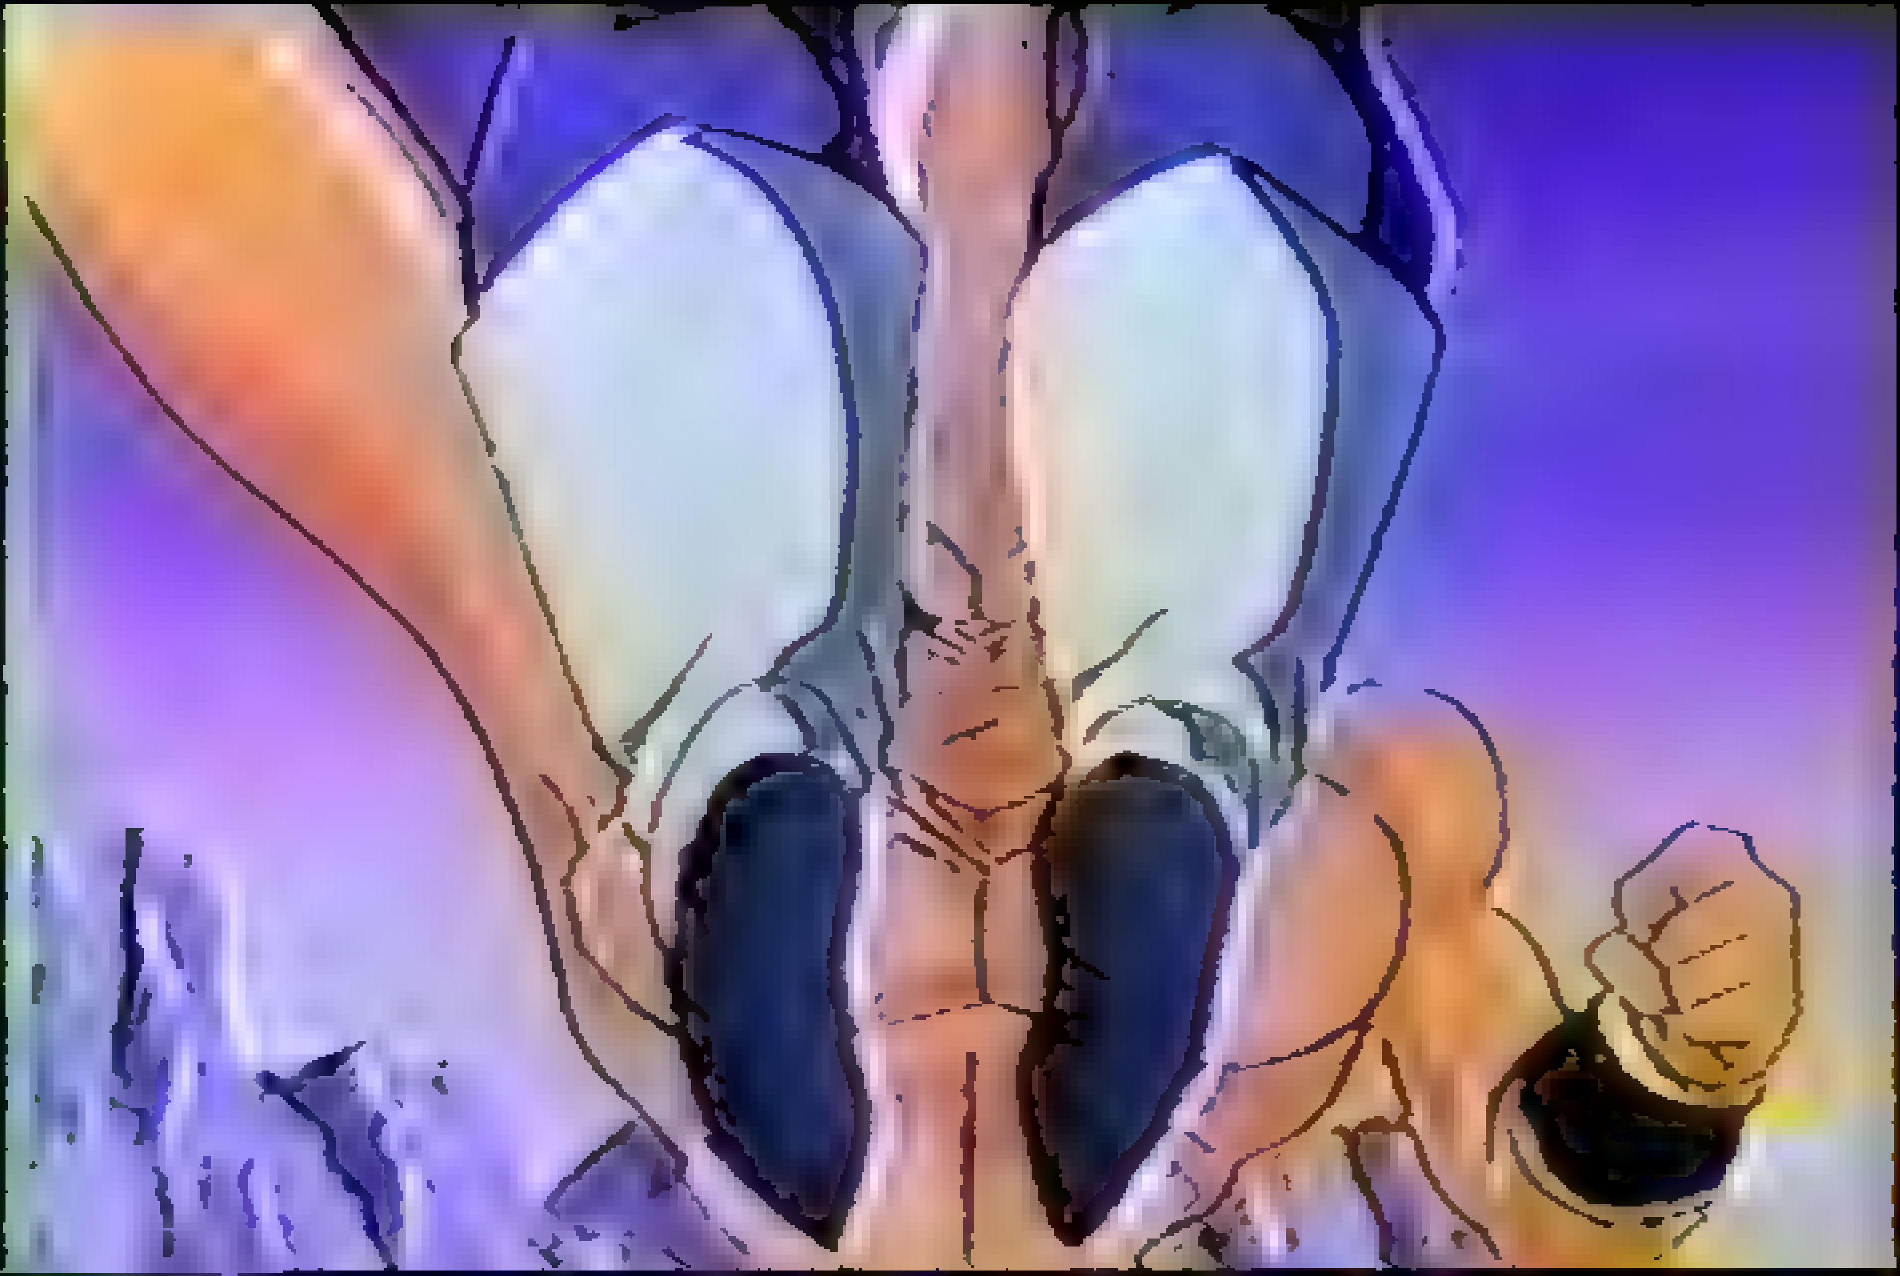

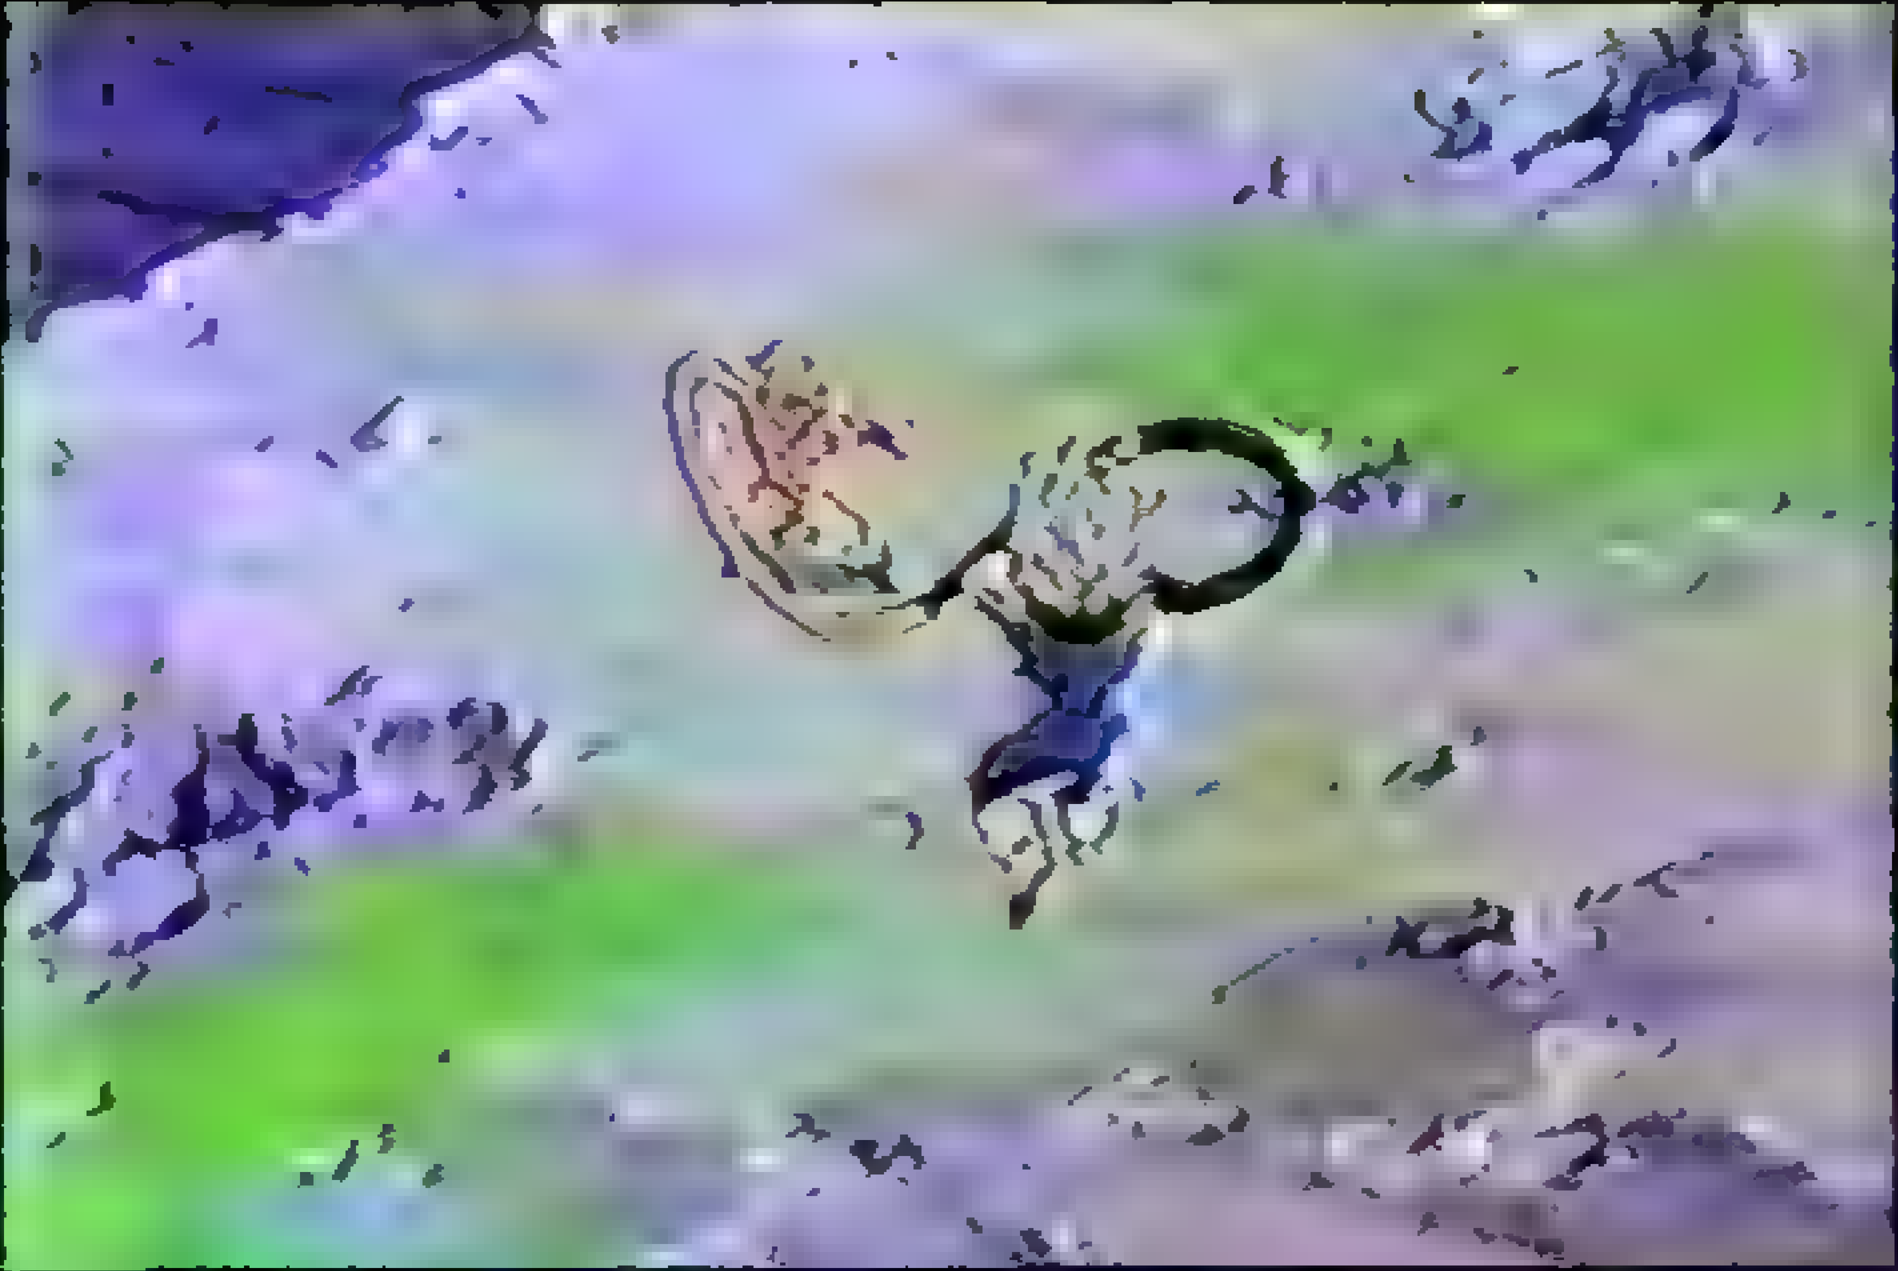

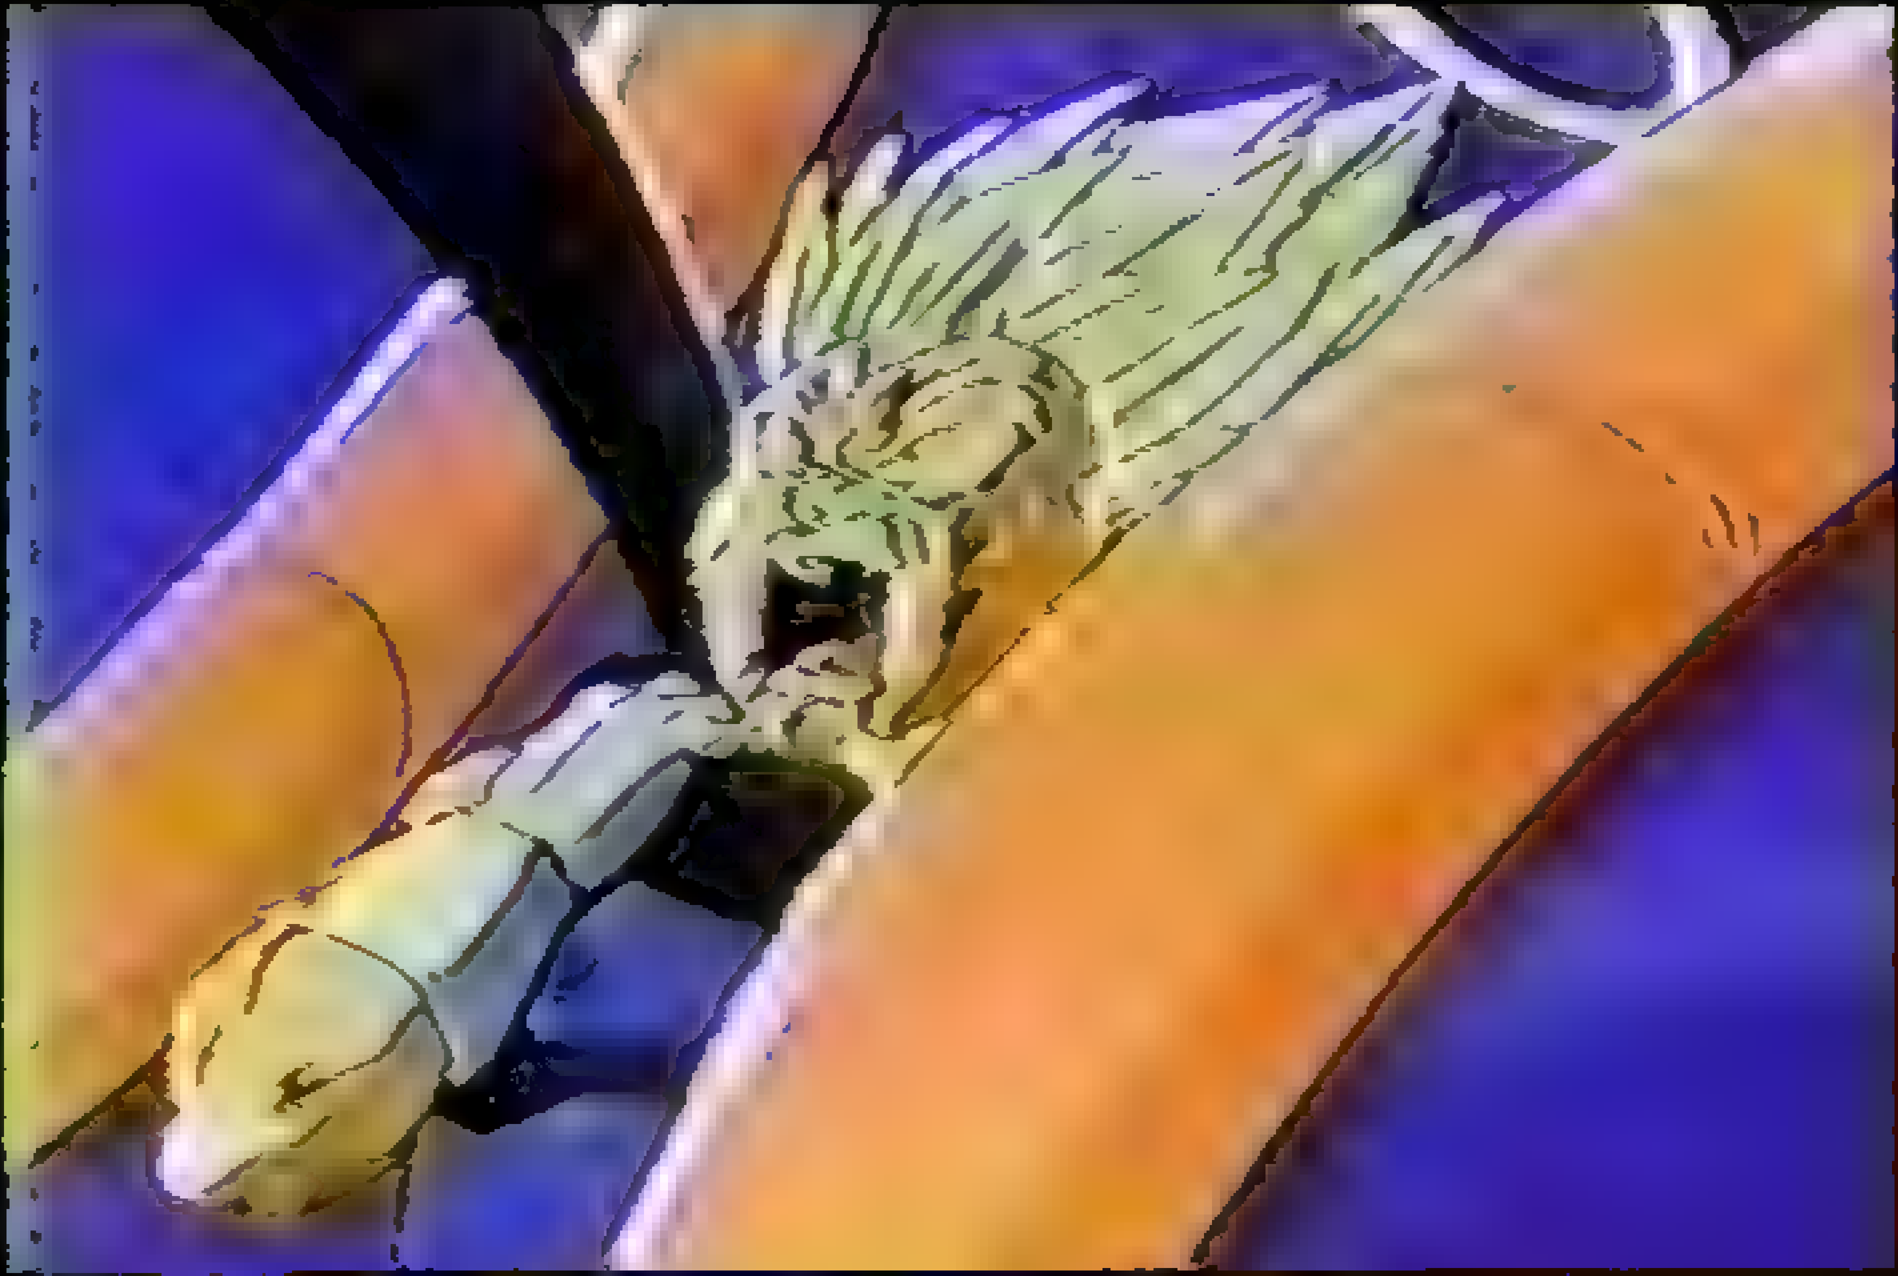

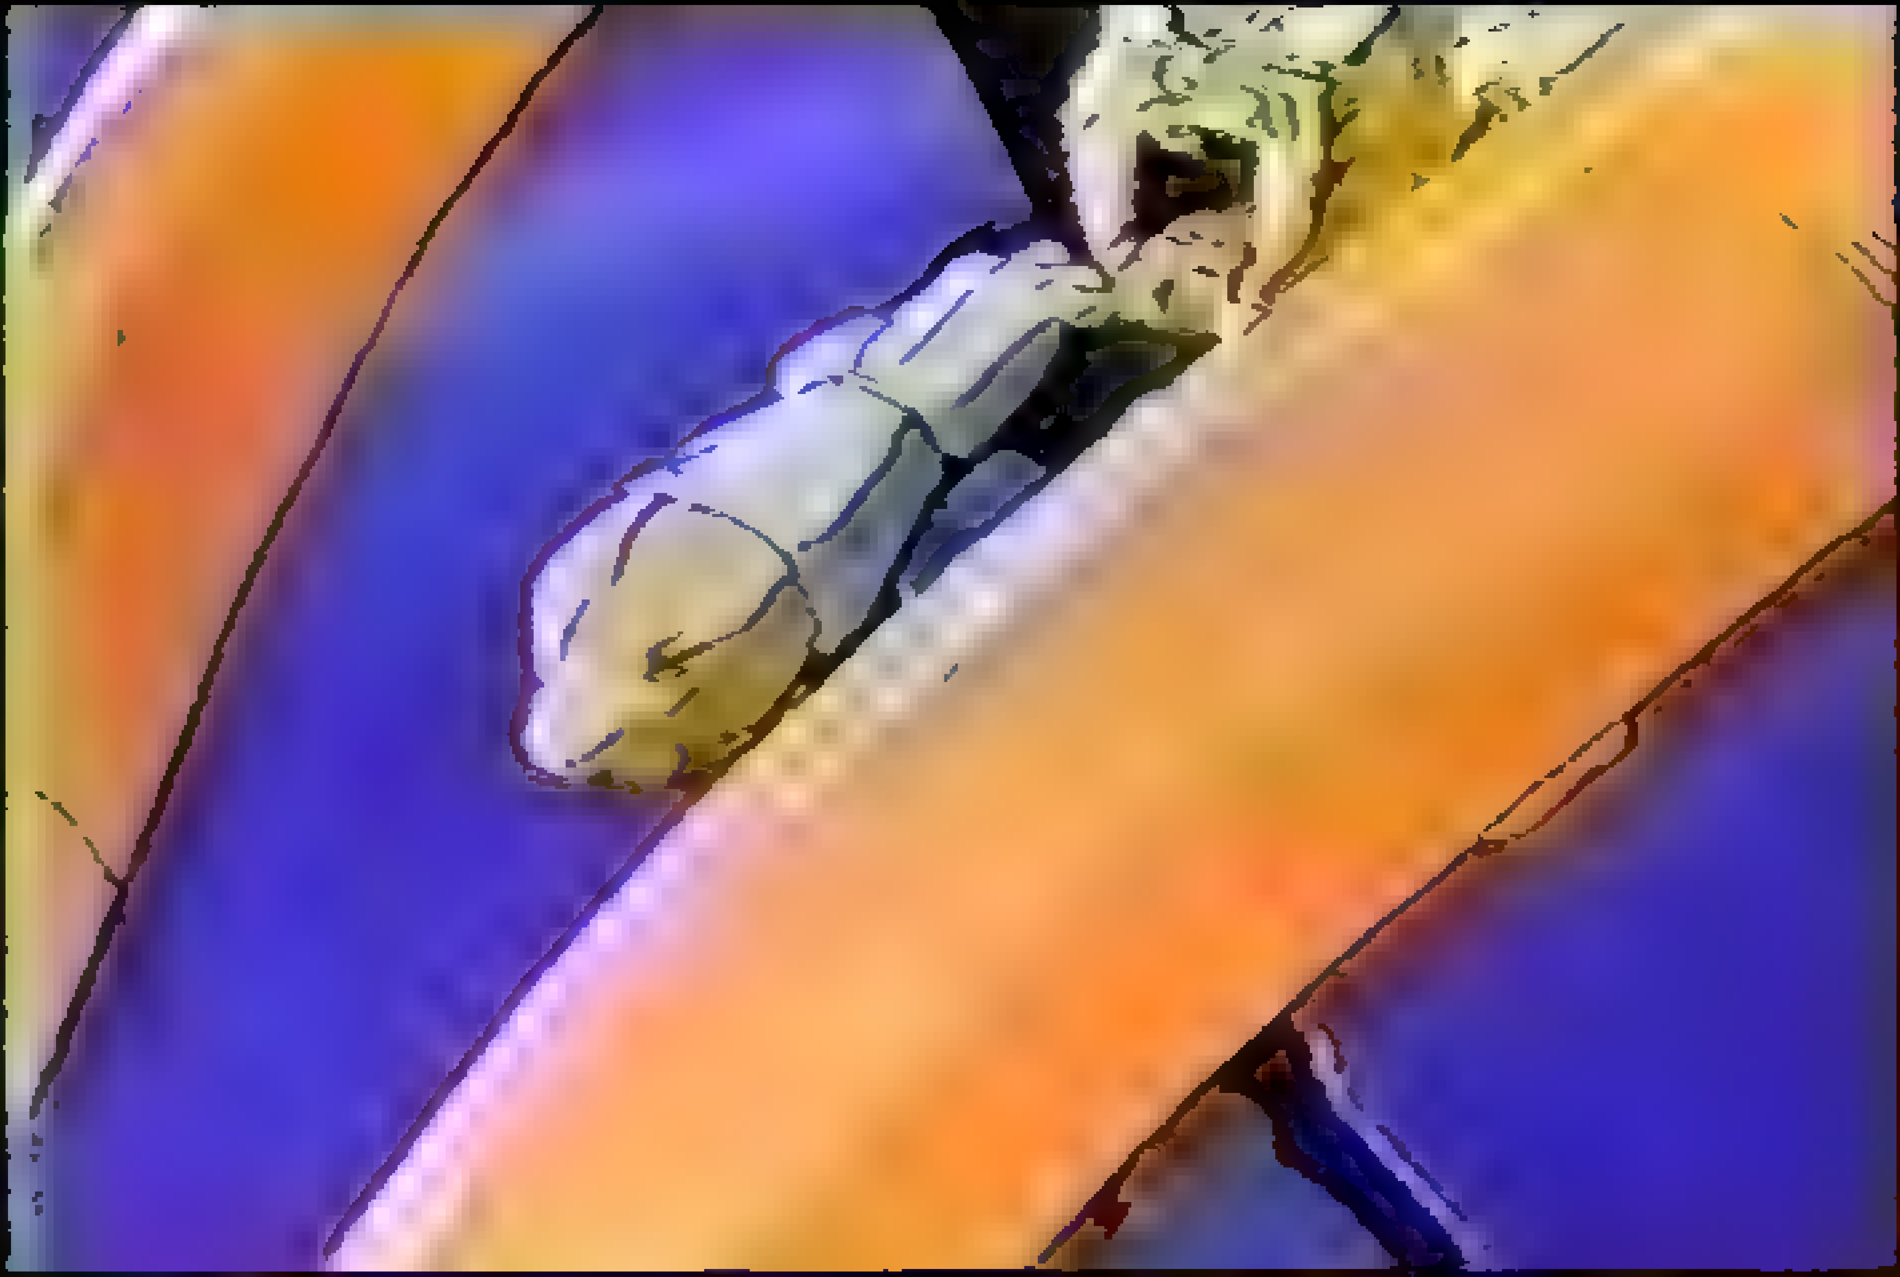

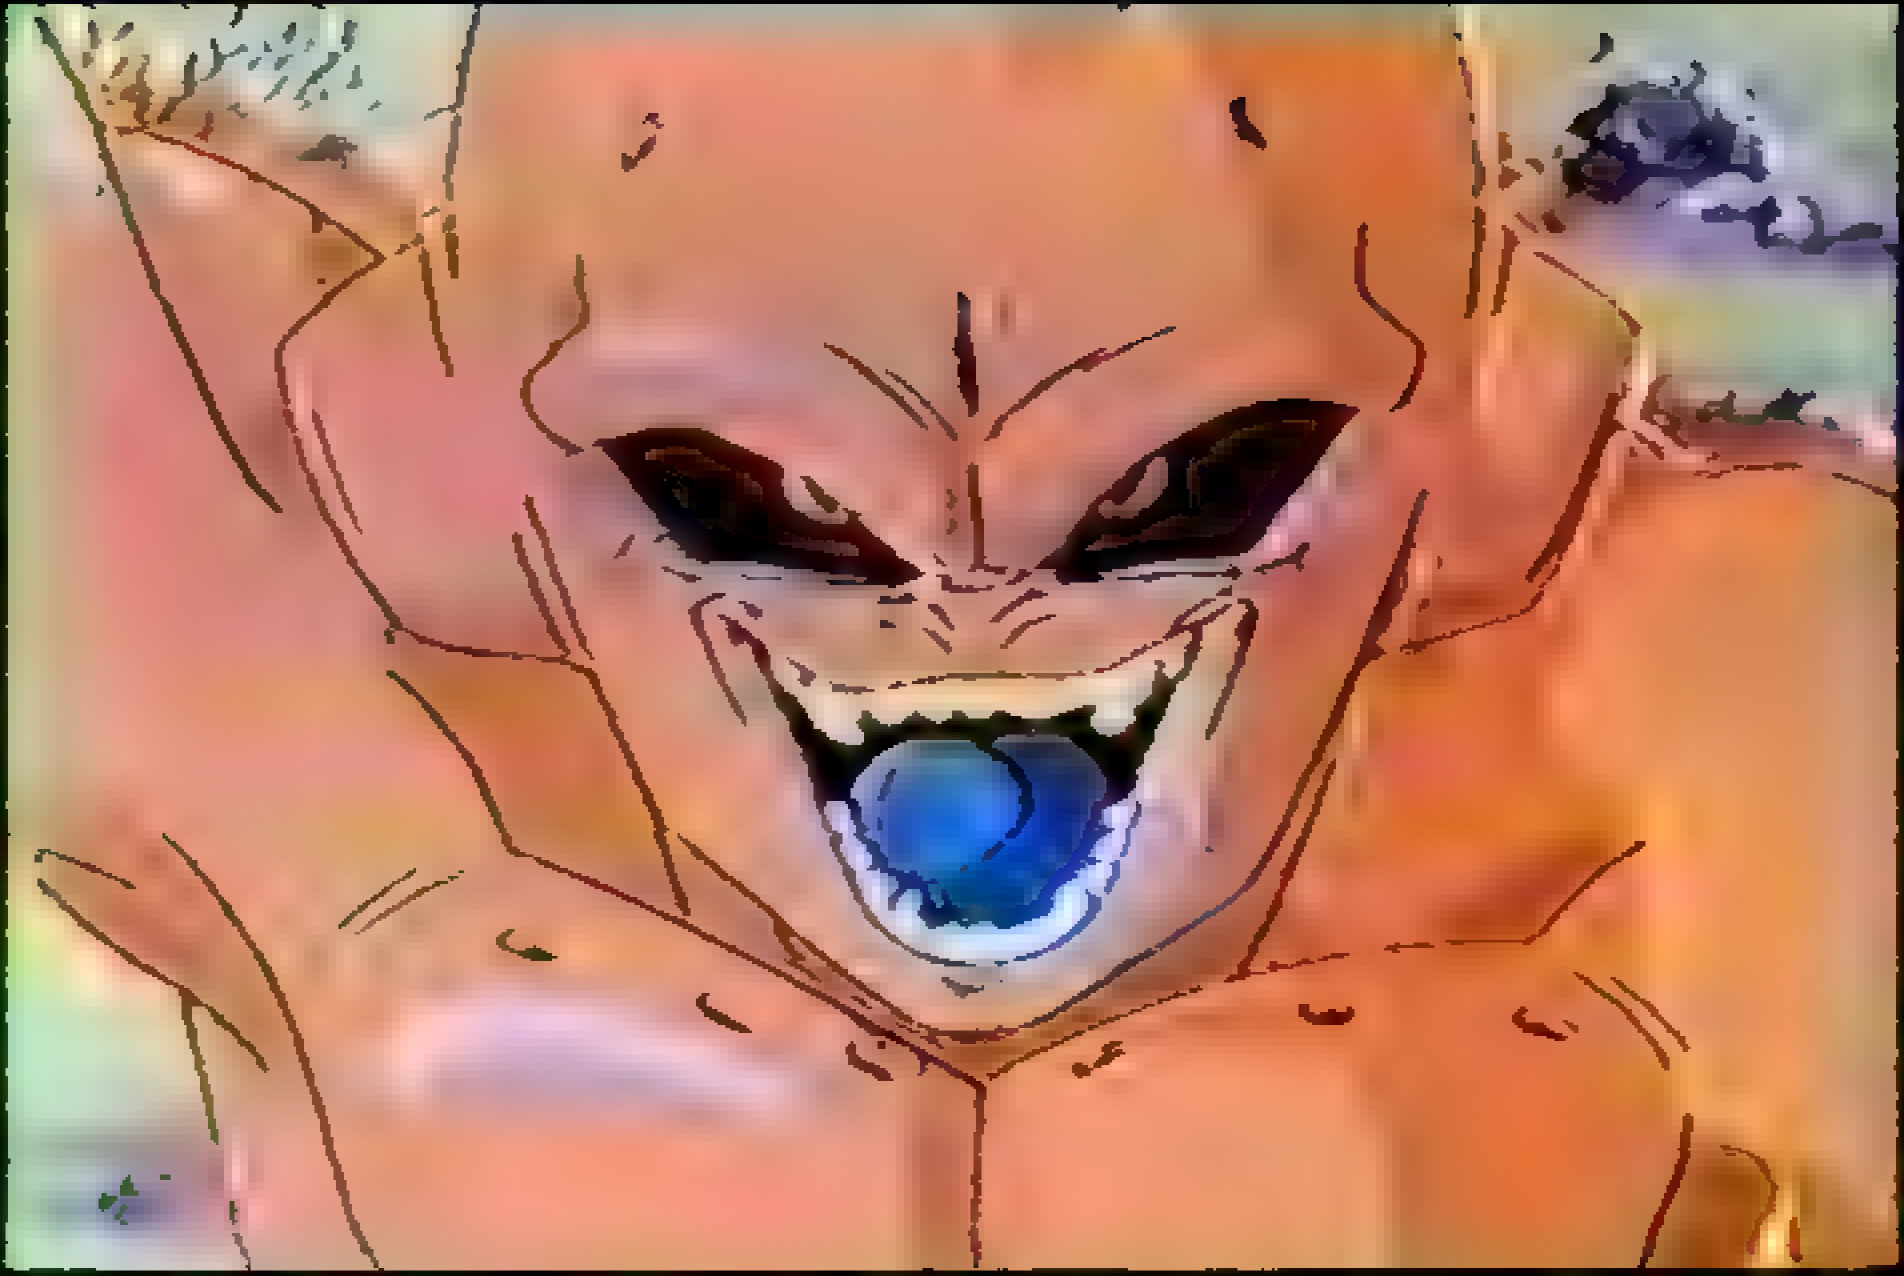

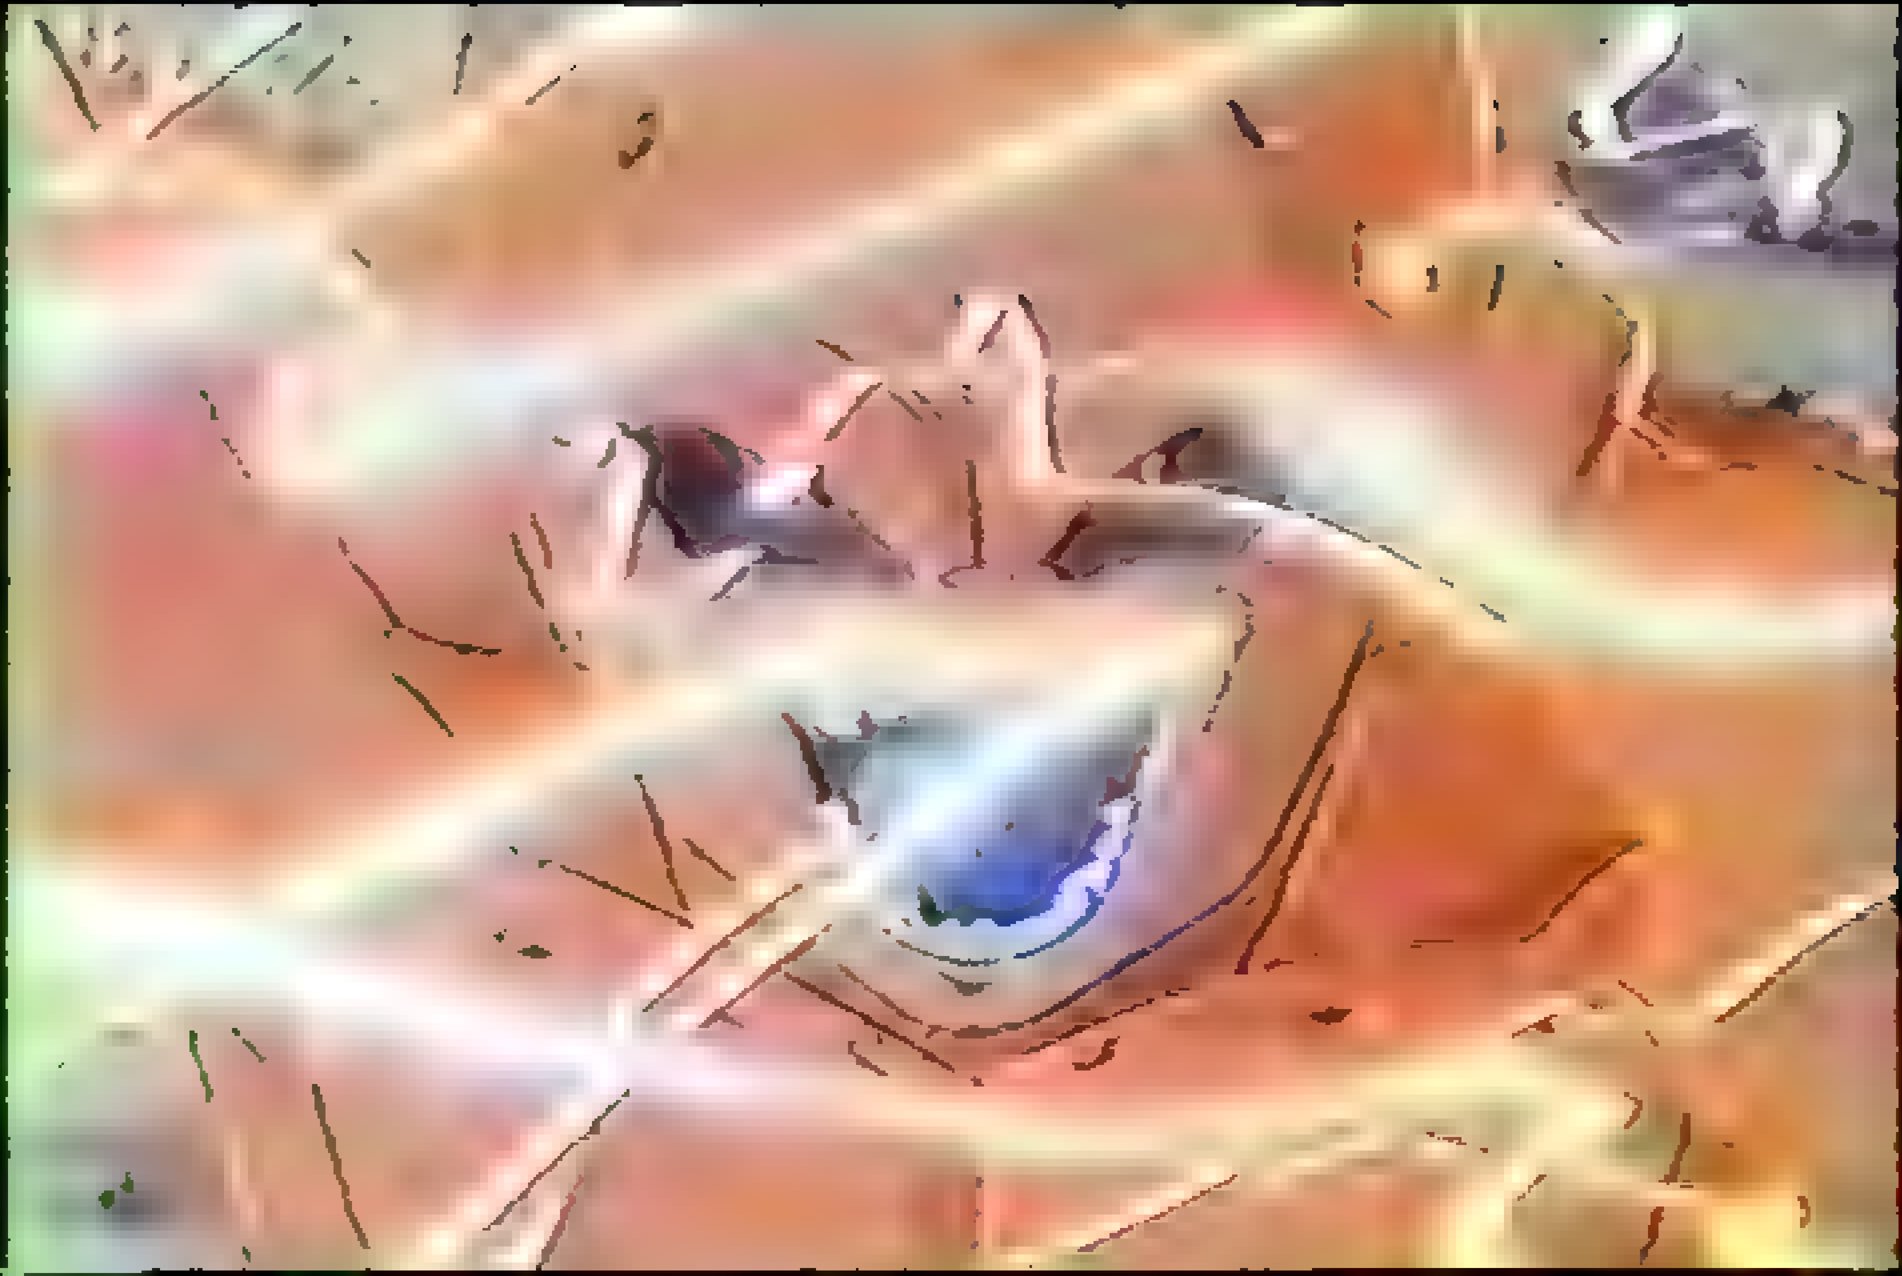

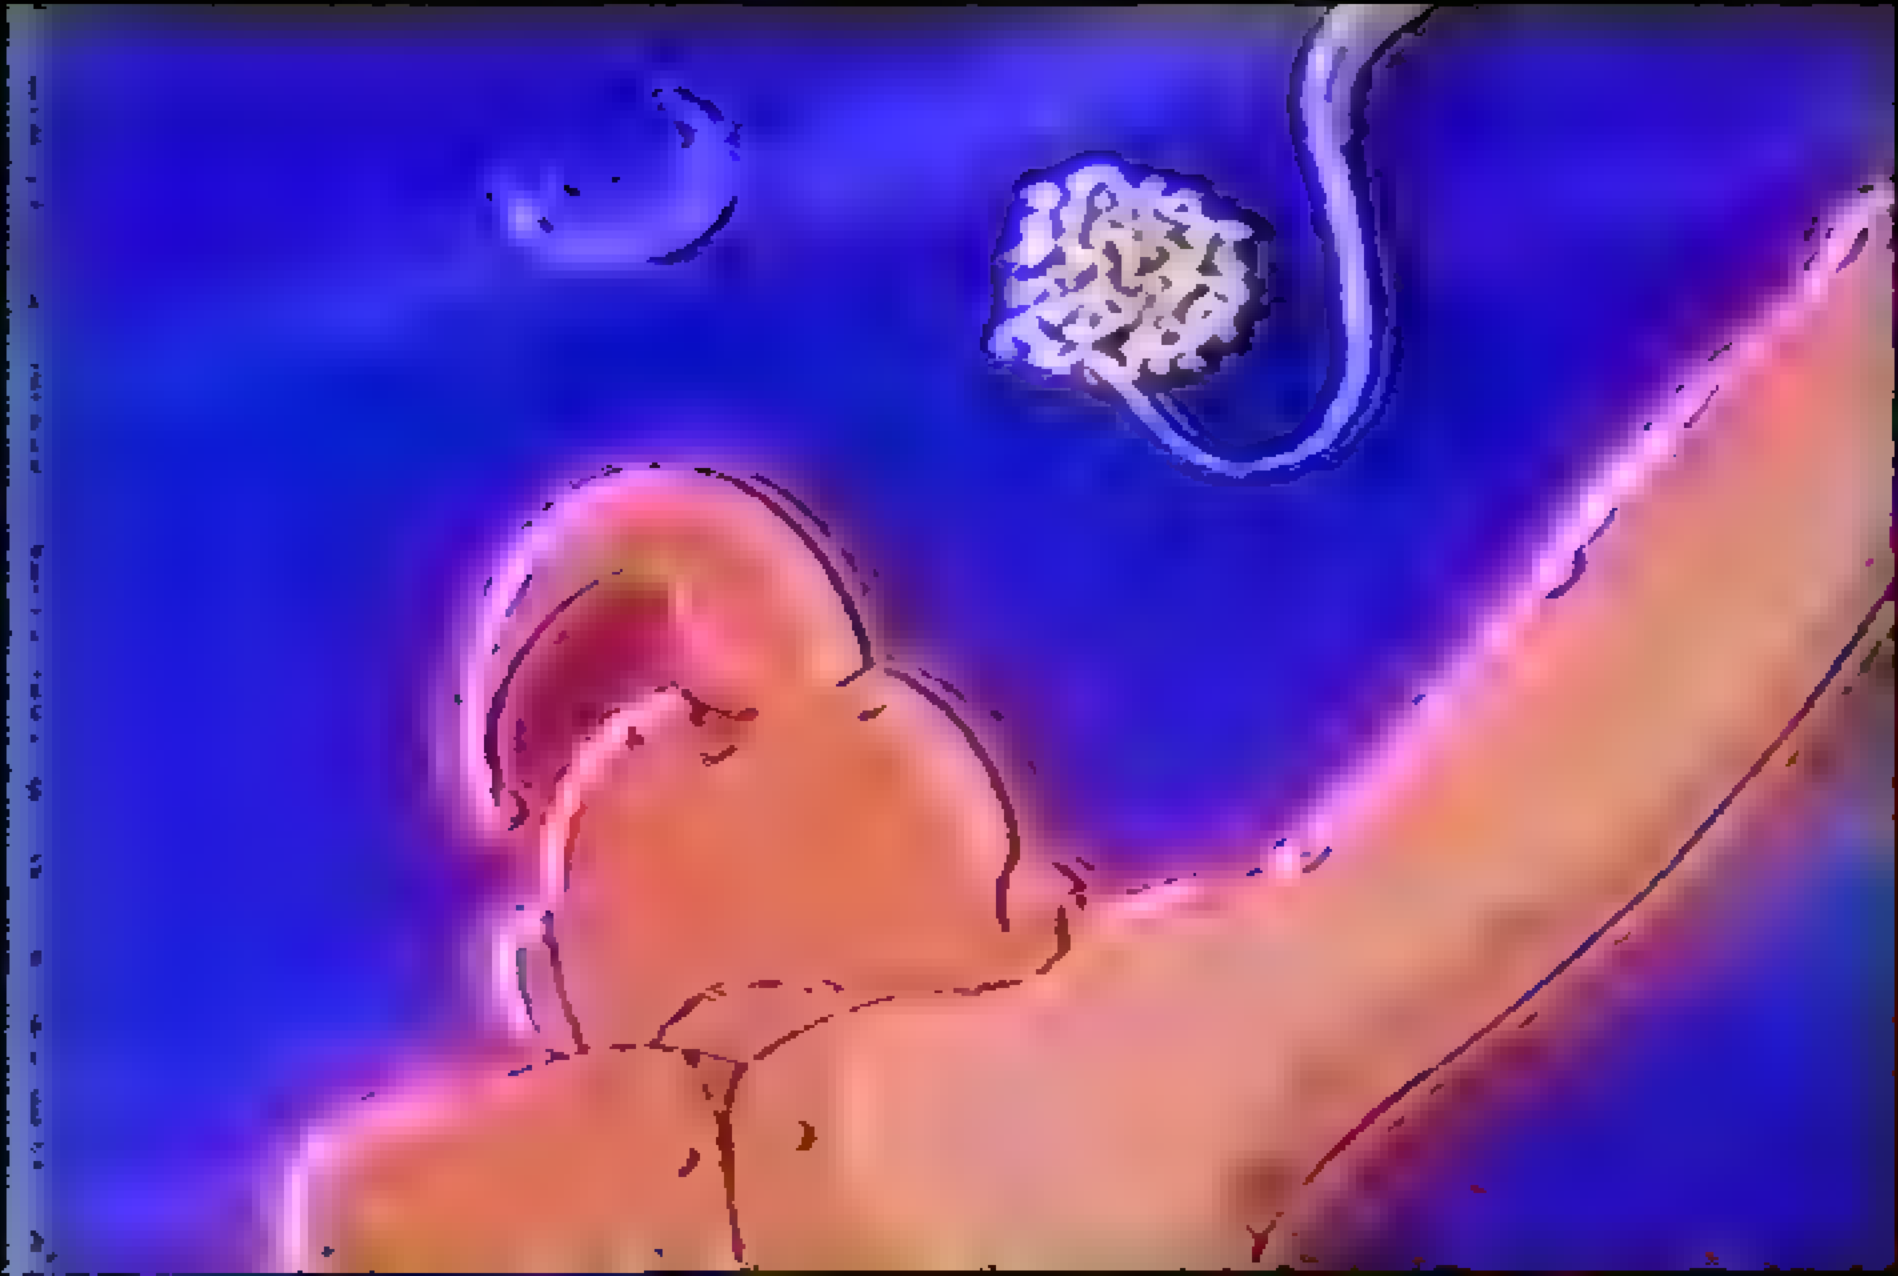

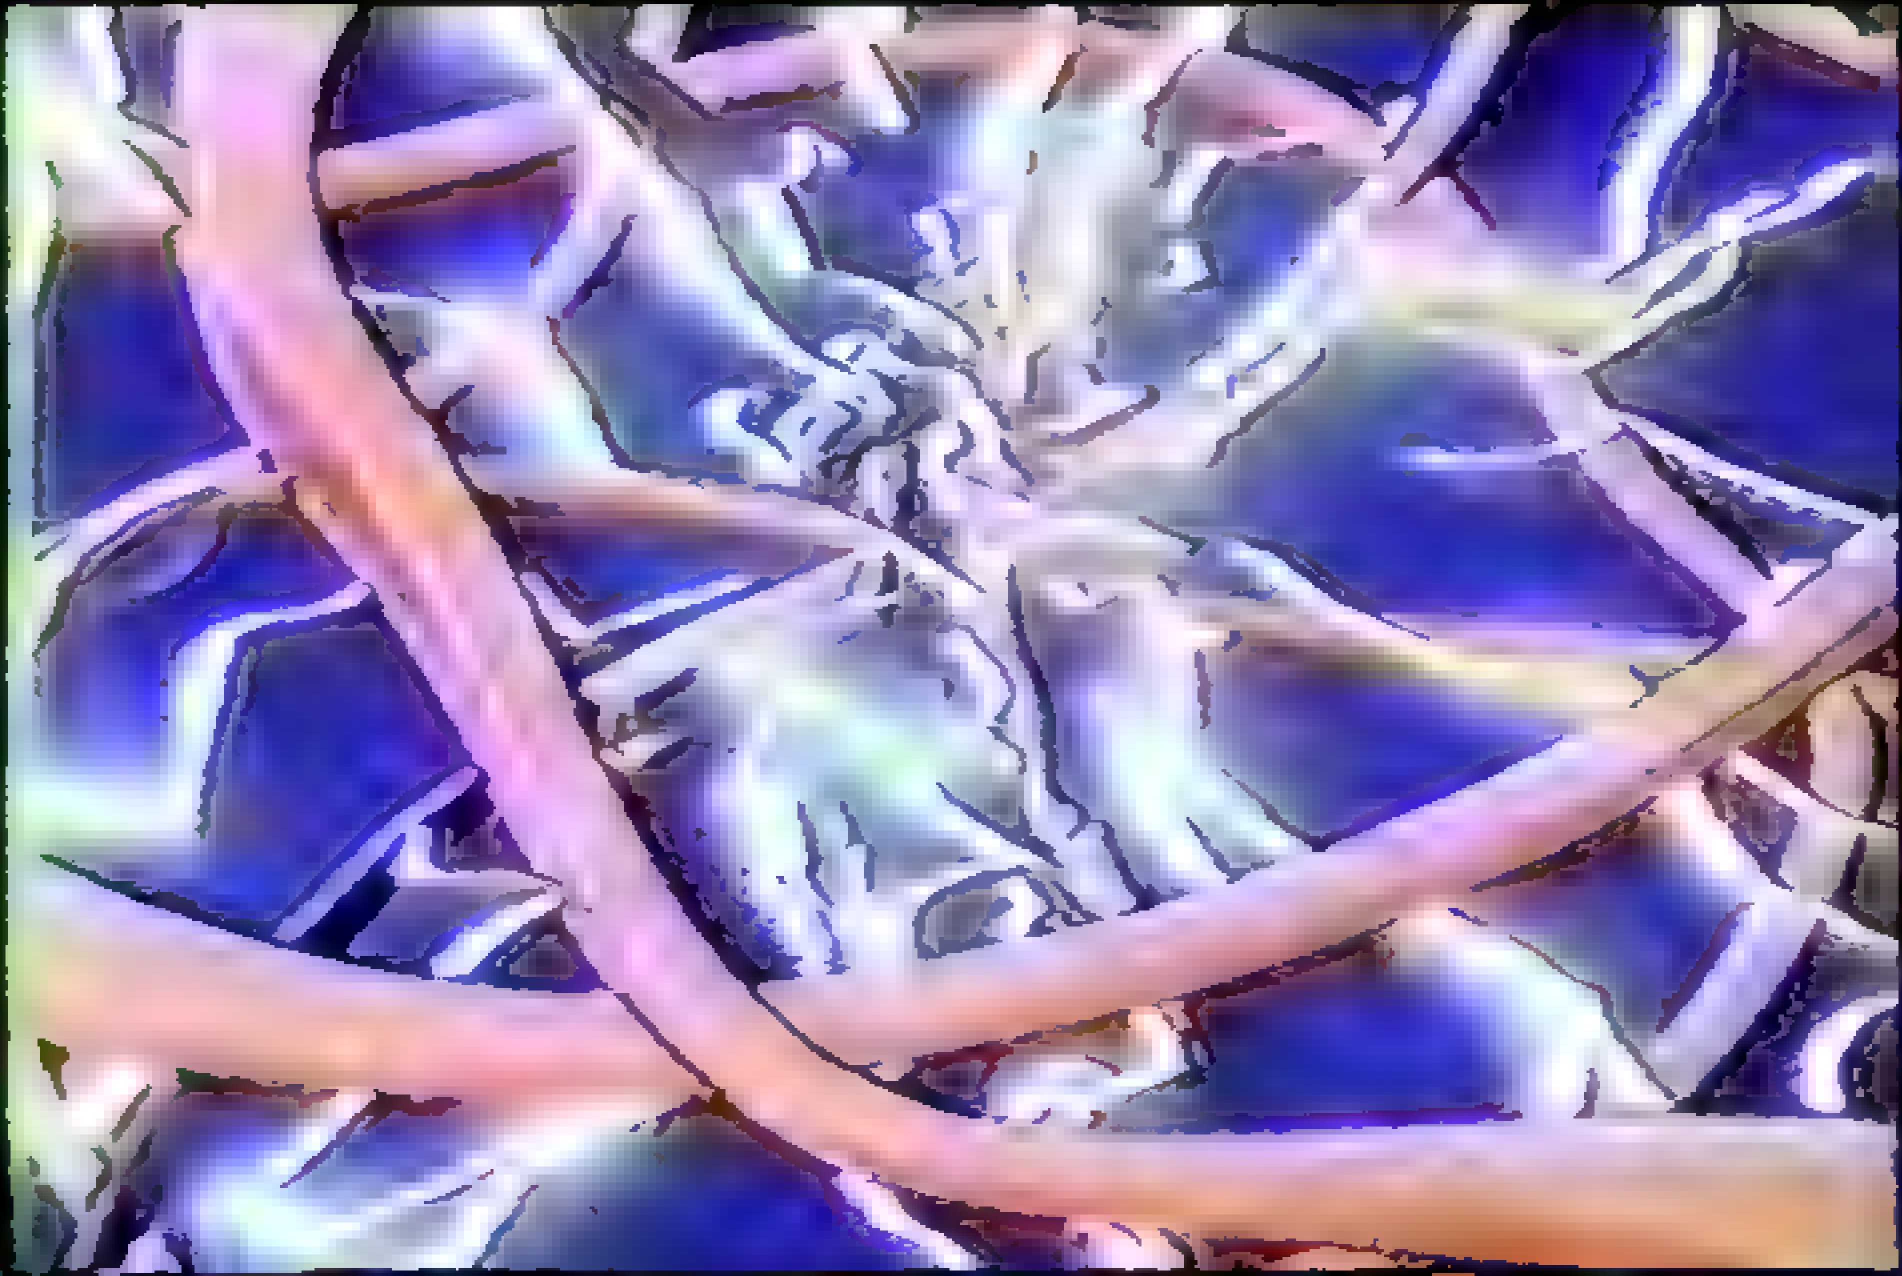

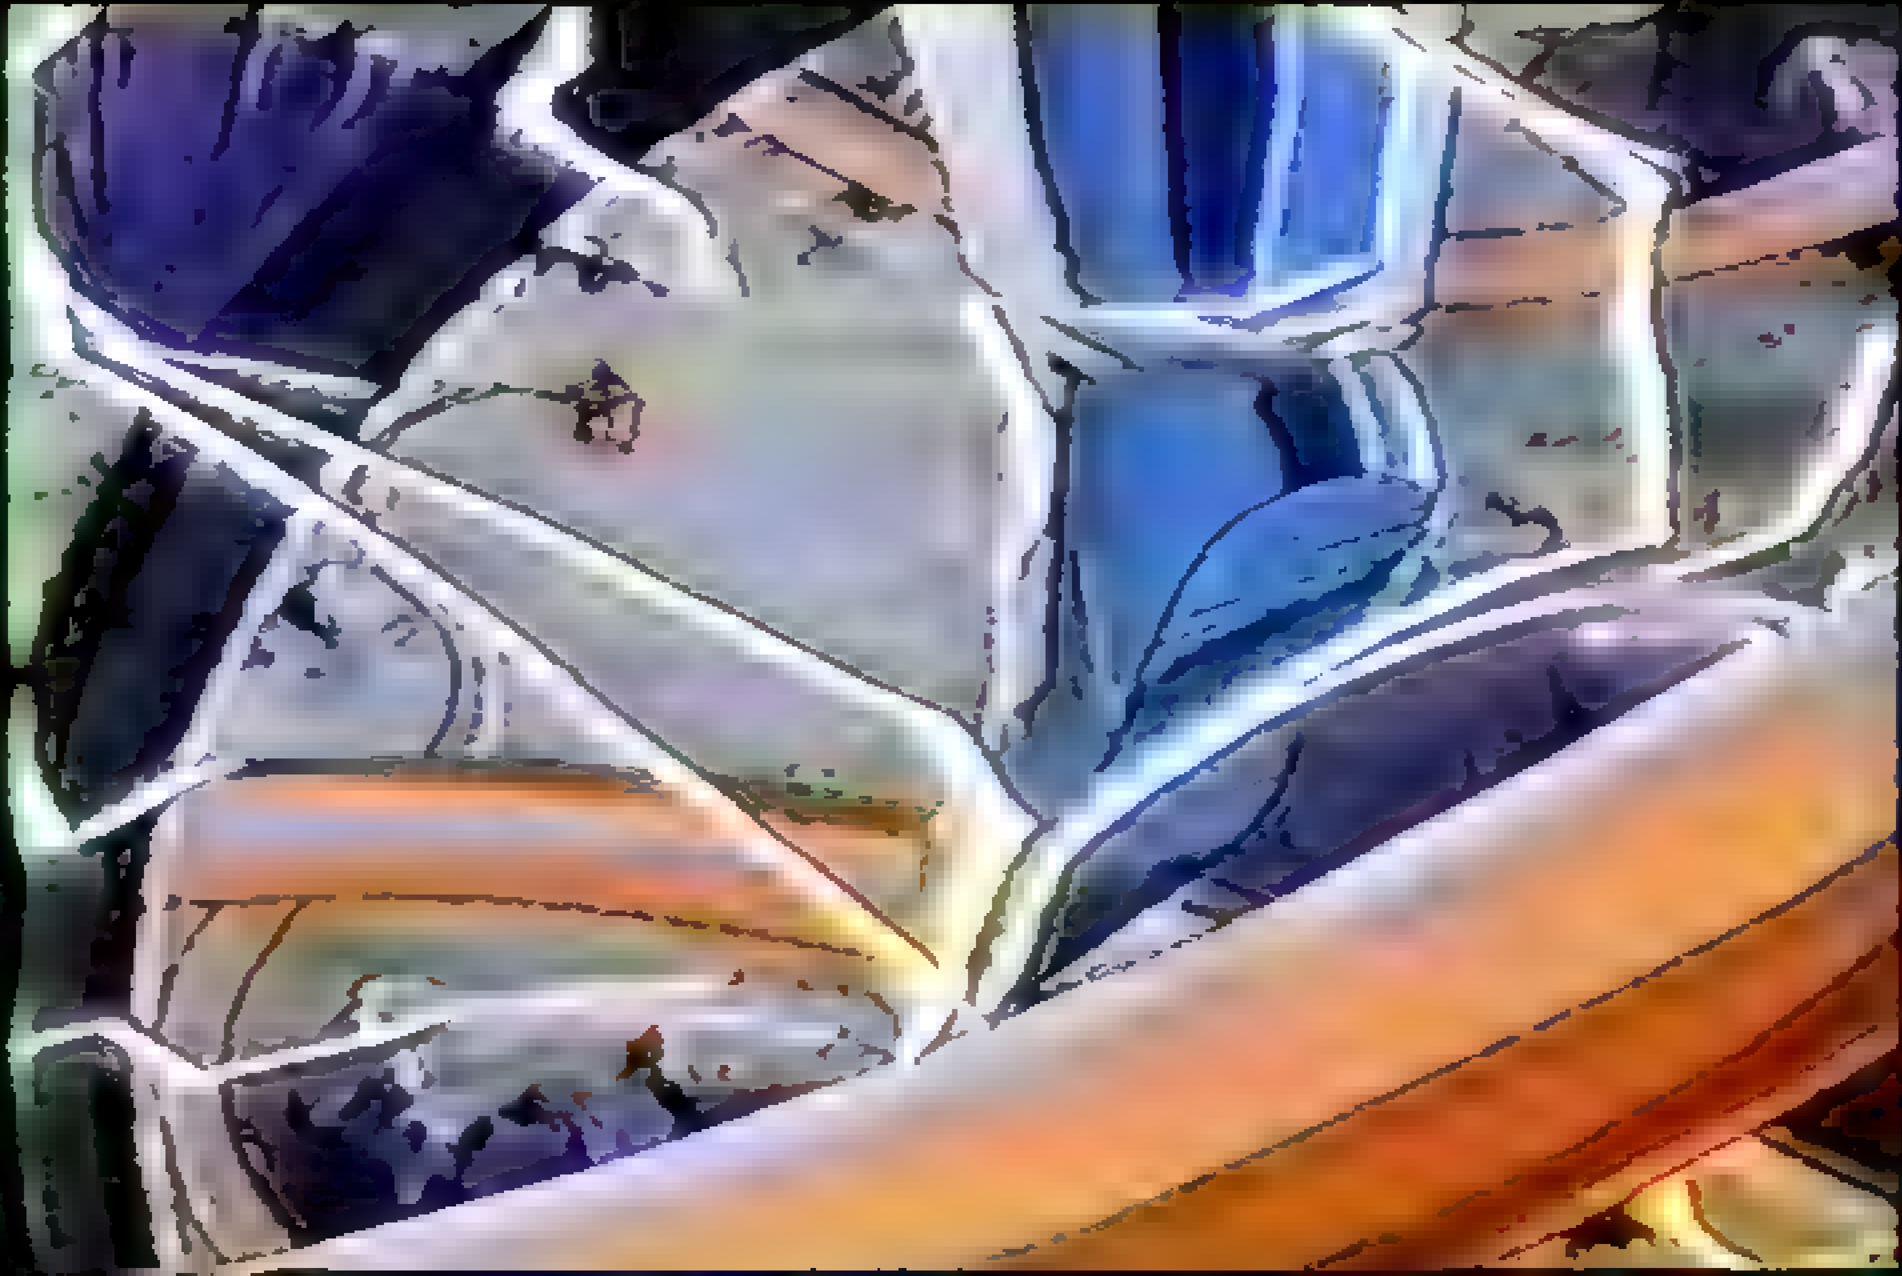

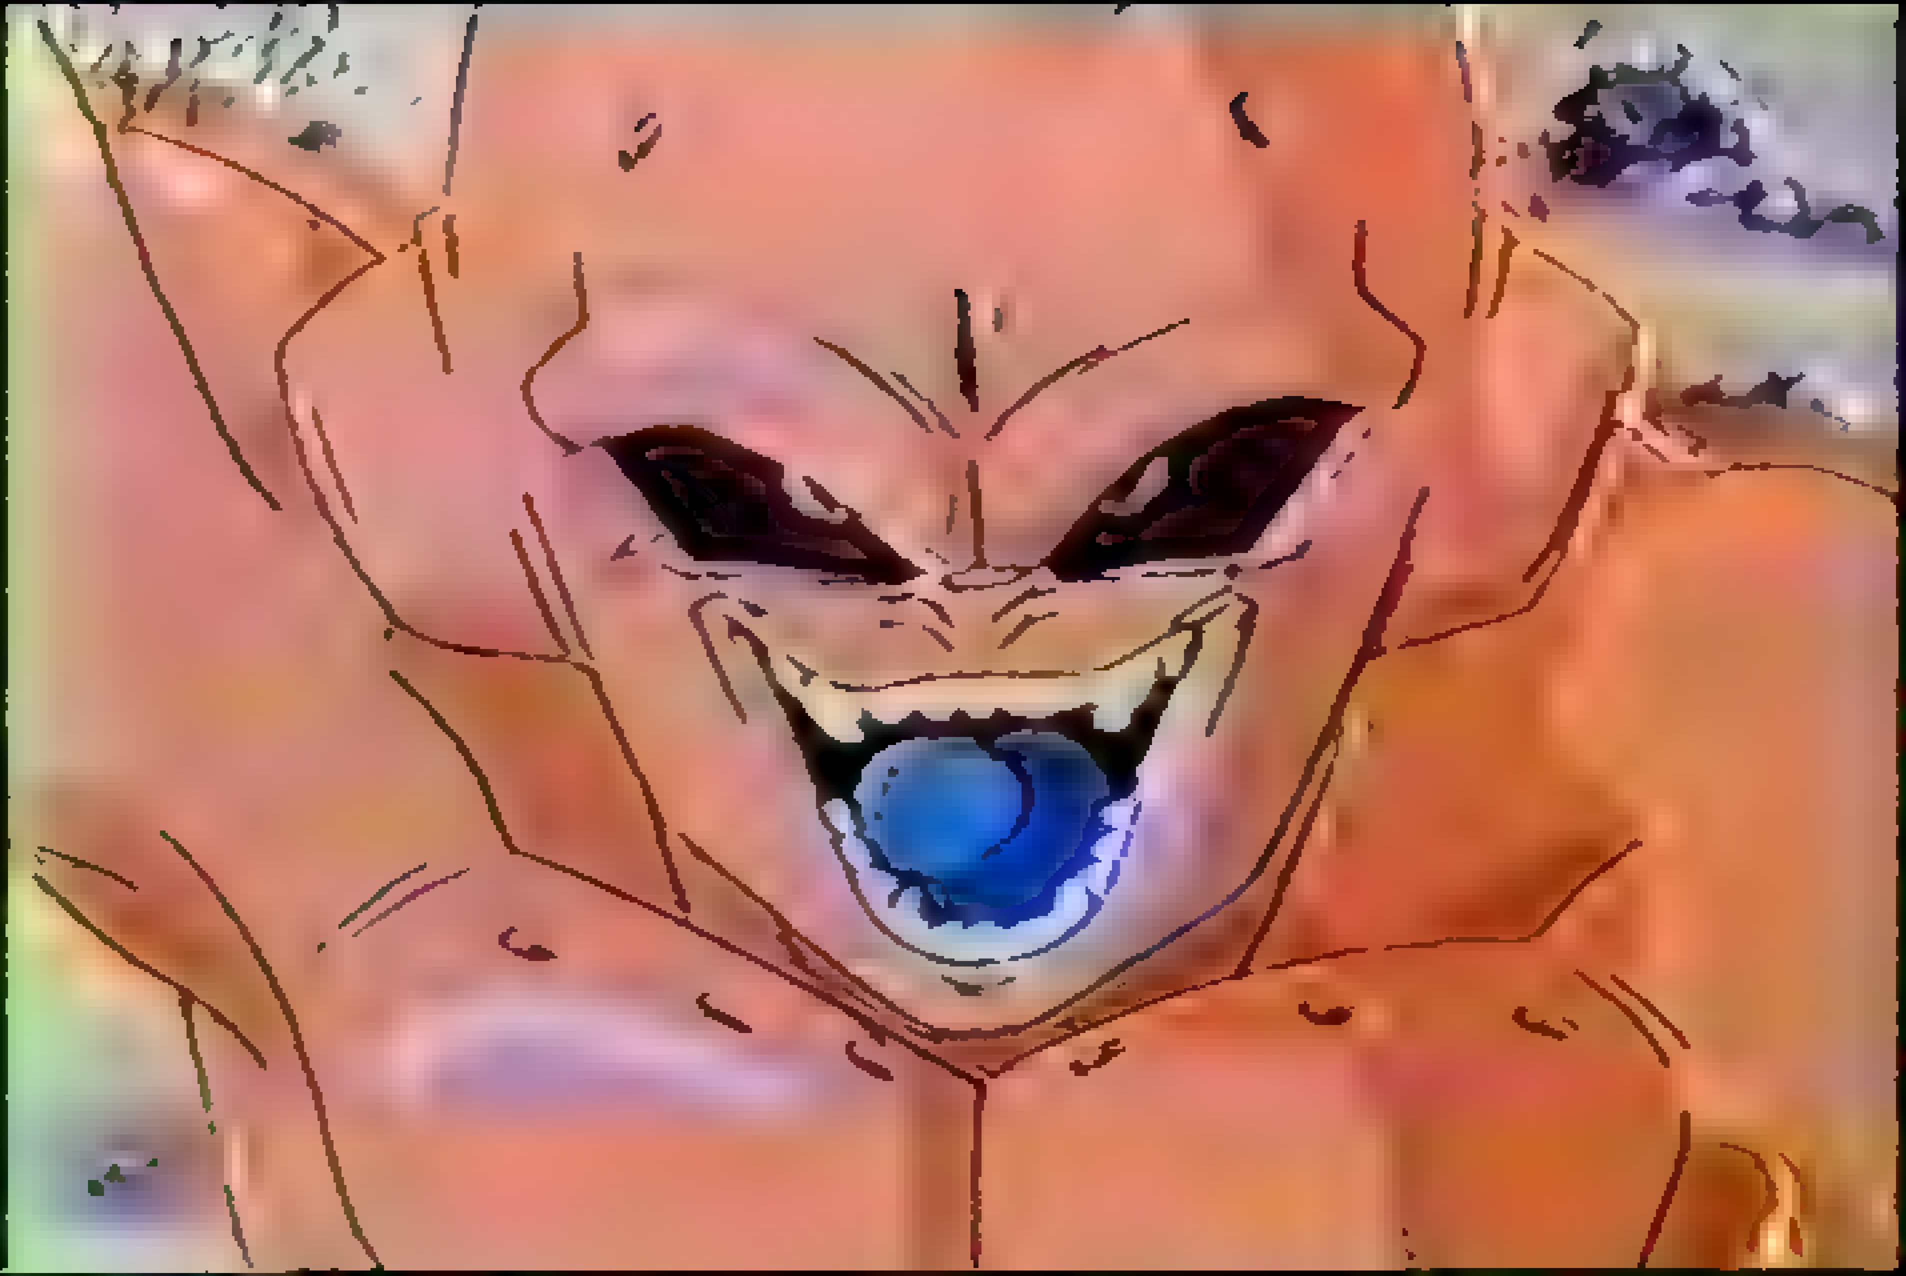

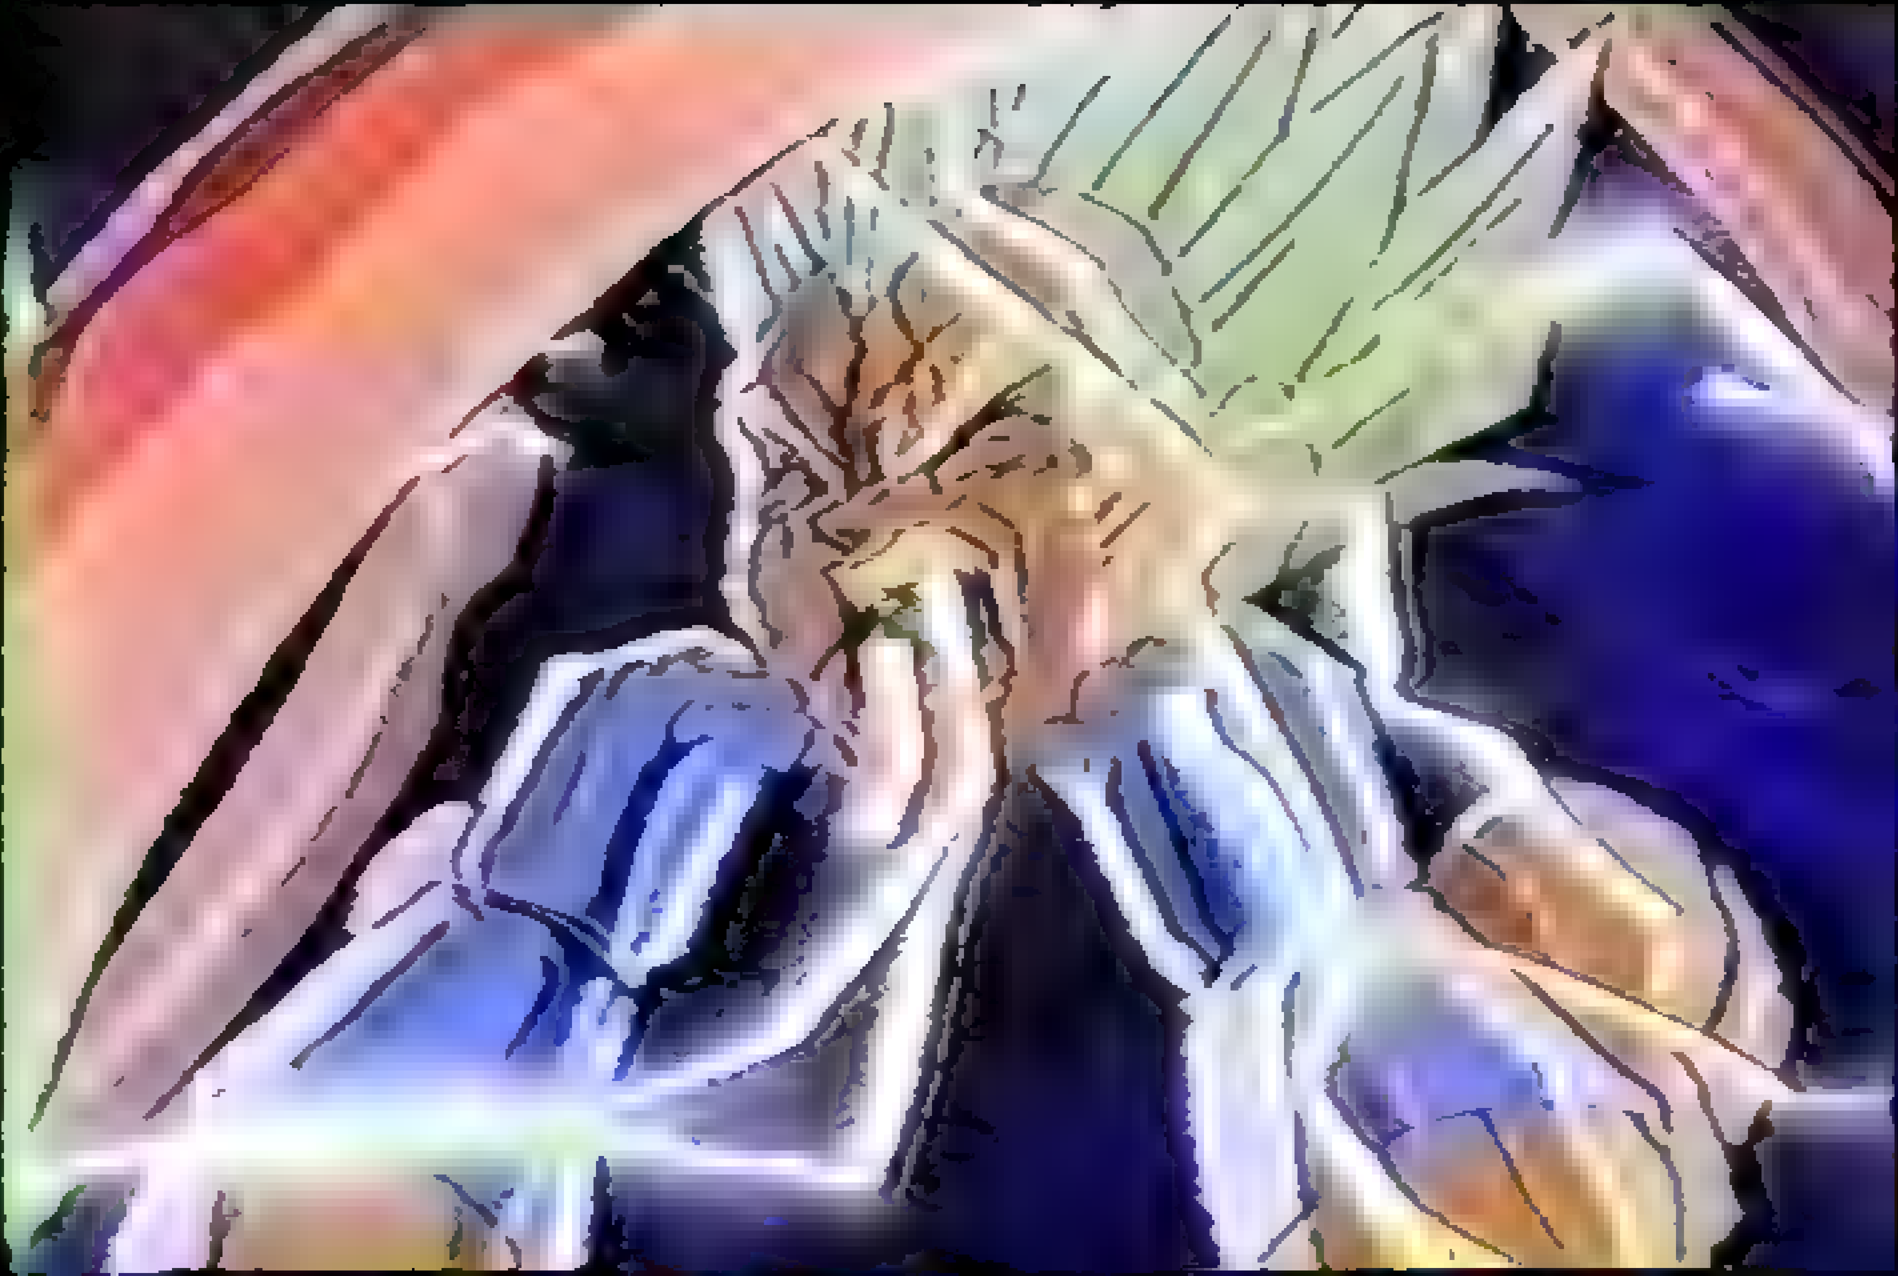

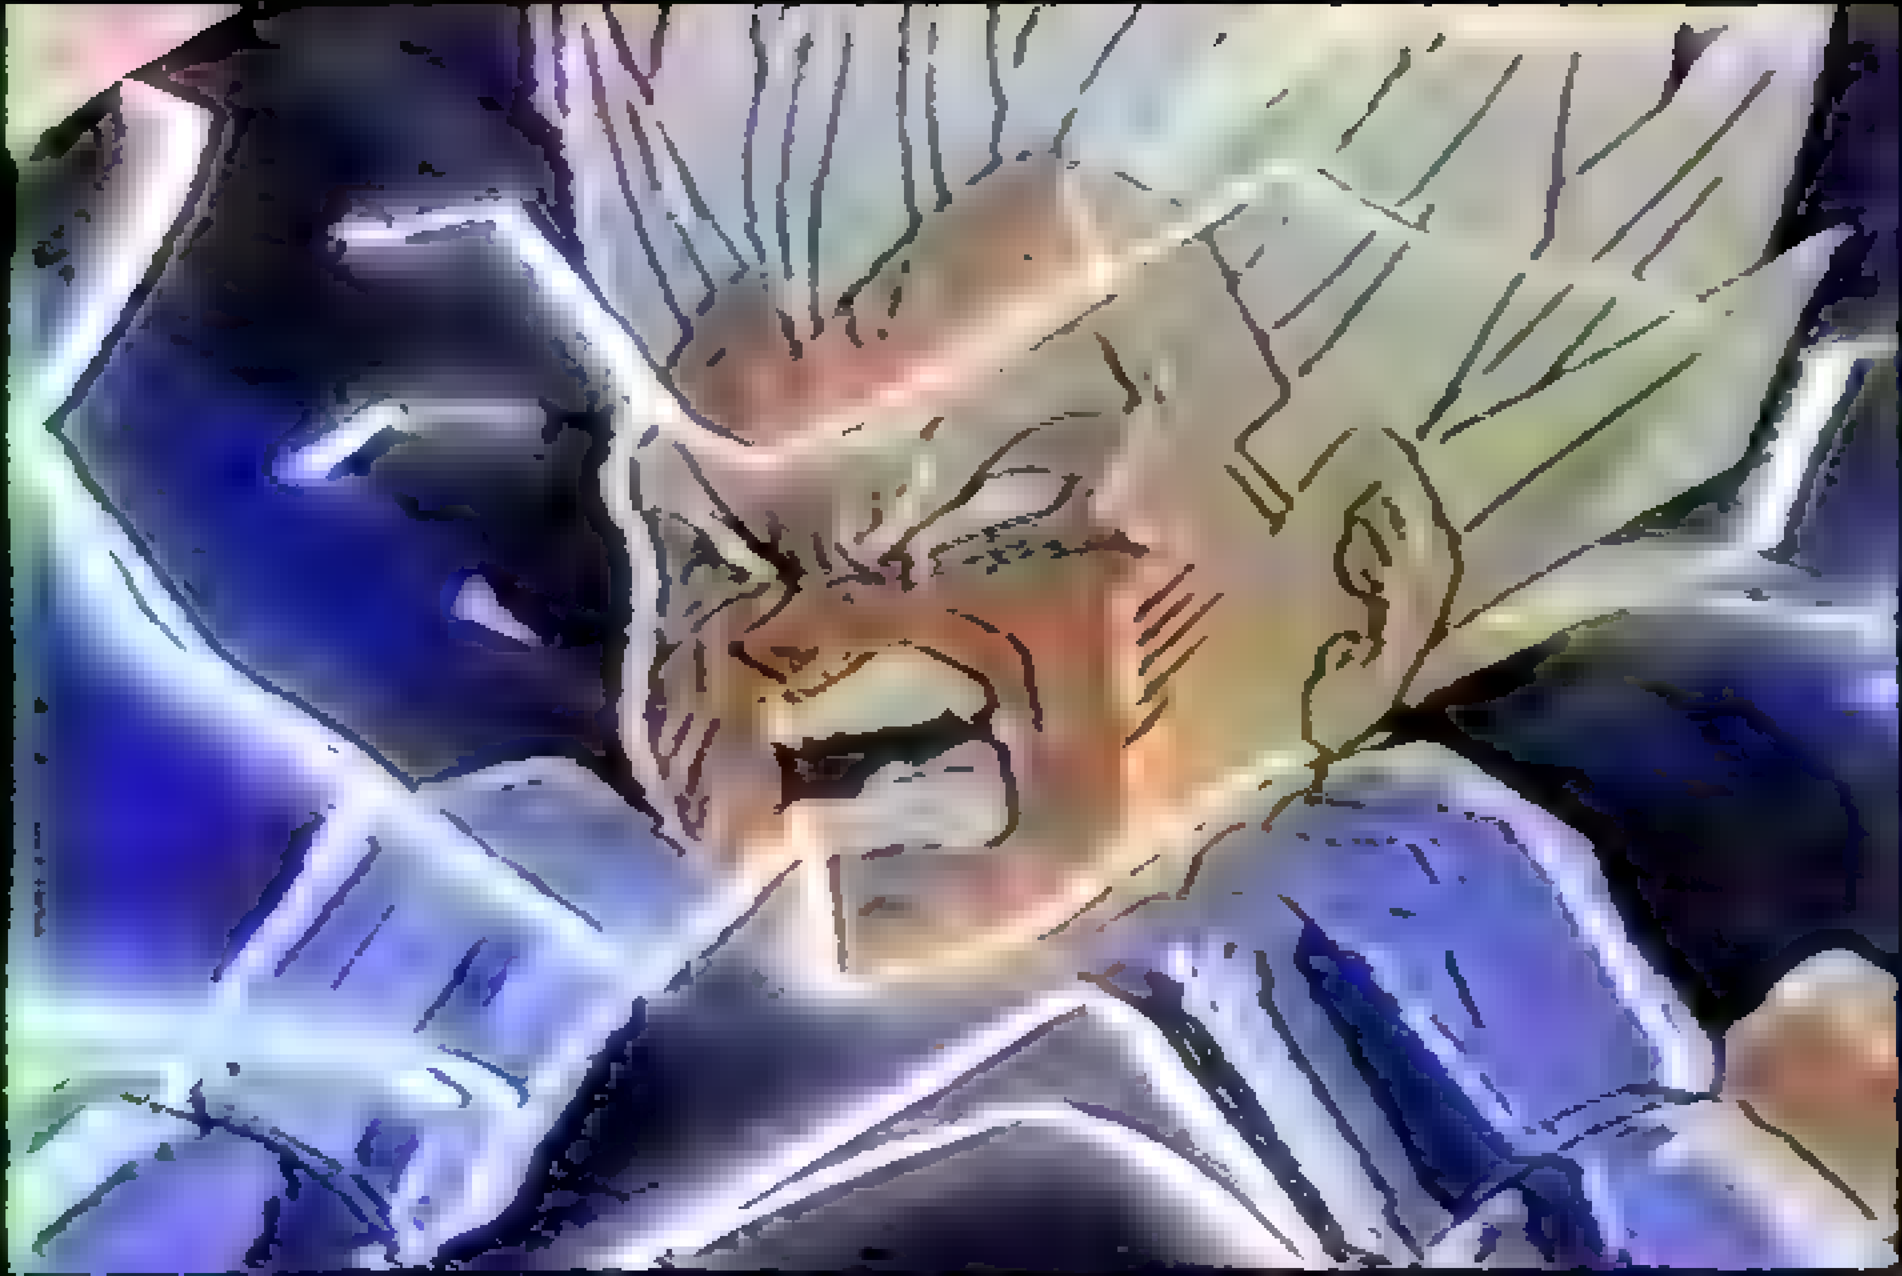

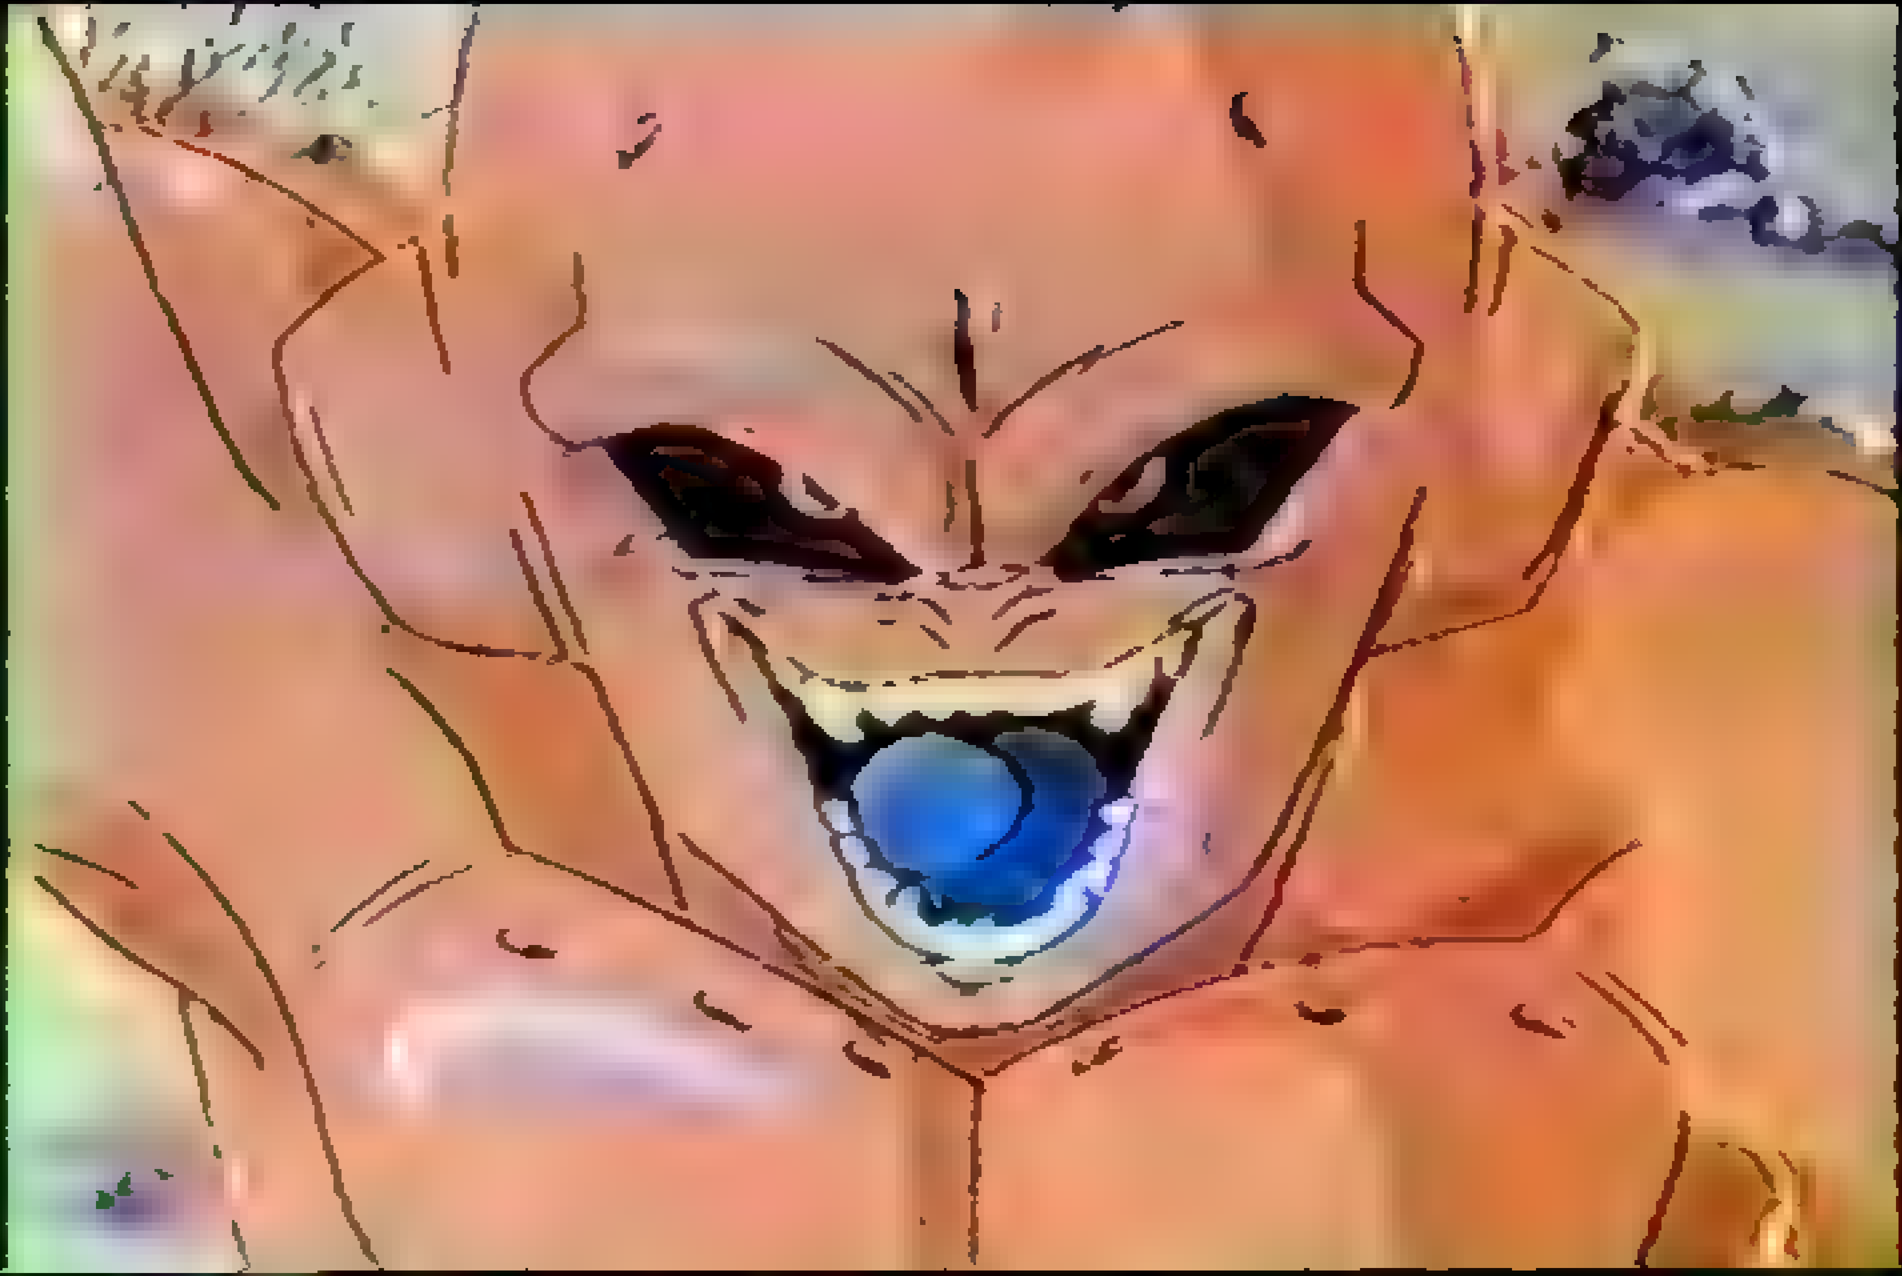

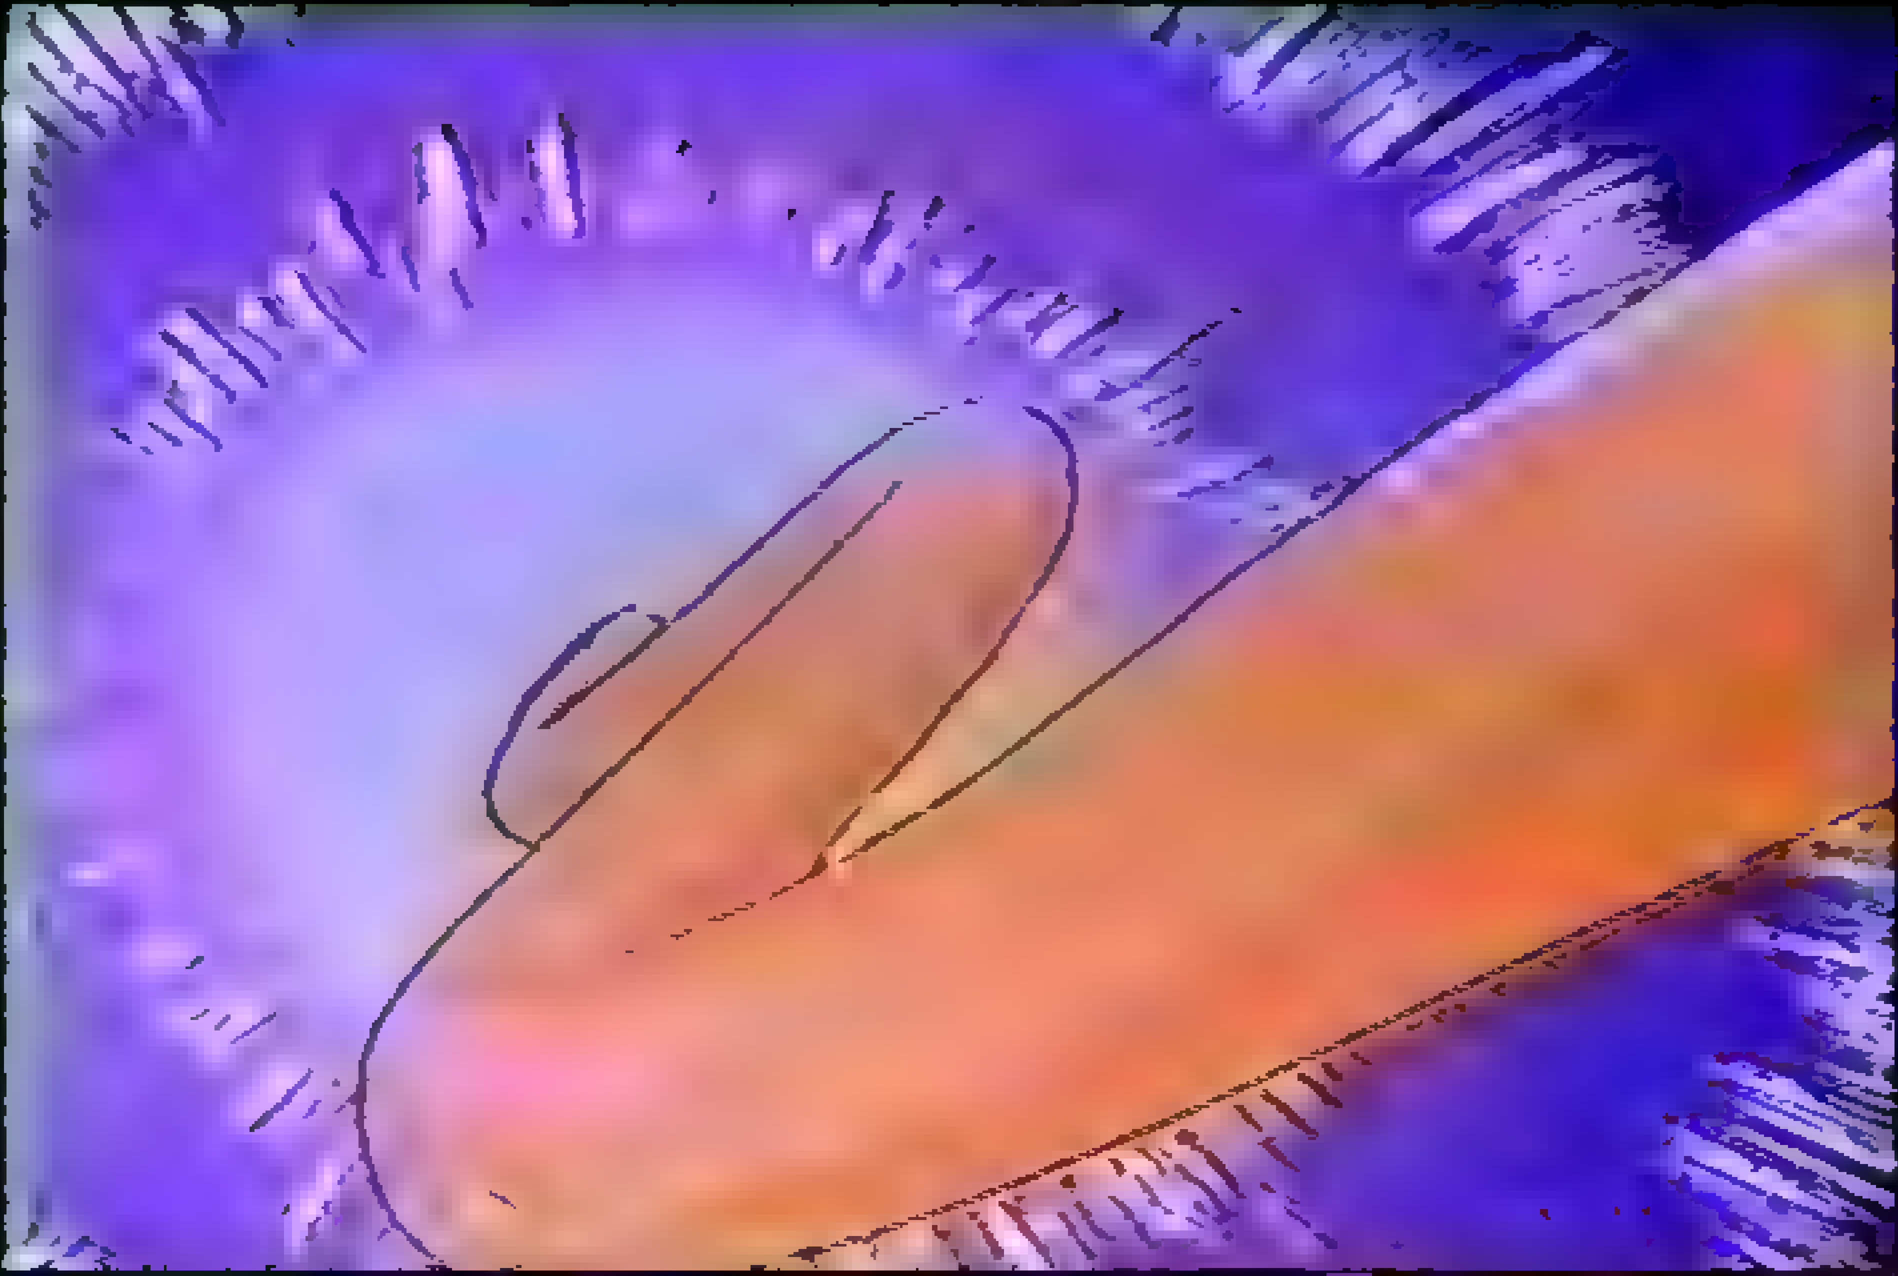

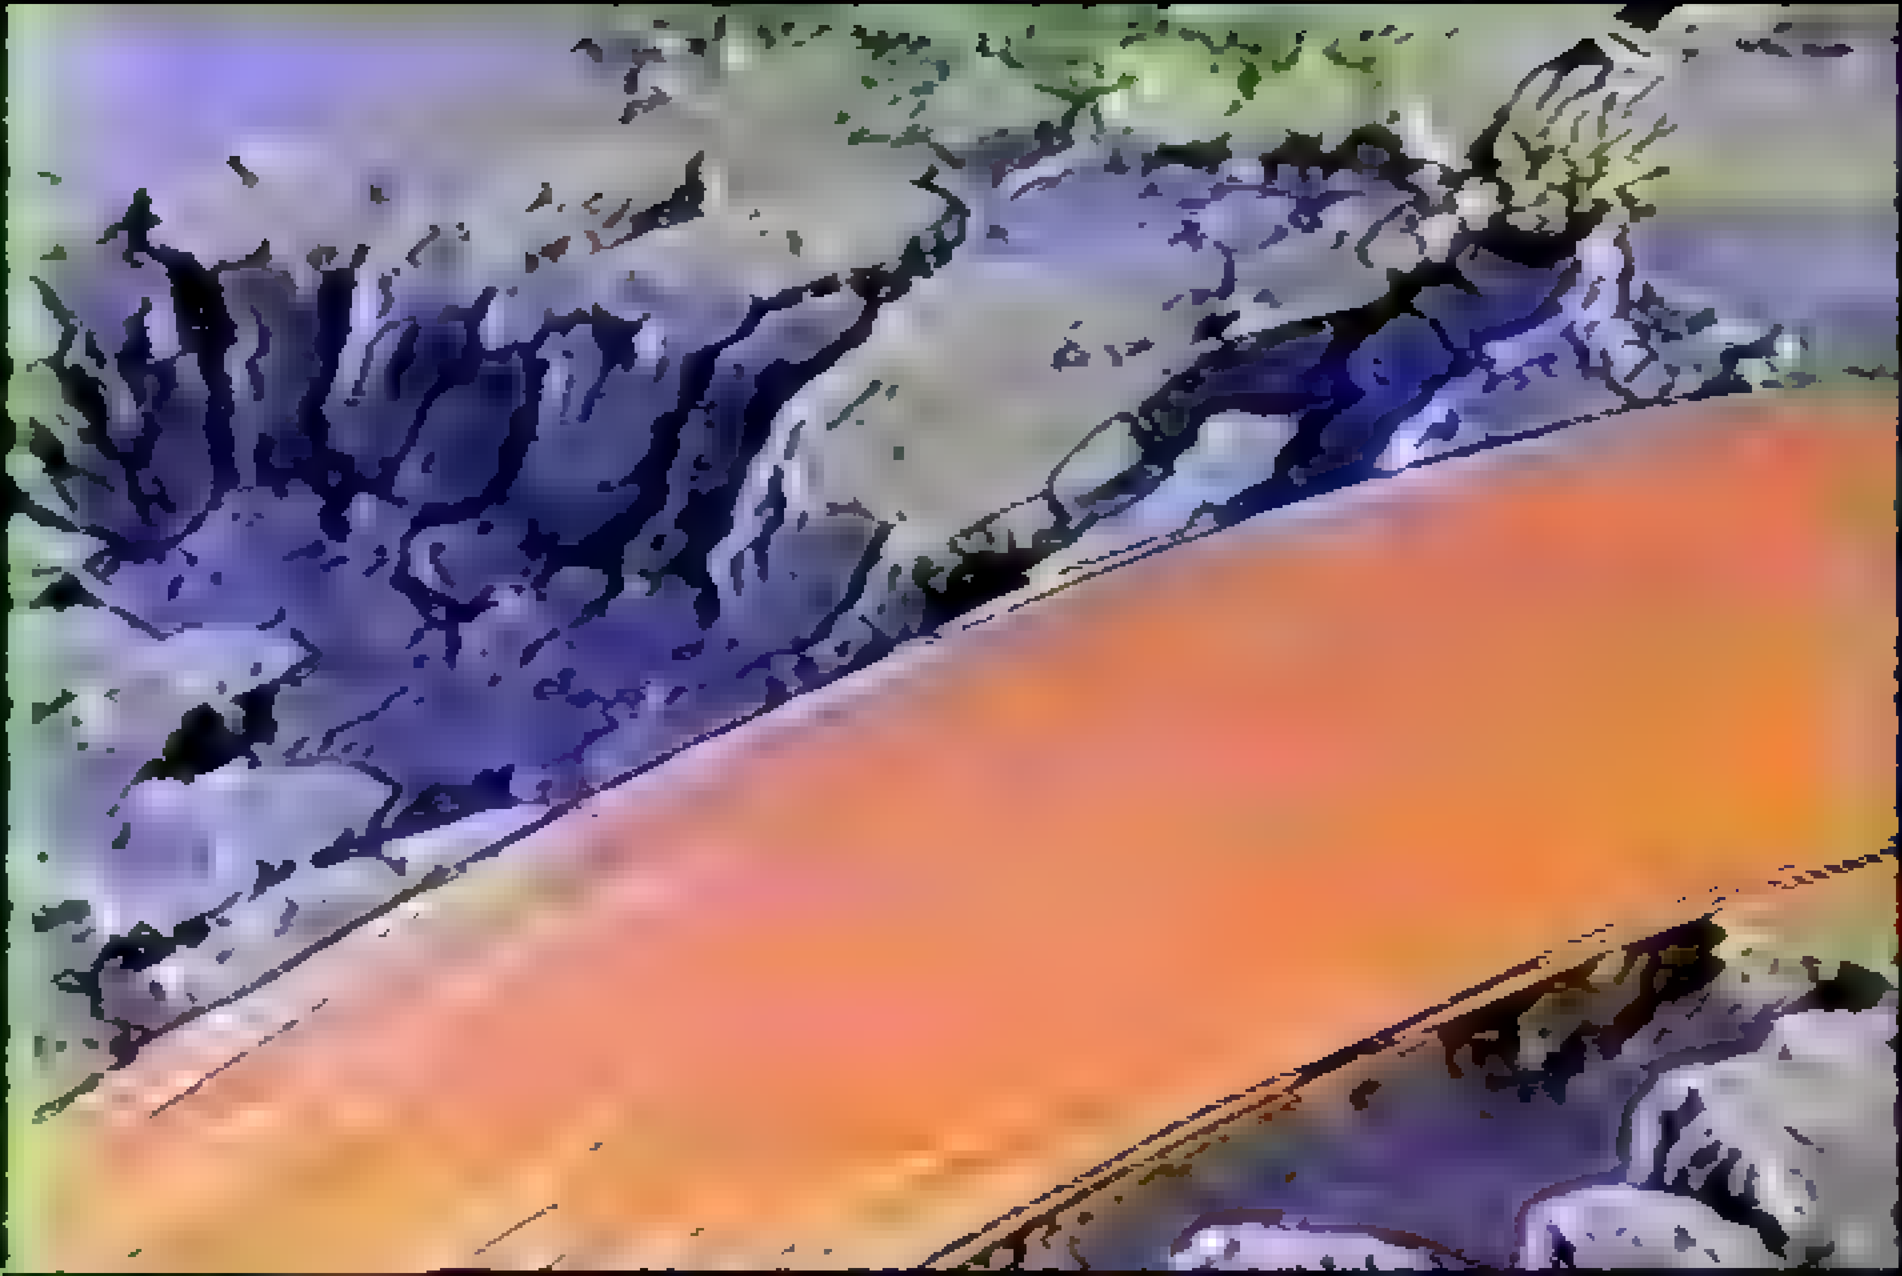

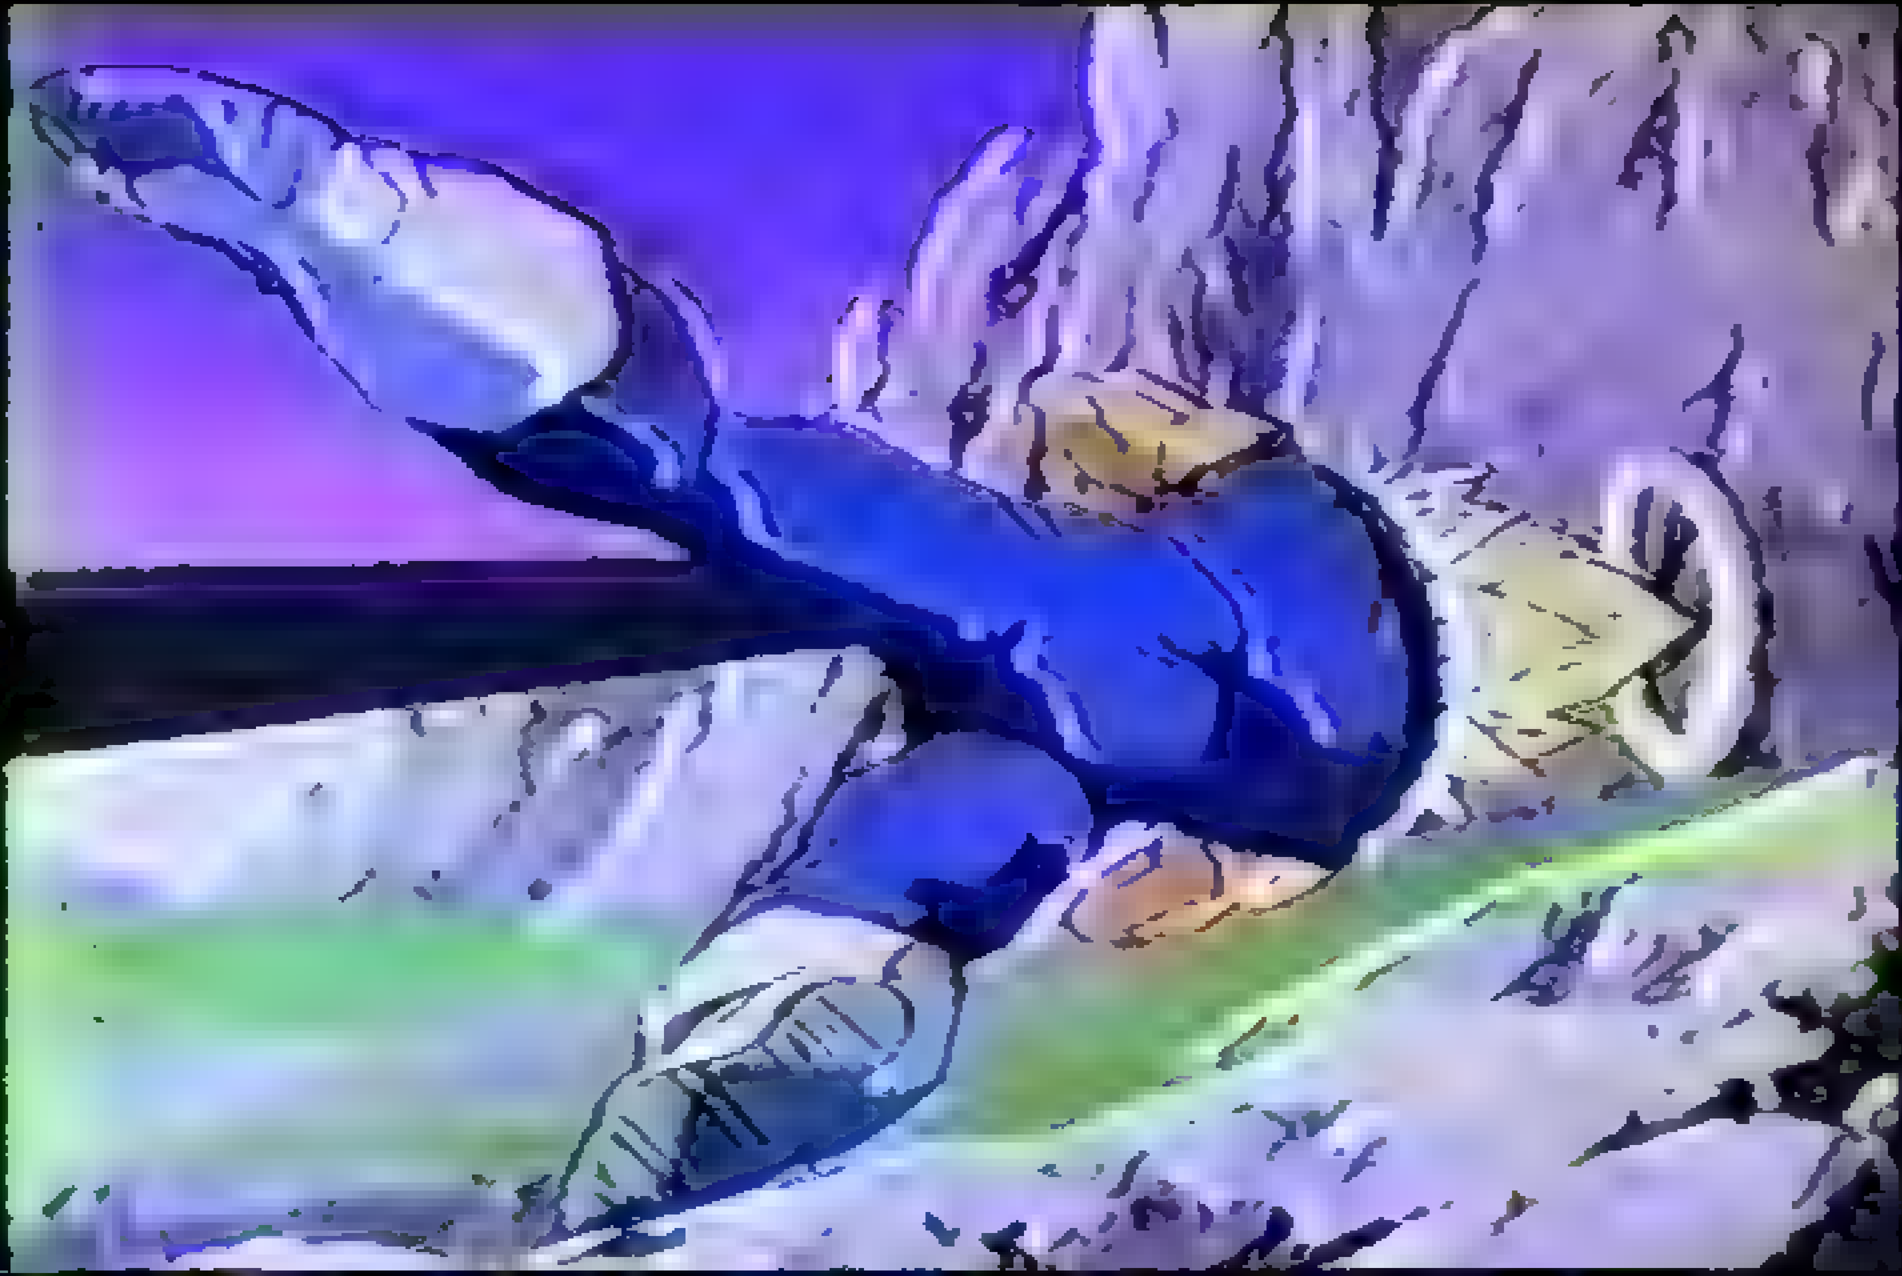

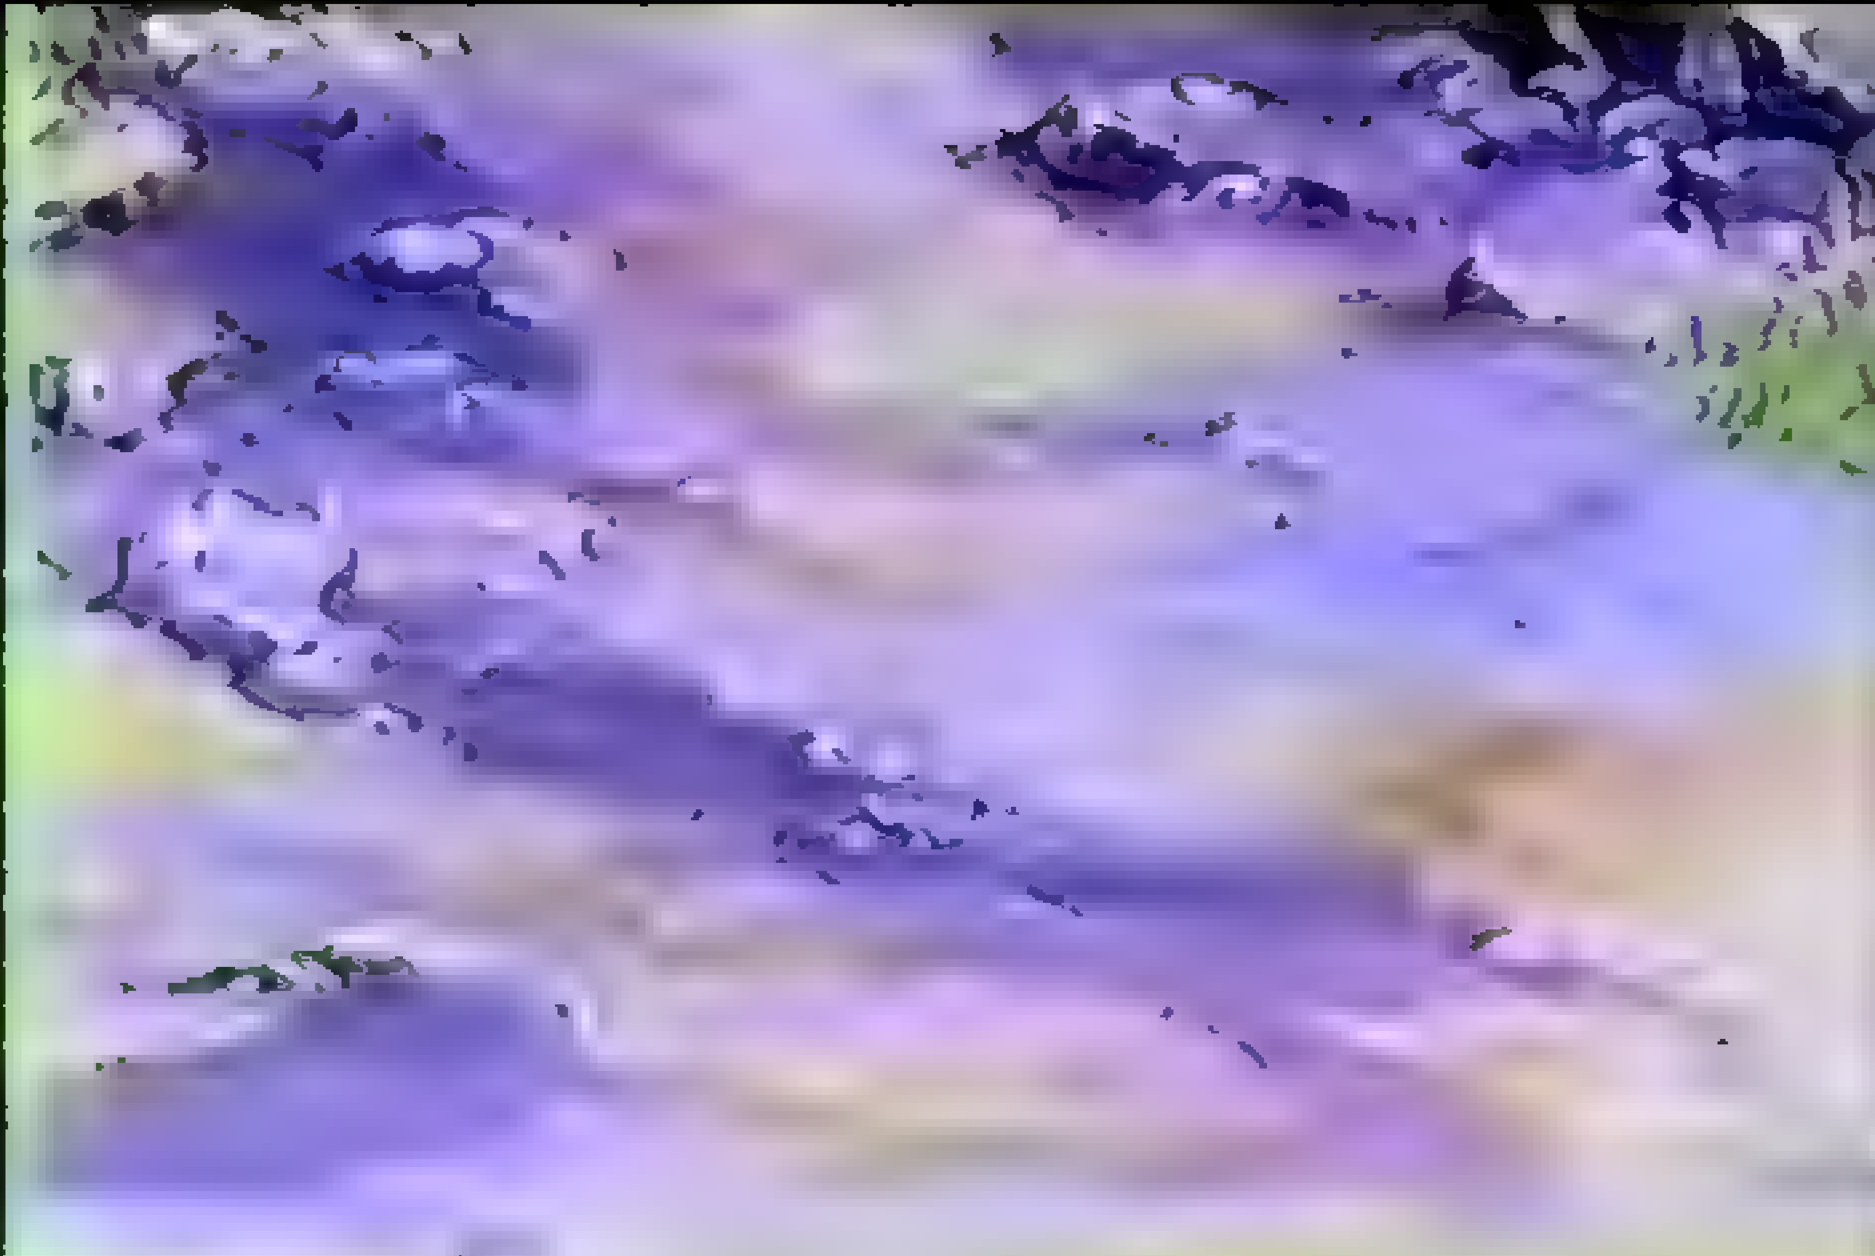

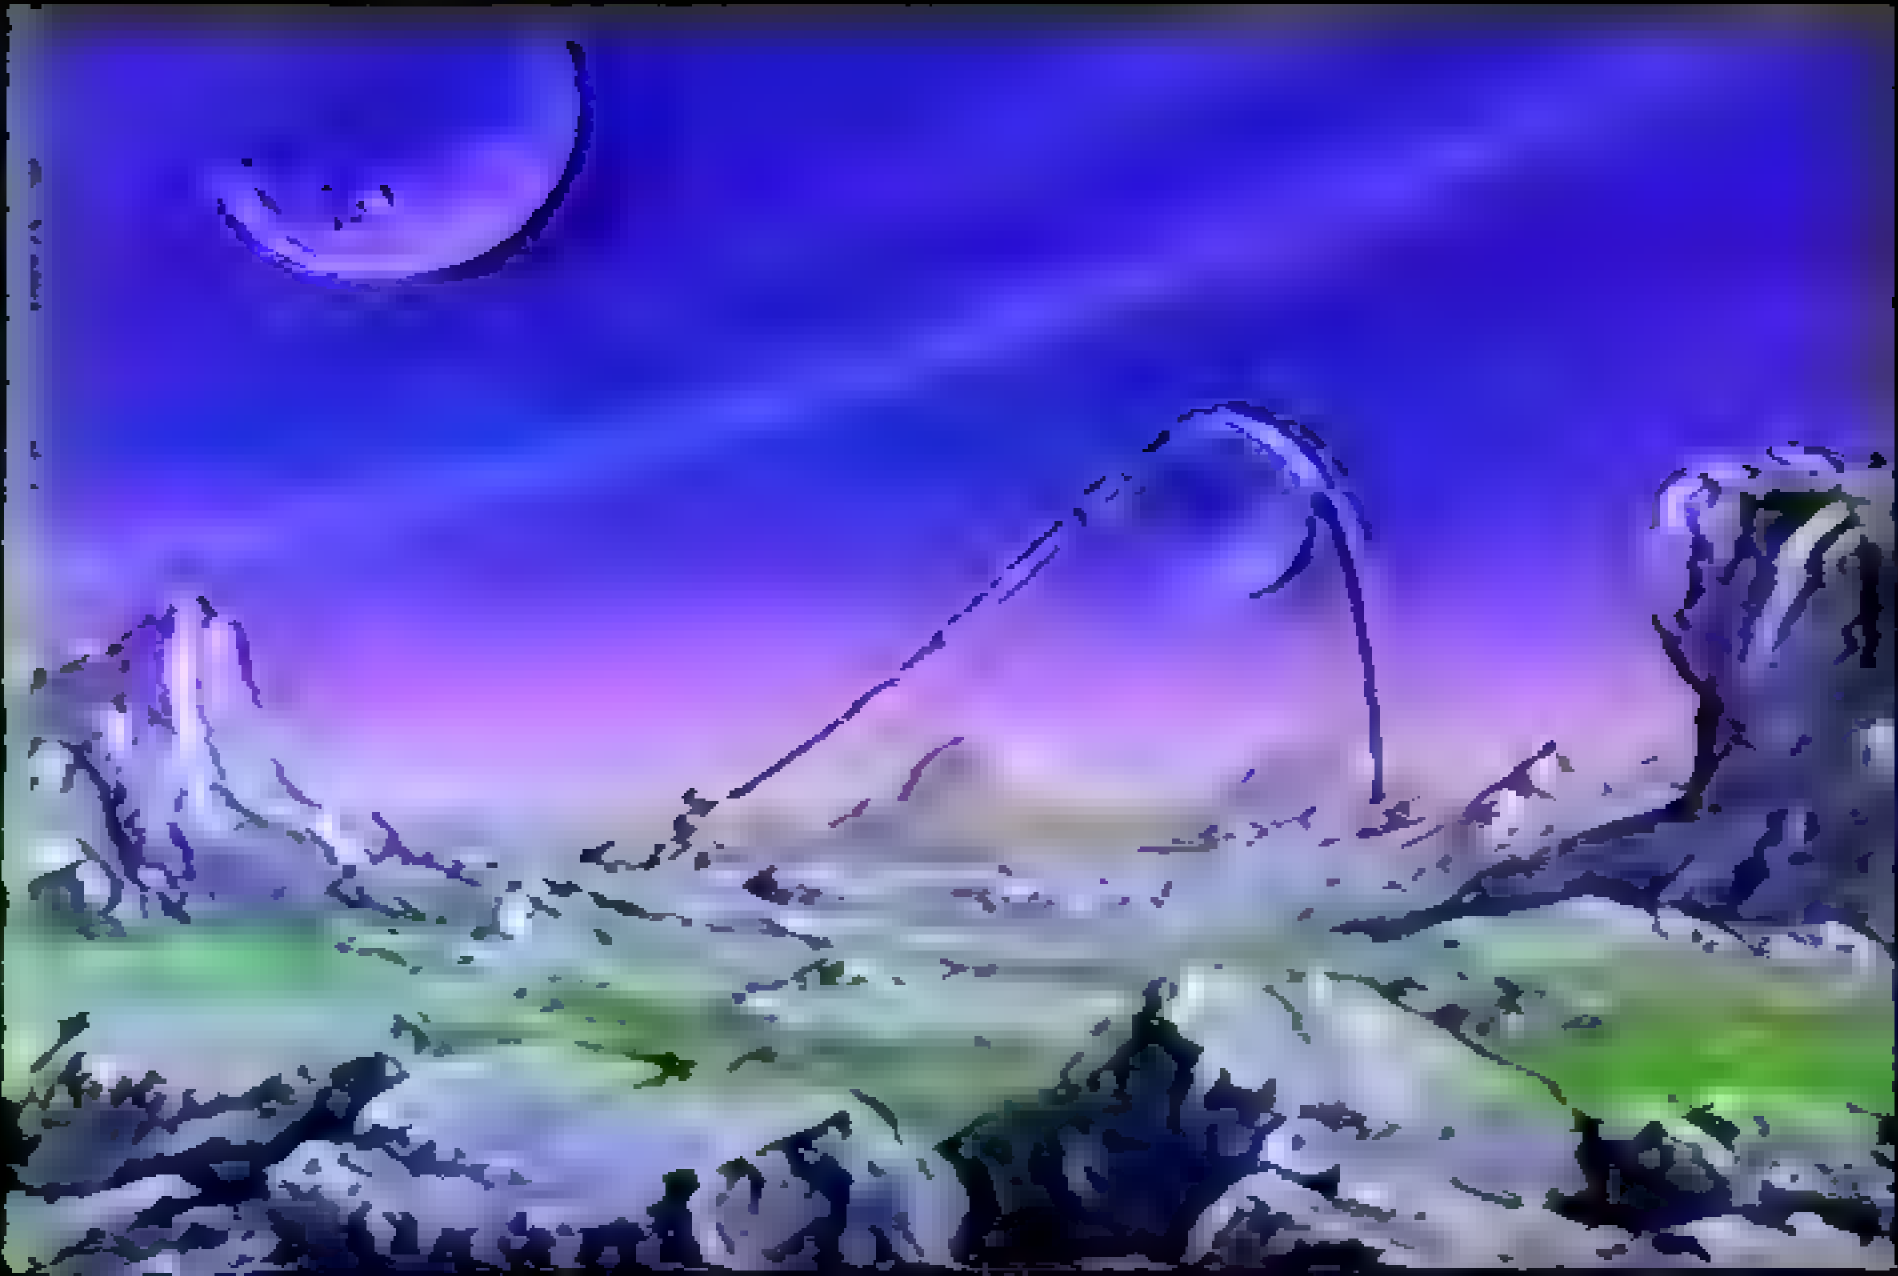

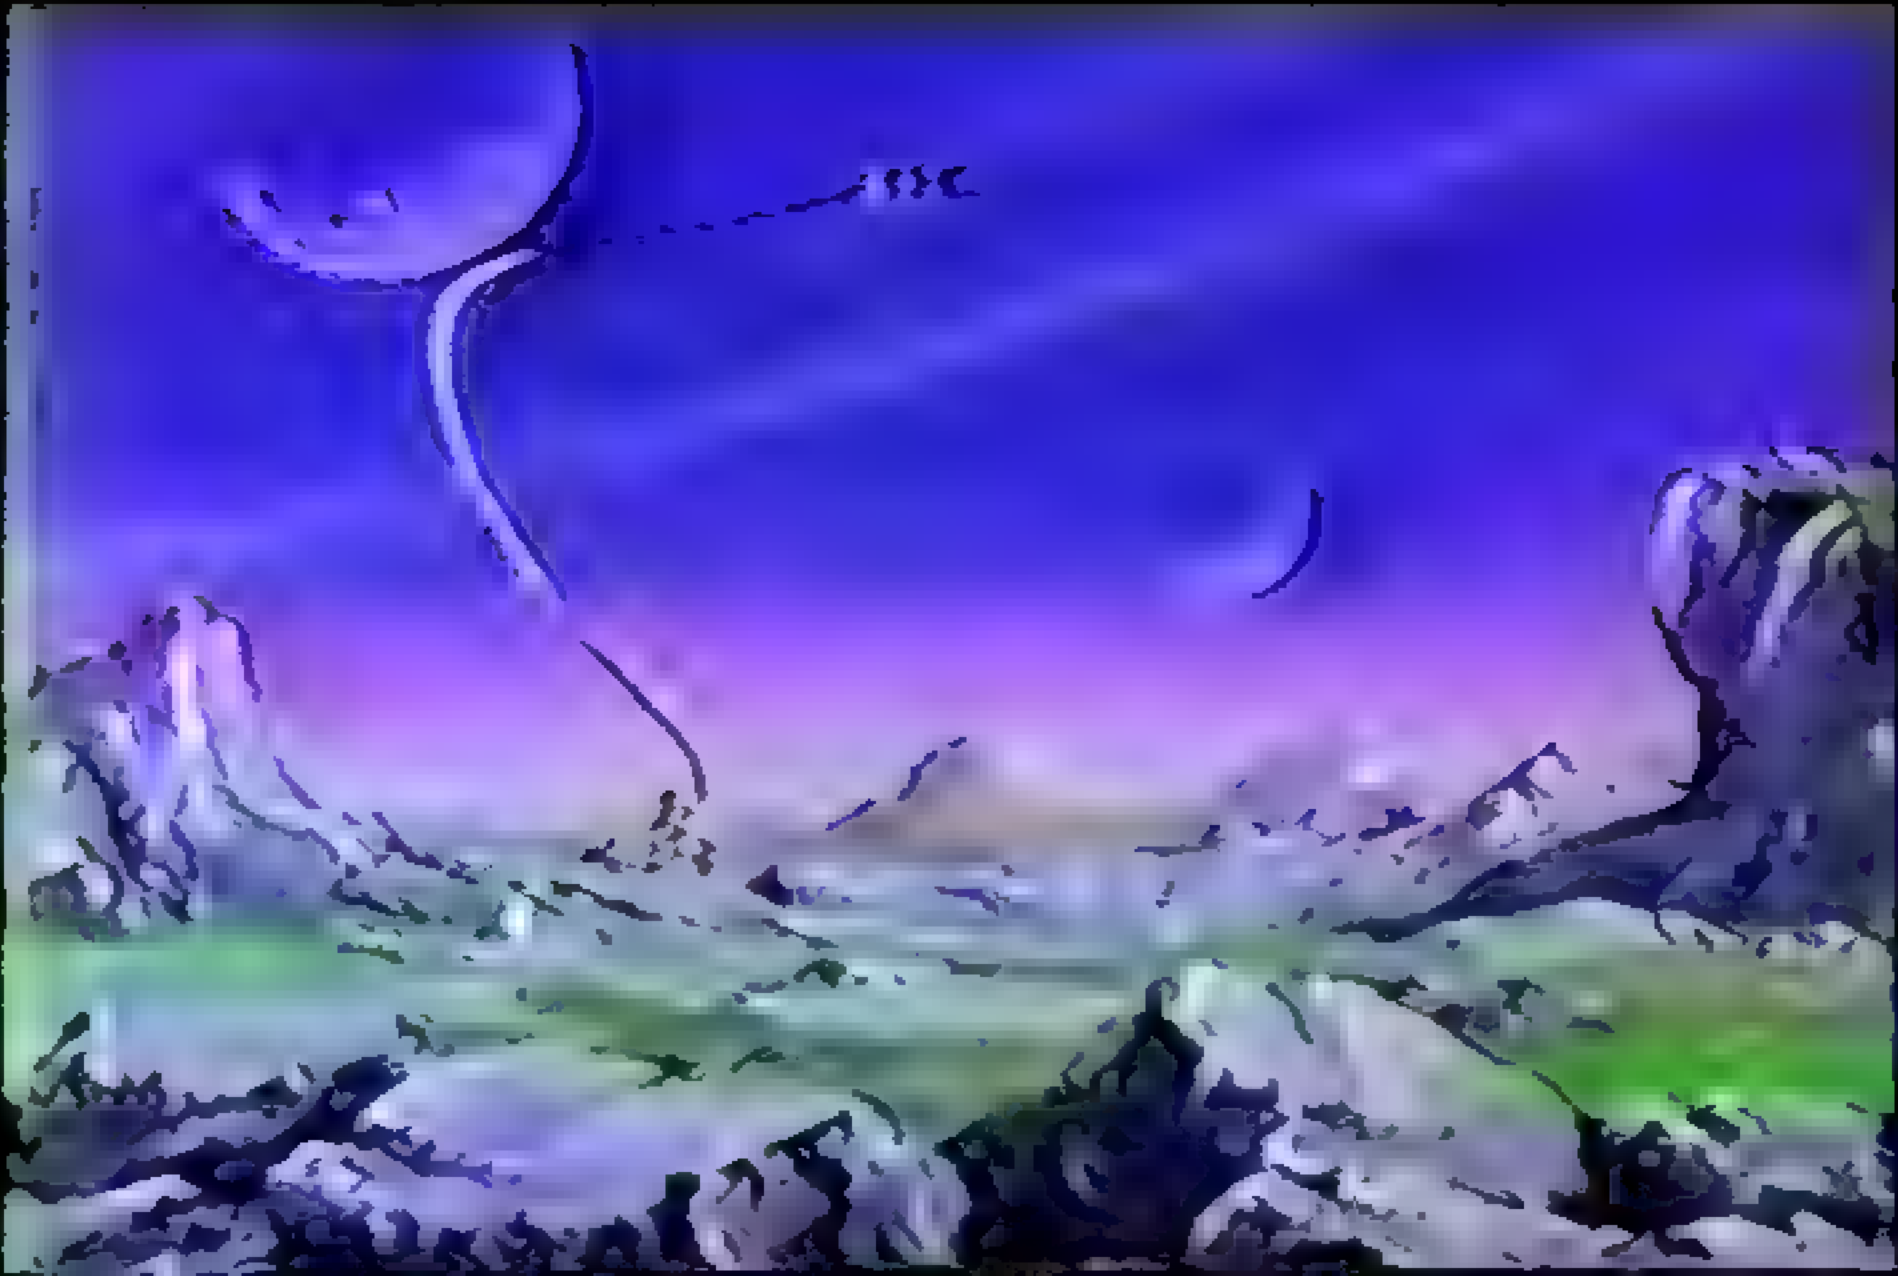

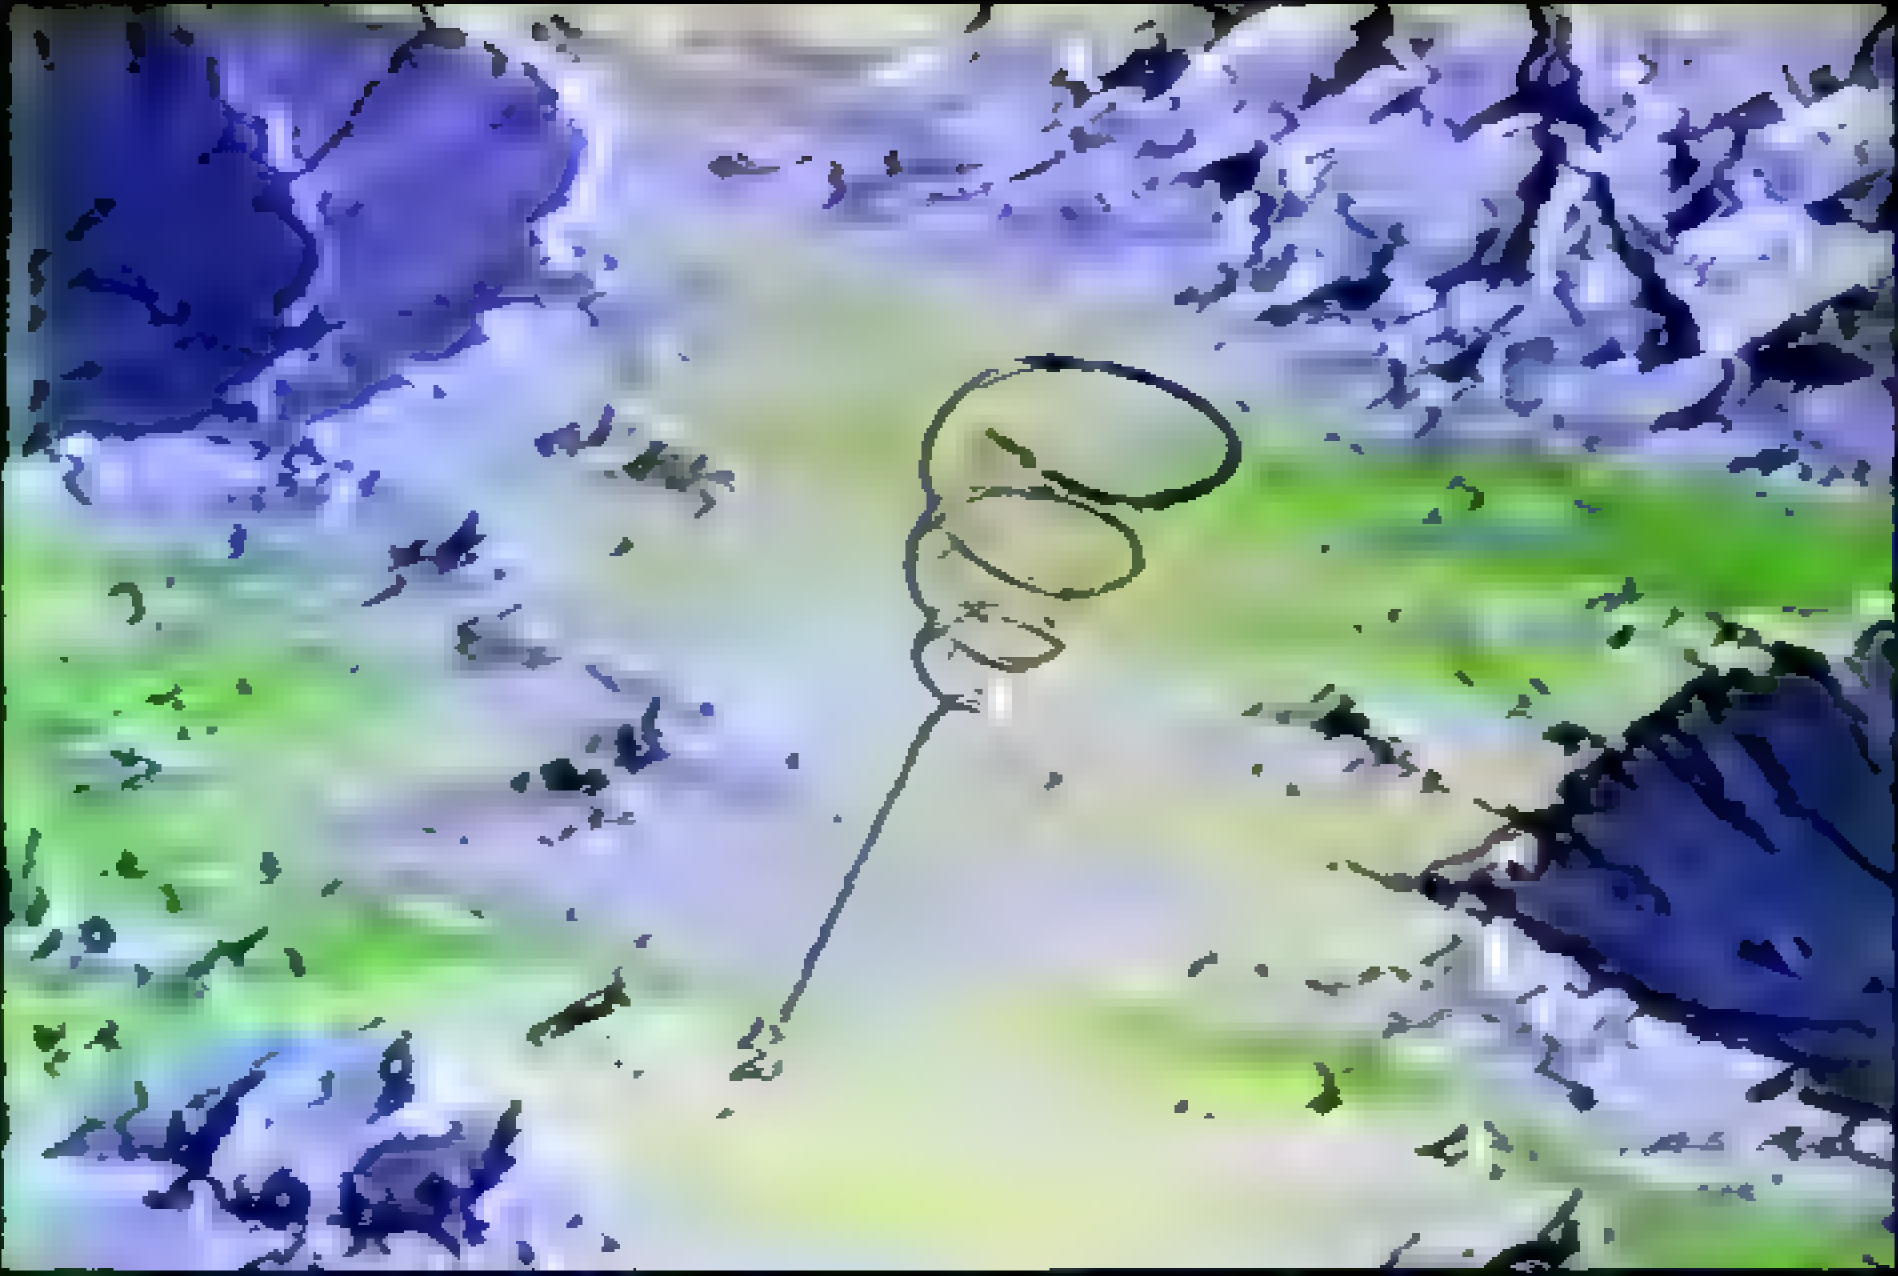

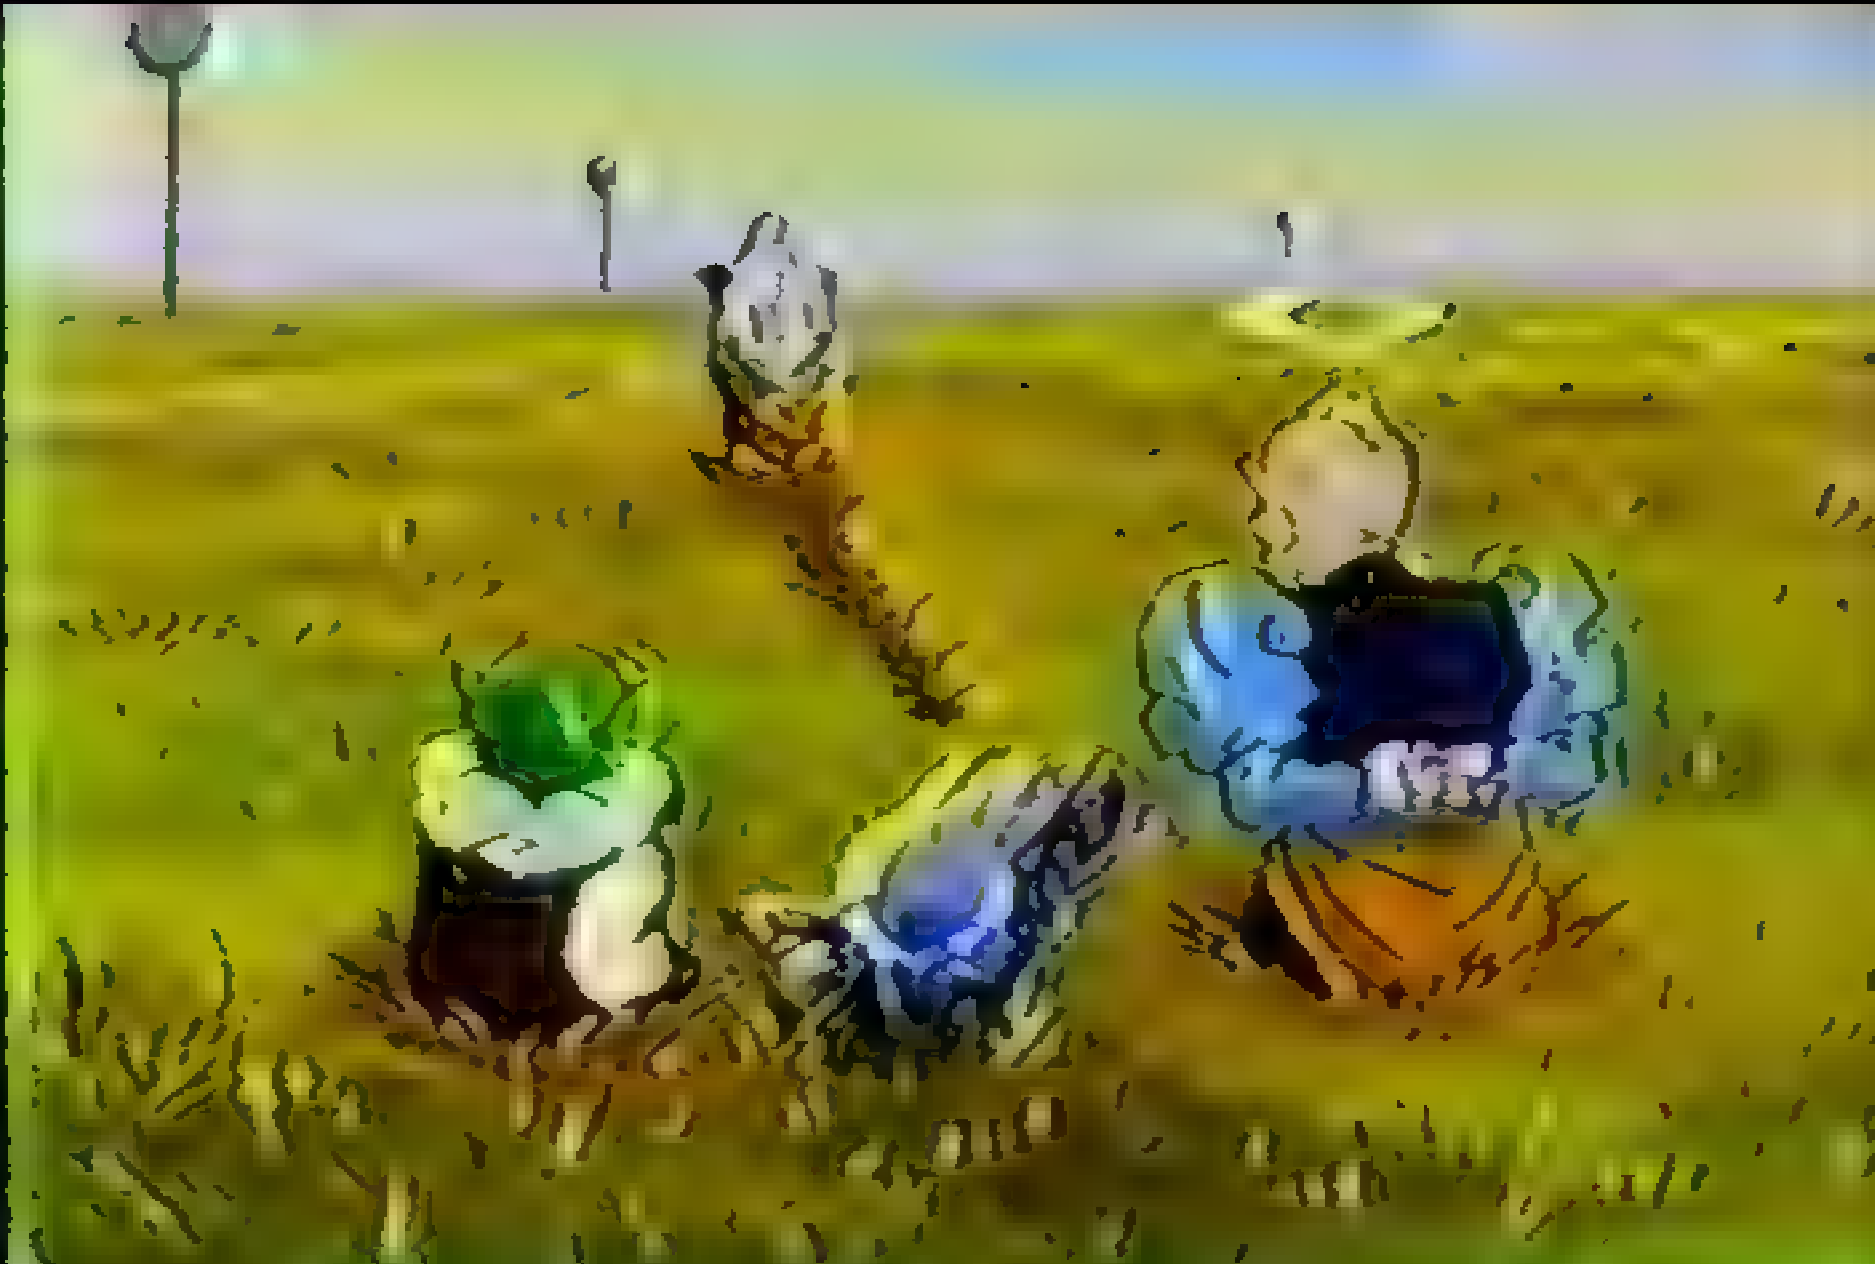

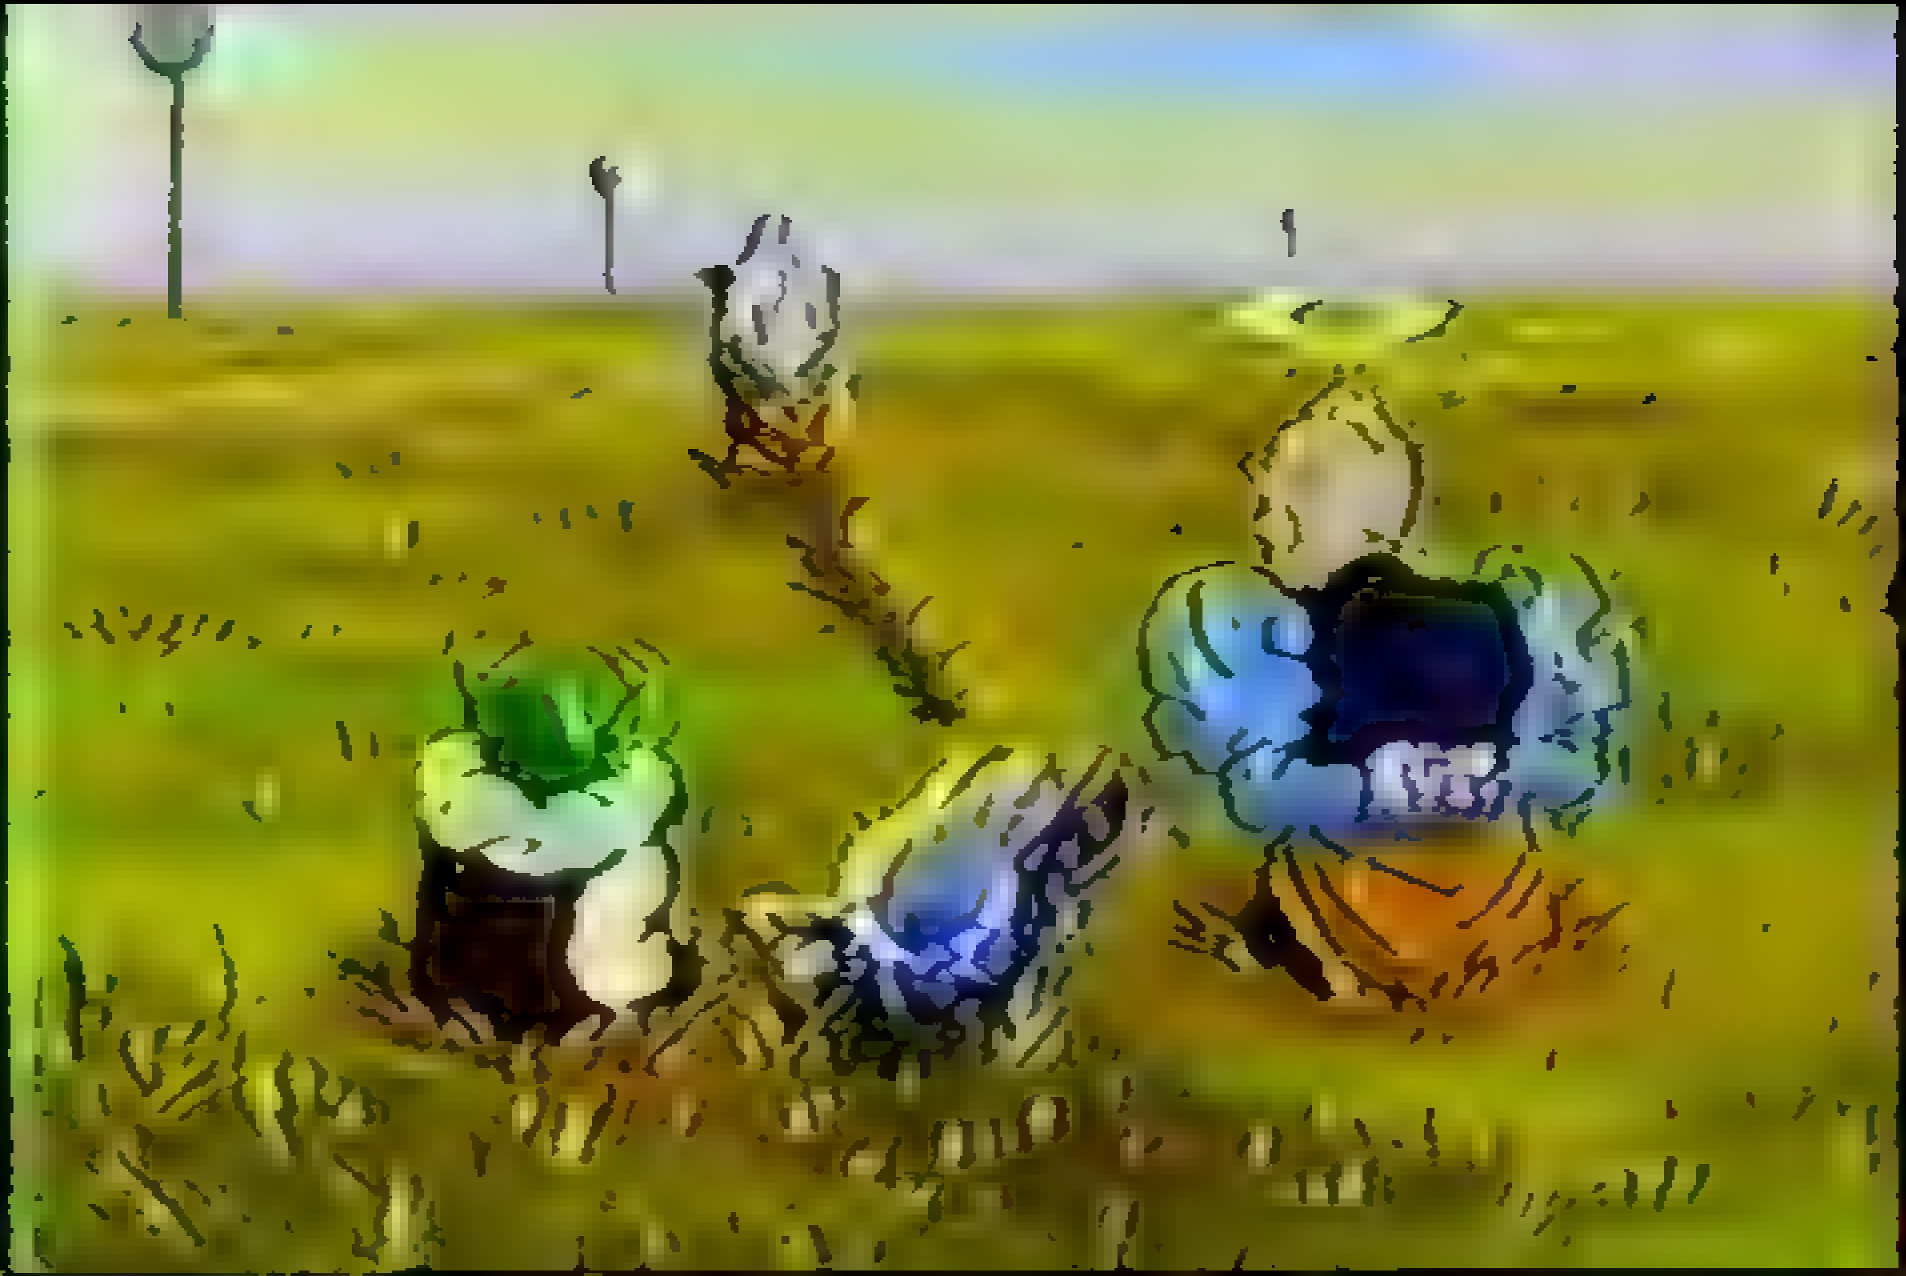

Hey! Where do you think you're going?

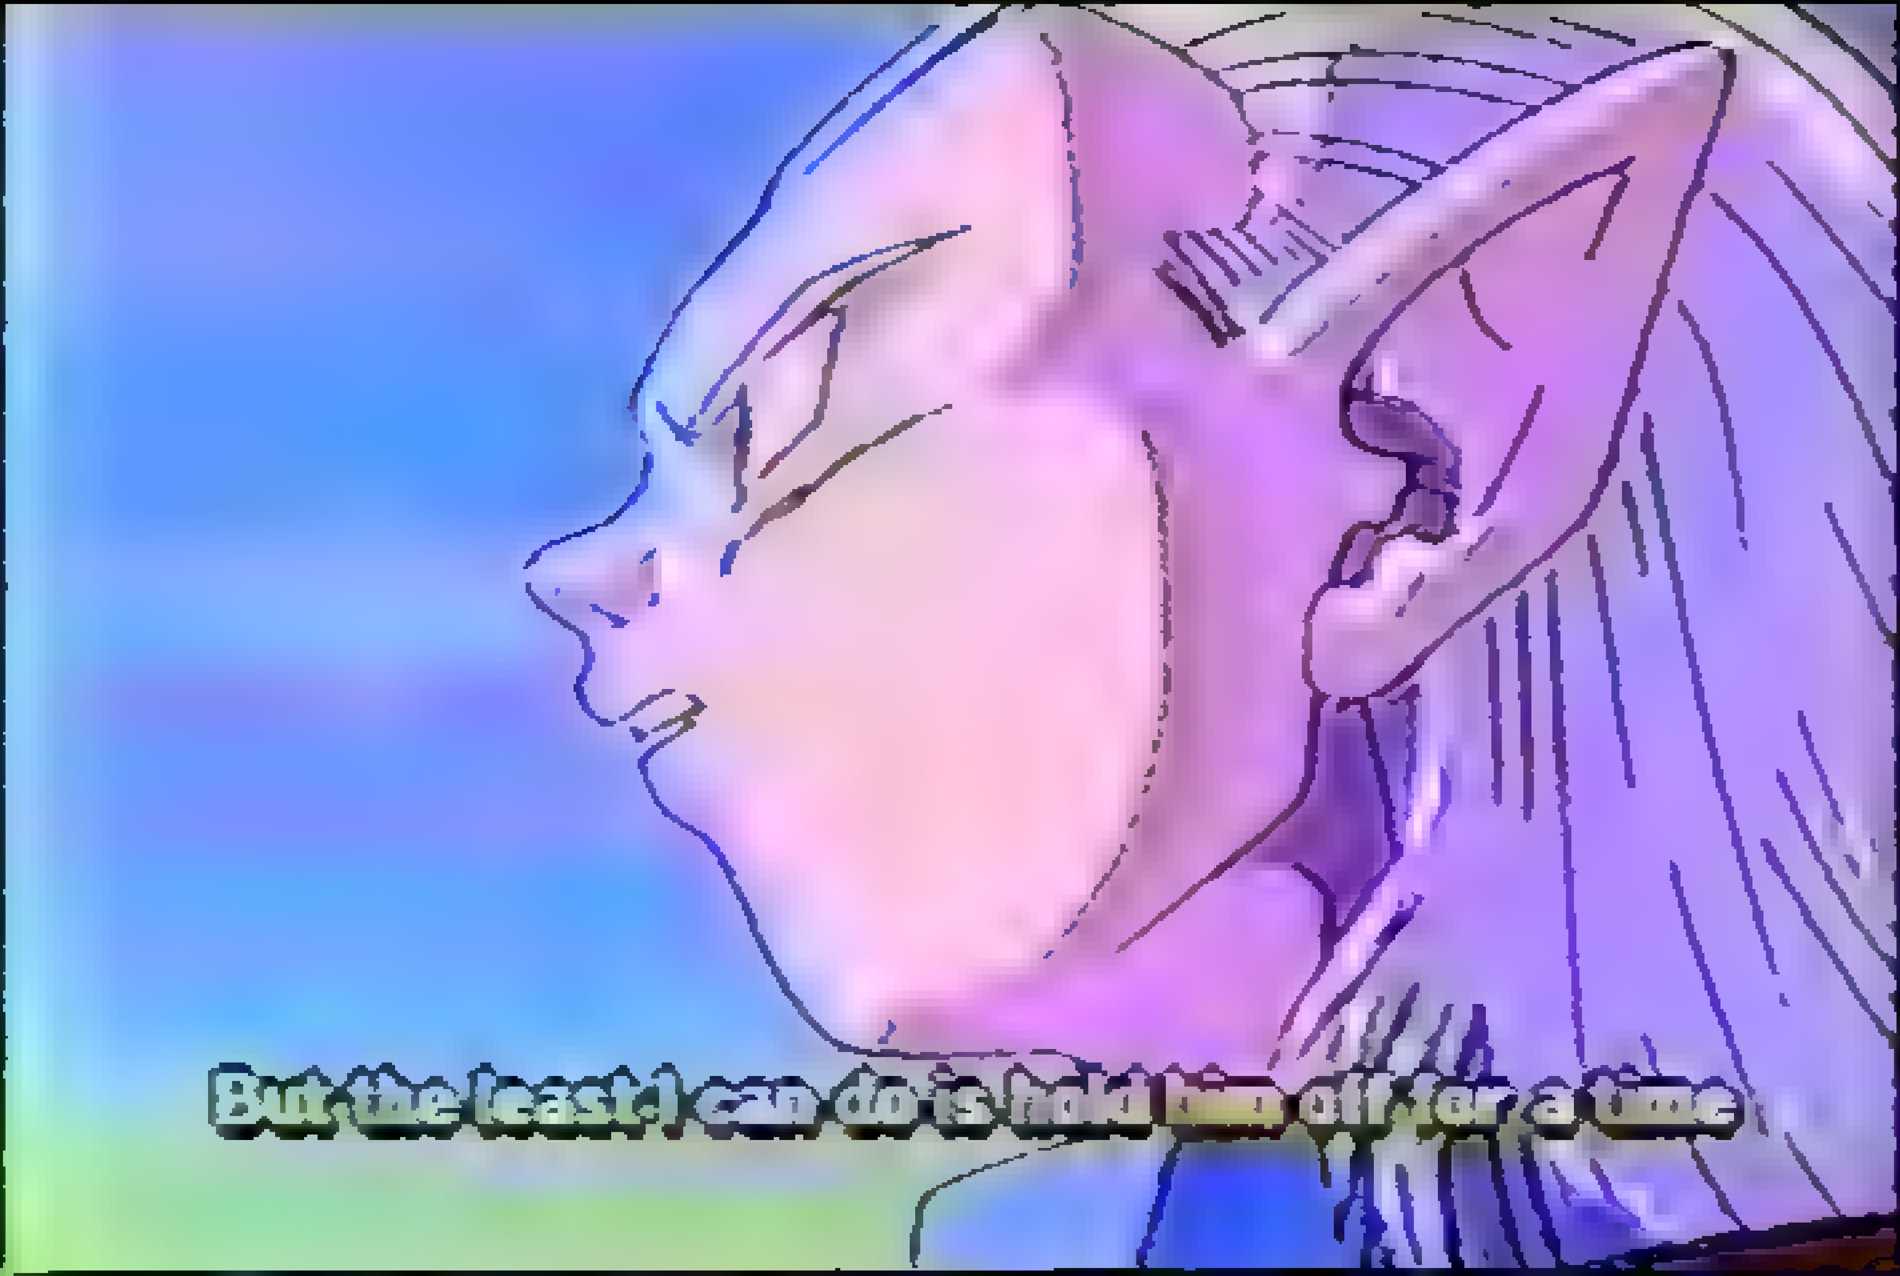

What are you talking about!?

What are you talking about!?

I know that Majin Buu's much
too powerful for me to fight him

I know that Majin Buu's much
too powerful for me to fight him

I know that Majin Buu's much
too powerful for me to fight him

But the least I can do is hold him off for a time

But the least I can do is hold him off for a time

My only hope is to give Gokuu more
time, even if it's just a second, to gather
his strength so he can defeat Buu!

My only hope is to give Gokuh more time, even if it's just a second, to gather his strength so he can defeat Buu!

My only hope is to give Gokuh more time, even if it's just a second, to gather his strength so he can defeat Buu!

My only hope is to give Gokuh more time, even if it's just a second, to gather his strength so he can defeat Buu

My only hope is to give Gokuh more time, even if it's just a second, to gather his strength so he can defeat Buu!

Gokuu is our only remaining hope!

is our only remaining hope!

Don't be rash!

Not you too!

I'm not a fighting type, but I
need to help out somehow.

I'm not a fighting type, but I
need to help out somehow.

Dende...!

The whole universe in danger!

I can't stay here and do nothing!

I can't stay here and do nothing!

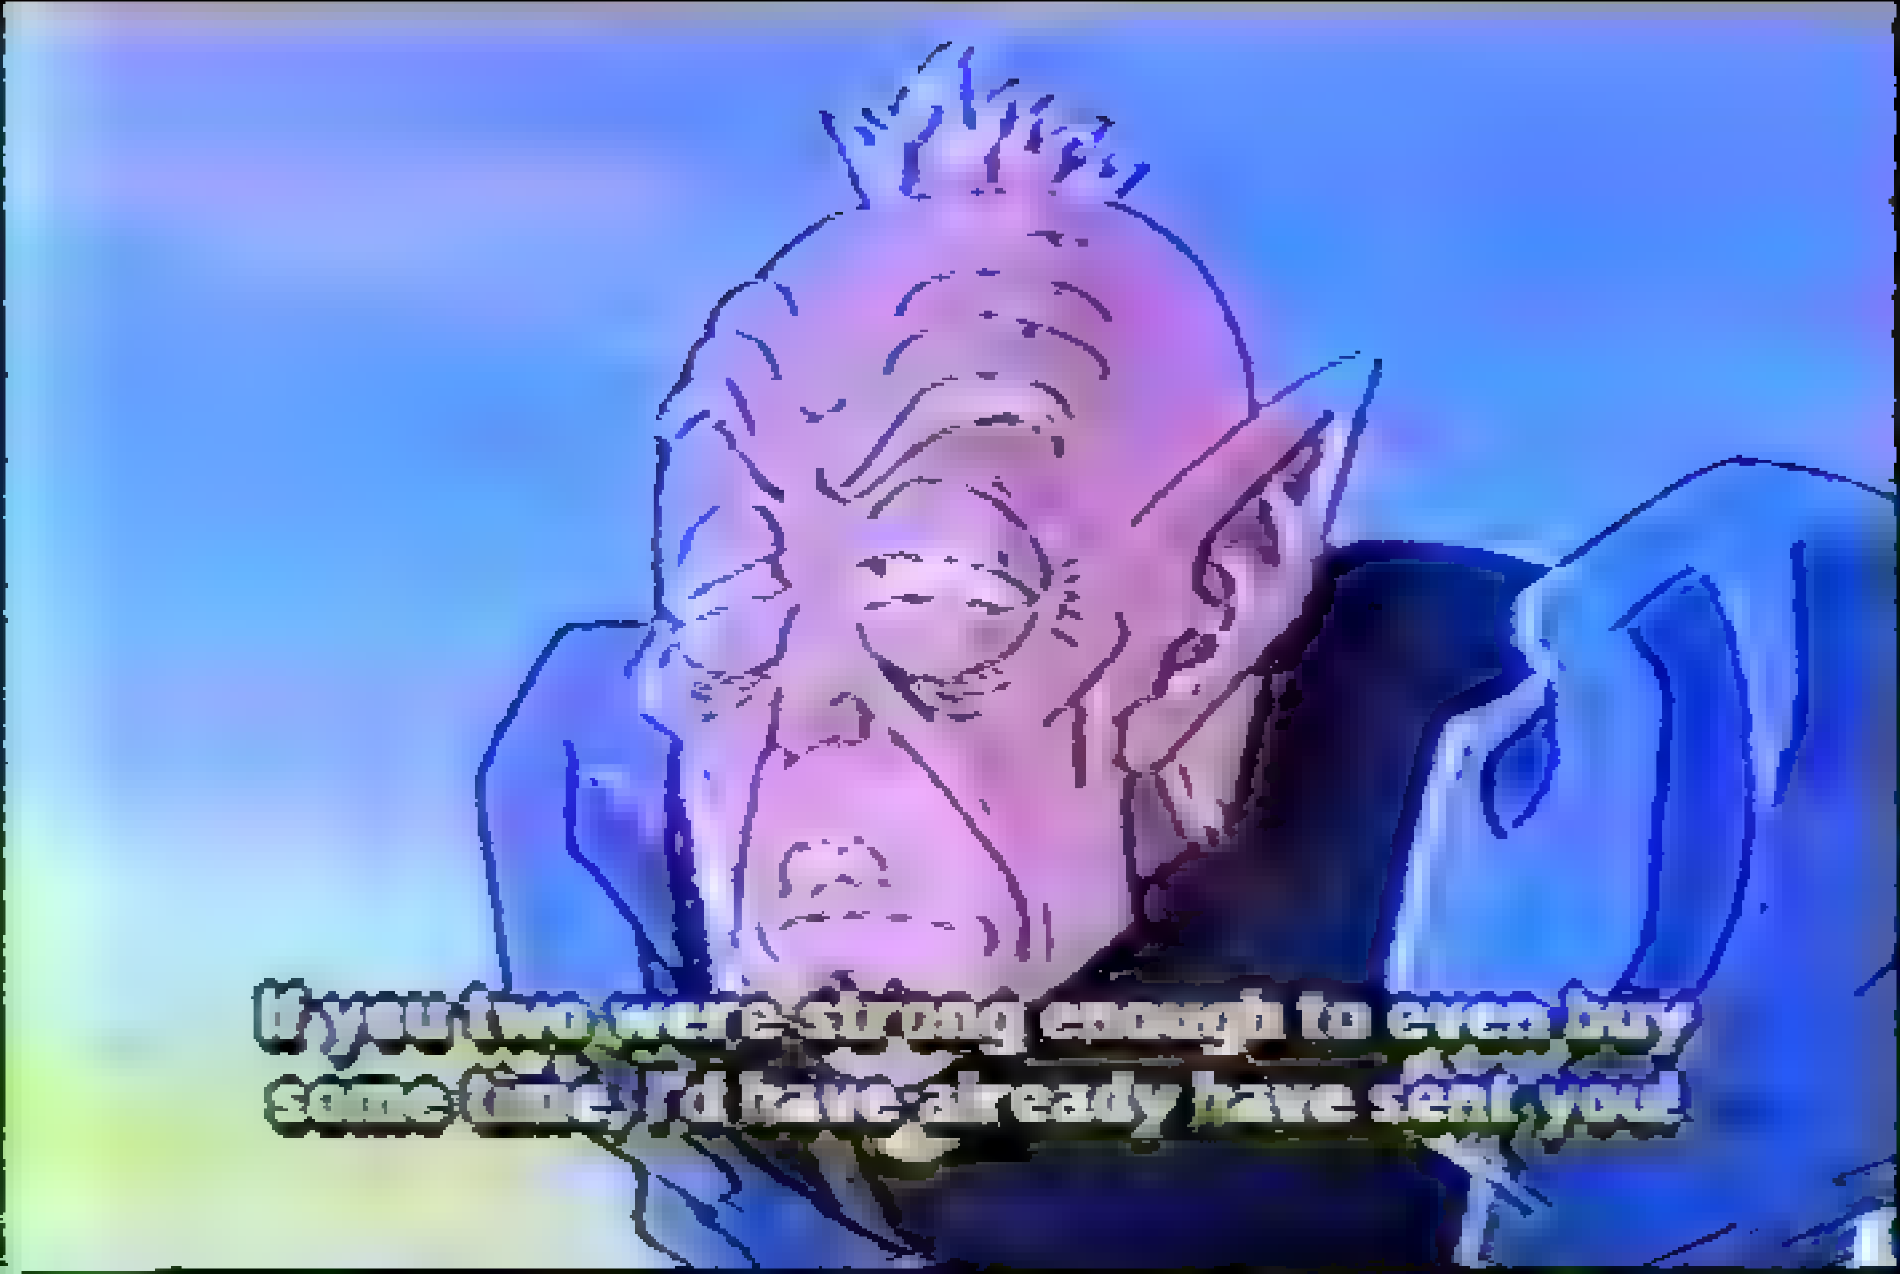

If you two were strong enough to even buy
some time, I'd have already have sent you!

If you two were strong enough to even buy
some time, I'd have already have sent you!

If you two were strong enough to even buy
some time, I'd have already have sealed you!

You should know that
there's nothing you can do

You should know that
there's nothing you can do

You should know that
there's nothing you can do

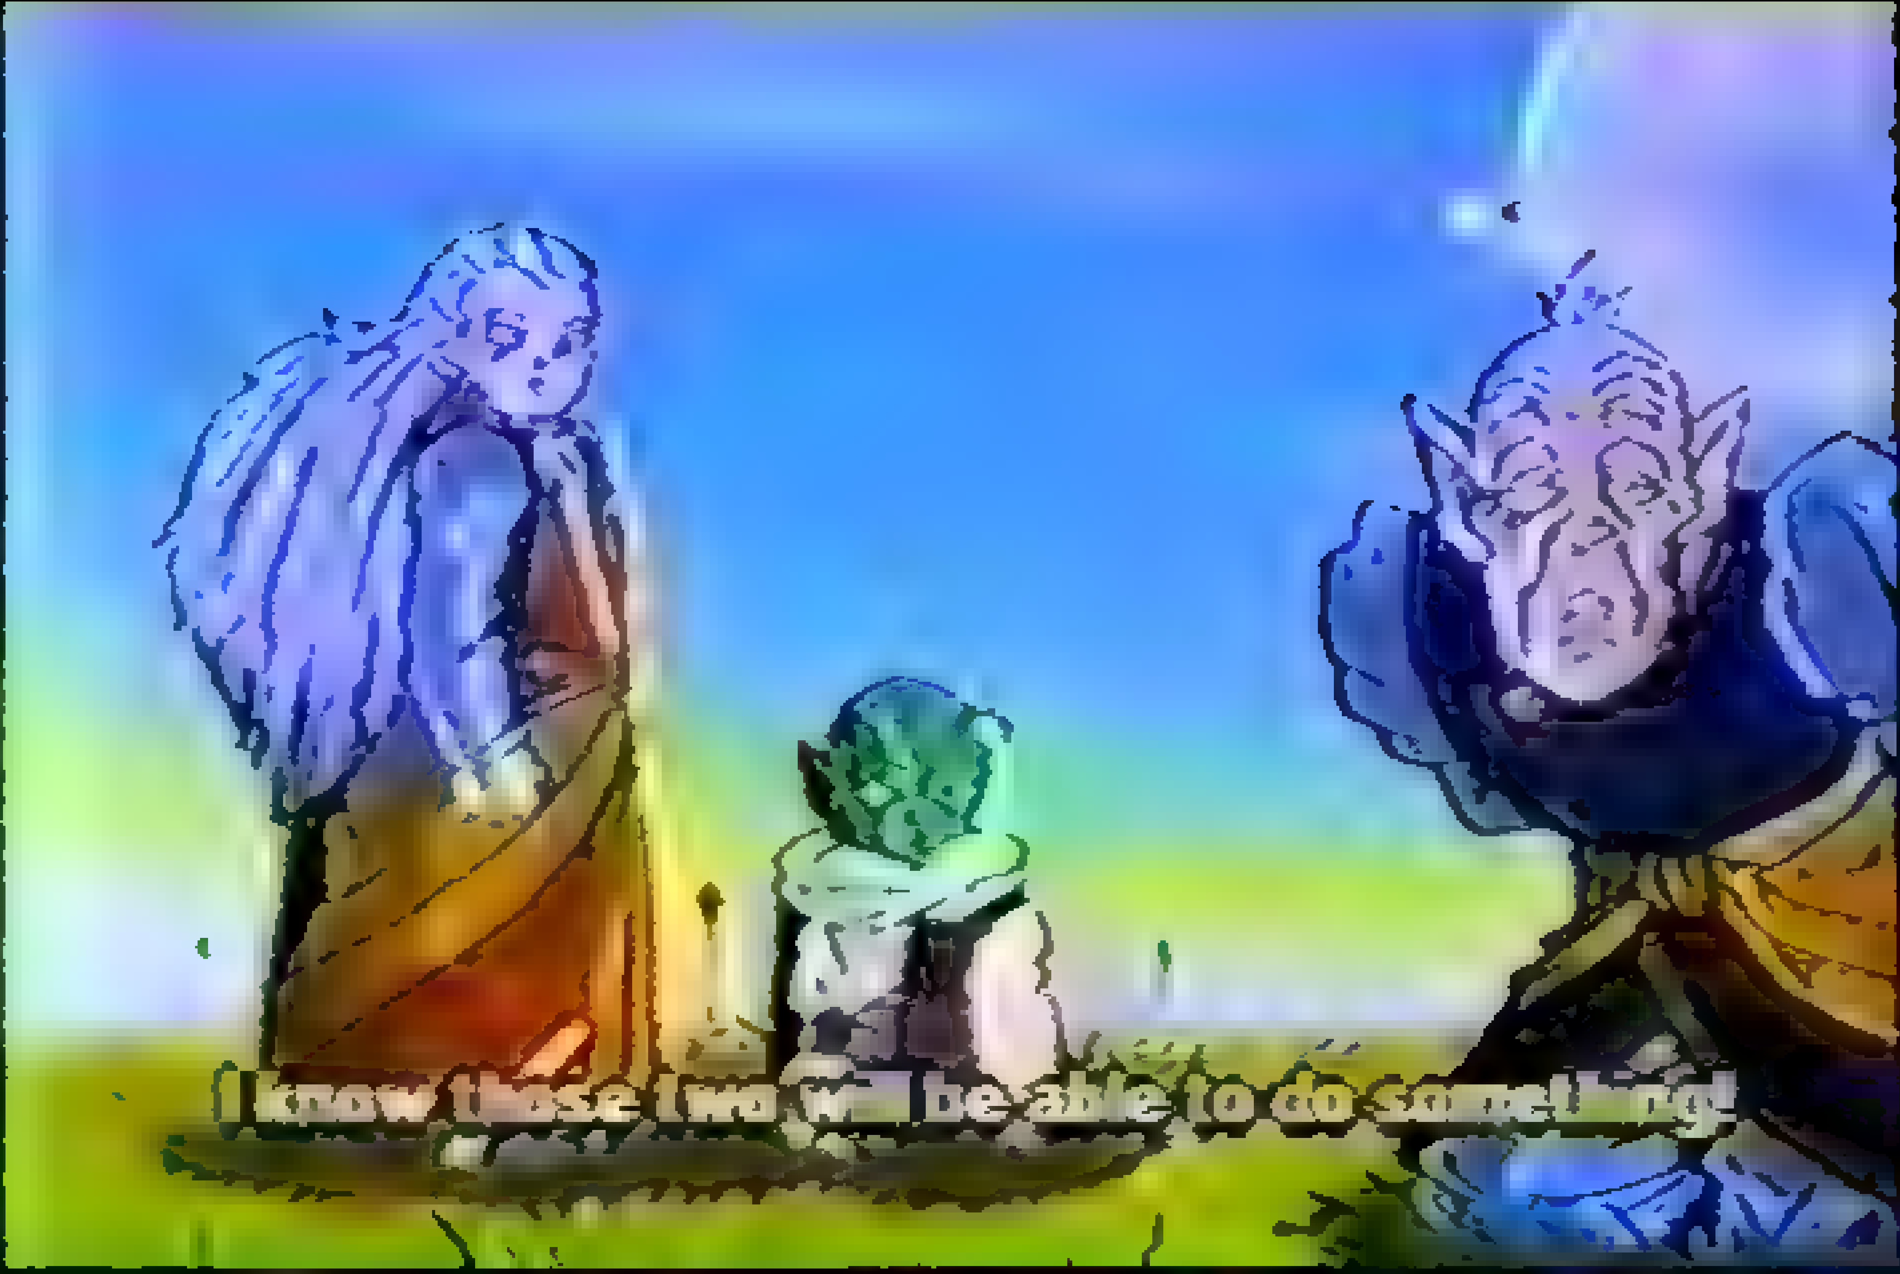

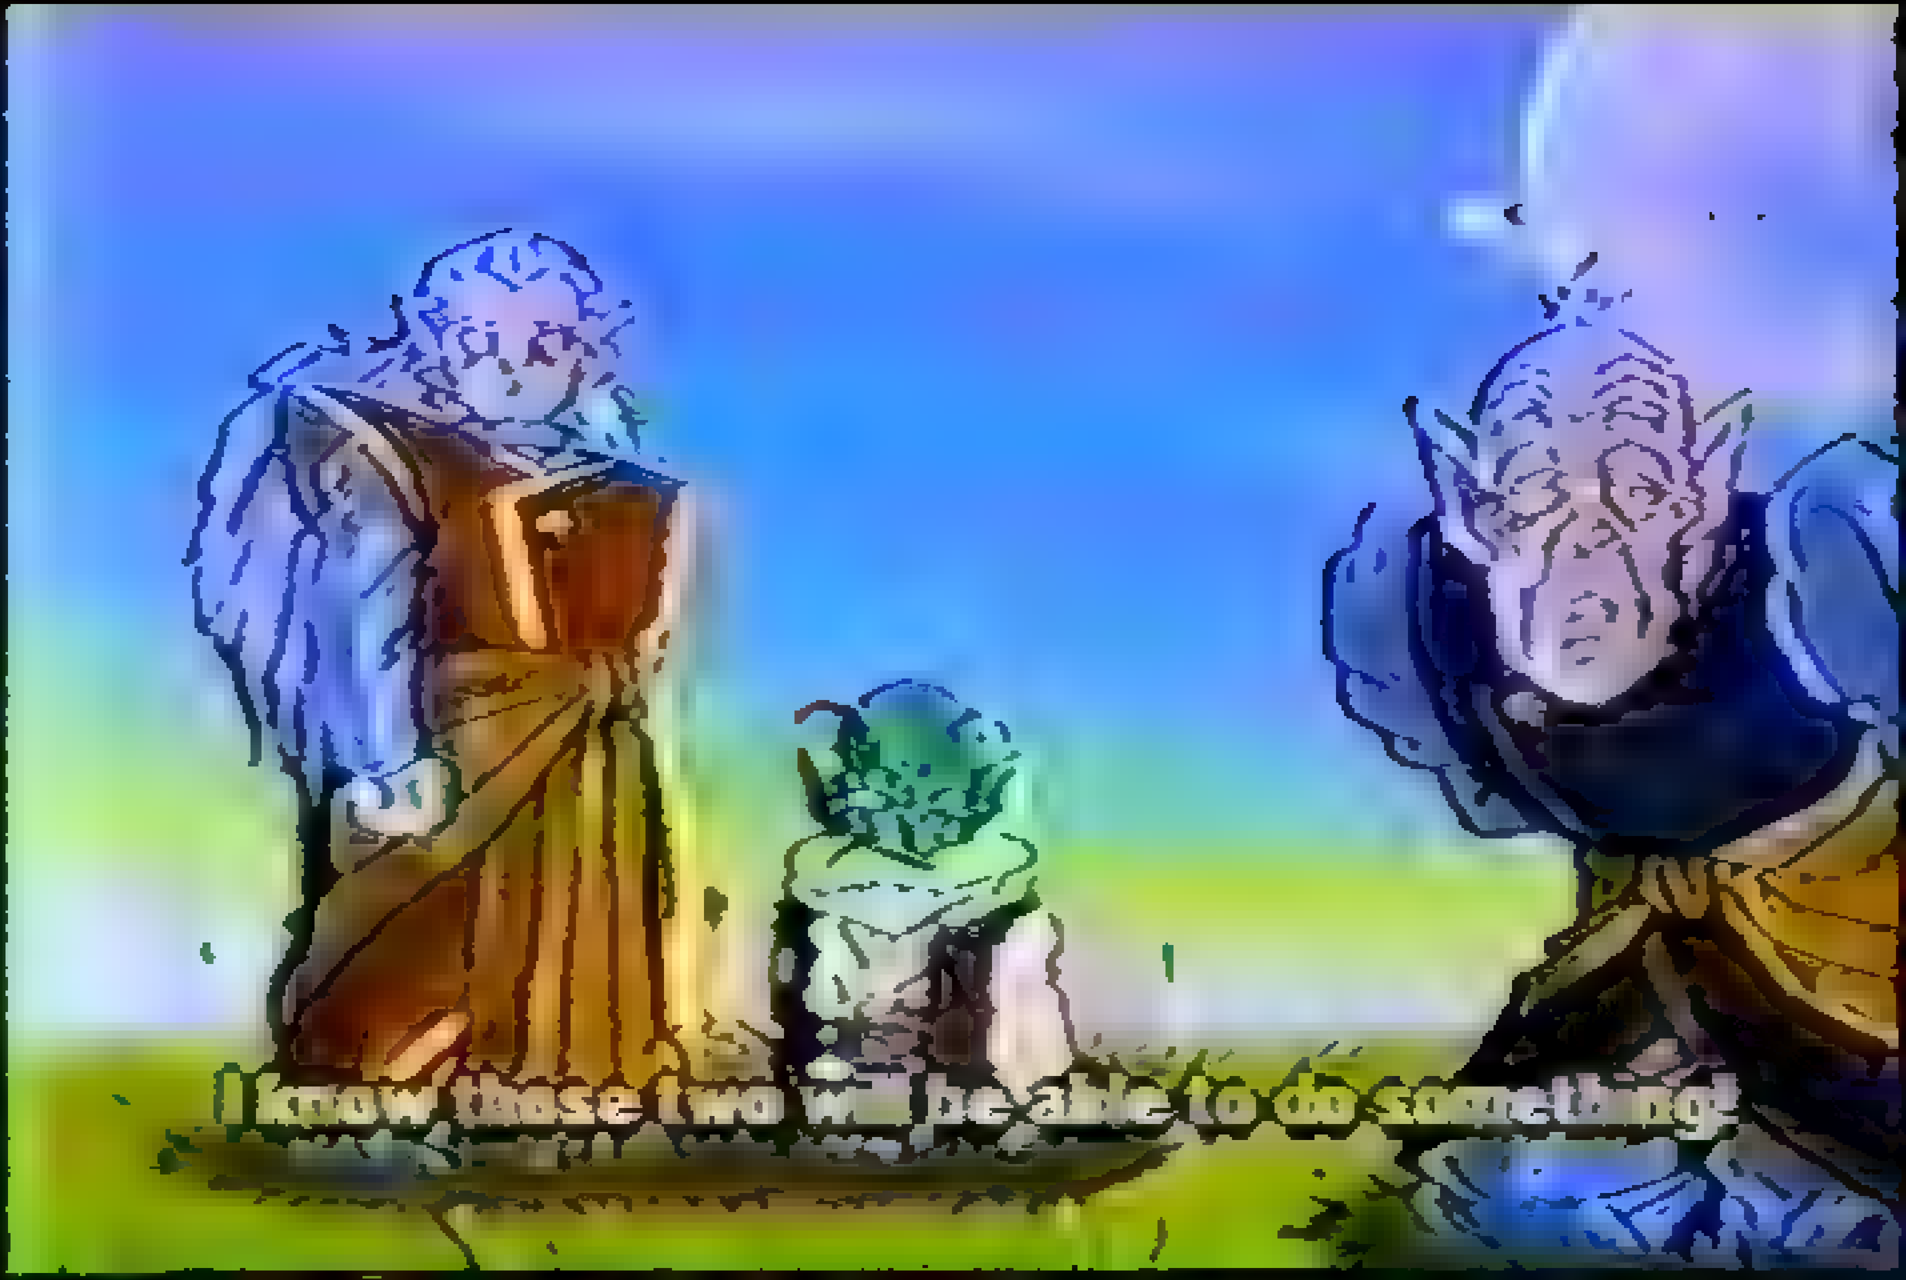

I understand your need to go

I understand your need to go

But there's nothing we can do

The only thing we can do is watch those
two and believe that they will succeed!

I know those two will be able to do something!

I know those two will be able to do something!

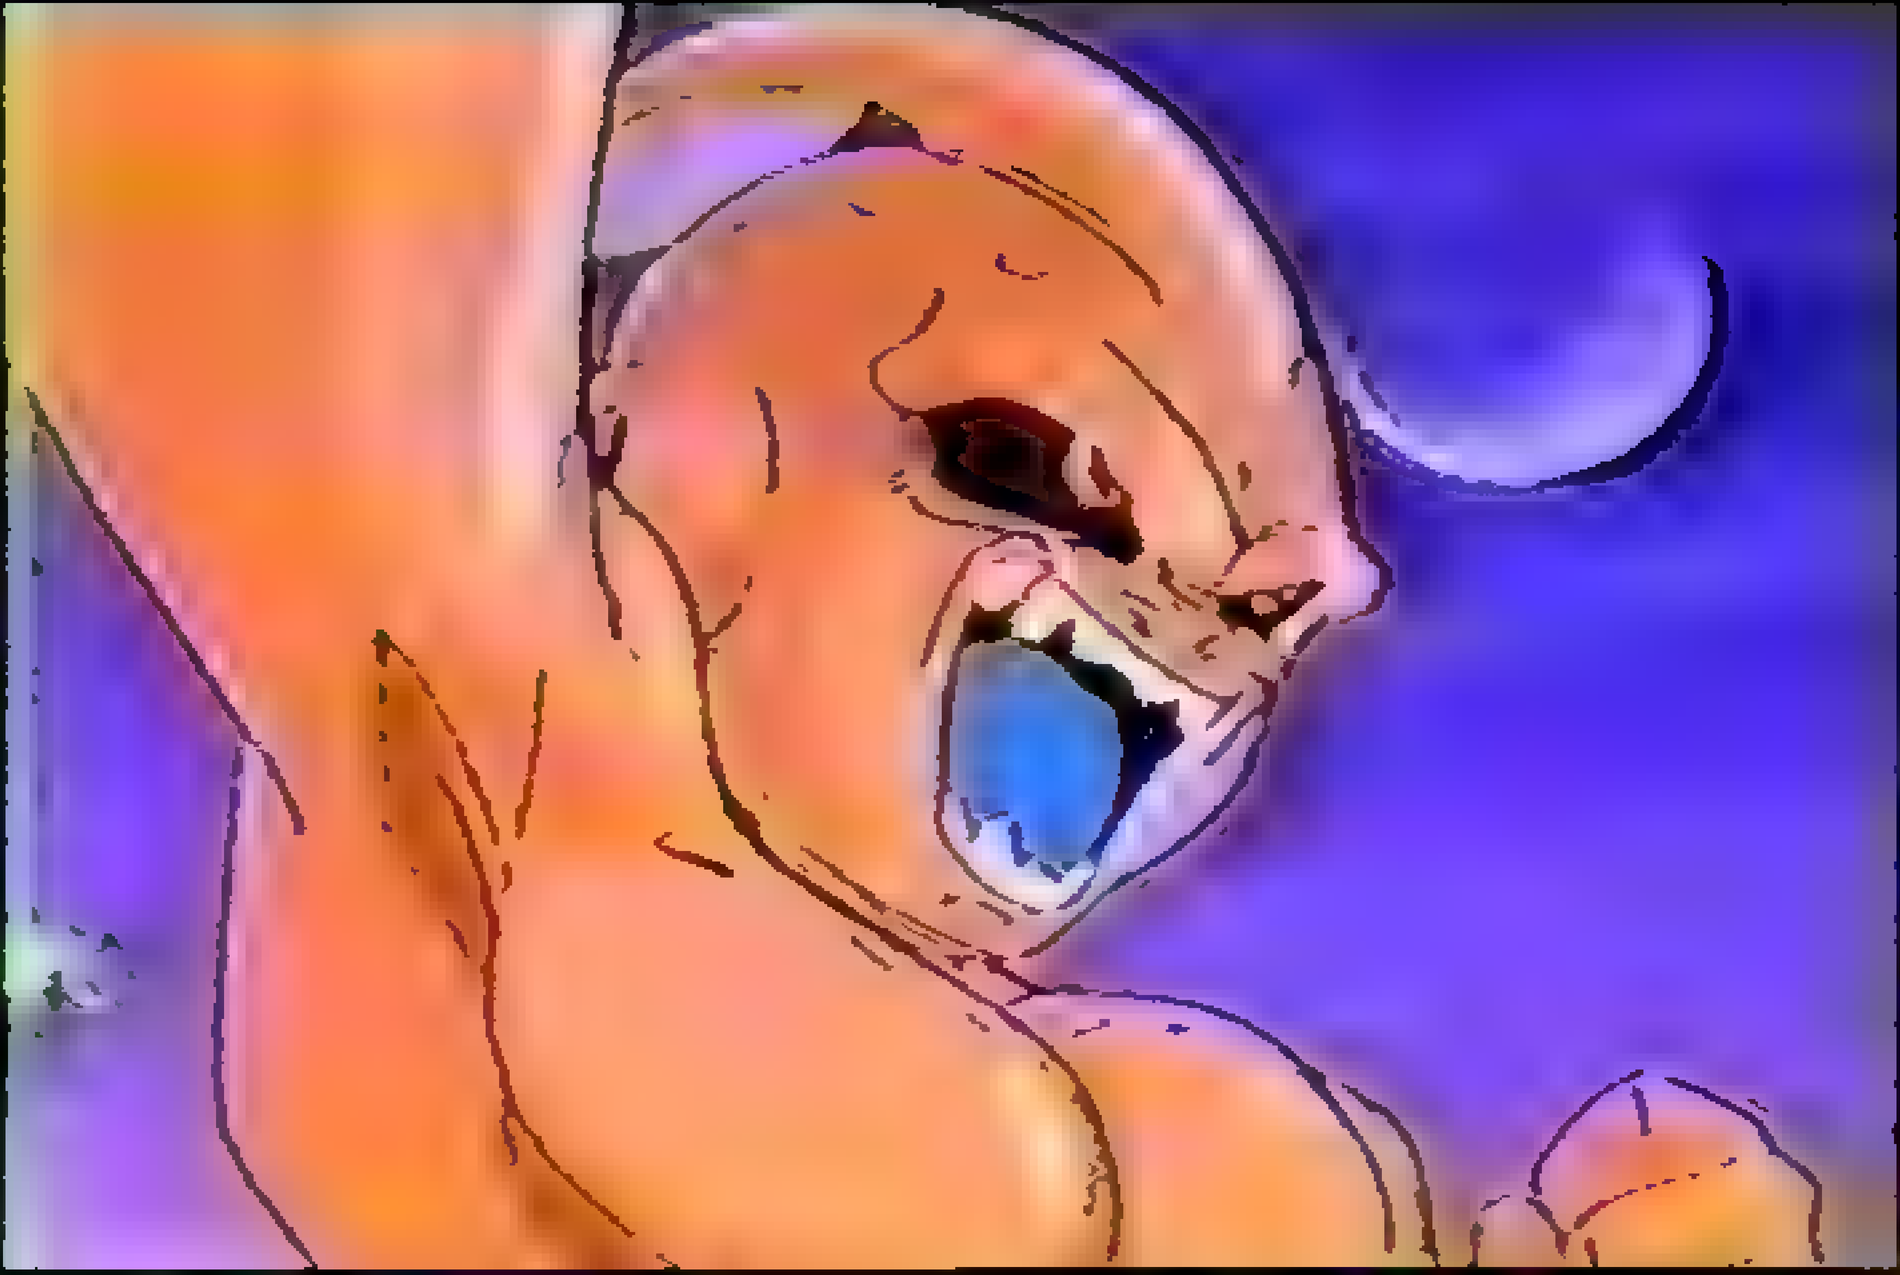

Don't you think I'm right?

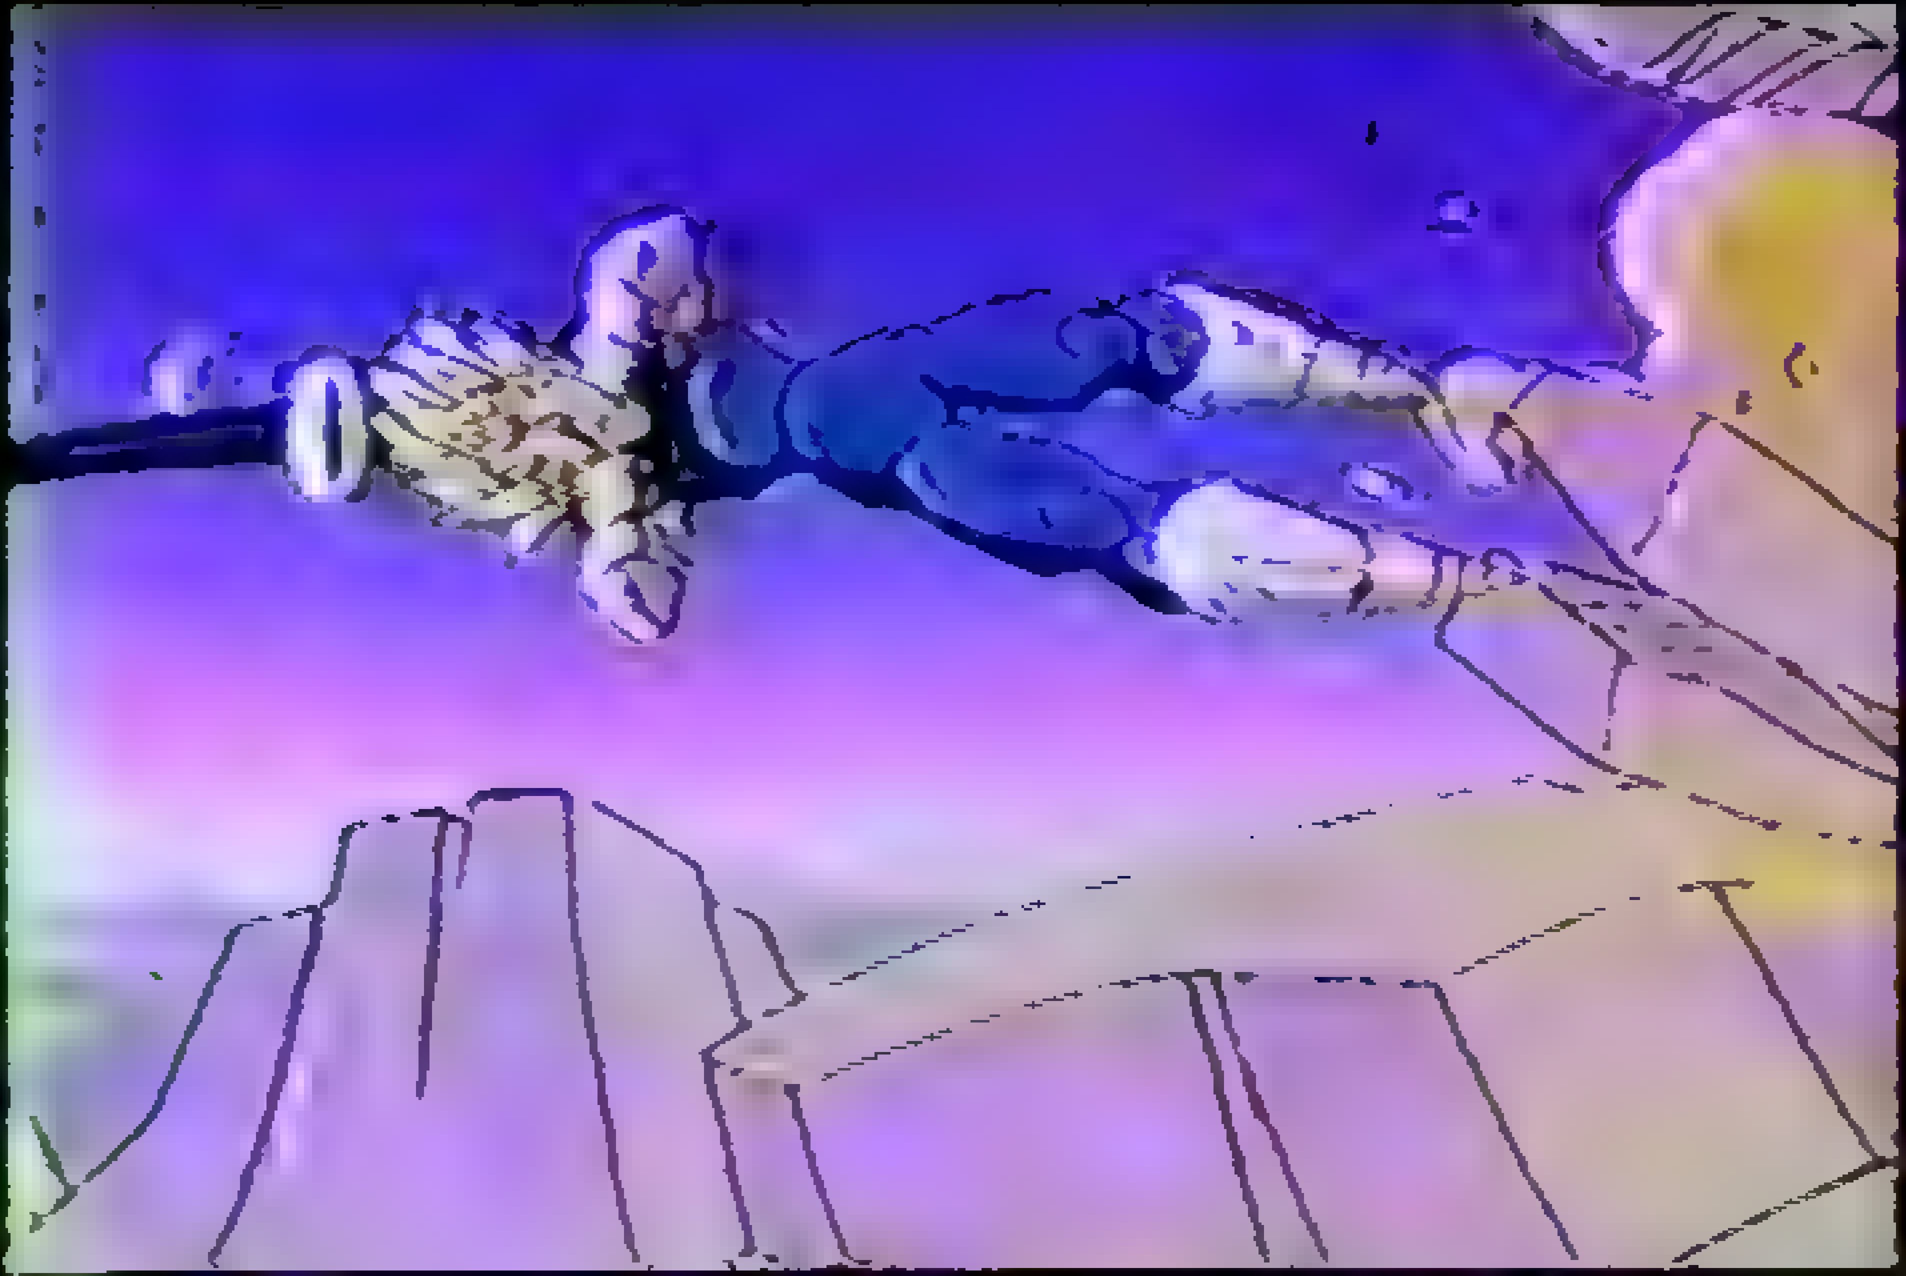

Don't you think I'm right?

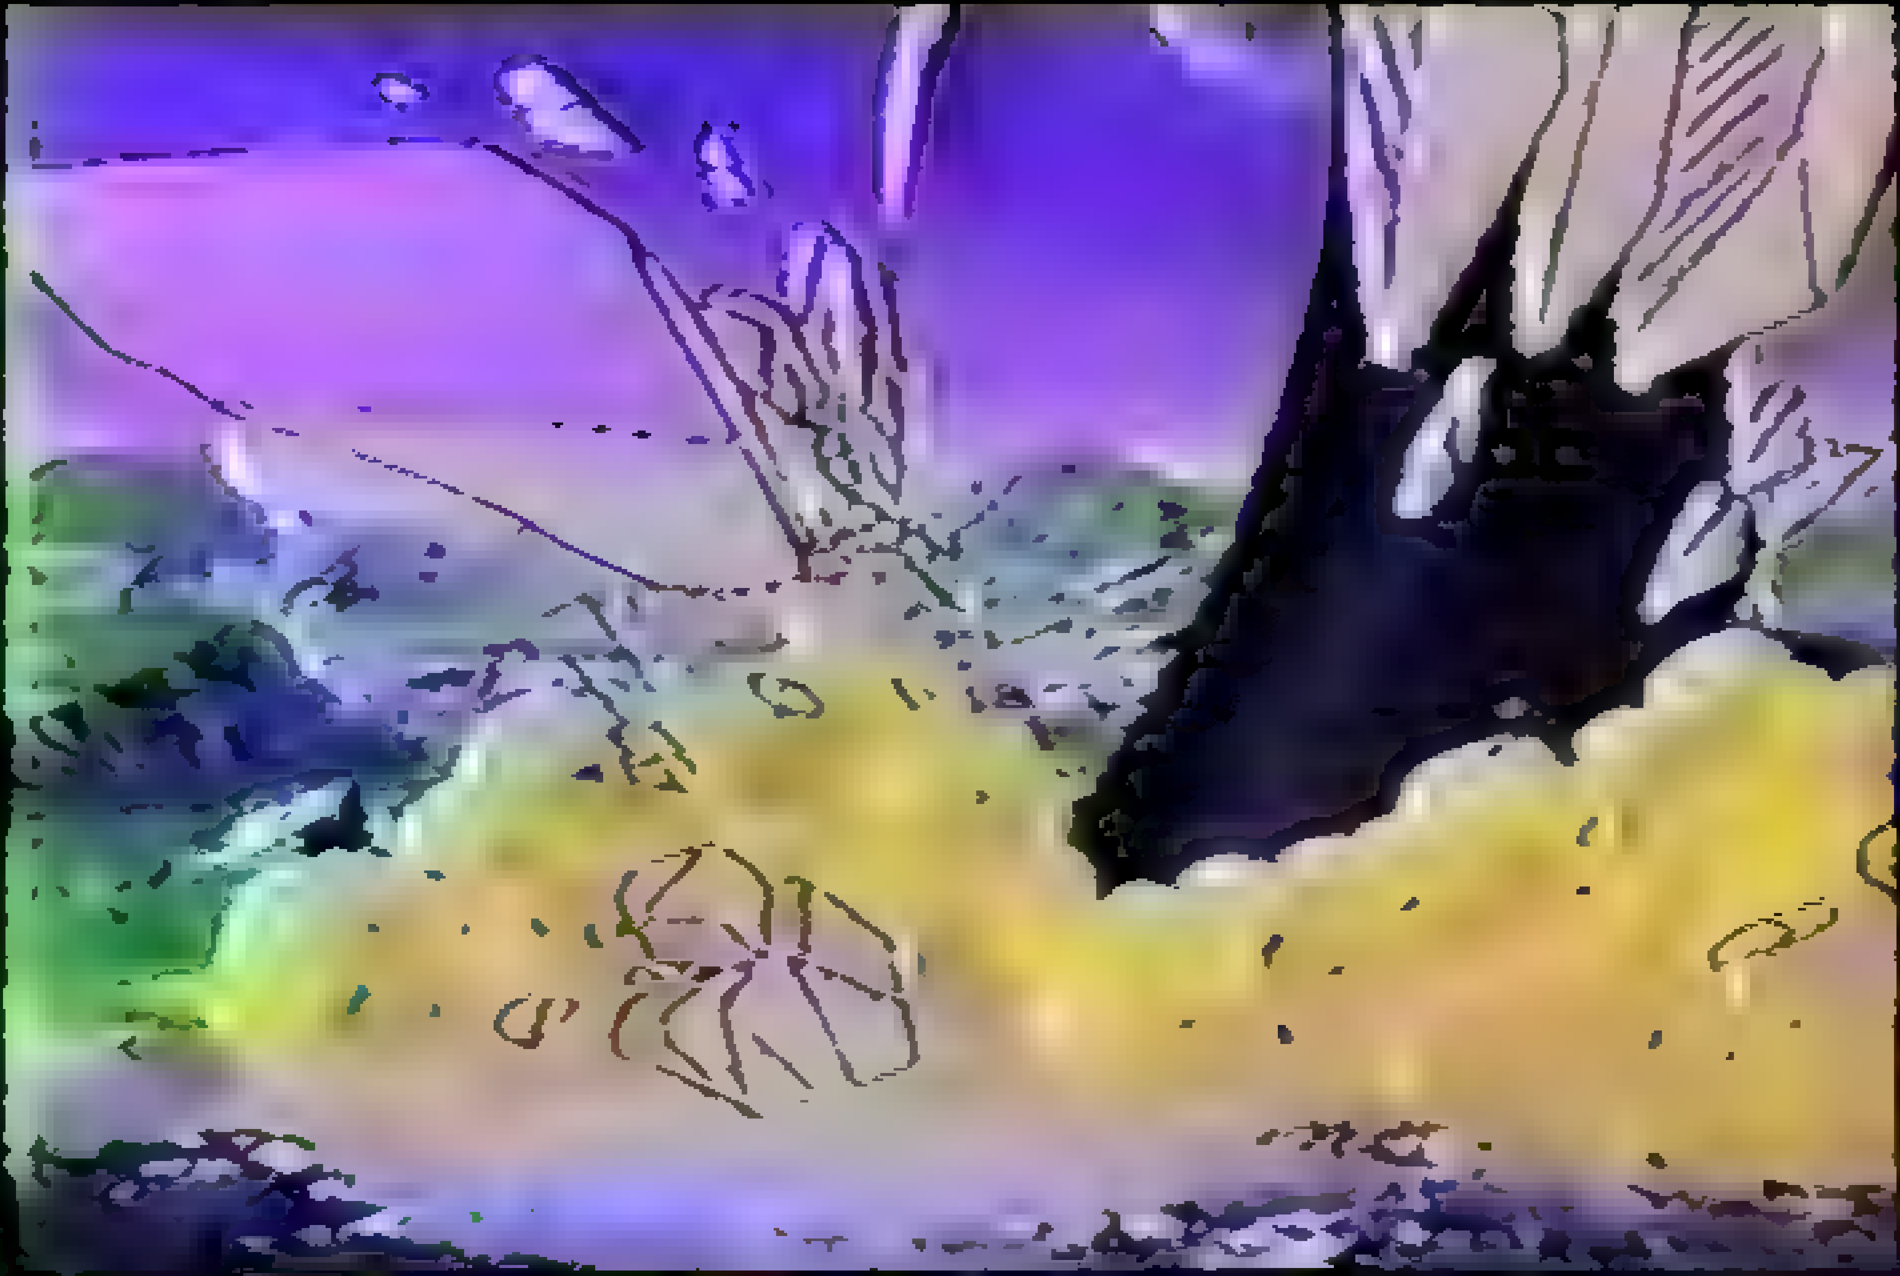

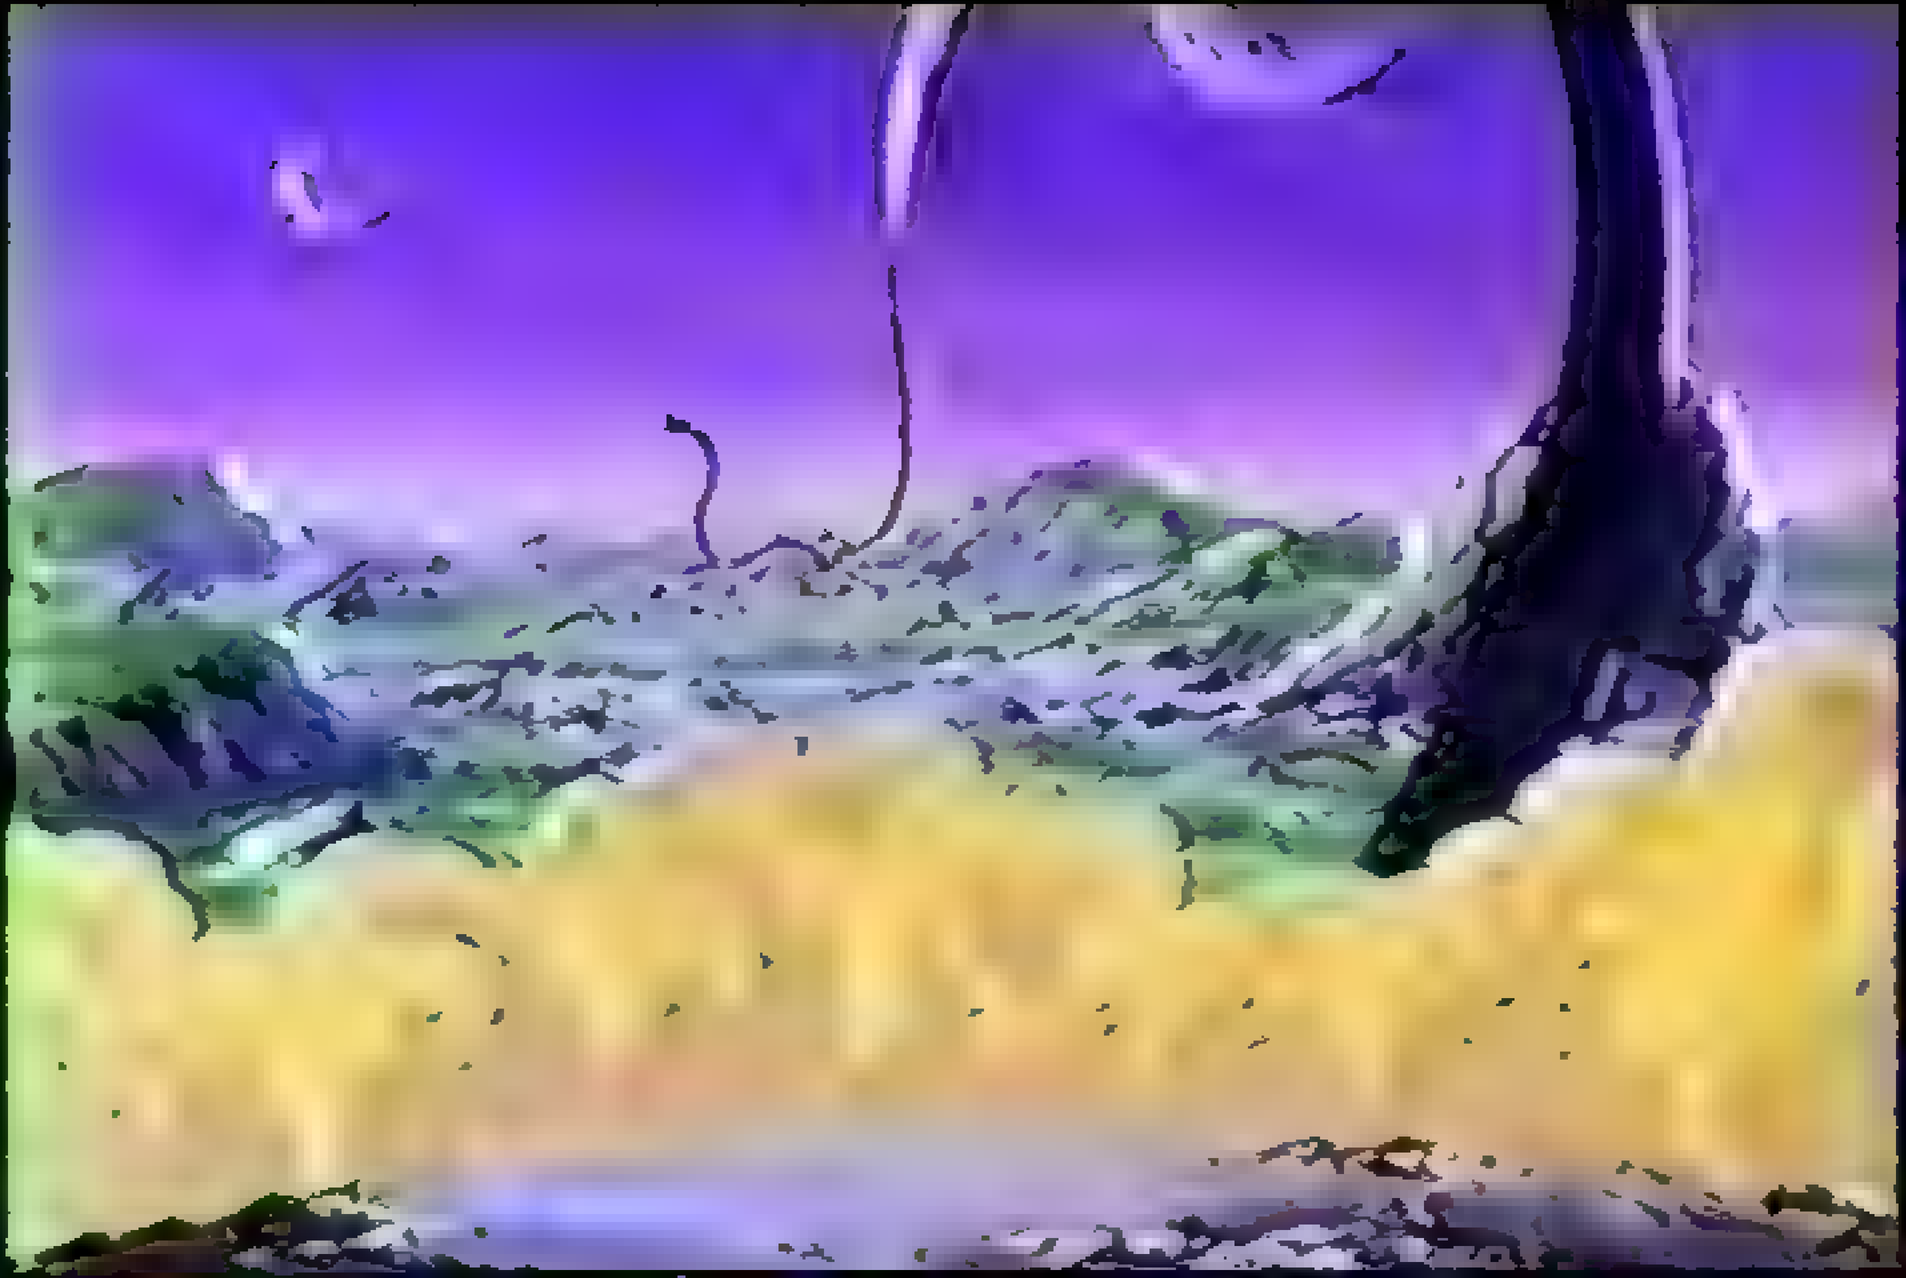

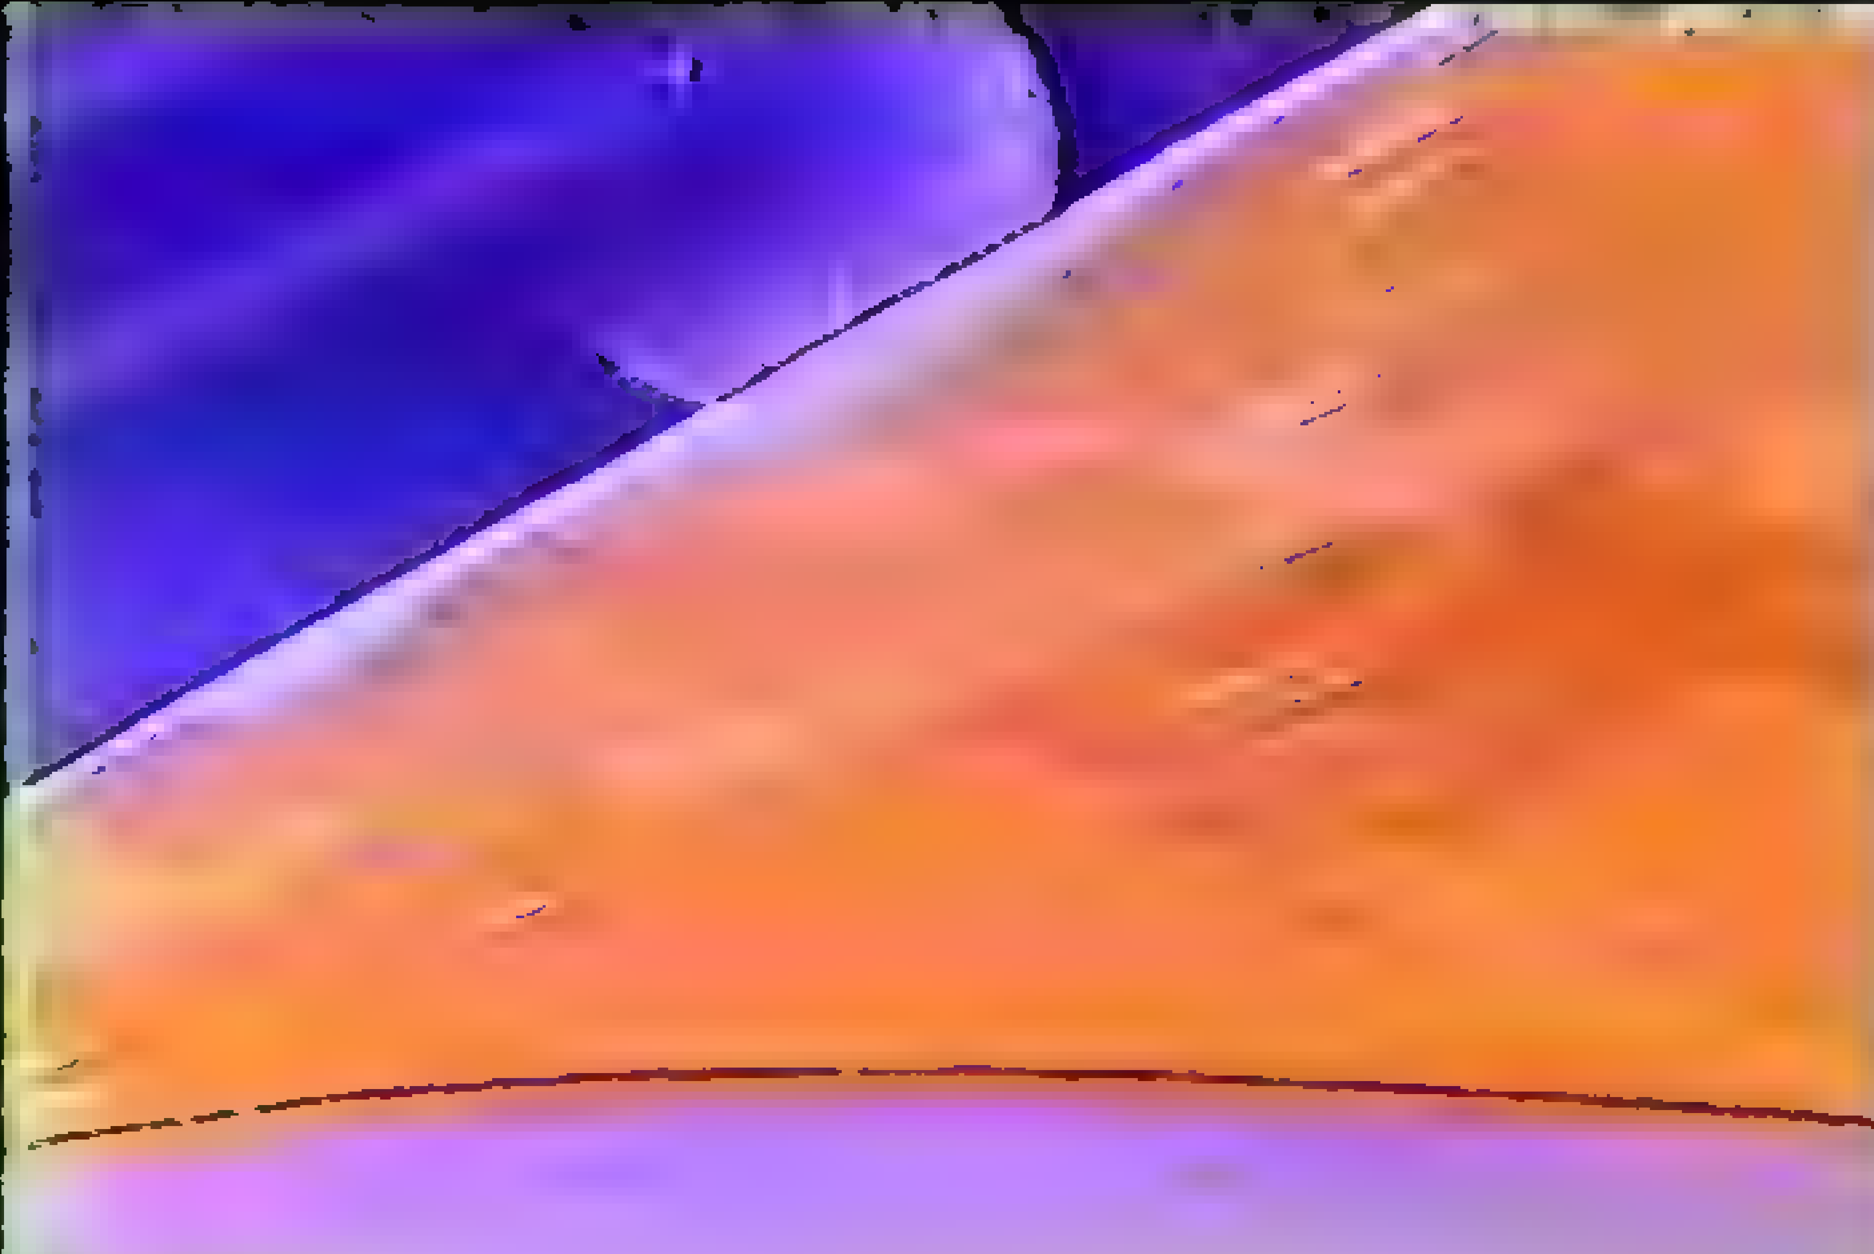

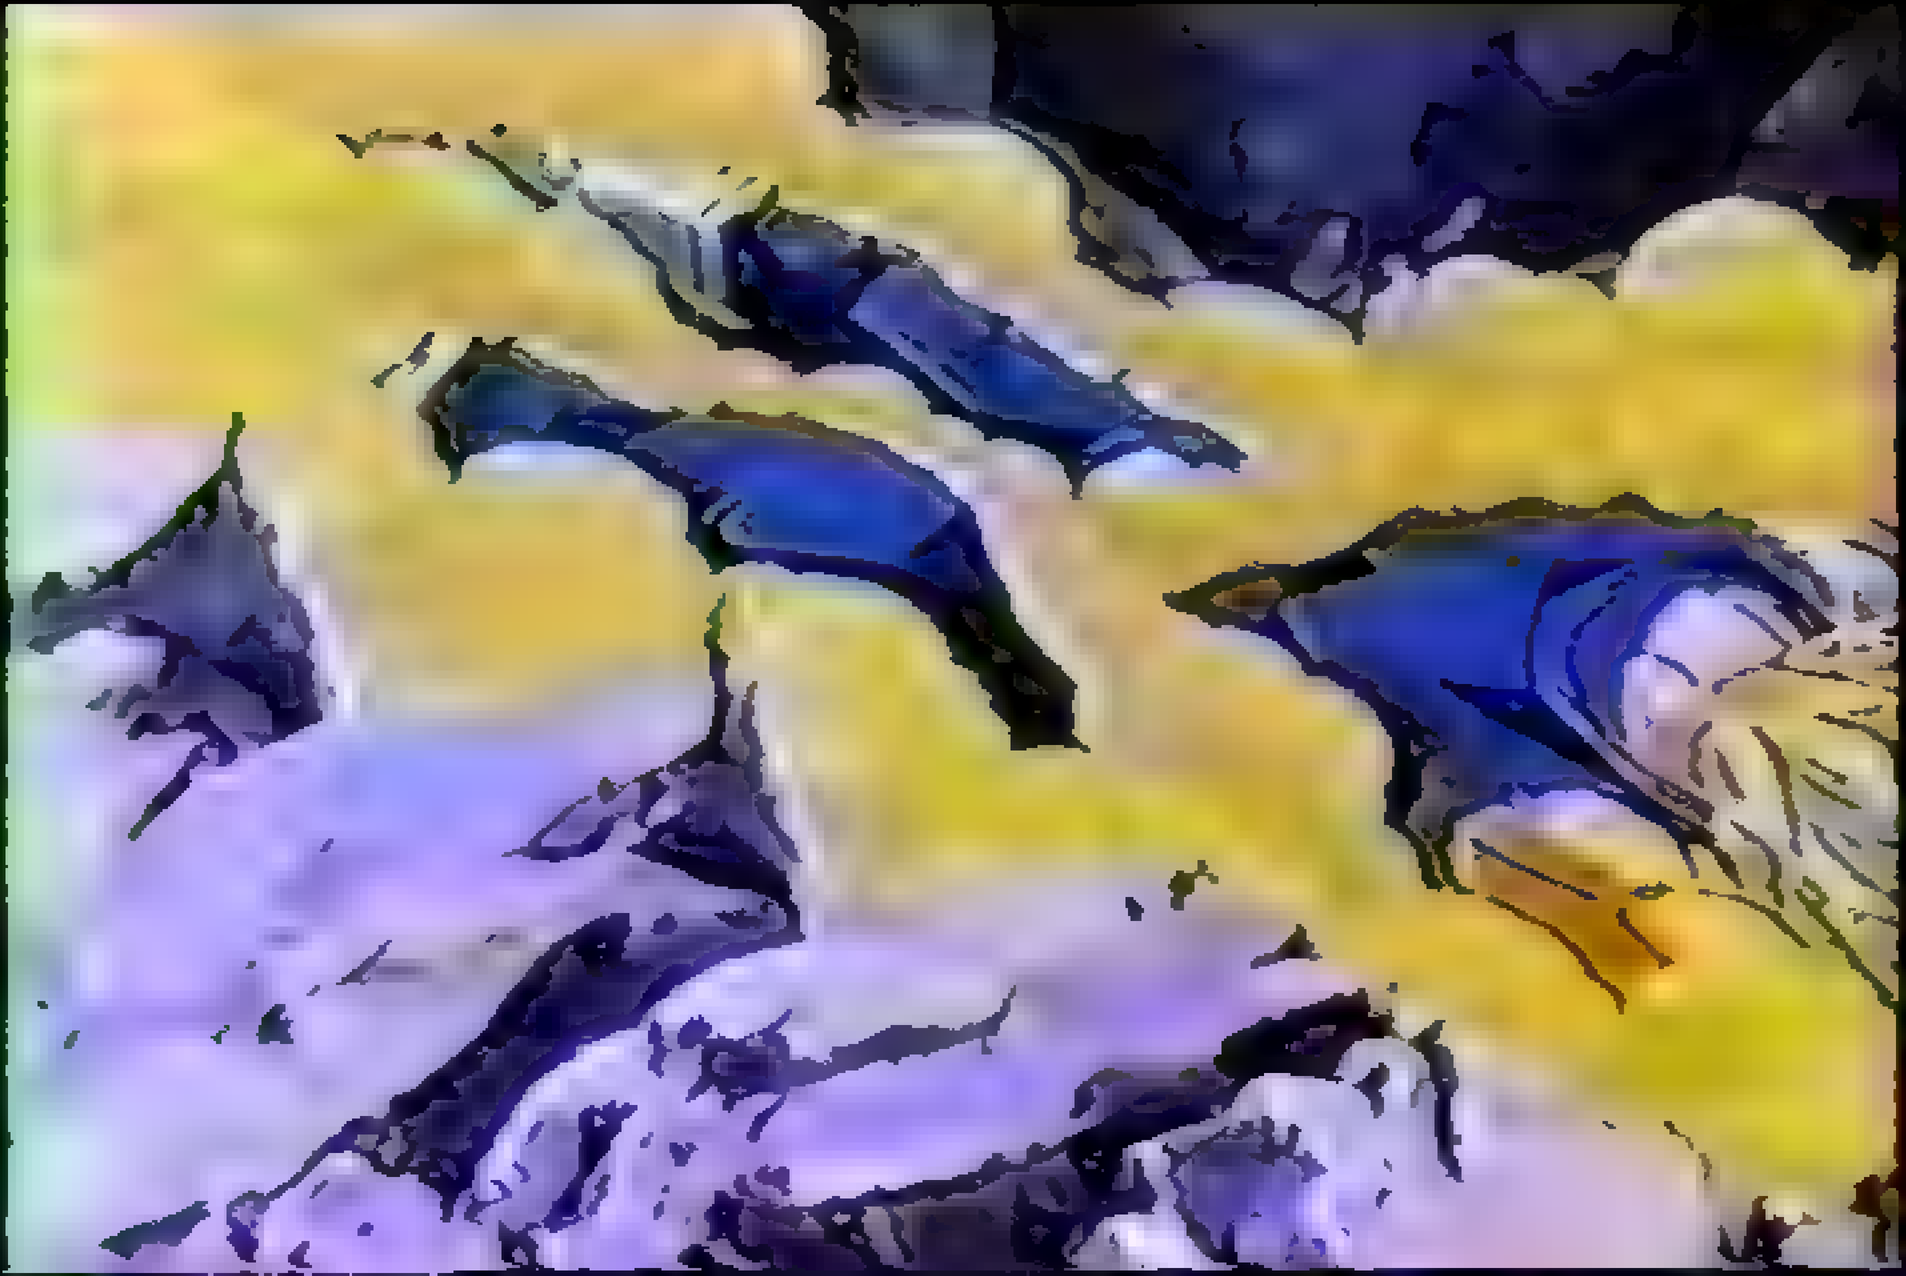

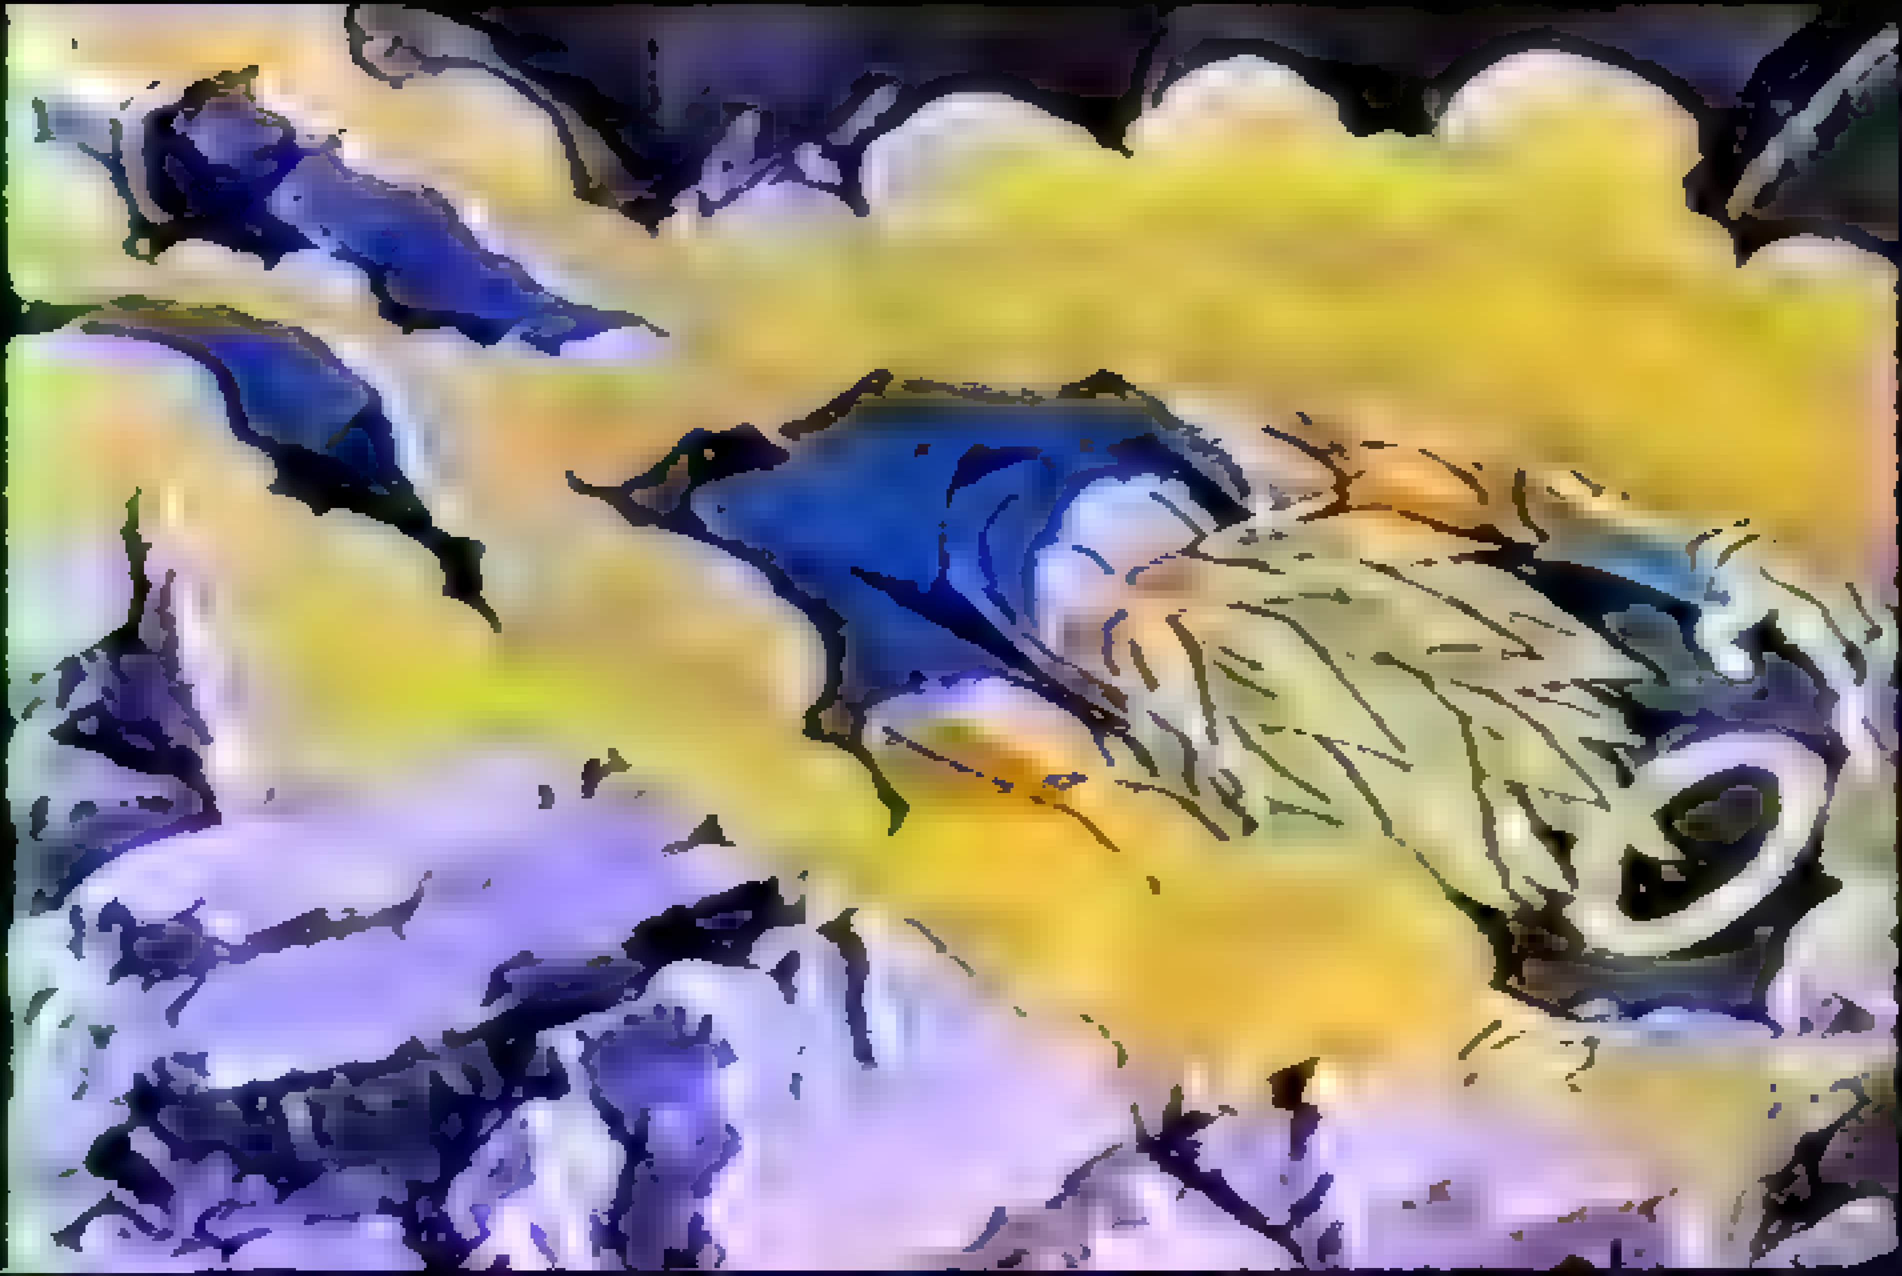

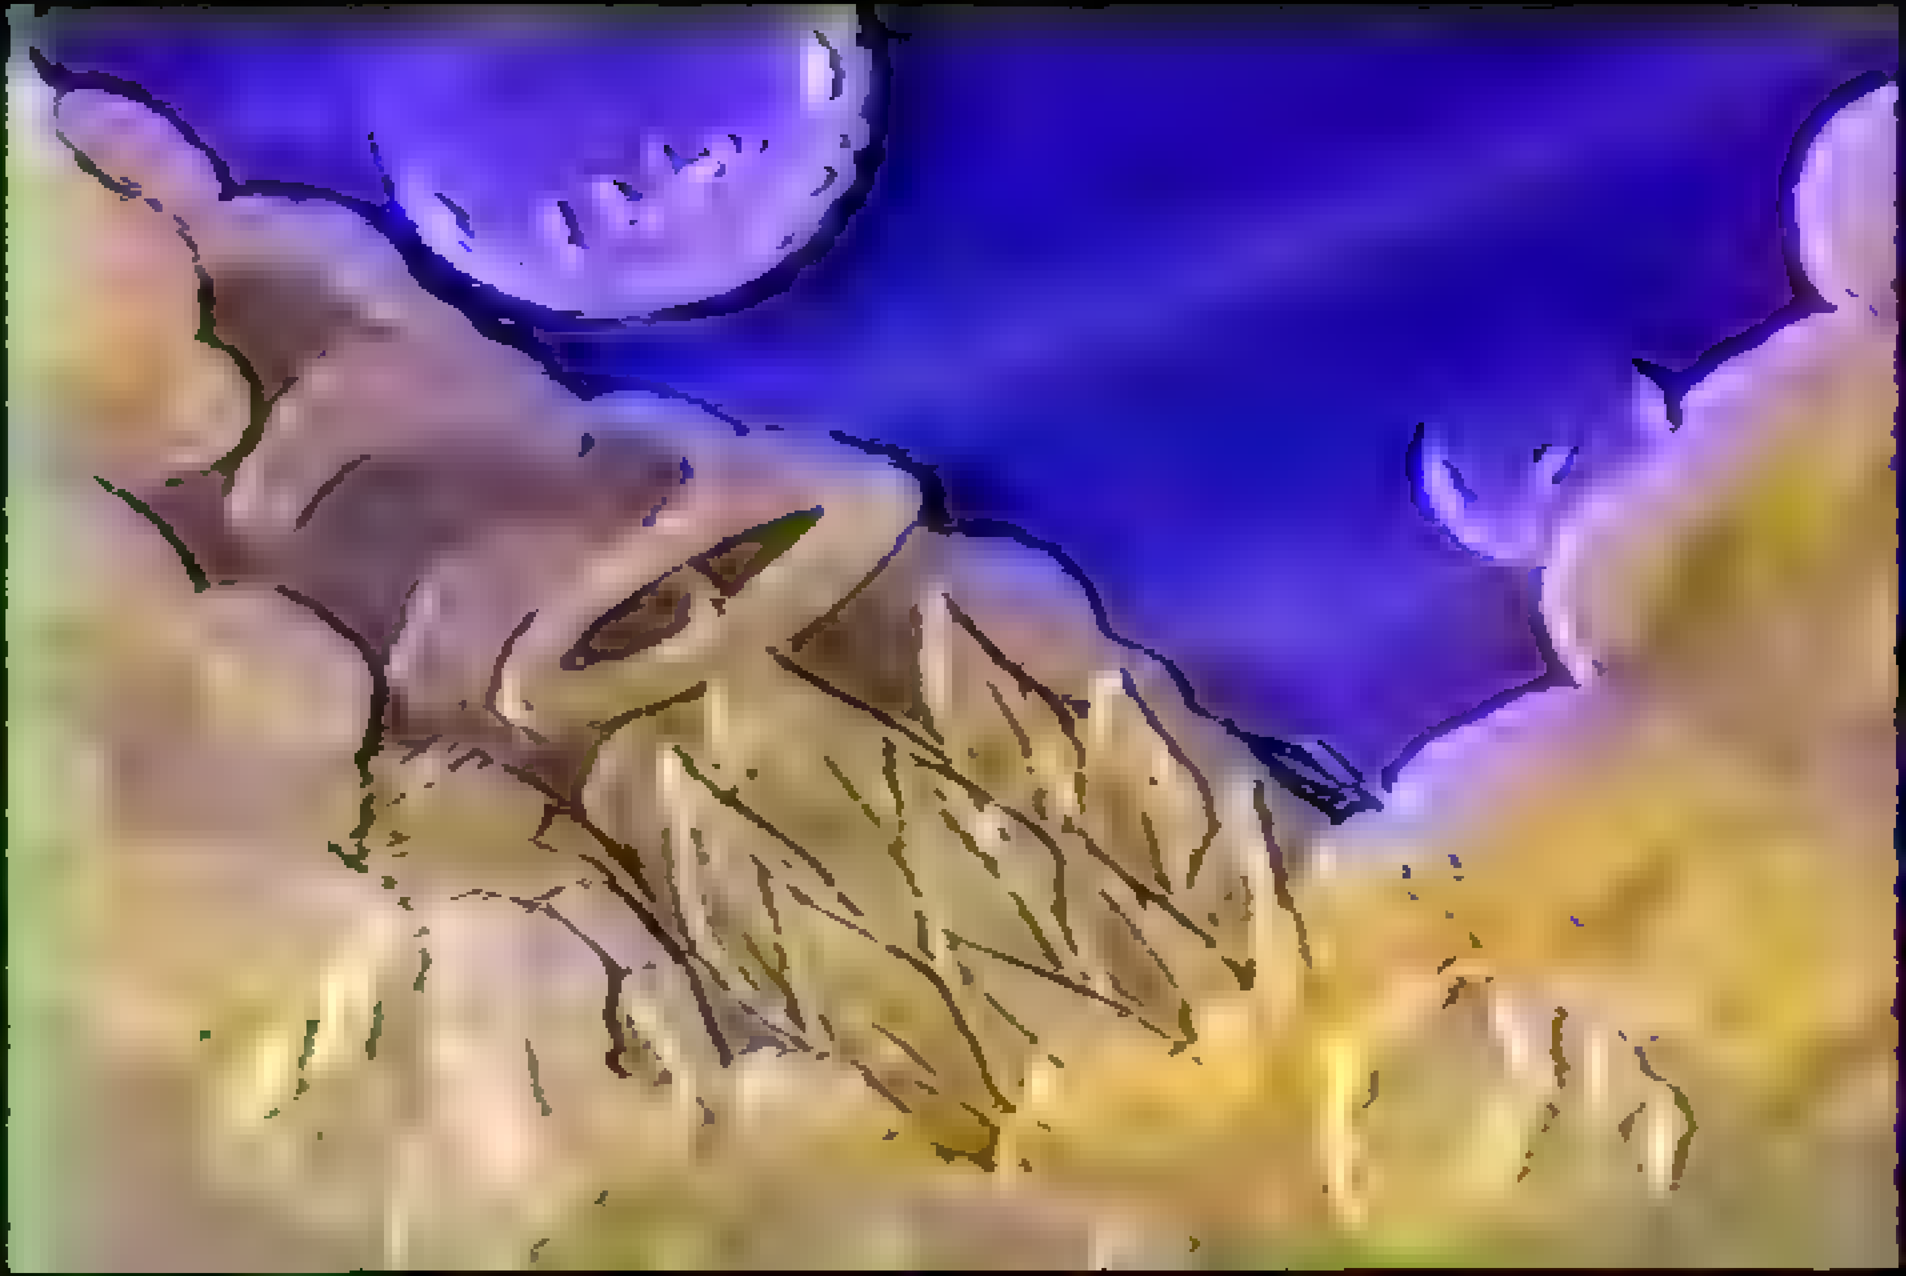

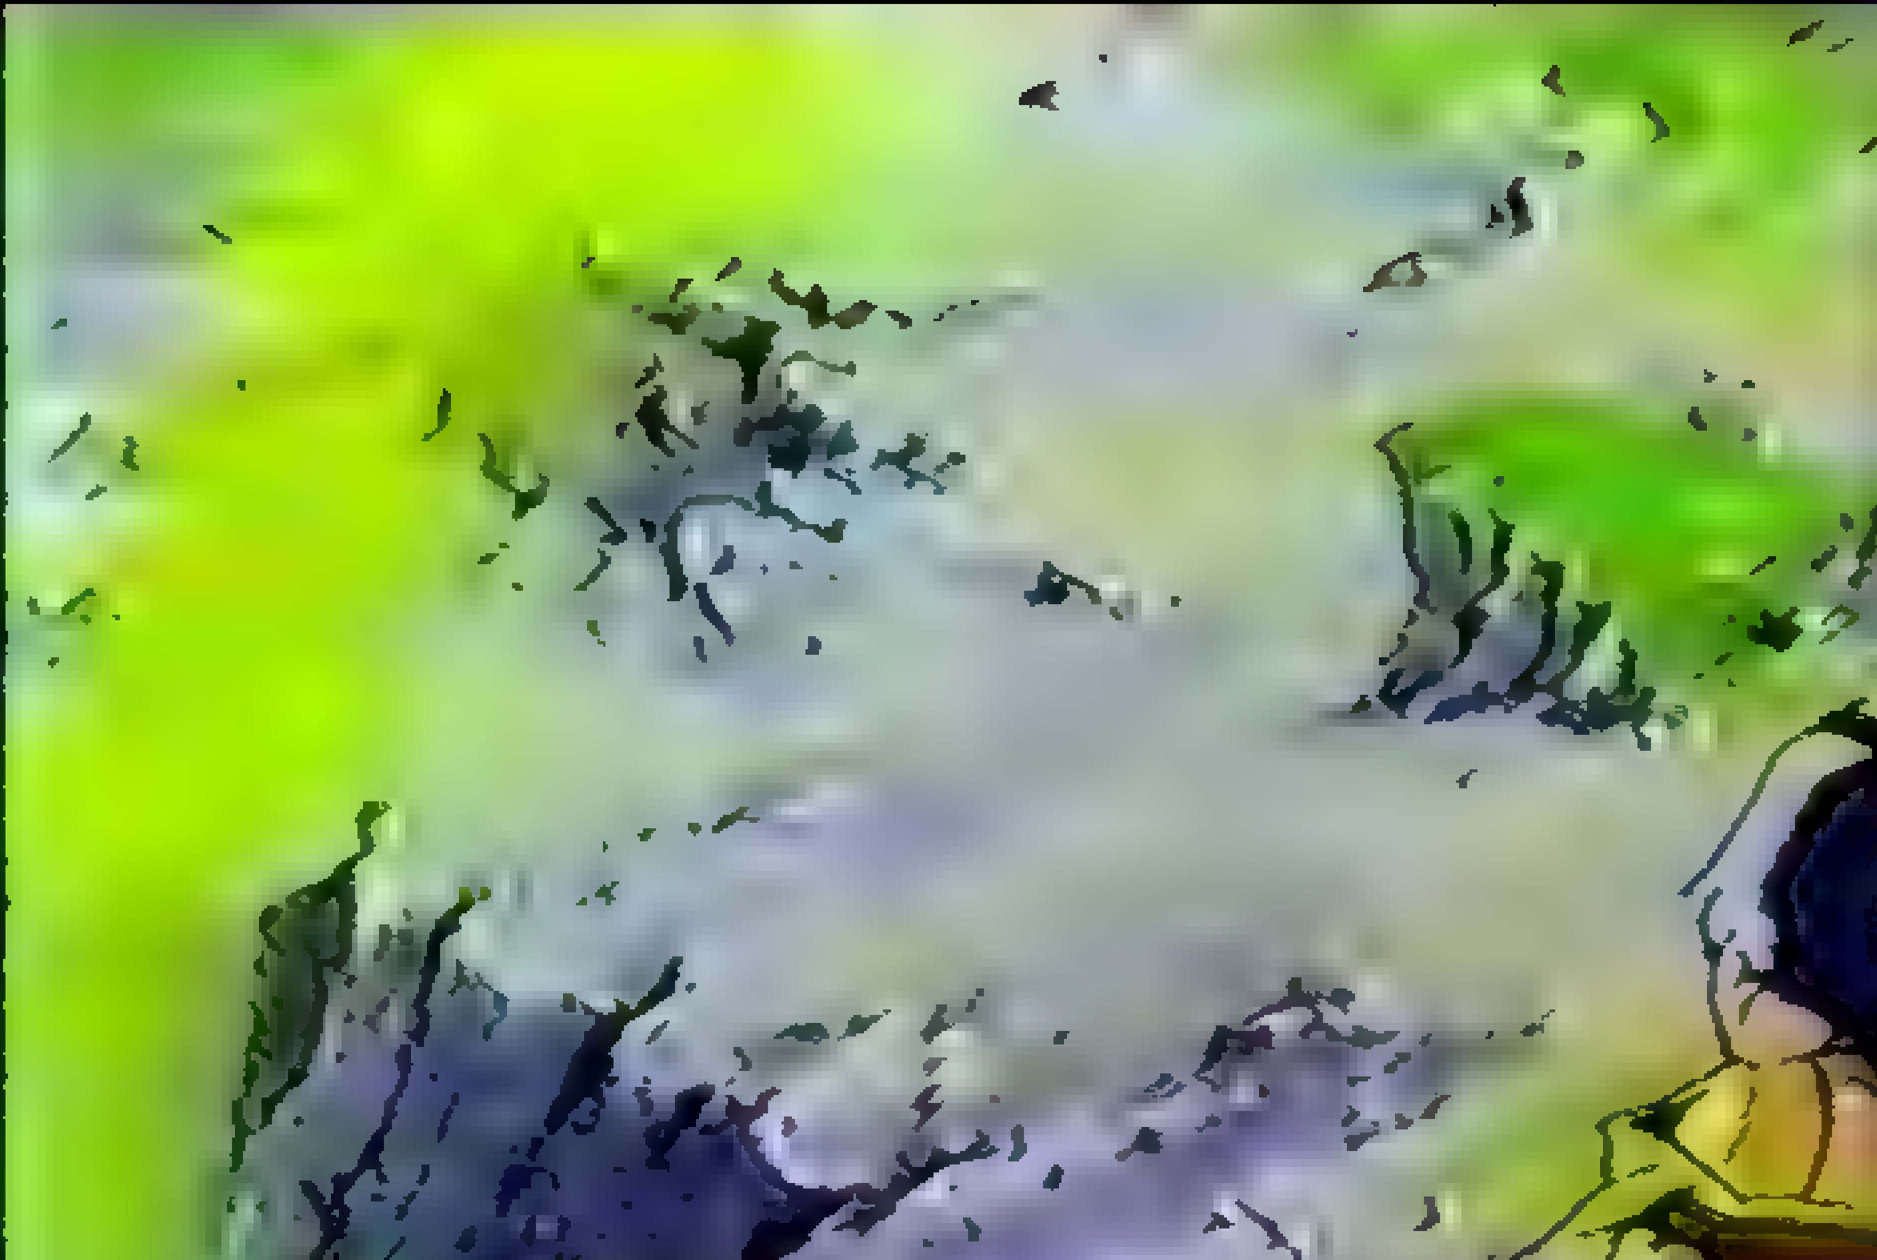

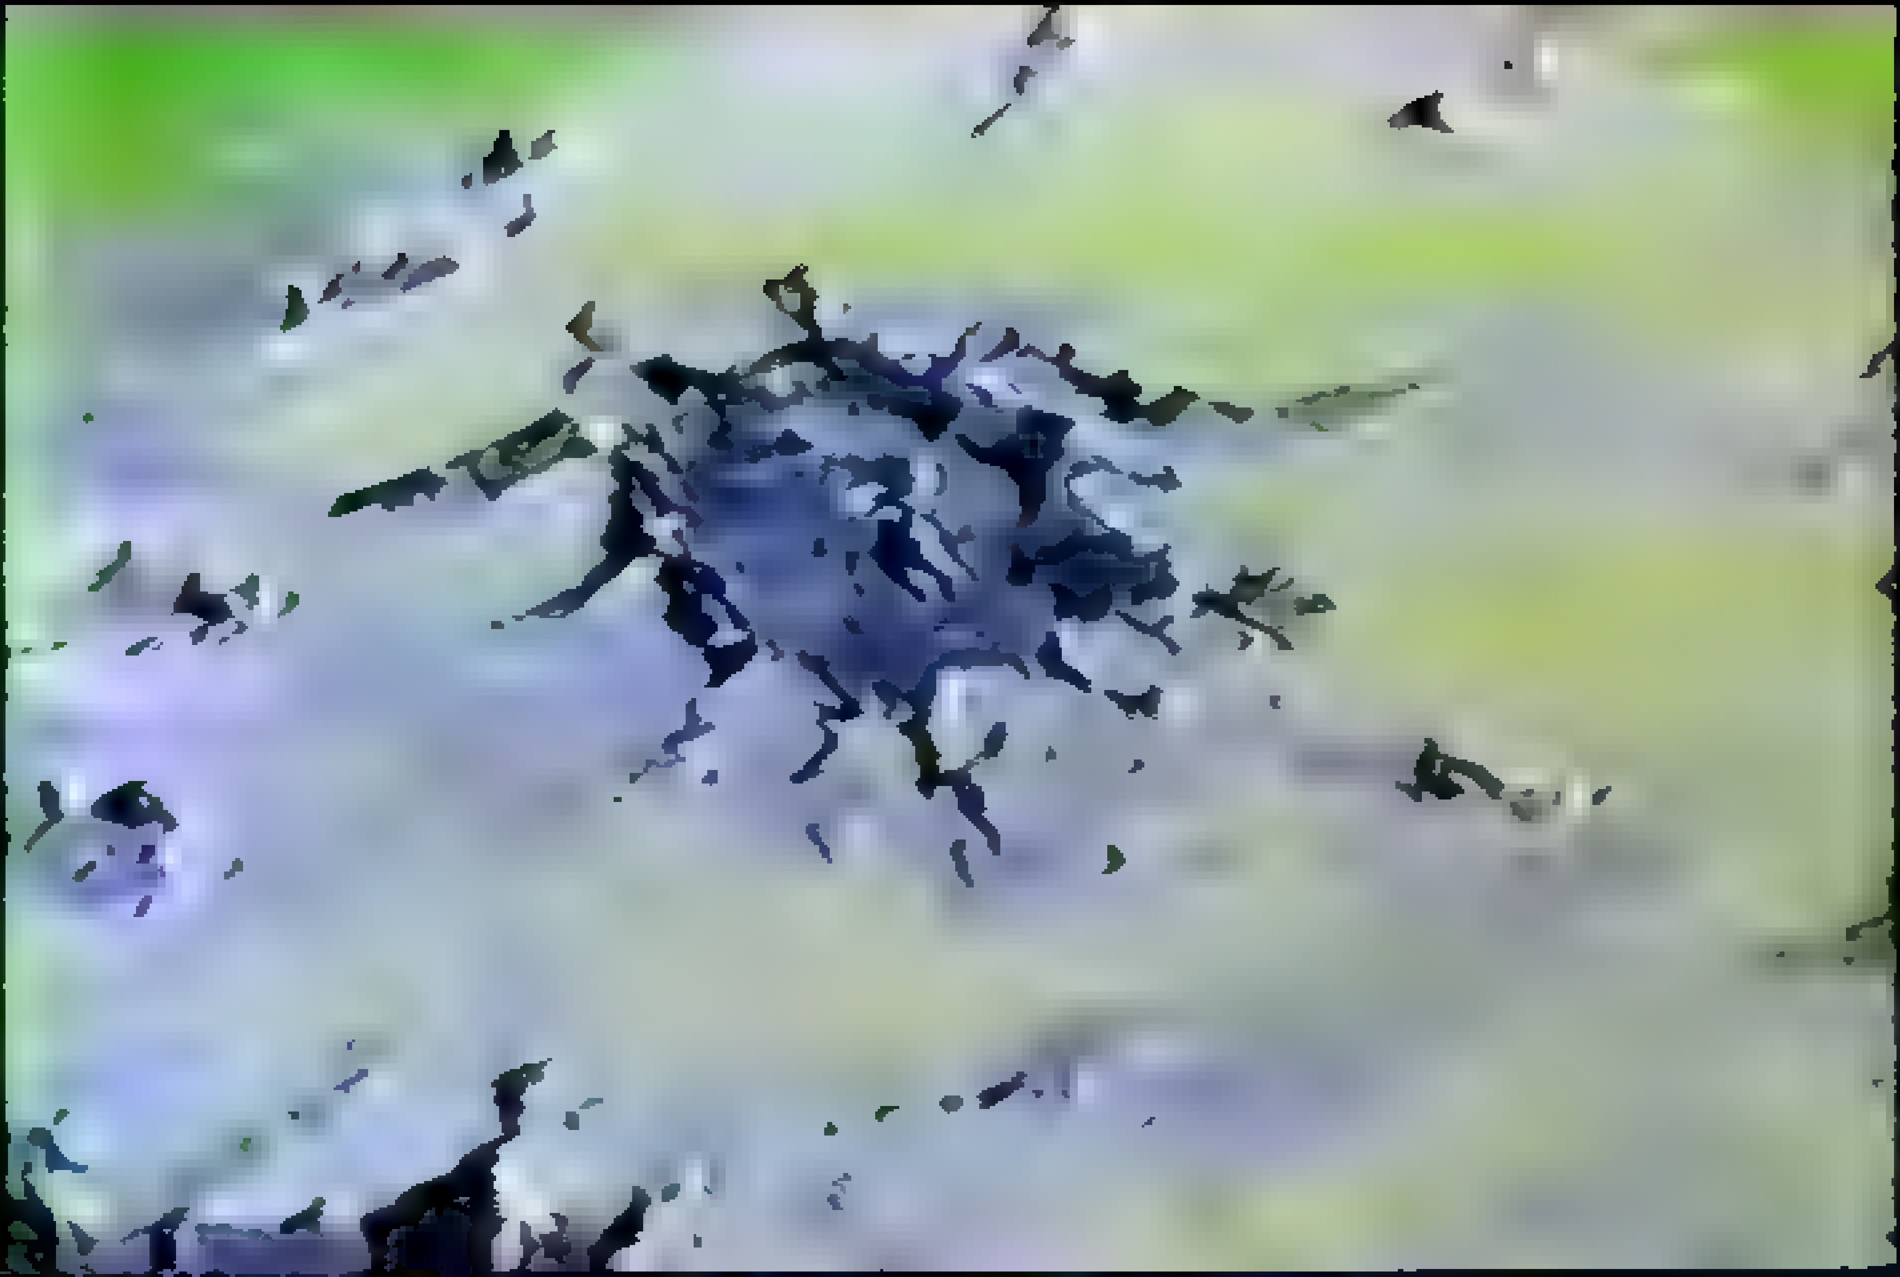

Stay away!

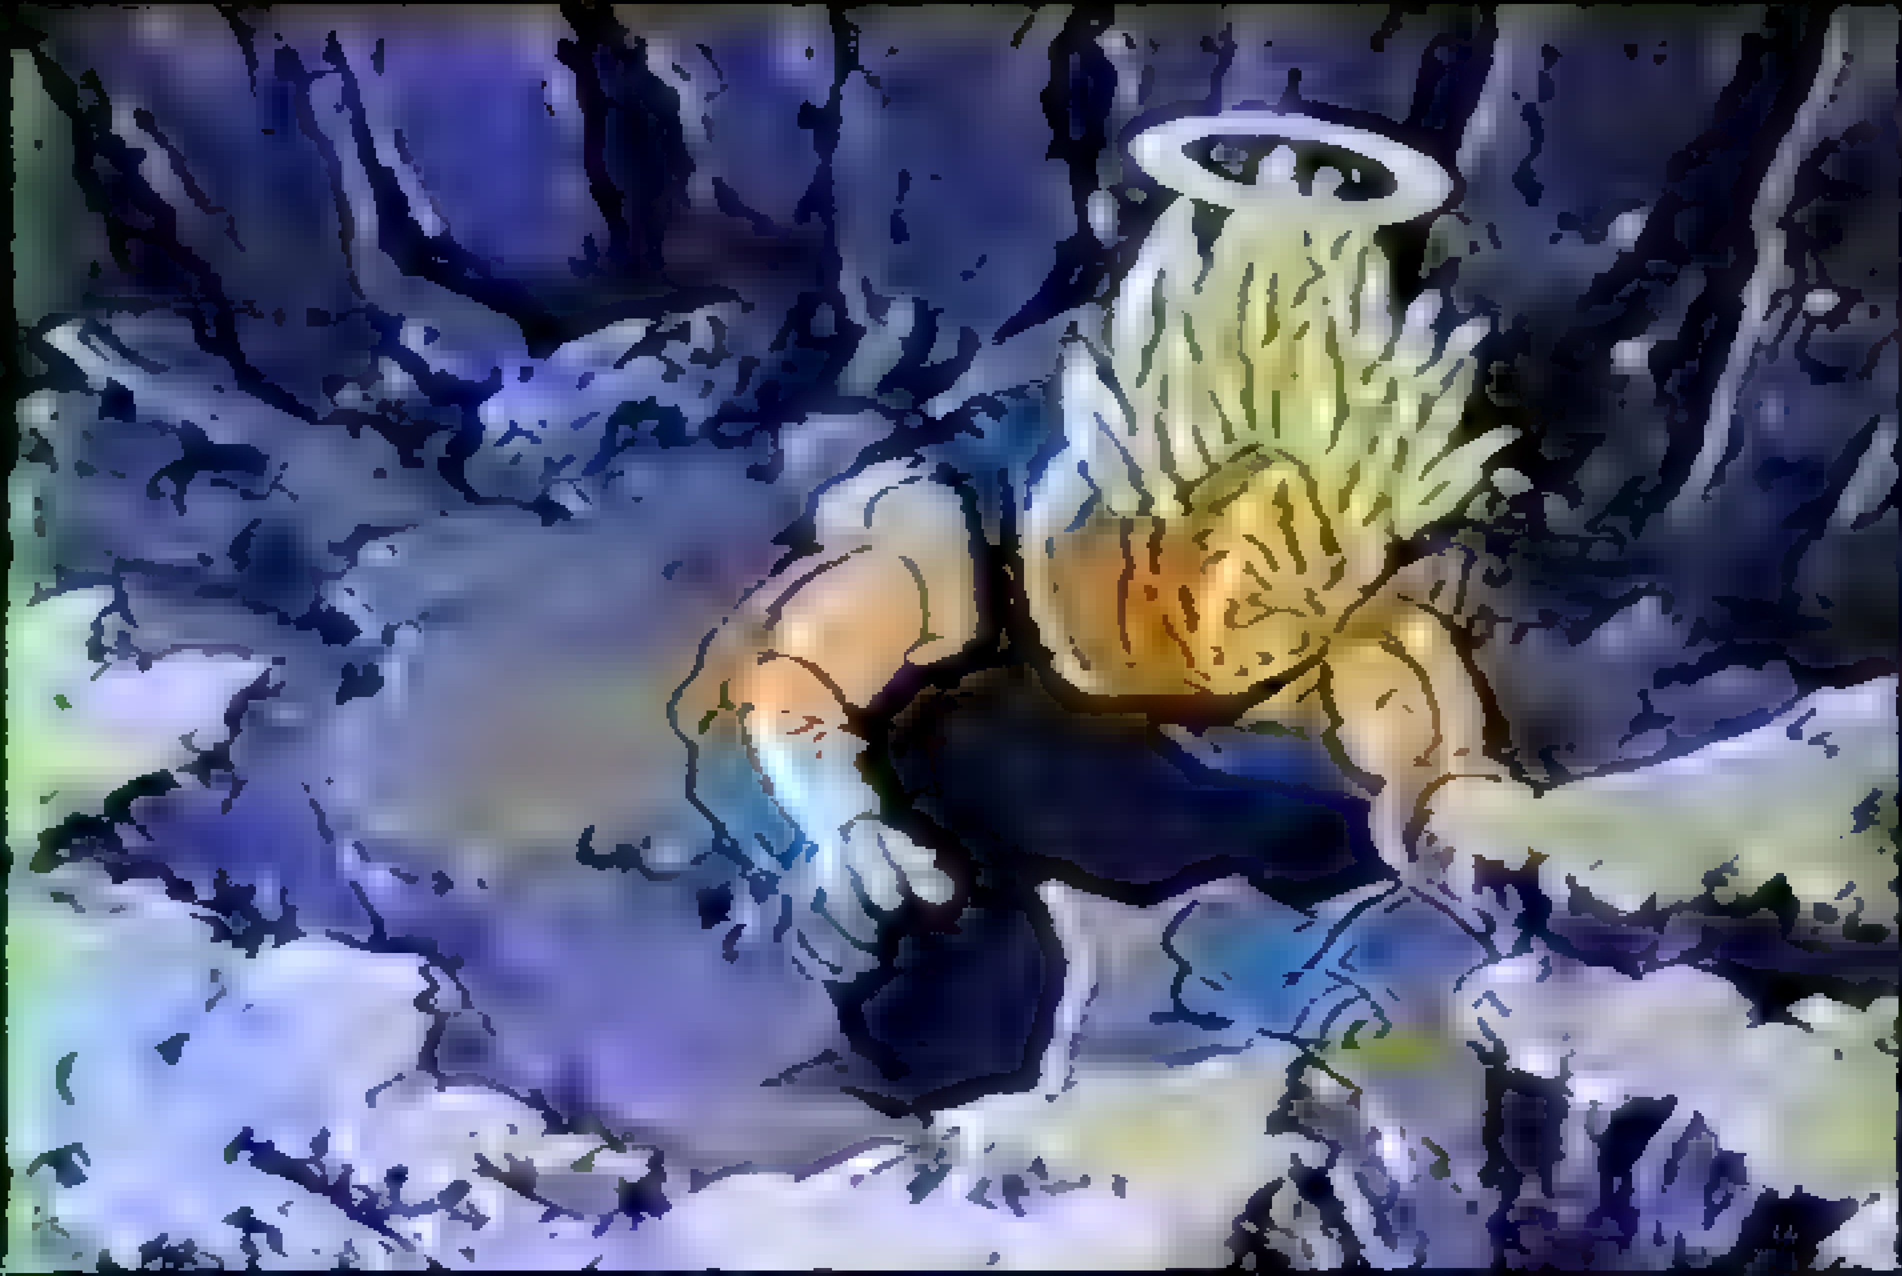

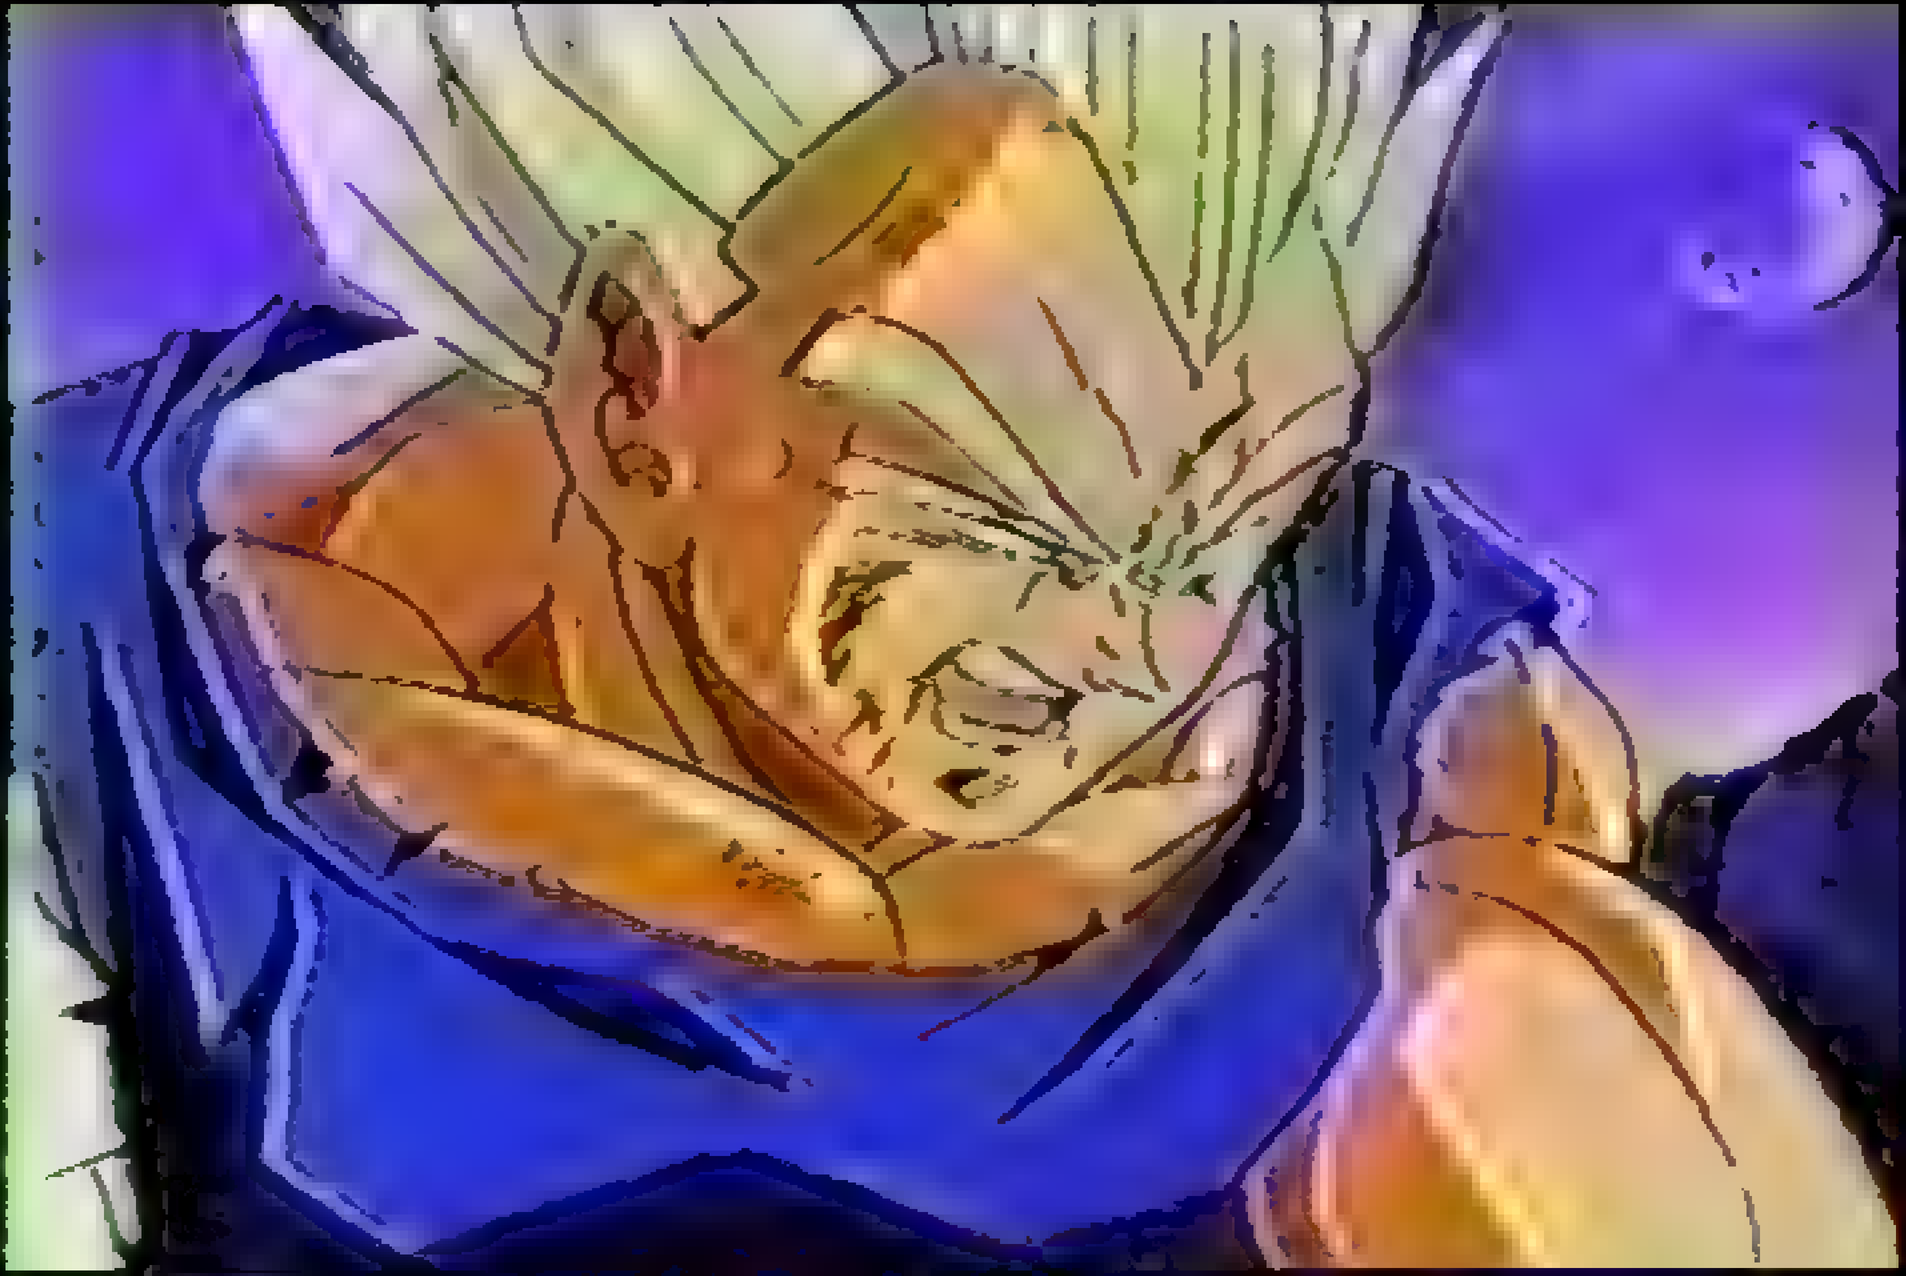

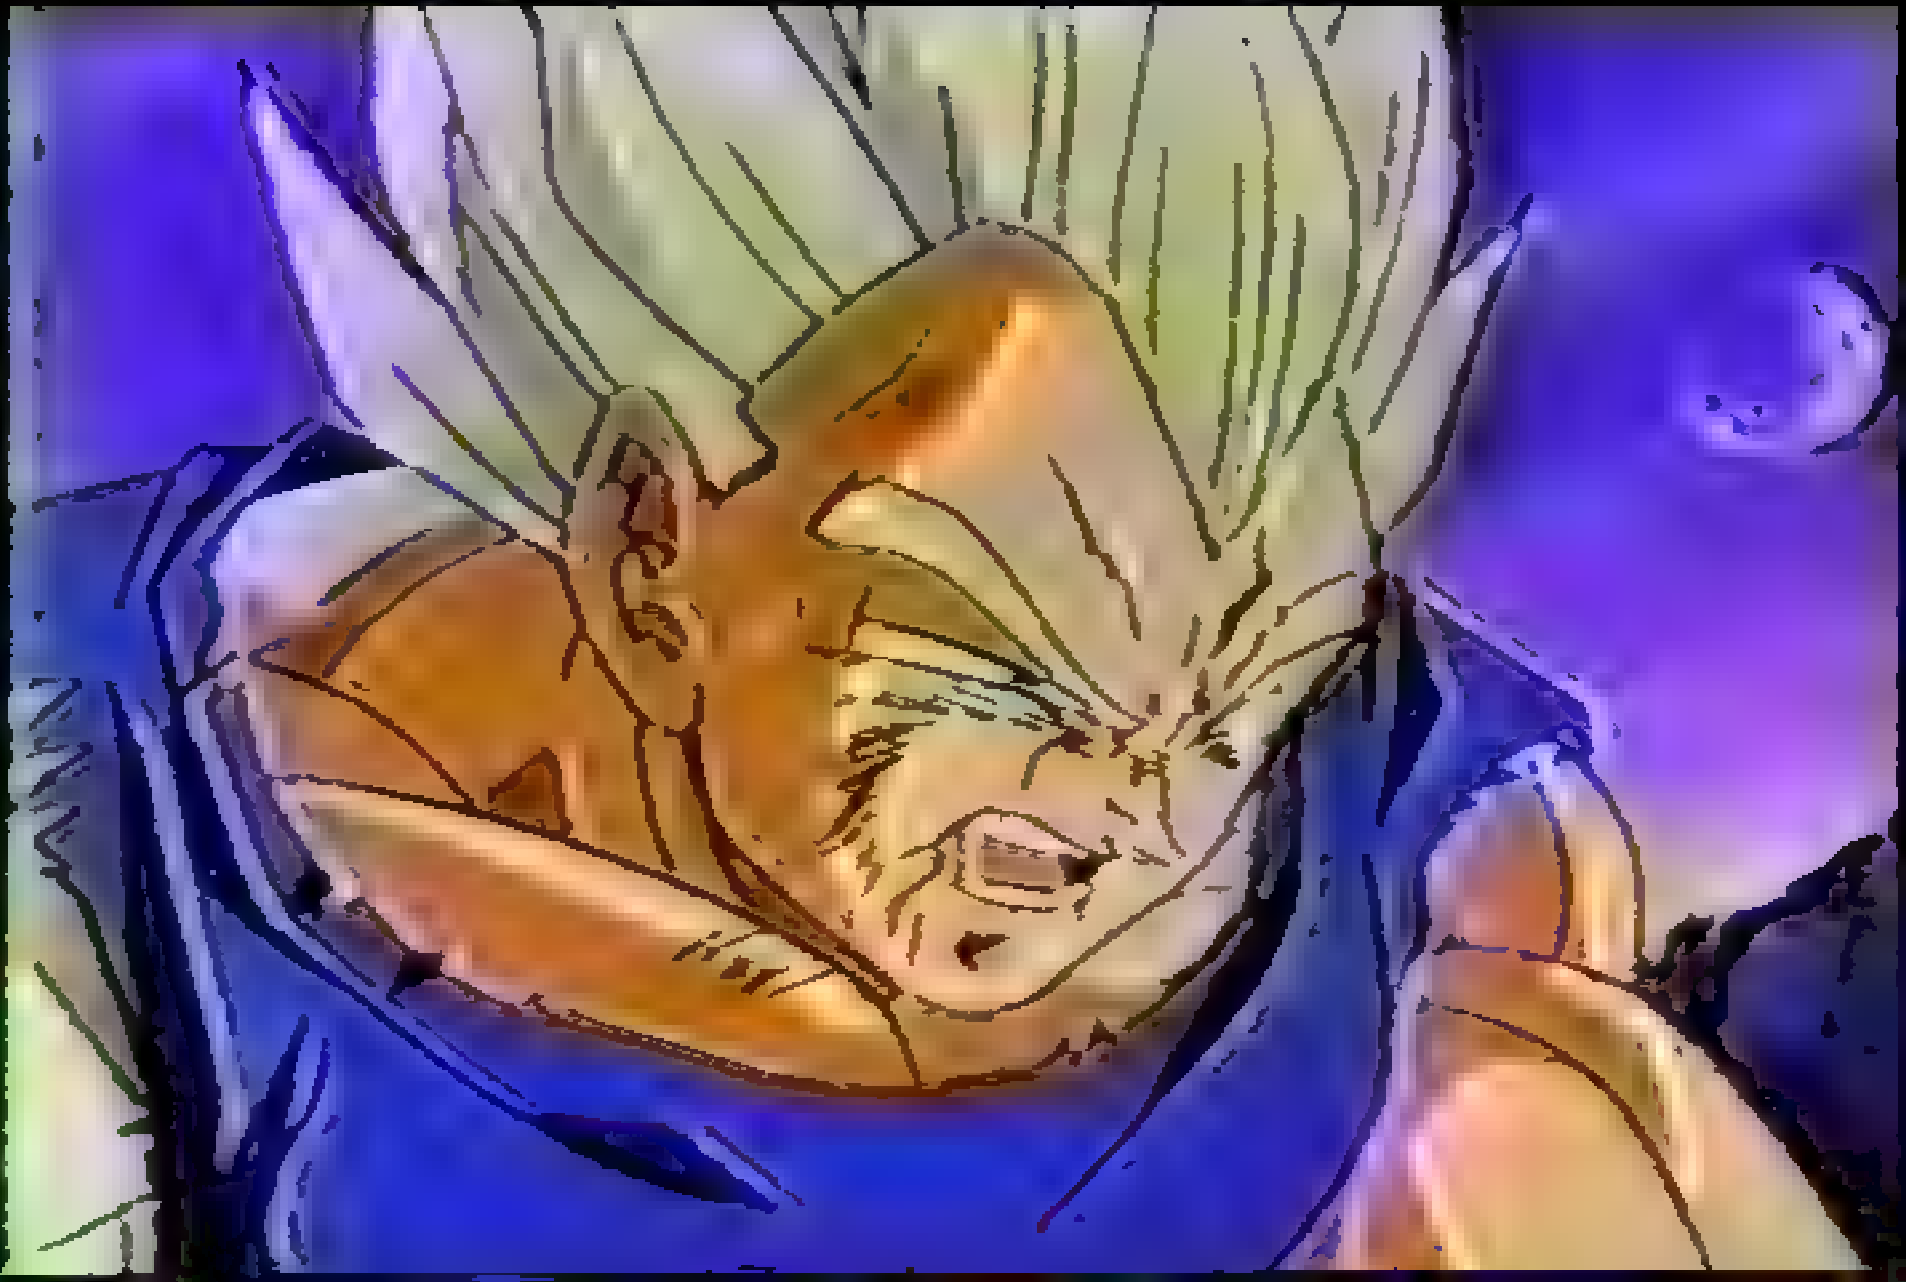

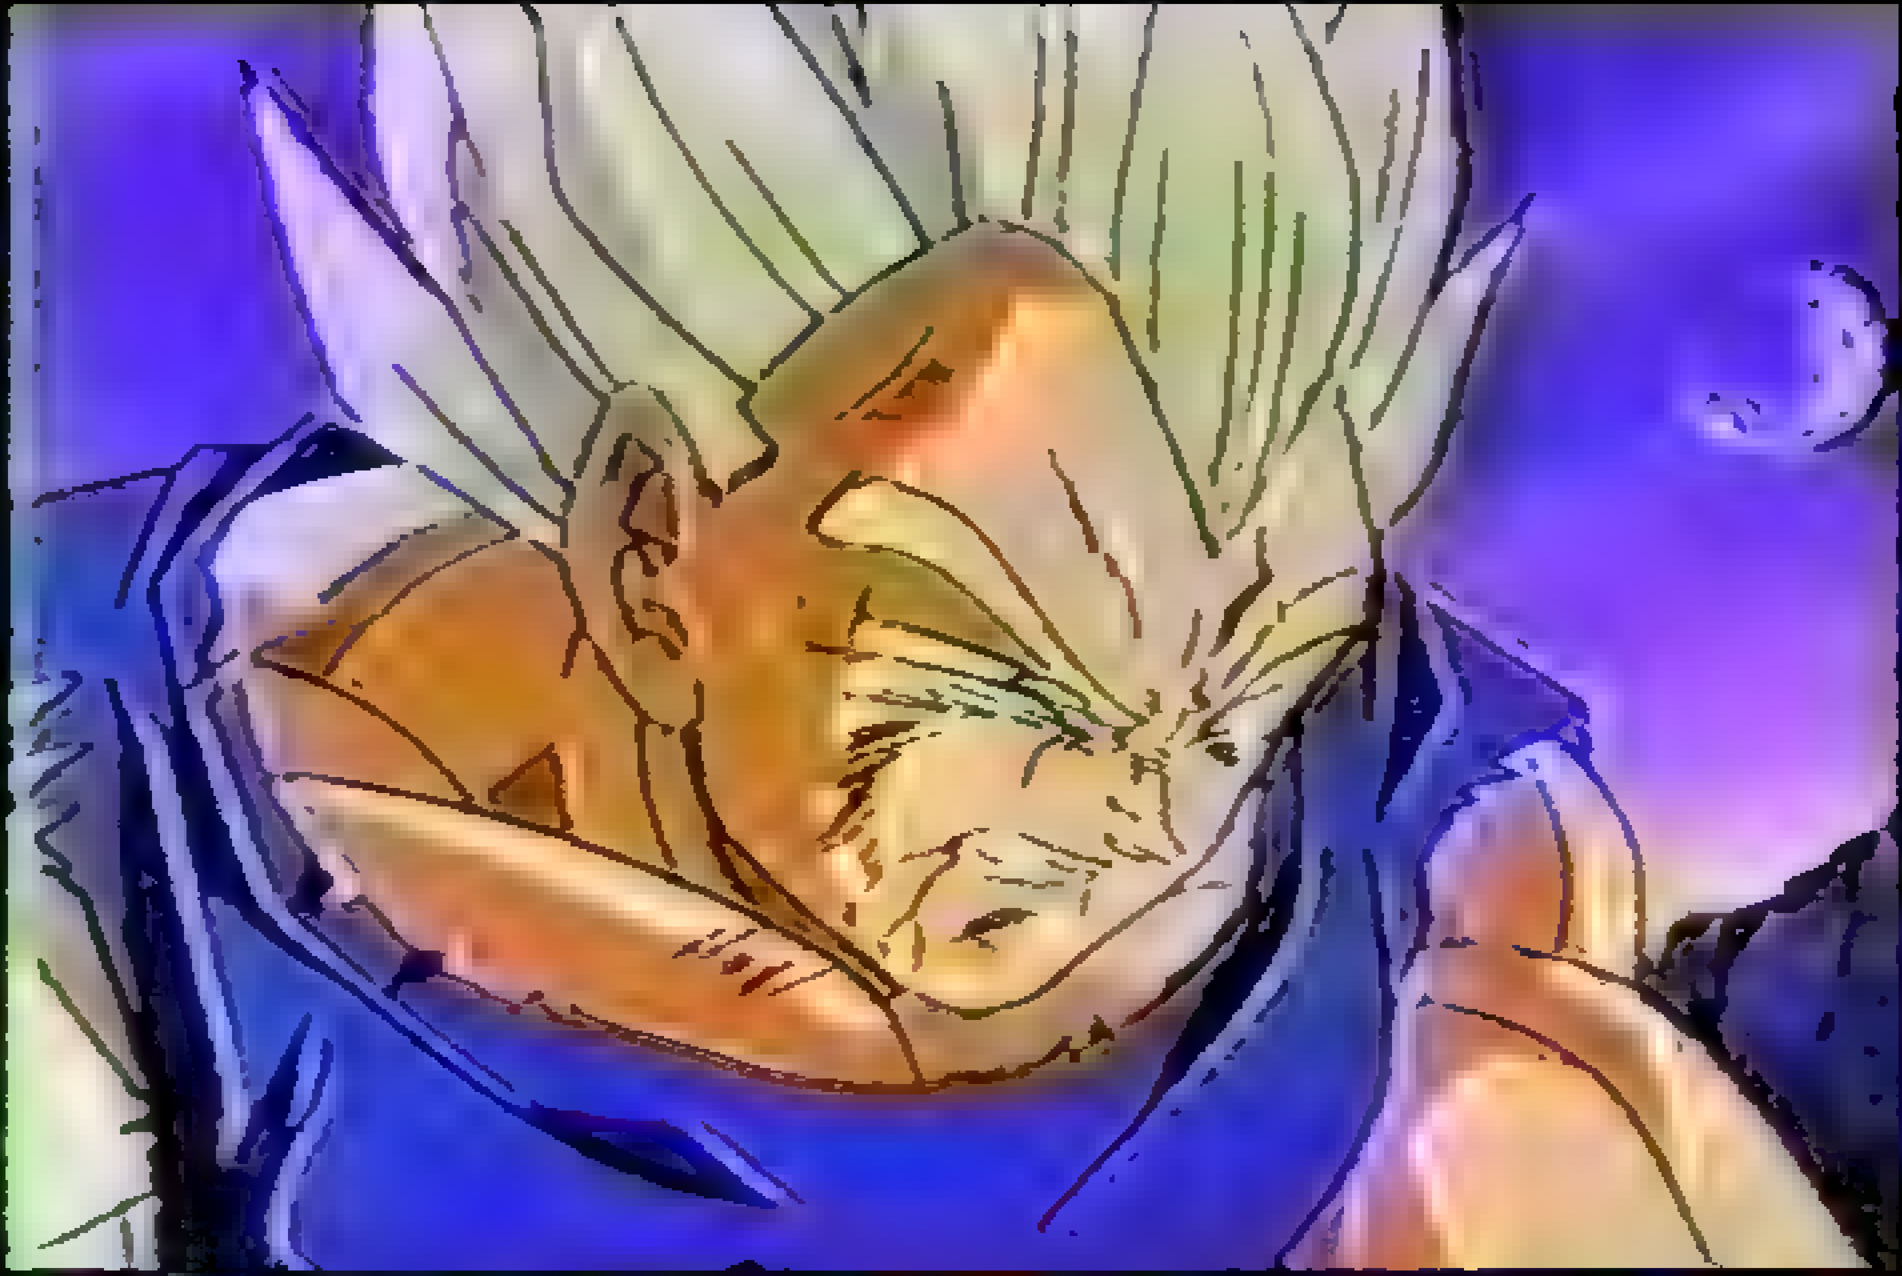

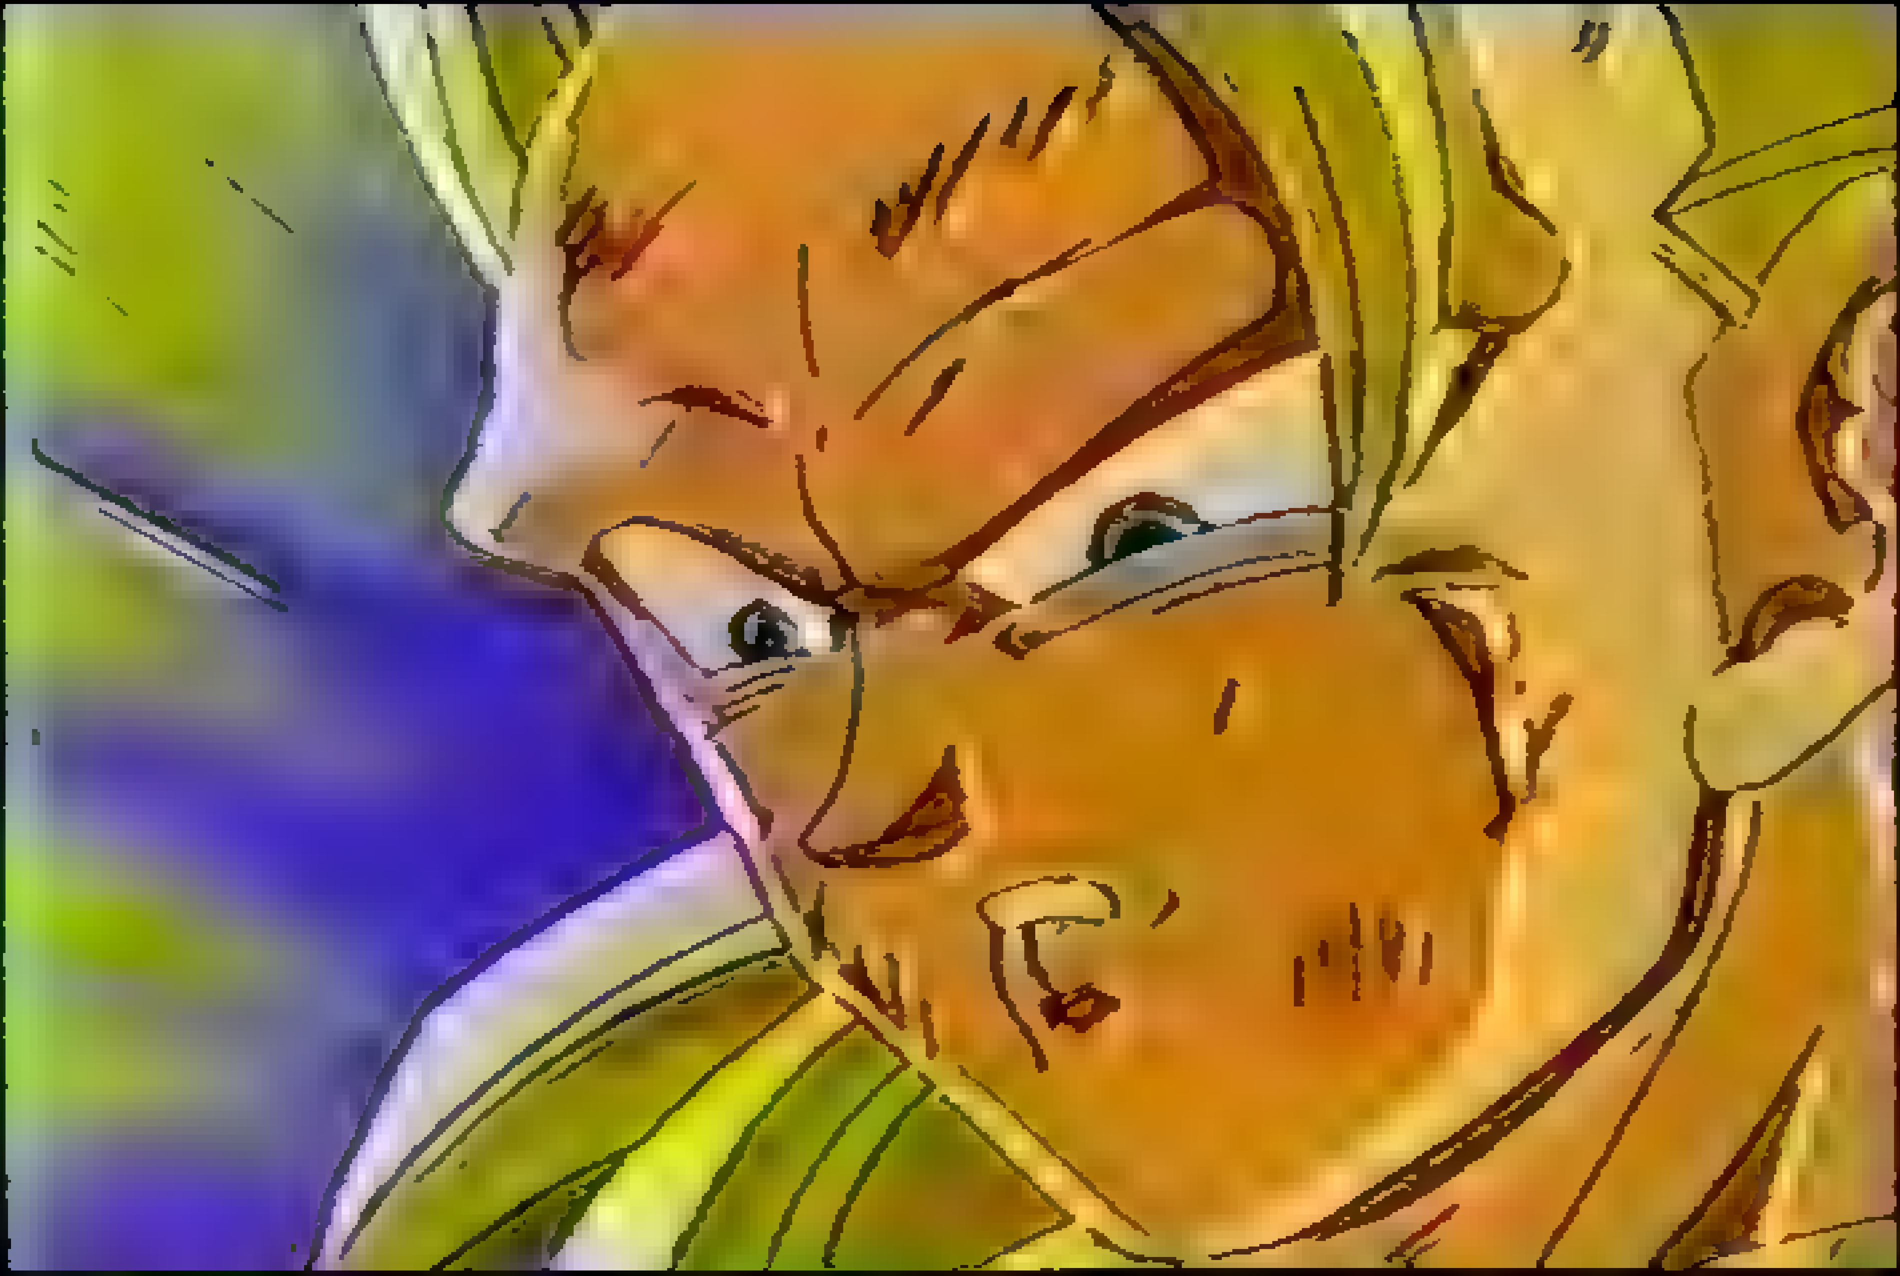

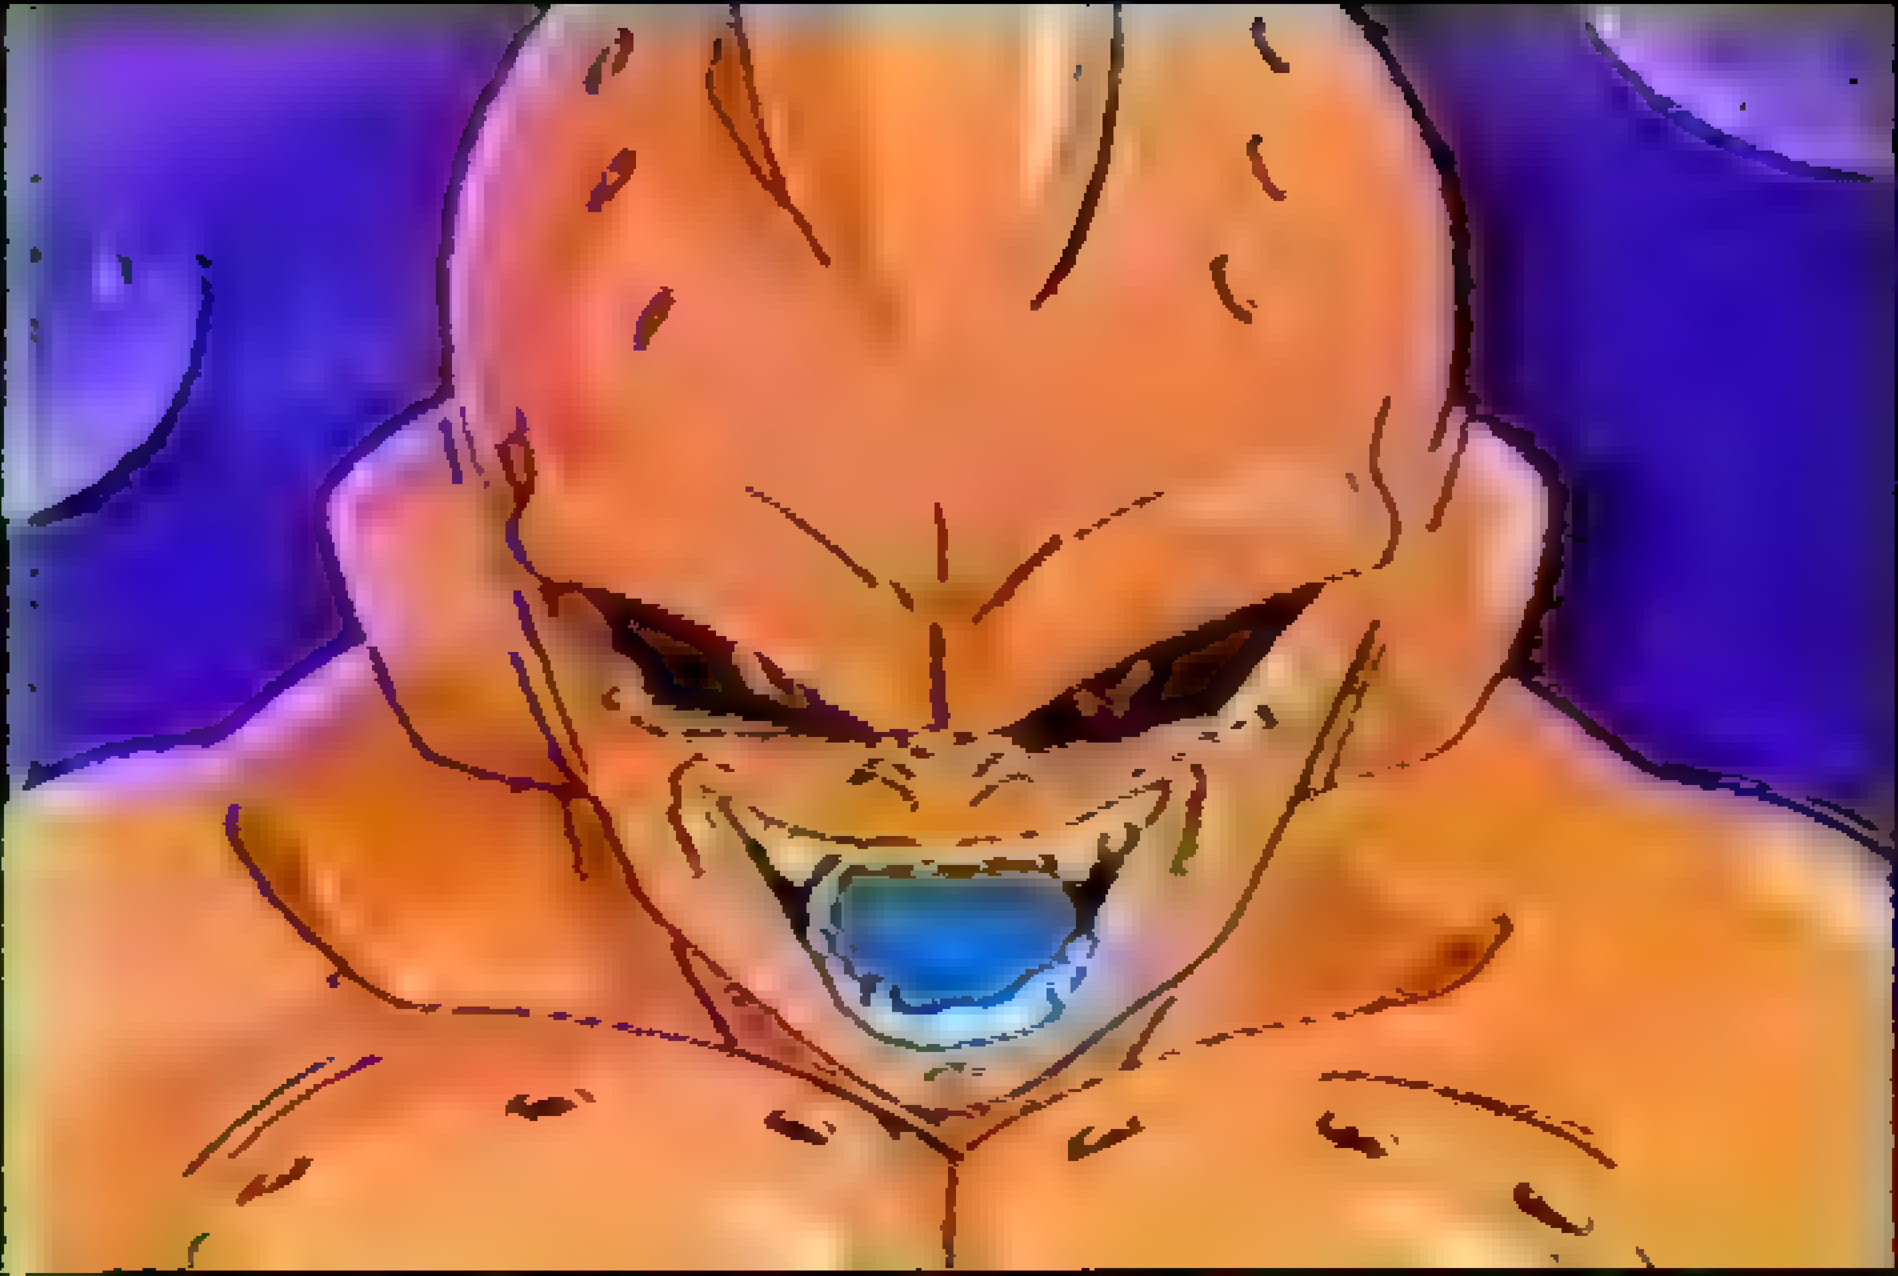

who do you think got me into this mess!?

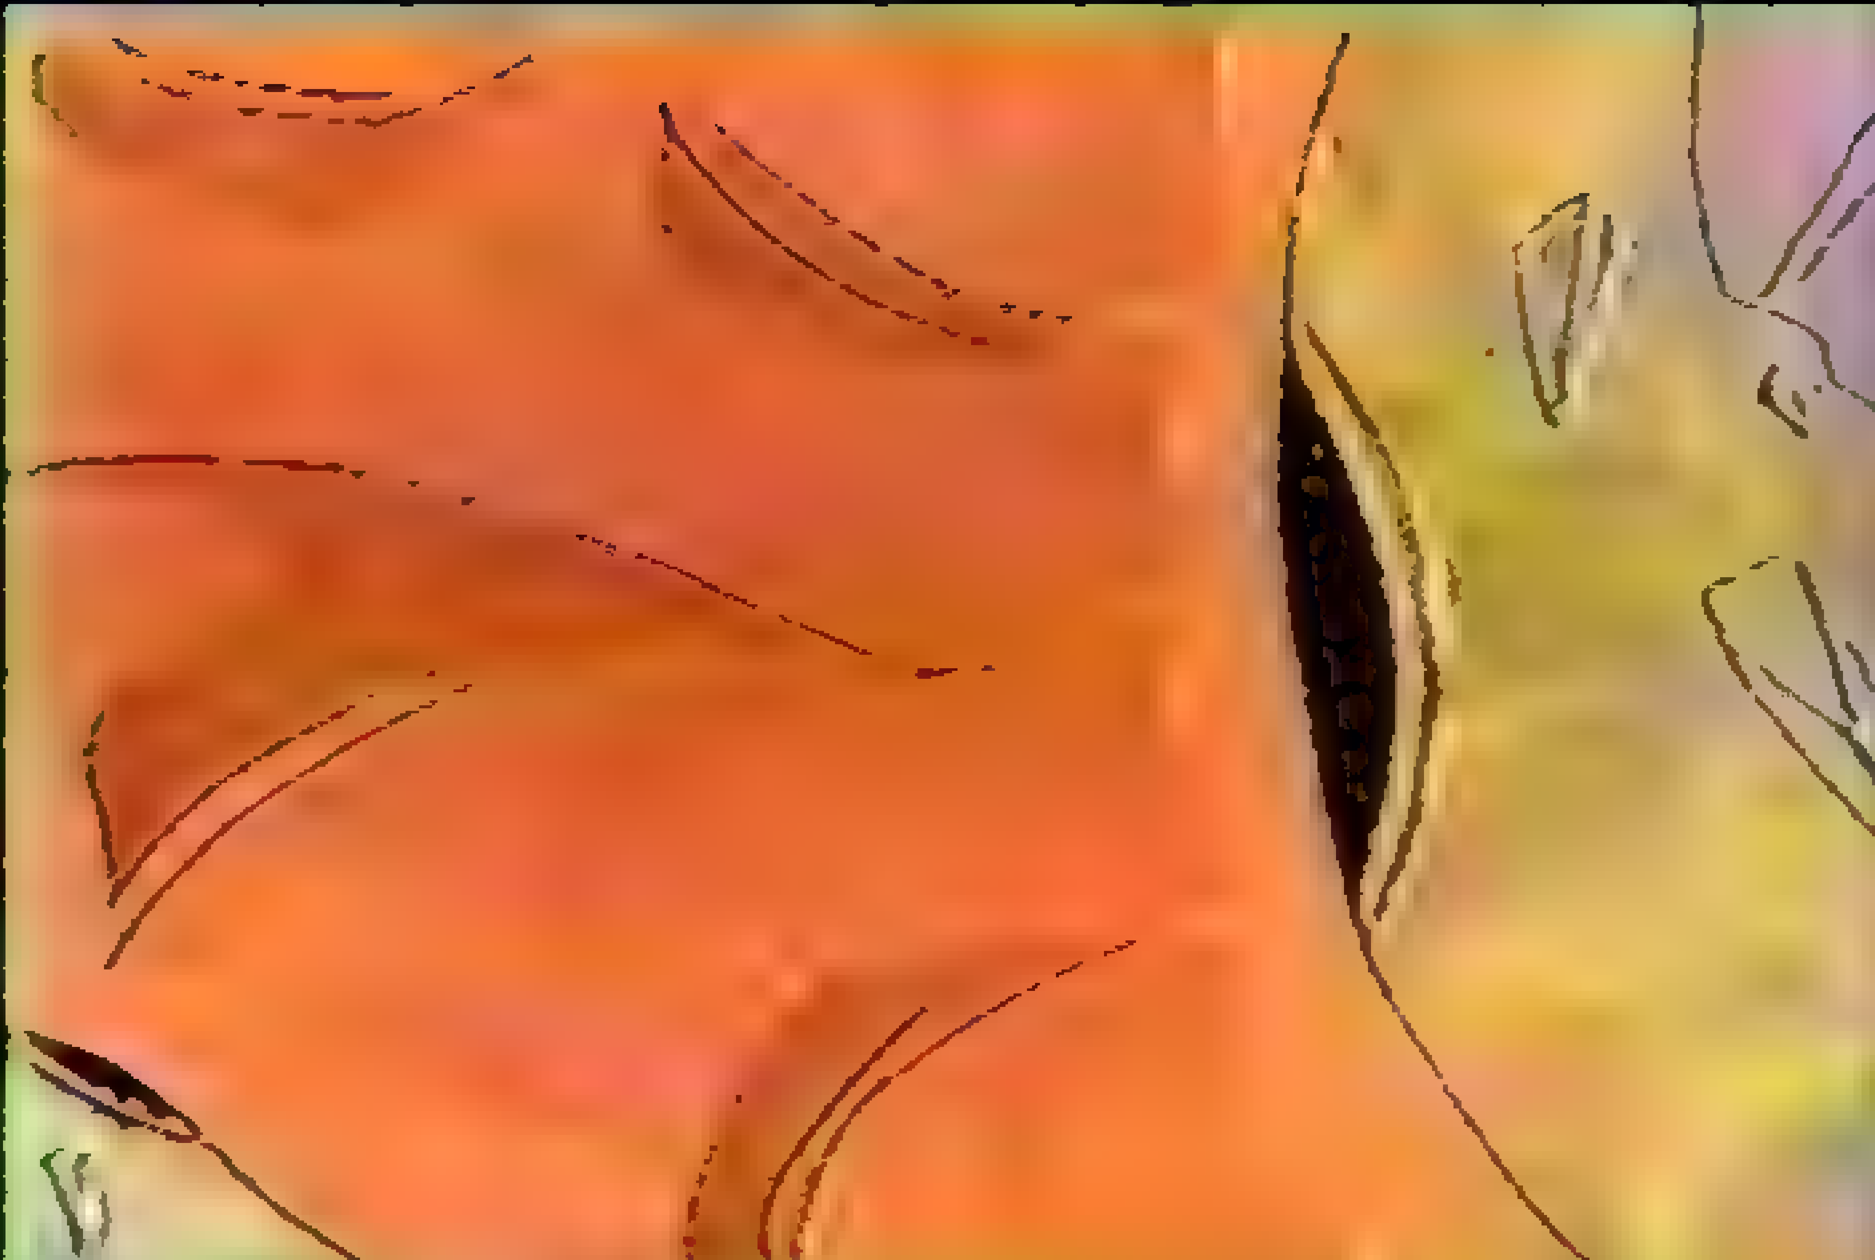

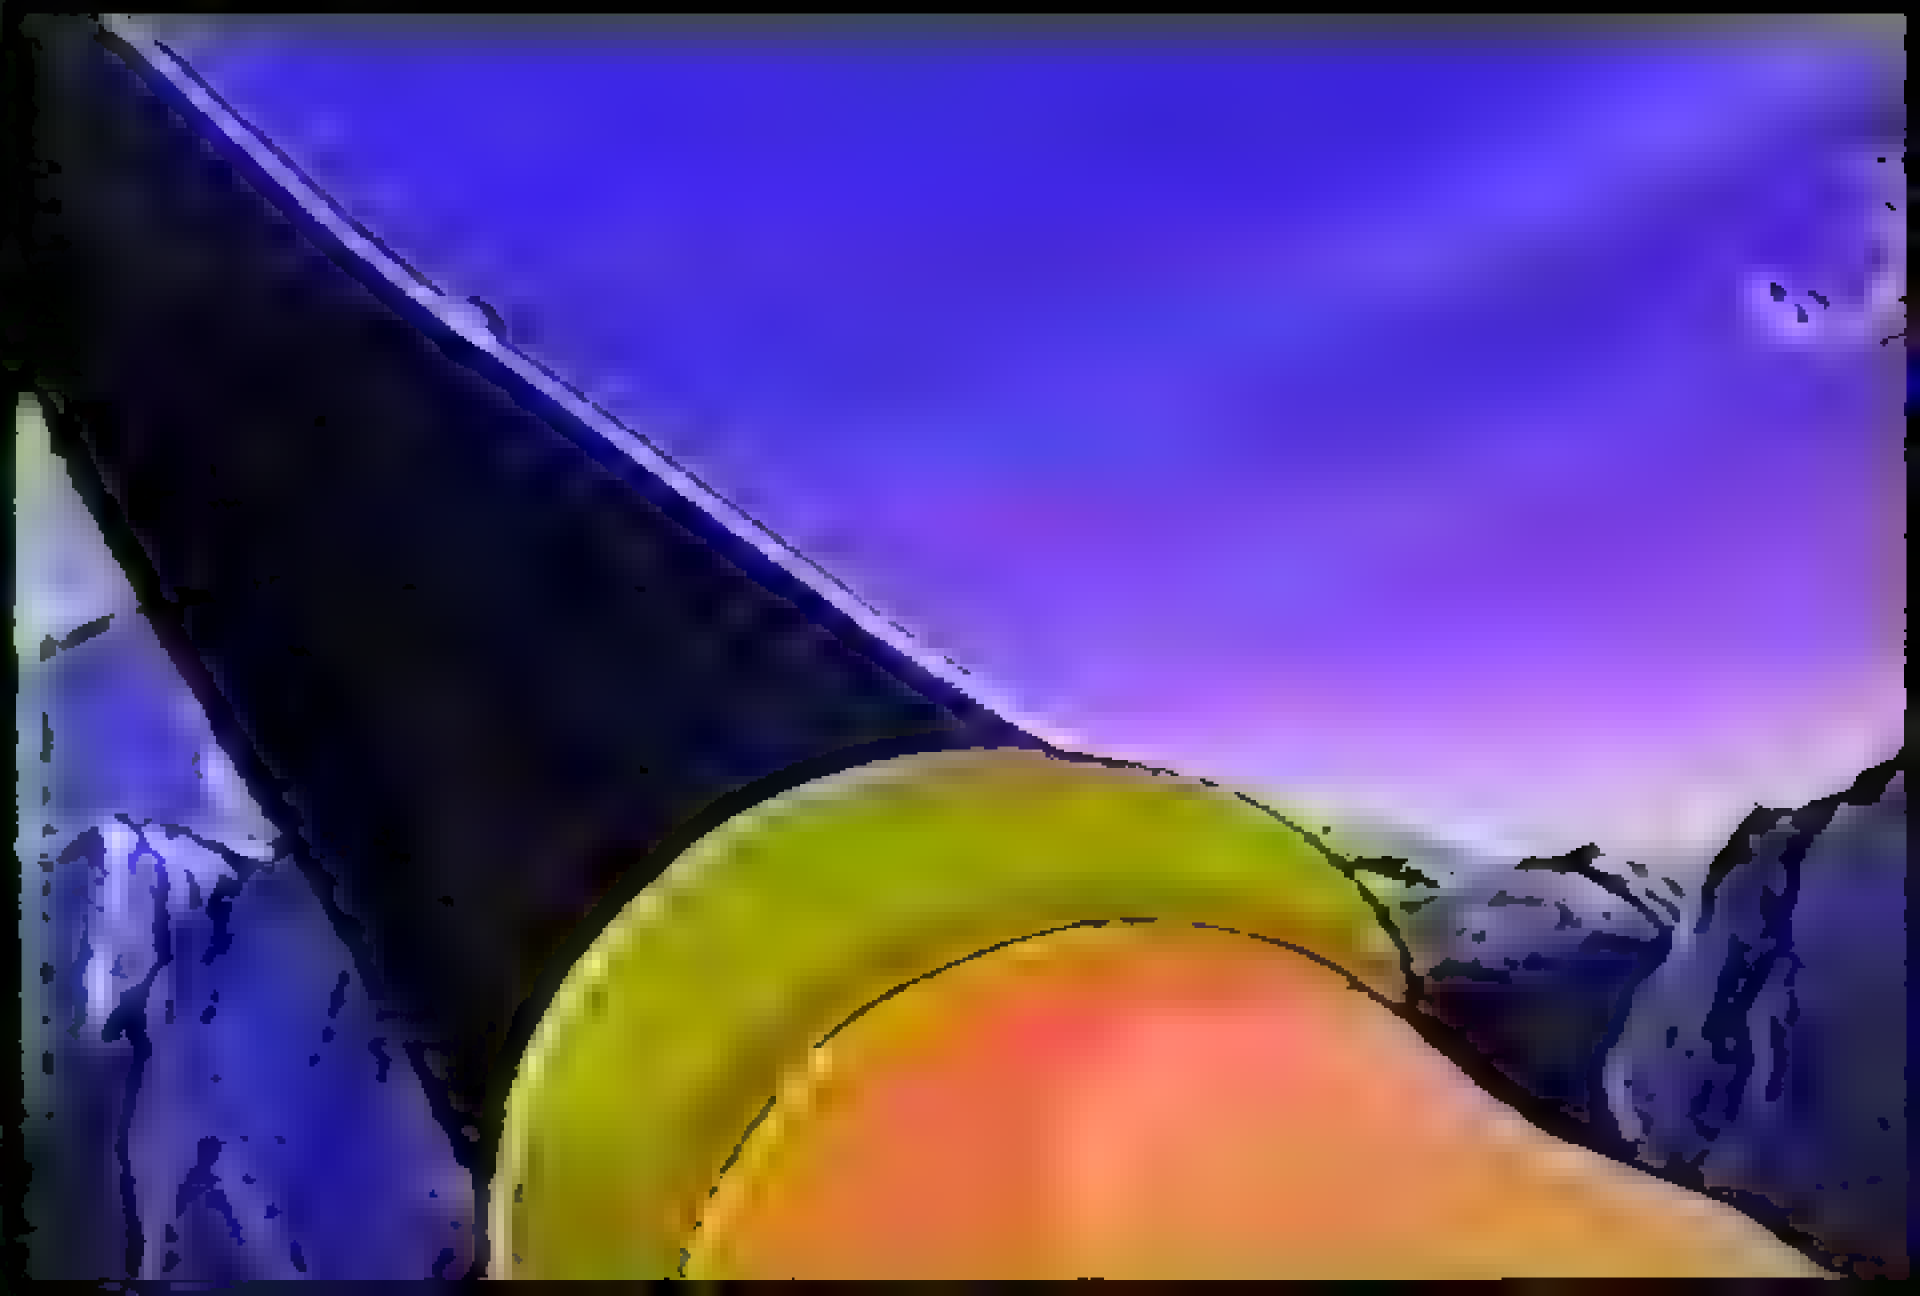

Hurry up and gather your damned strength!

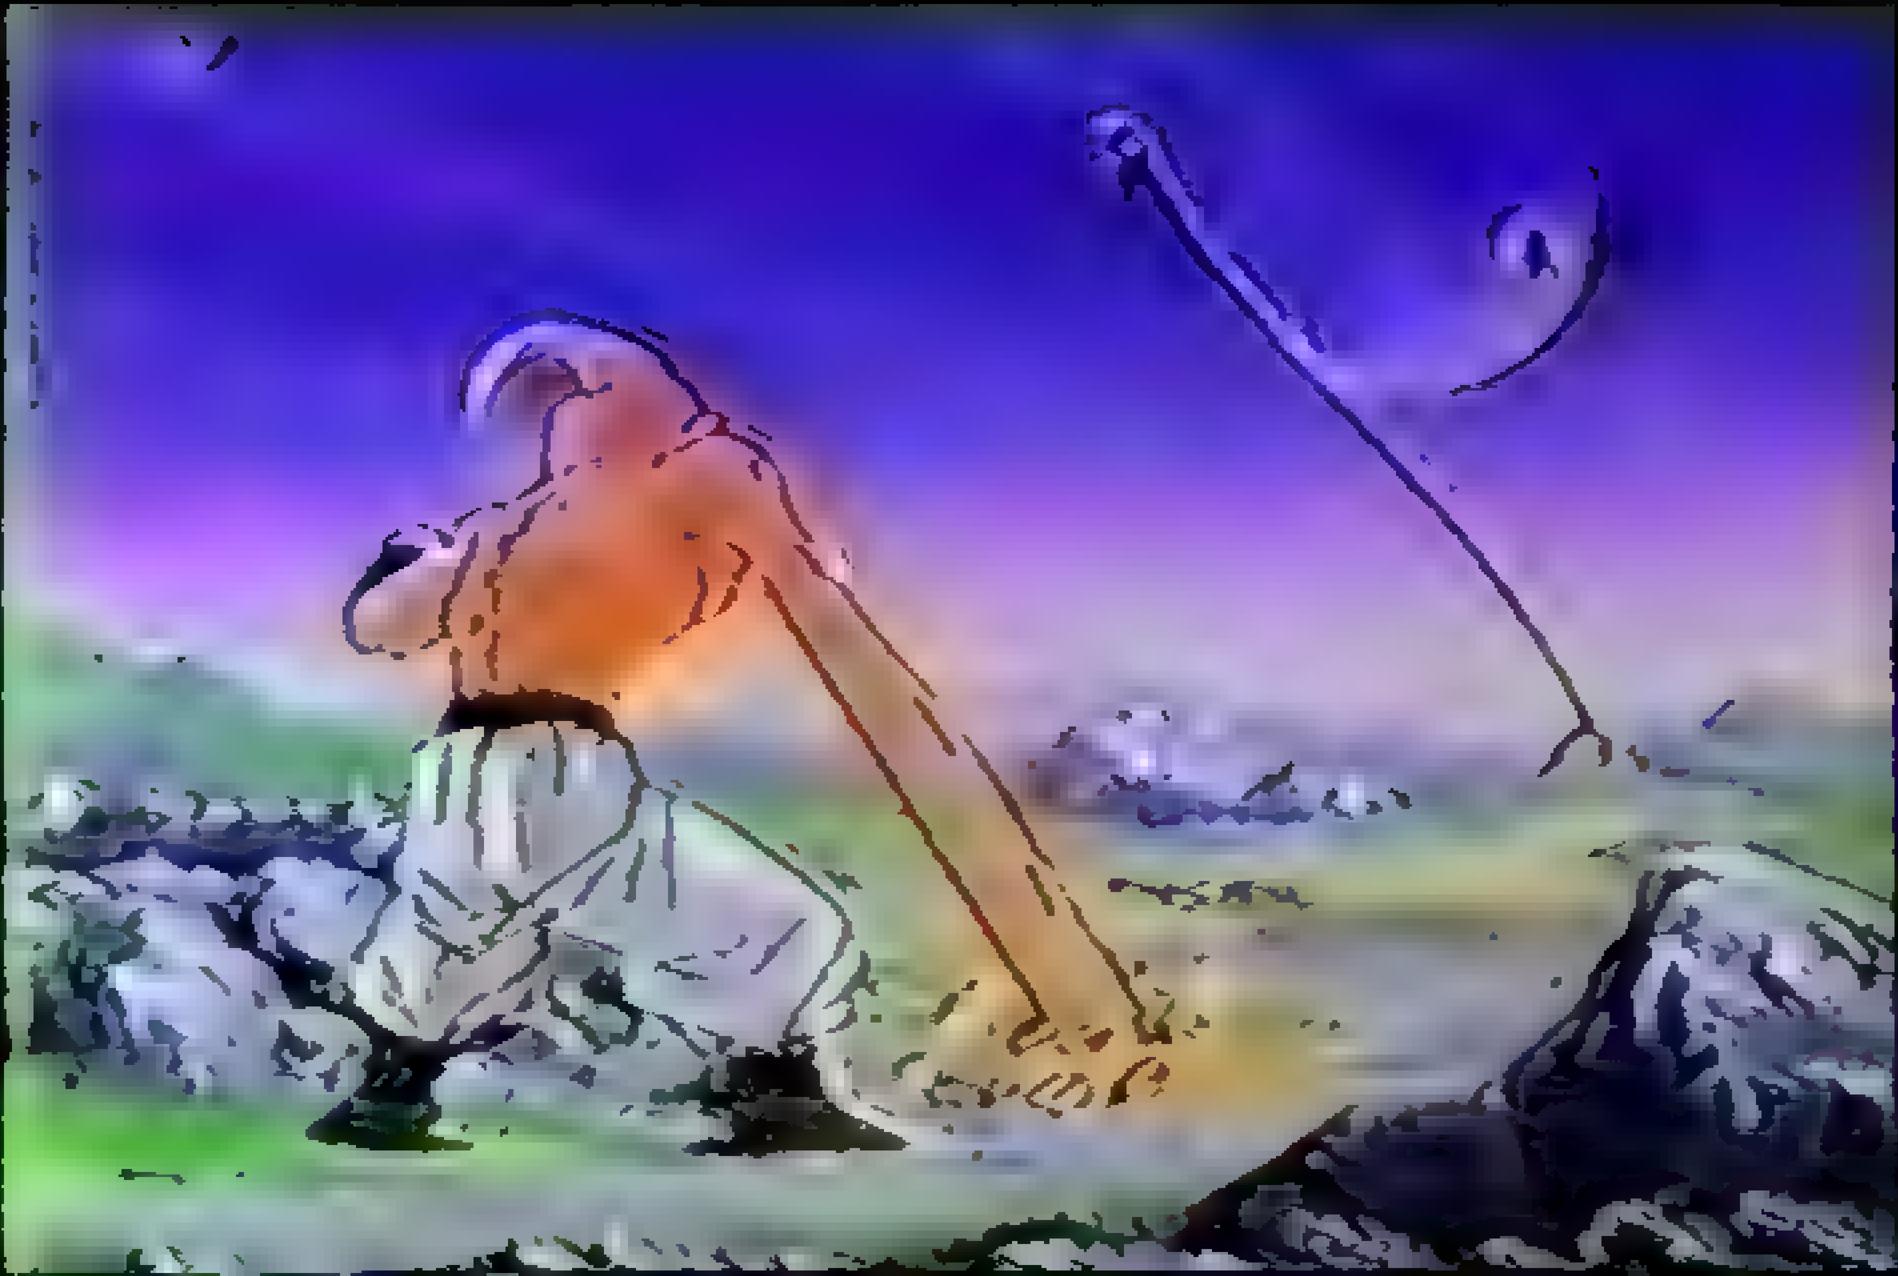

Hurry up and gather your damned strength!

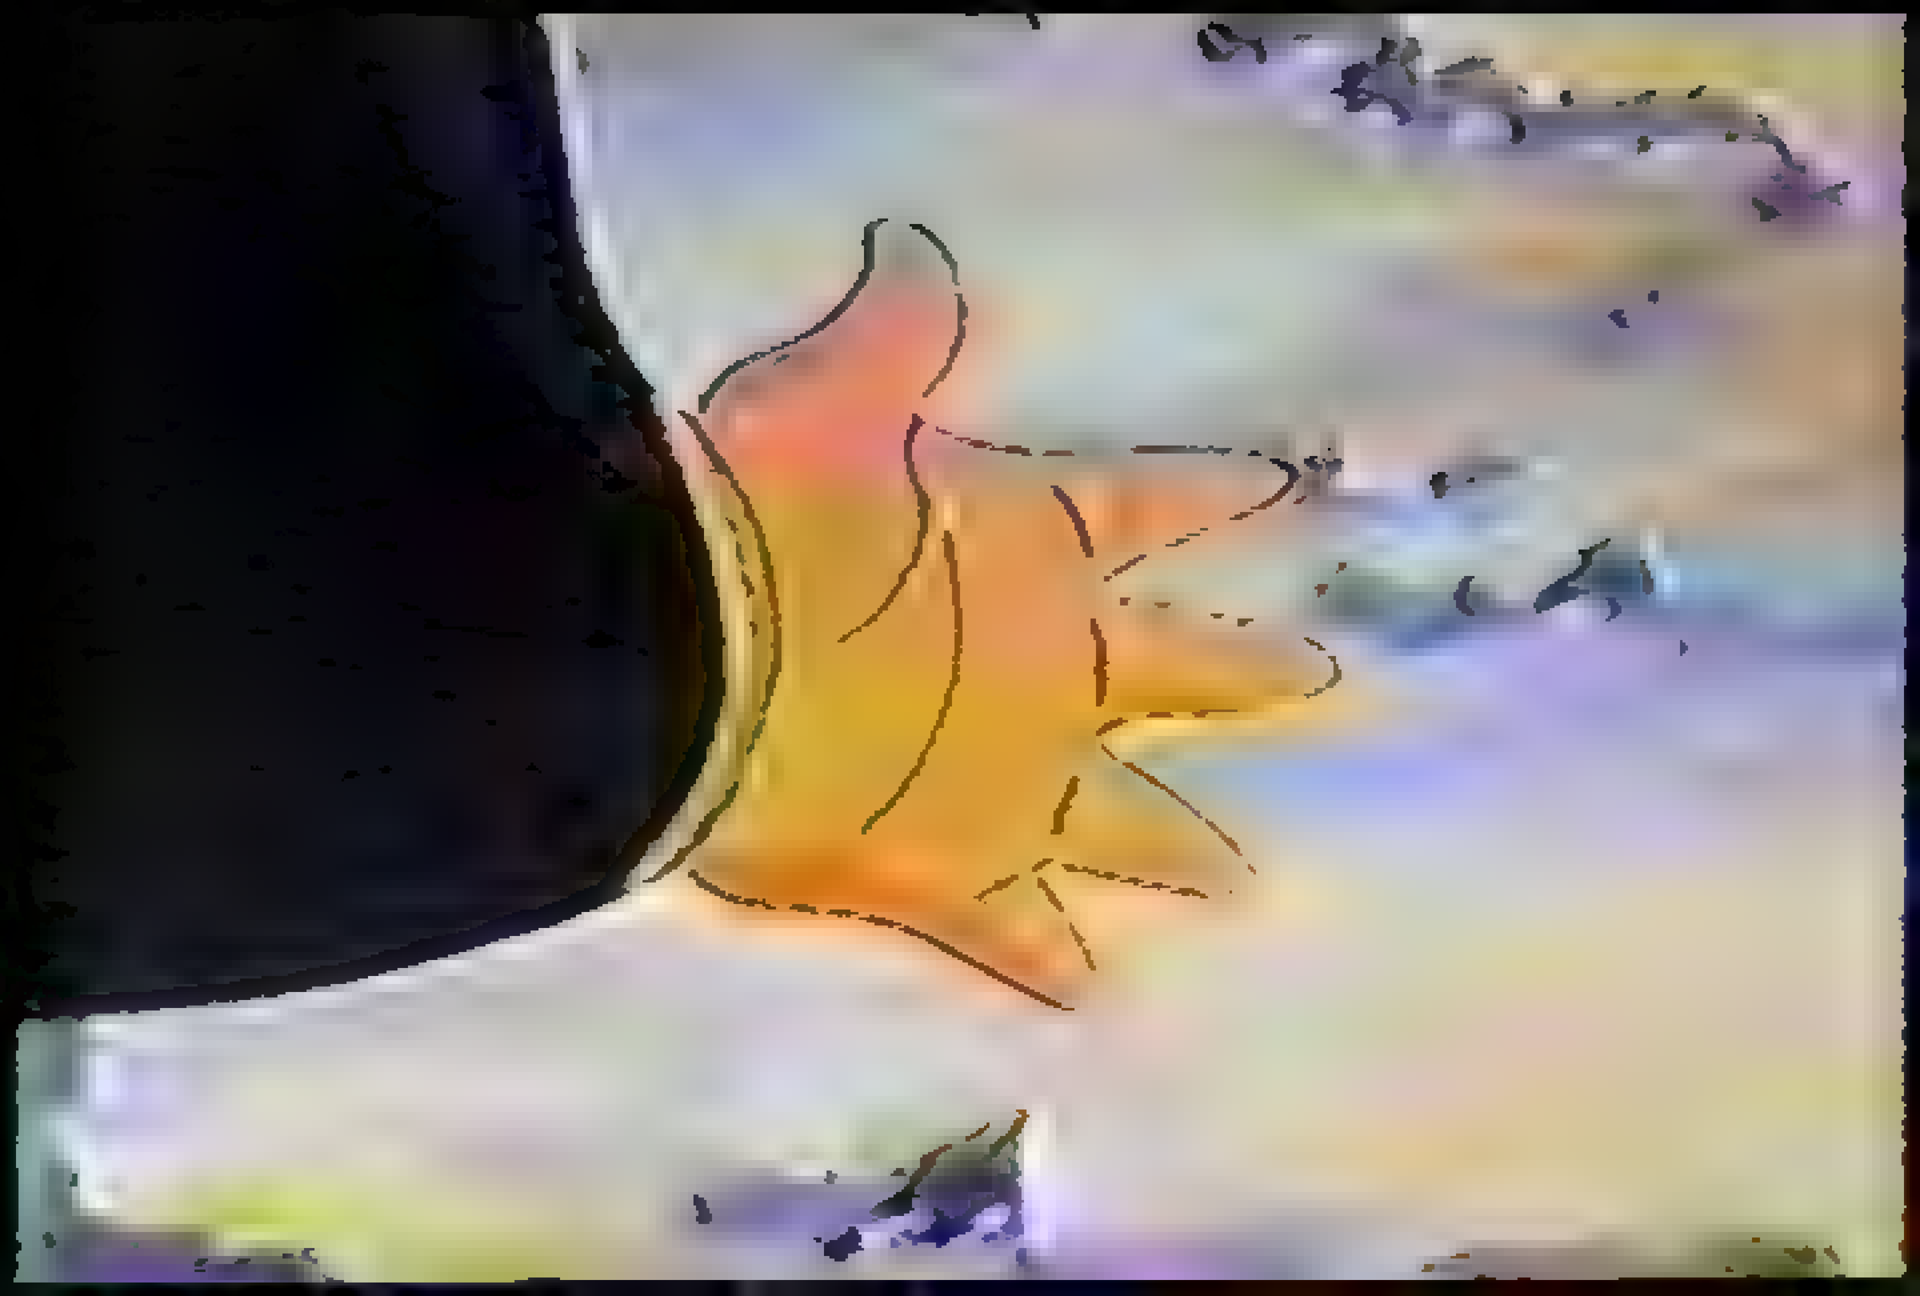

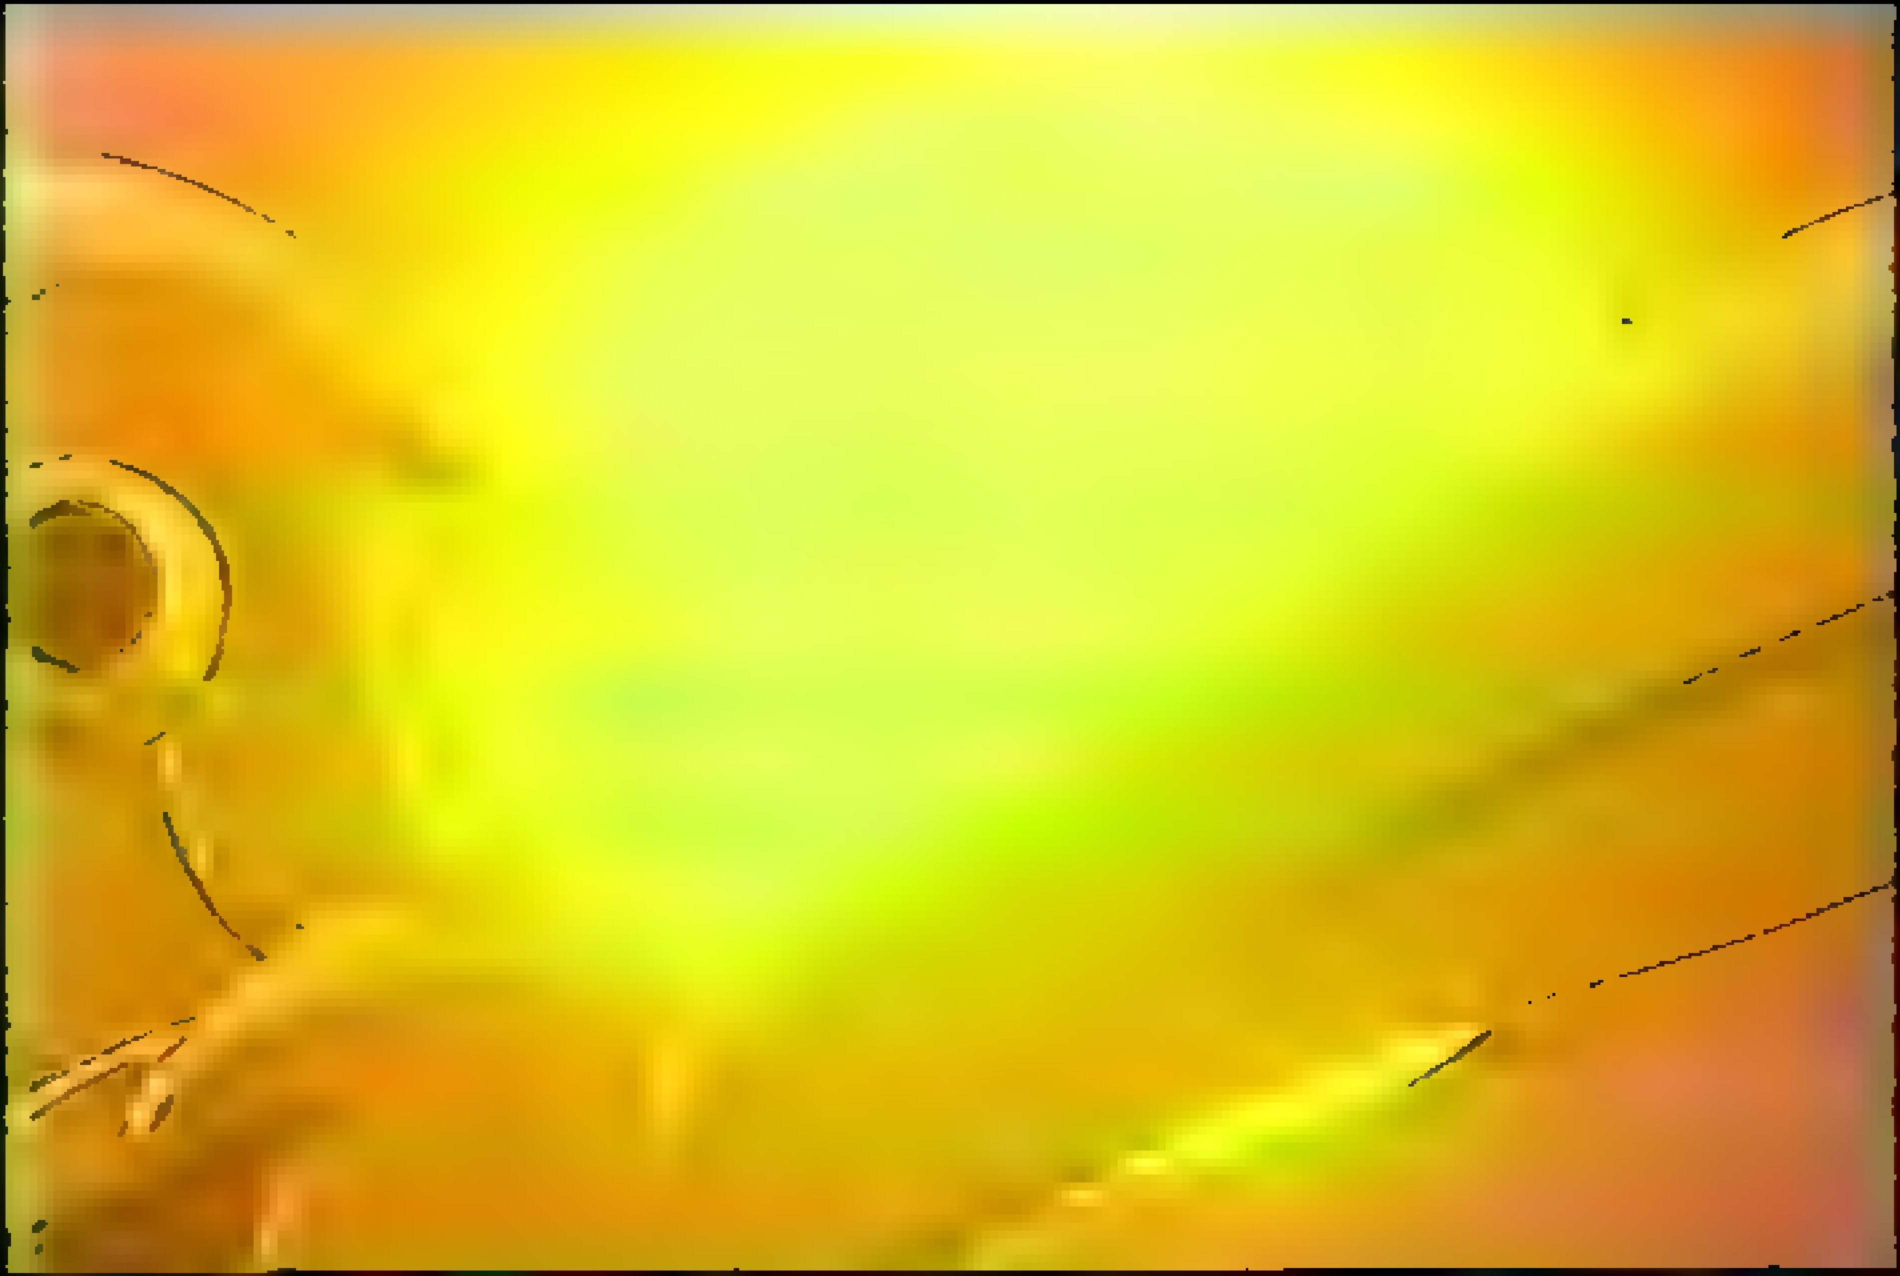

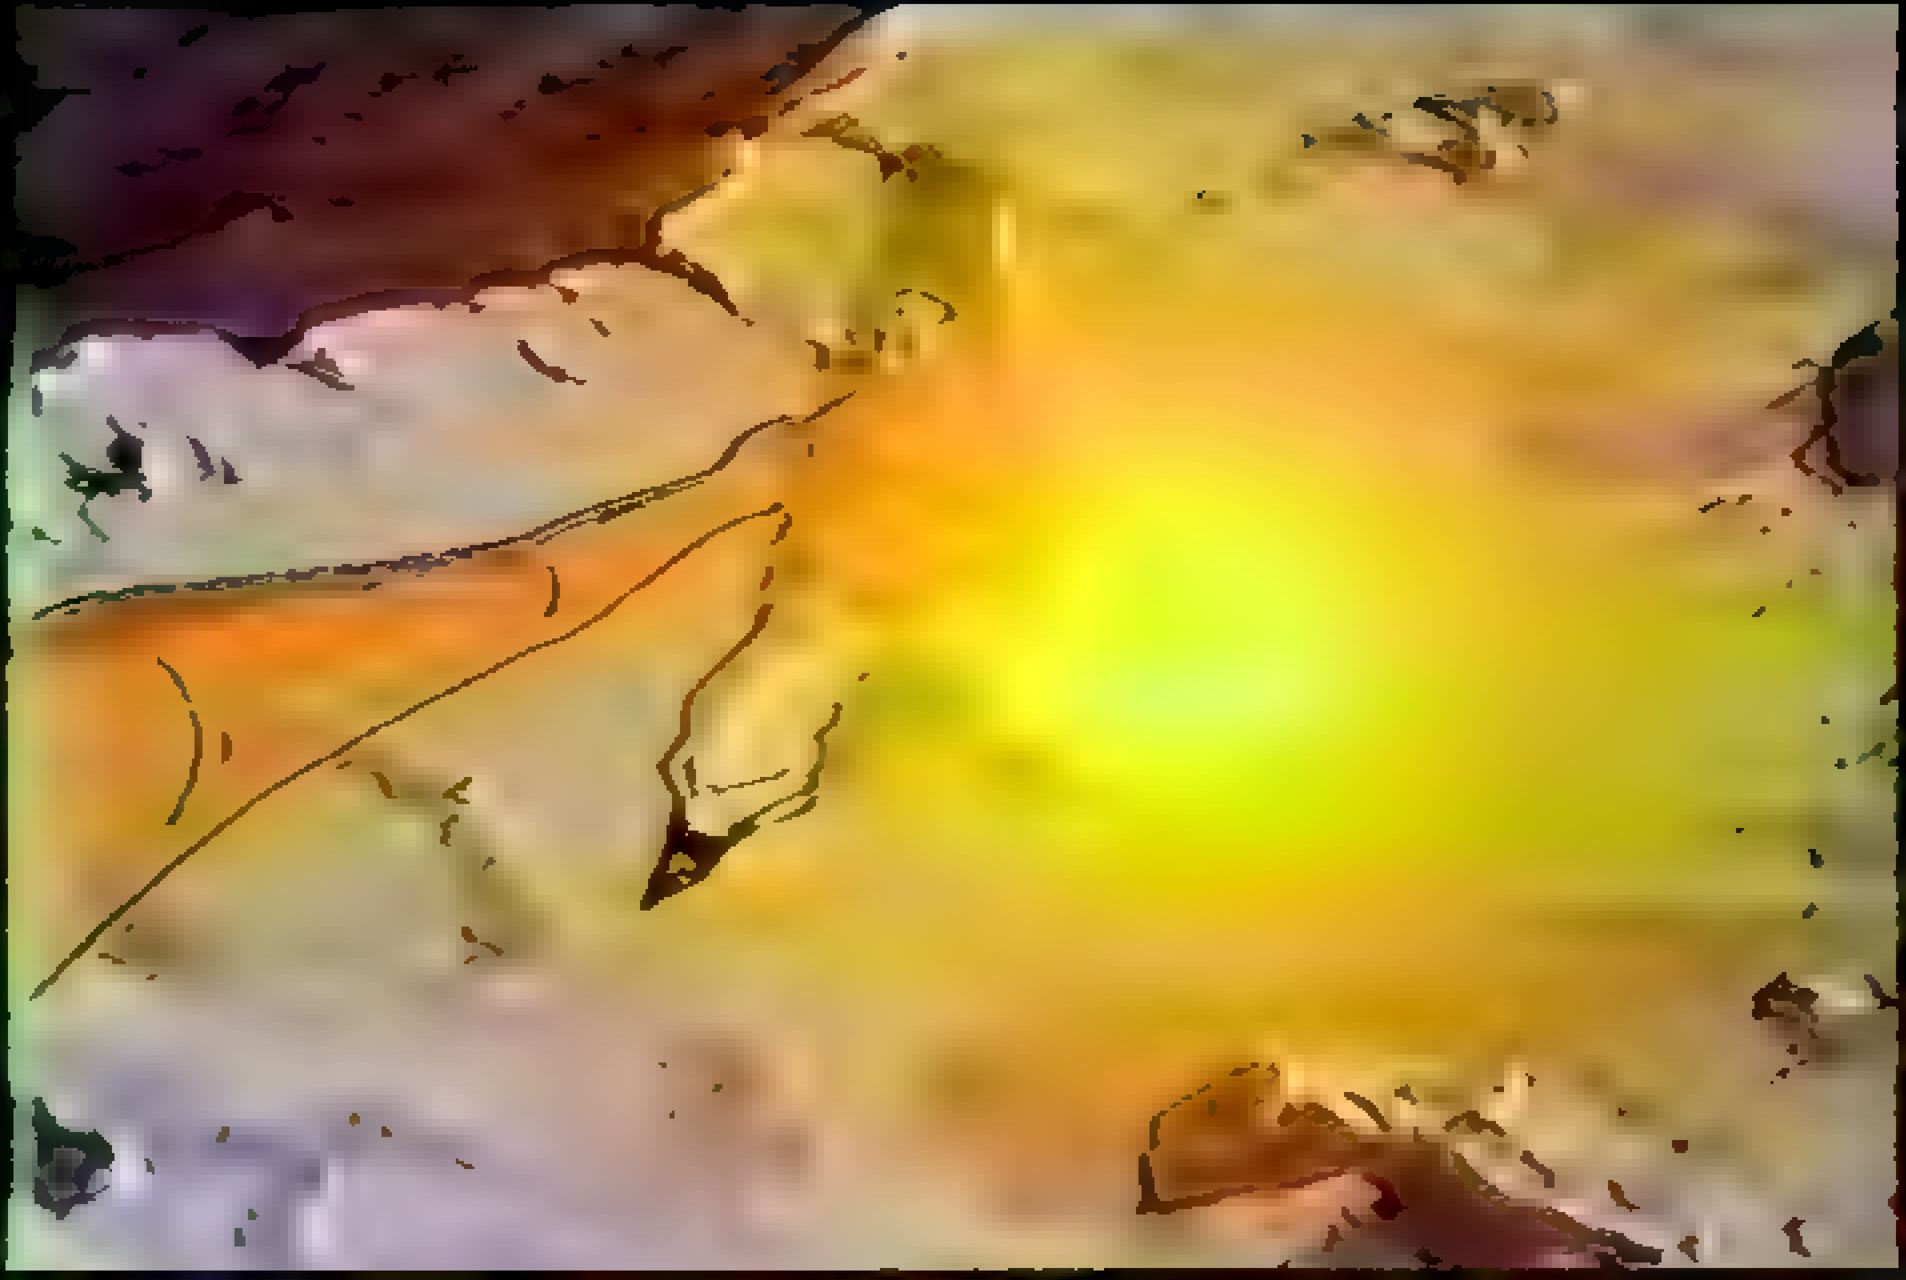

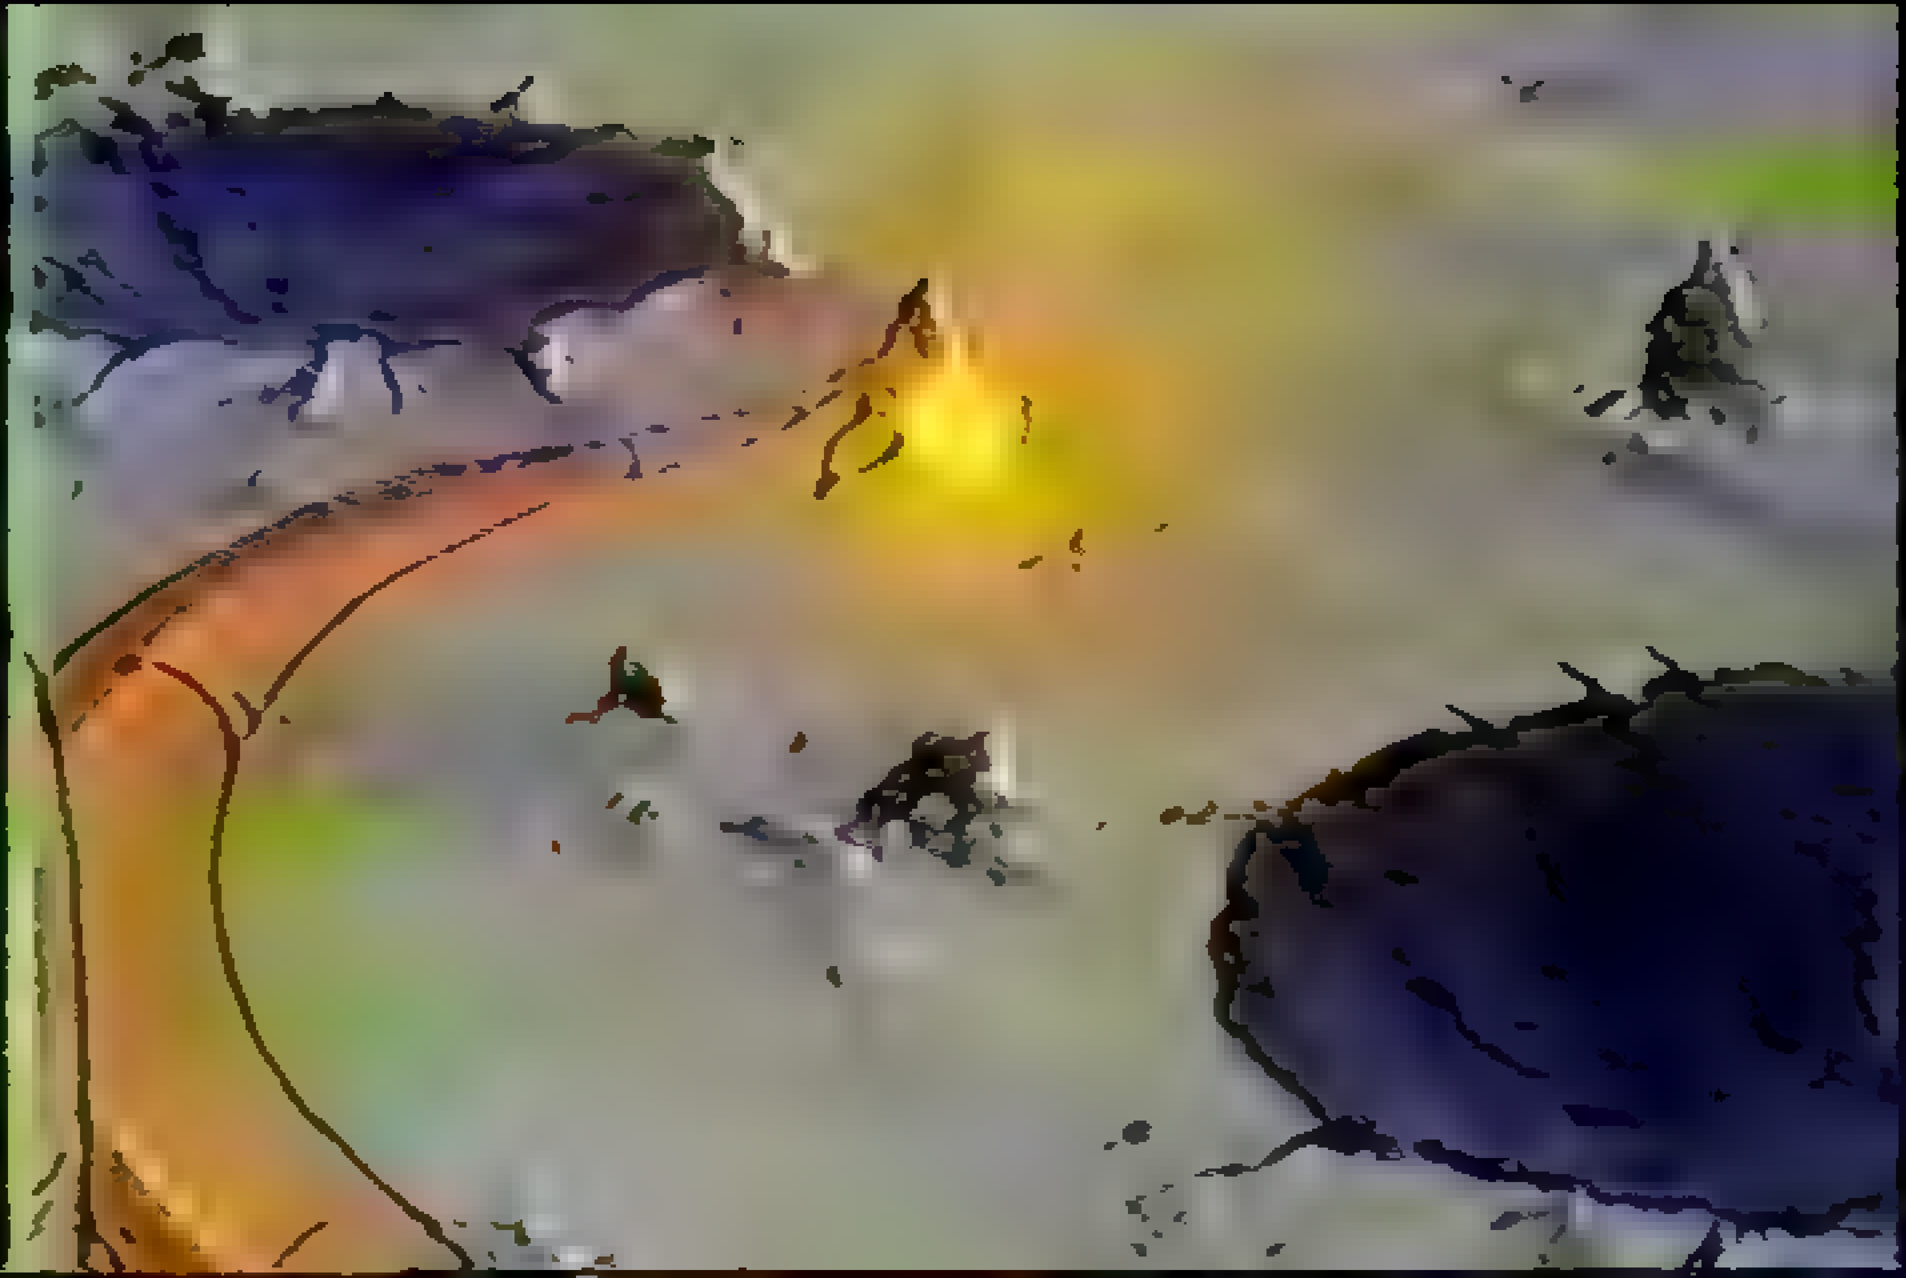

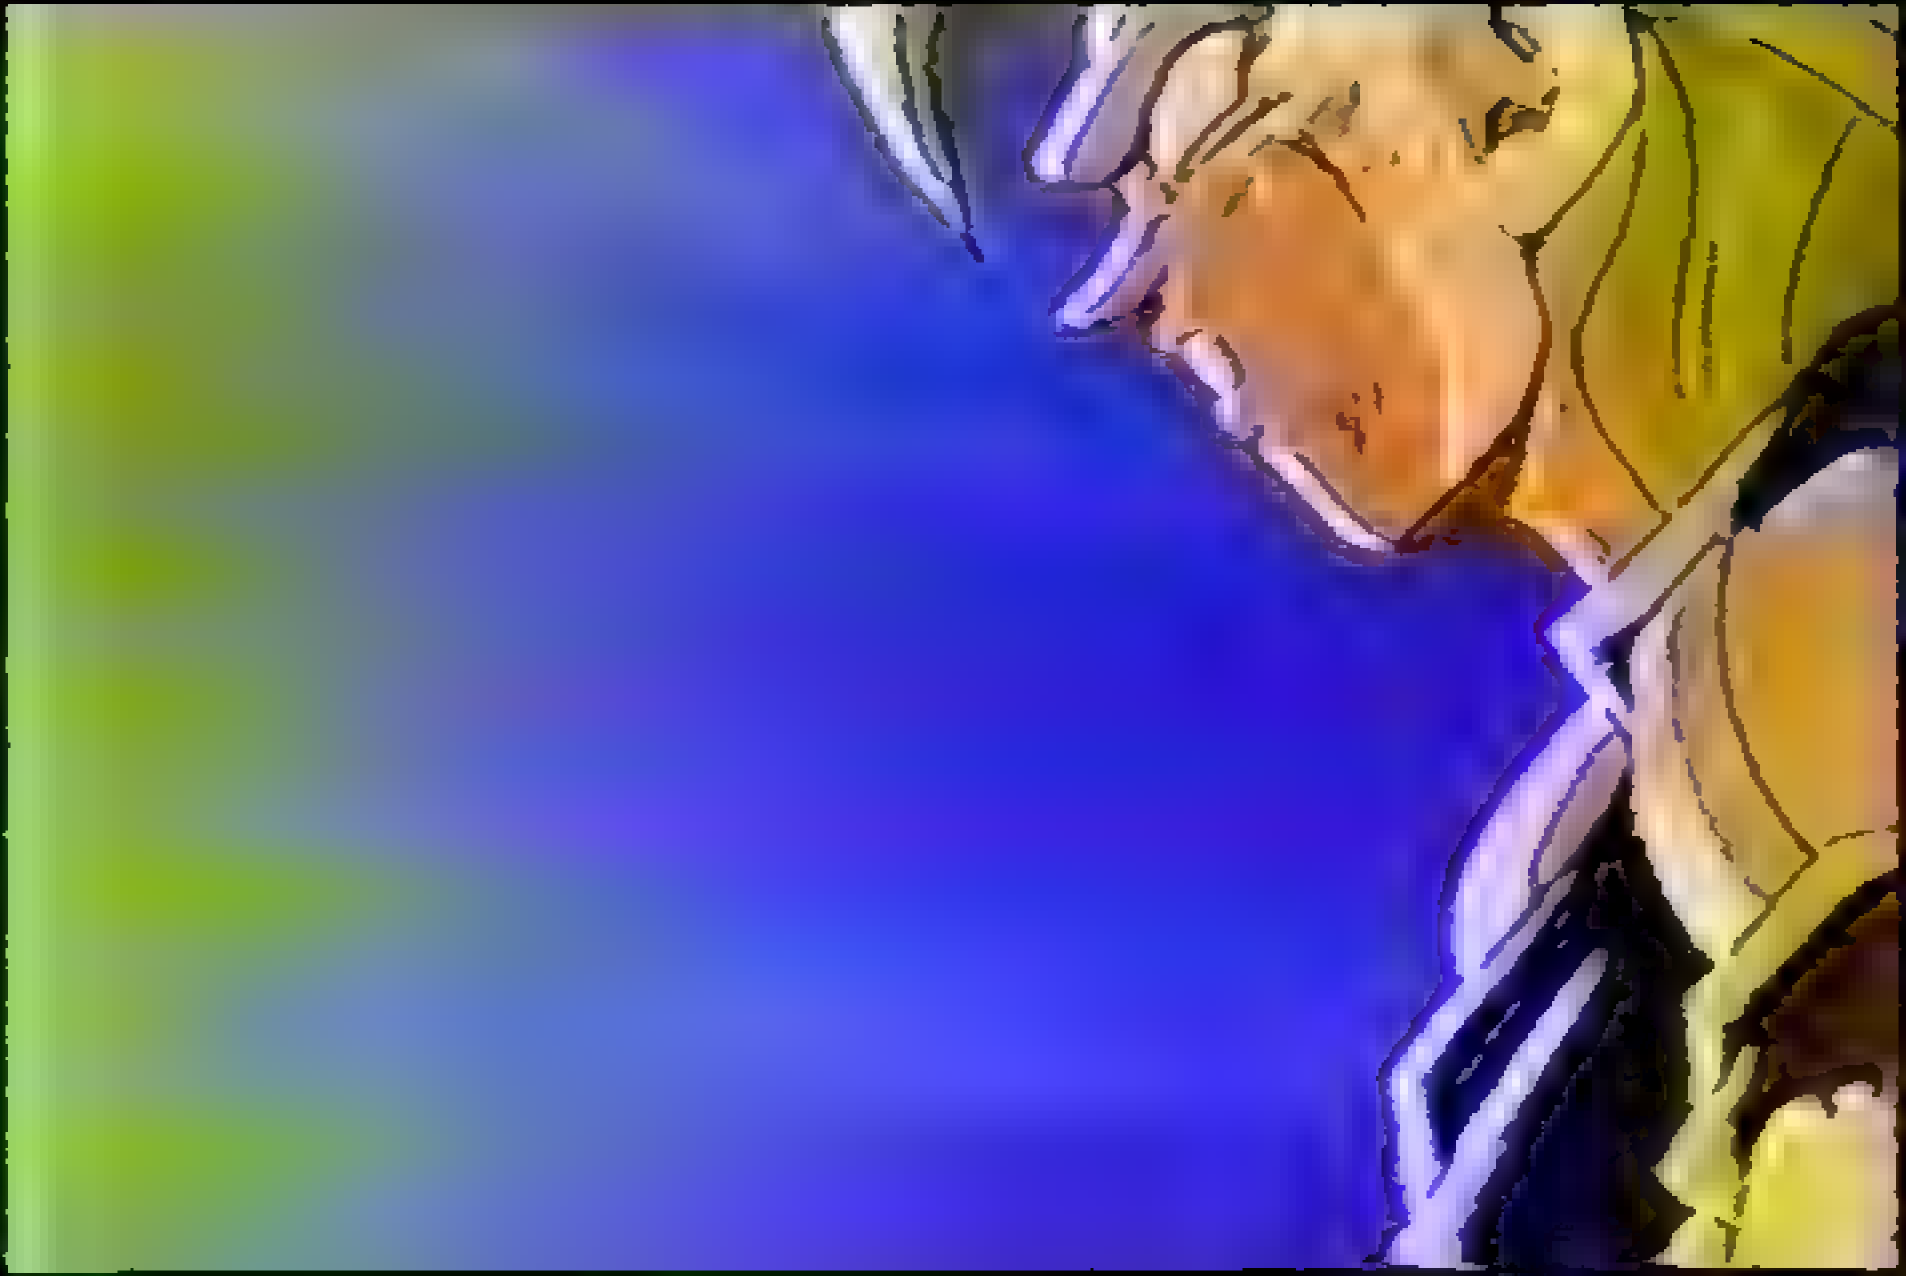

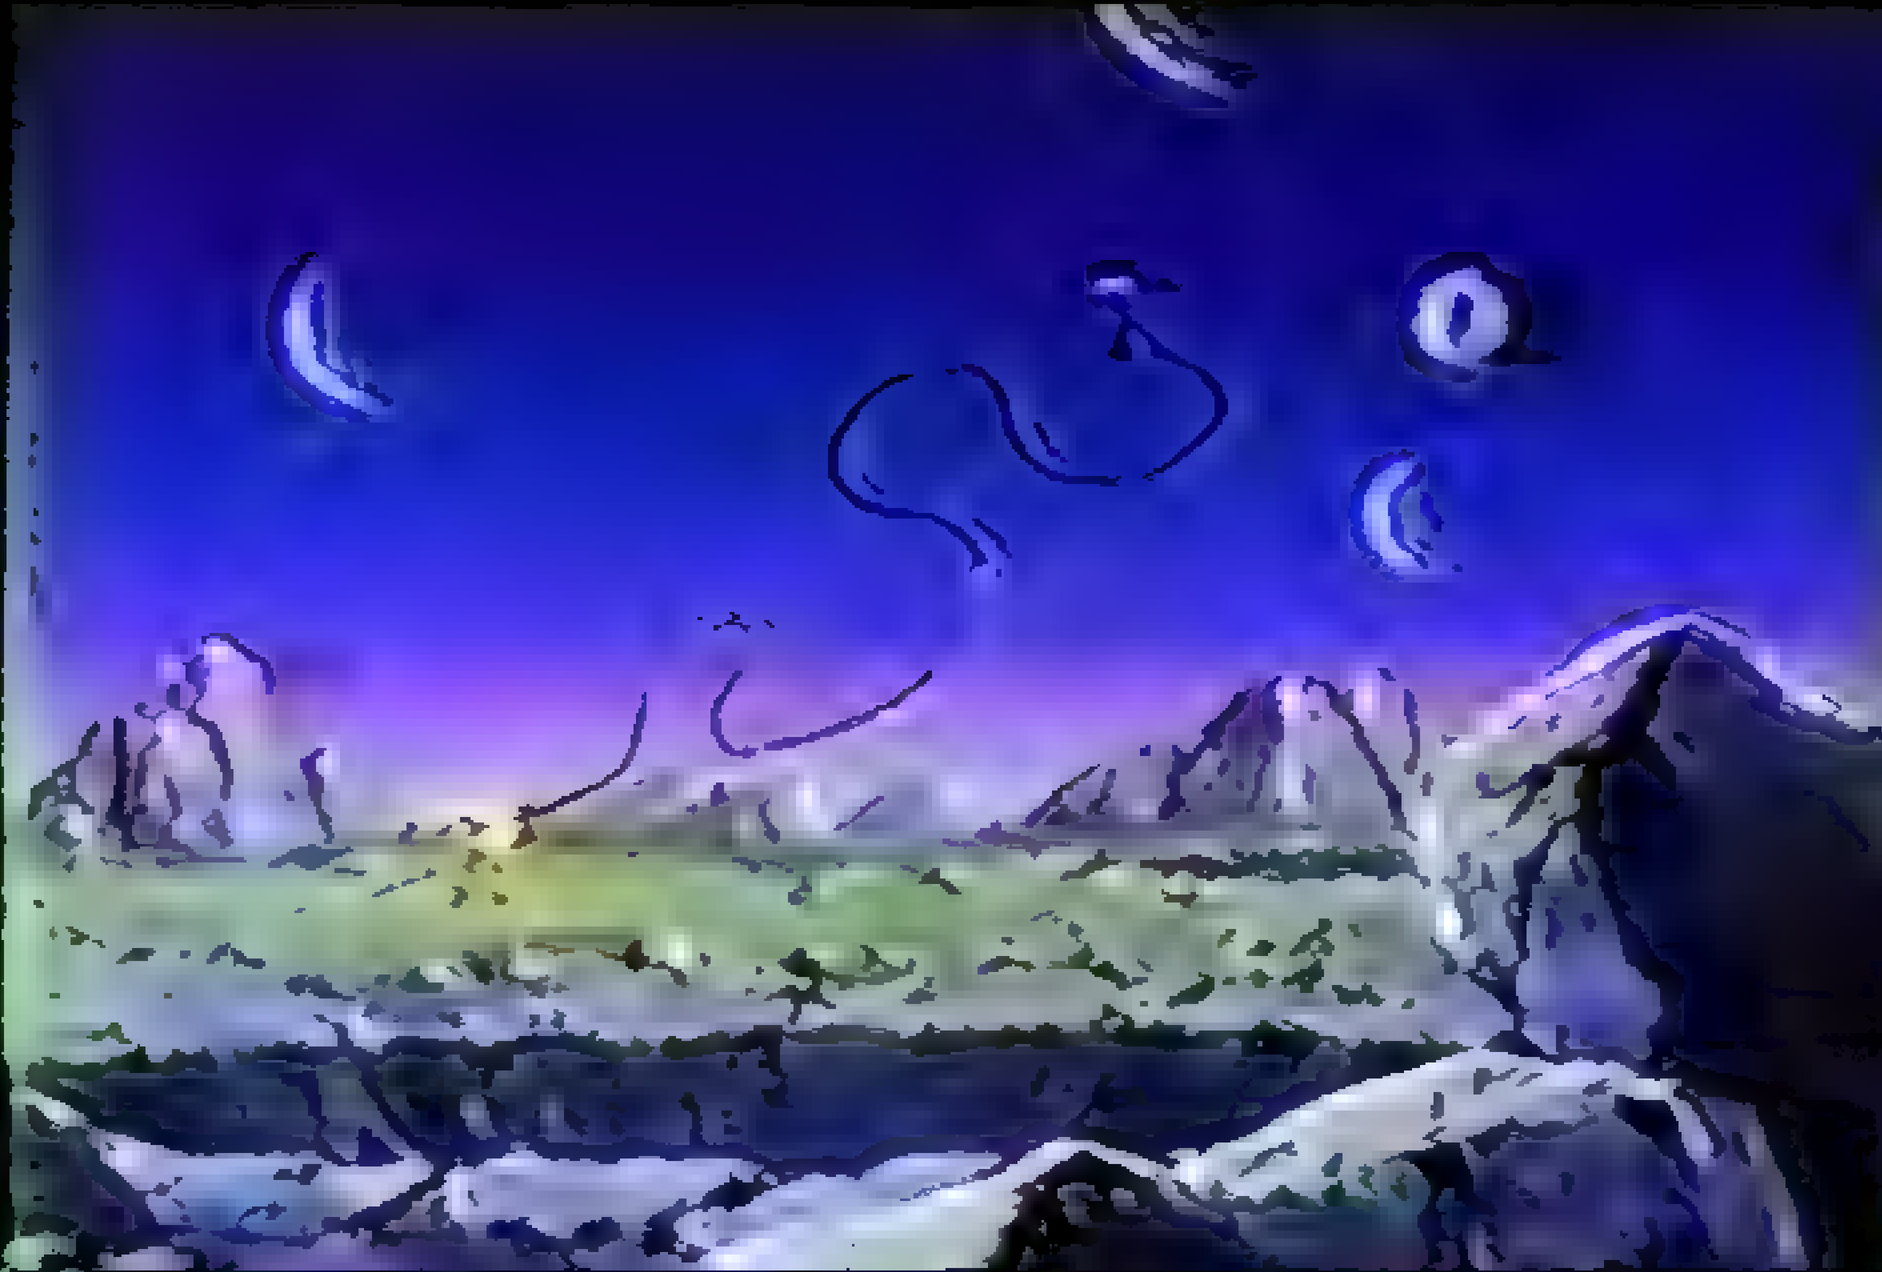

Not even Vegeta can take that blast and live!

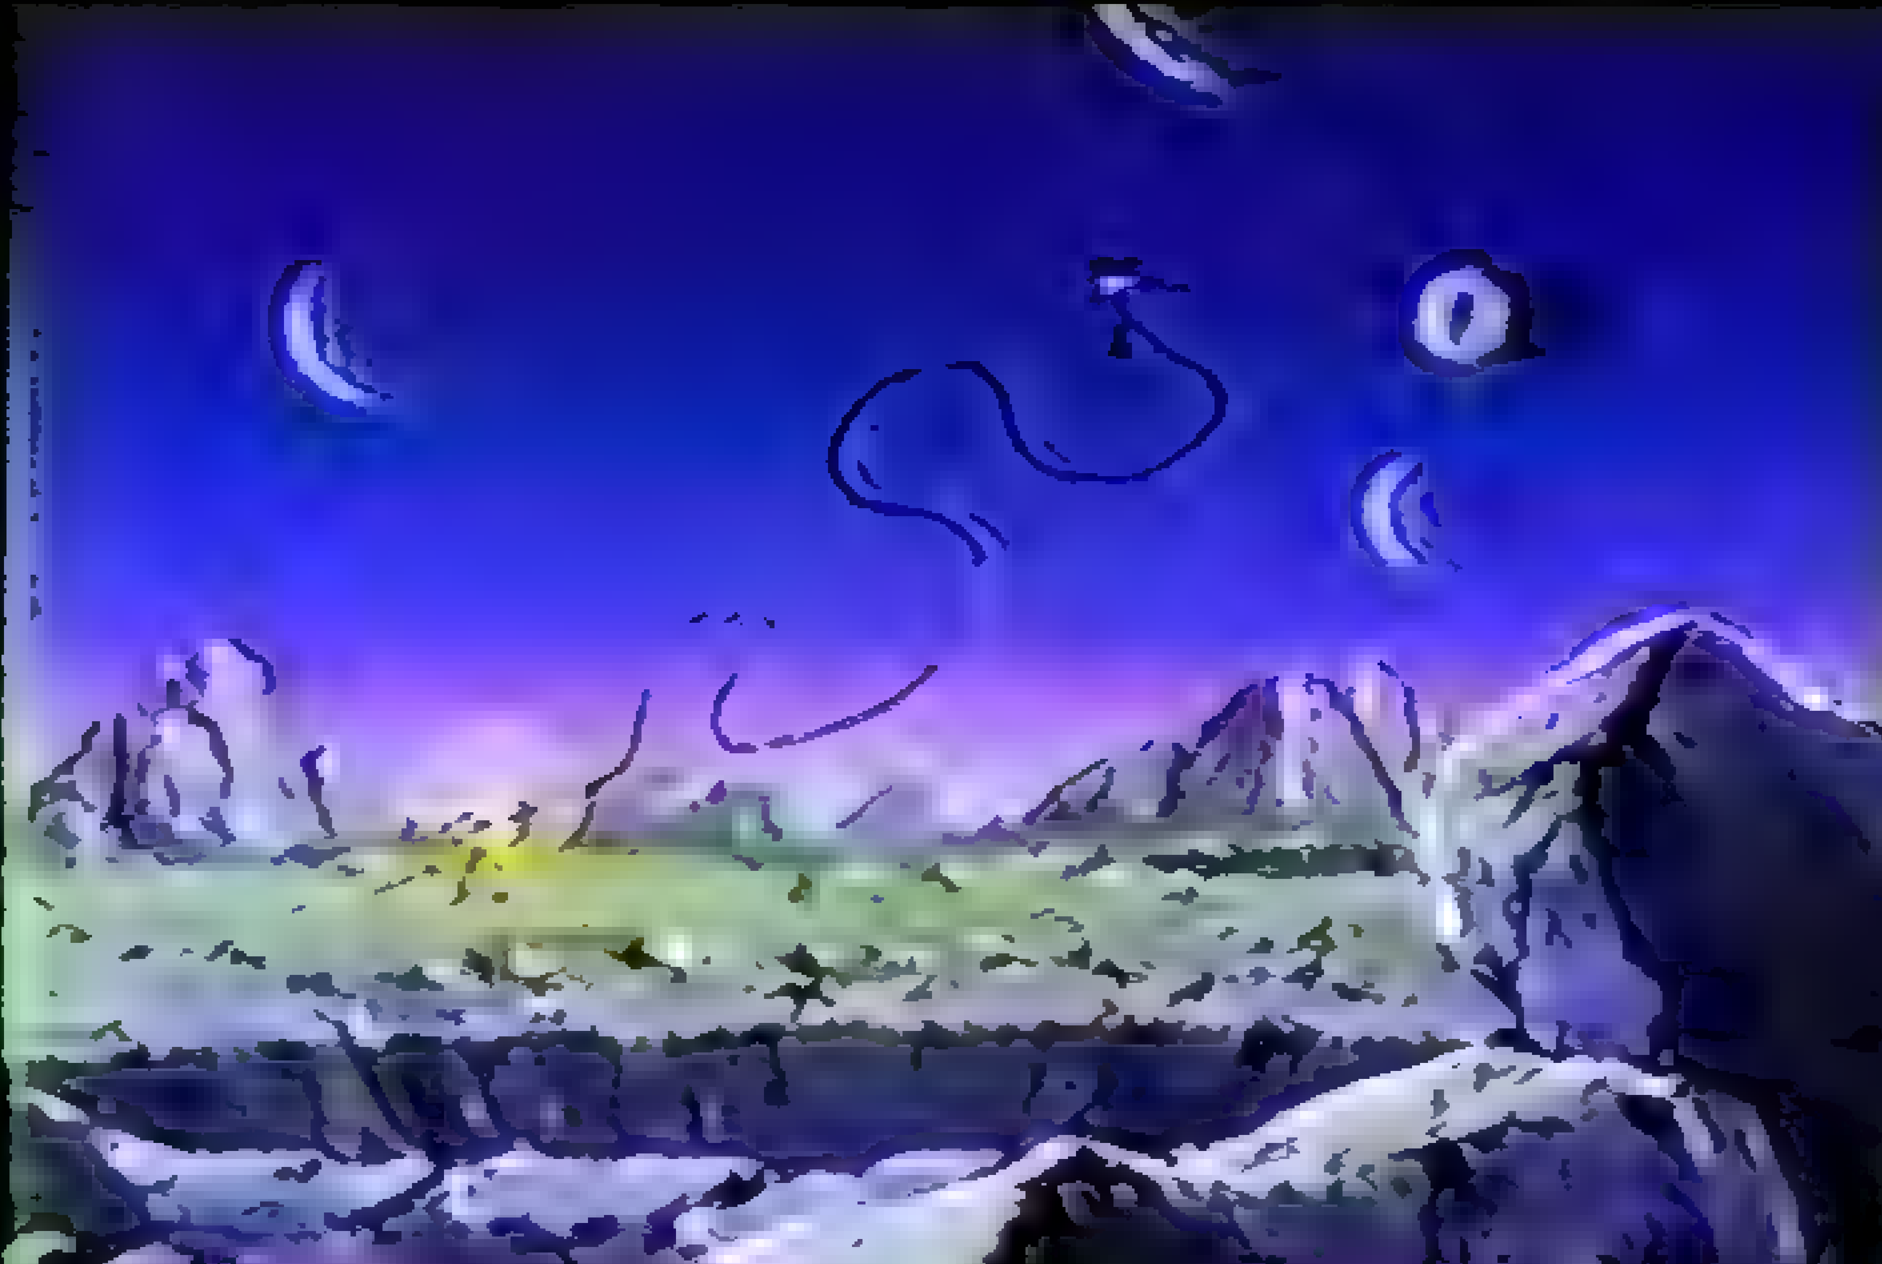

Not even Vegeta can take that blast and live!

Not even Vegeta can take that blast and live!

I can't hold back any longer!

Hey! Hey! Hey! Hey!

Do you really think you can continue your evil?

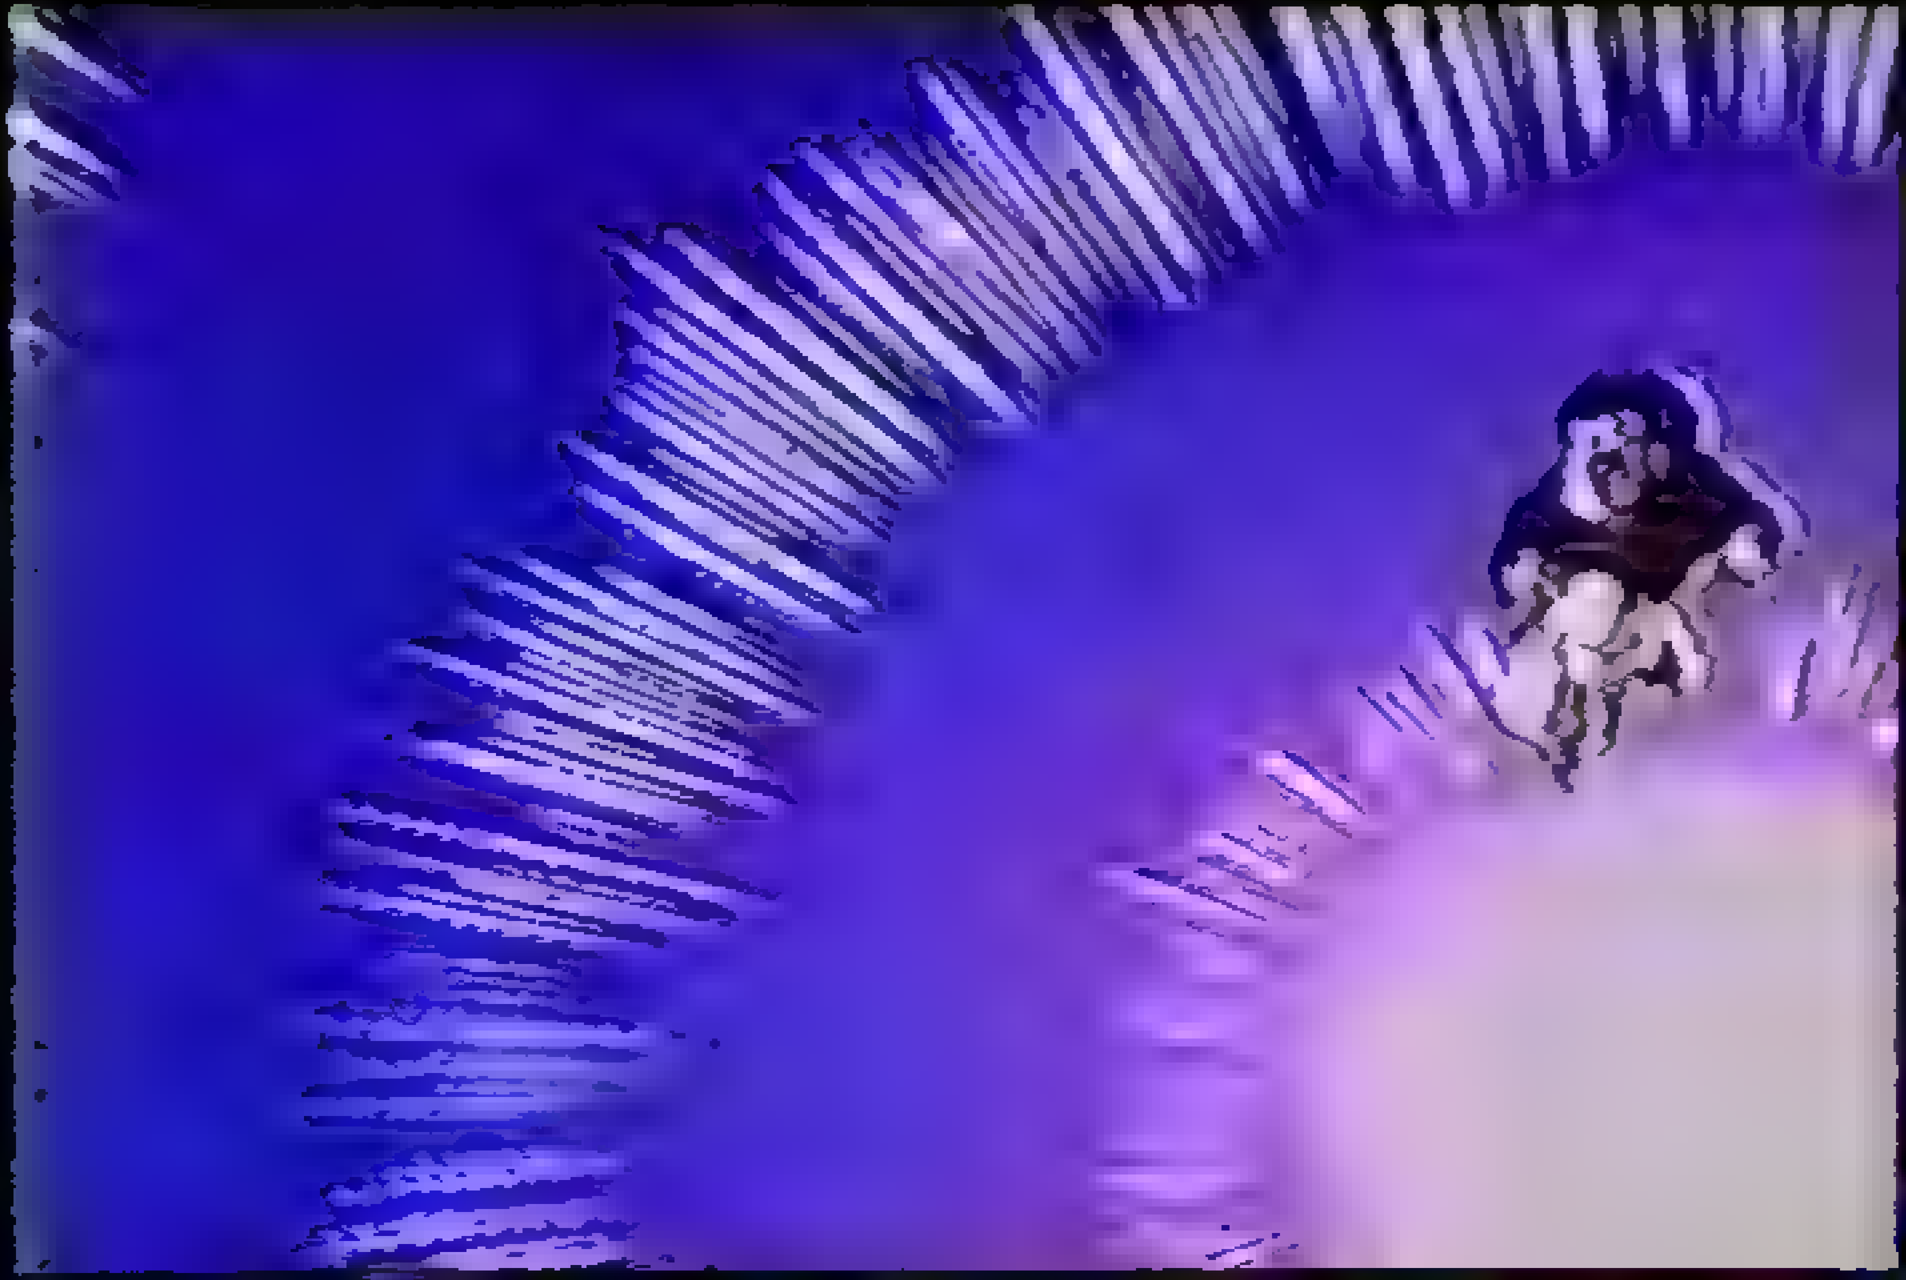

Did you think that Mr. Satan — the
World Martial Arts Champion, would do
nothing more than stand here and watch!?

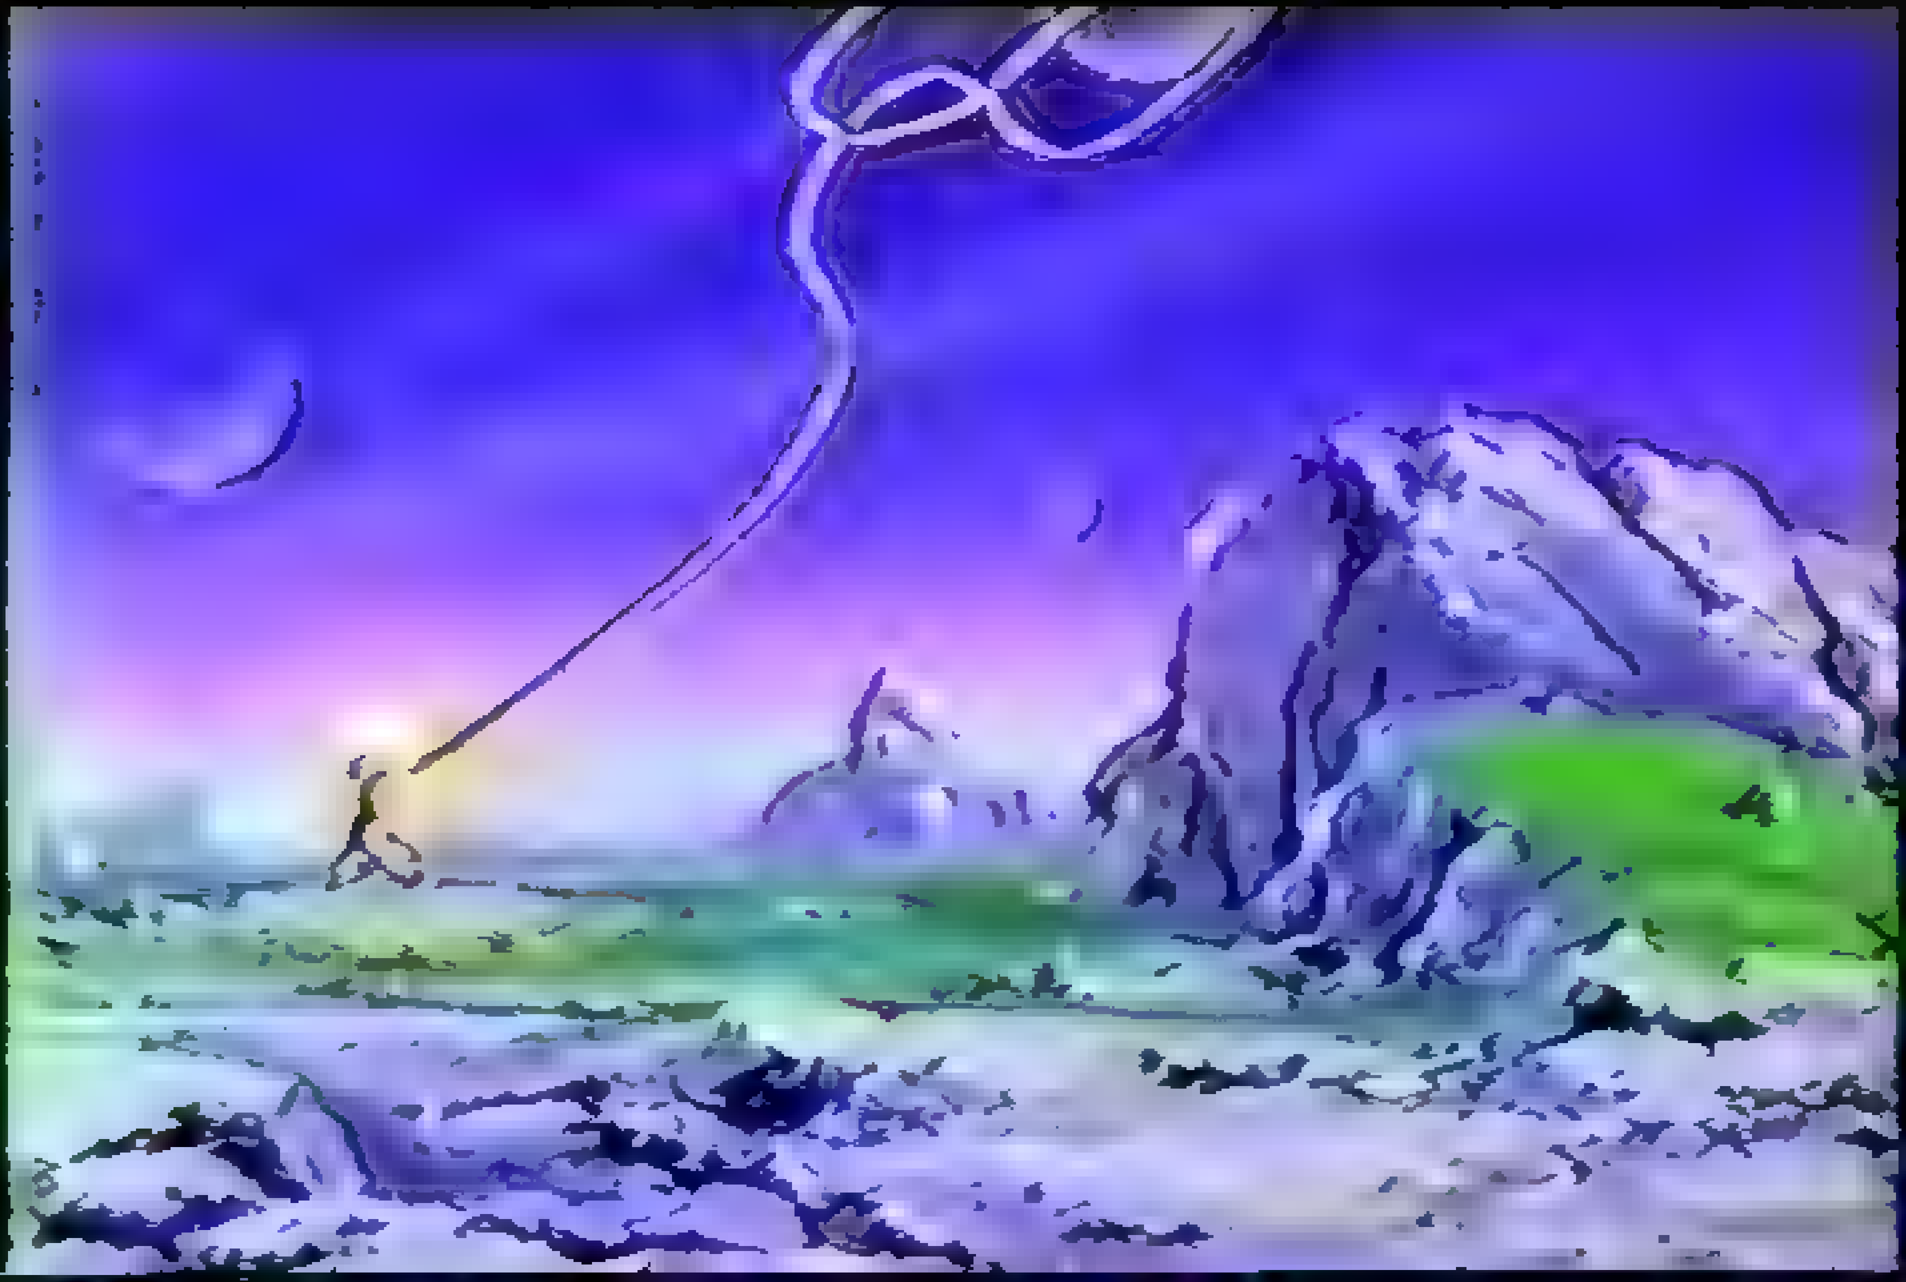

Did you think that I, Mr. Satan — the World Martial Arts Champion, would do nothing more than stand here and watch!?

Did you think that I, Mr. Satan — the World Martial Arts Champion, would do nothing more than stand here and watch!?

I am here to punish you

Prepare to die!

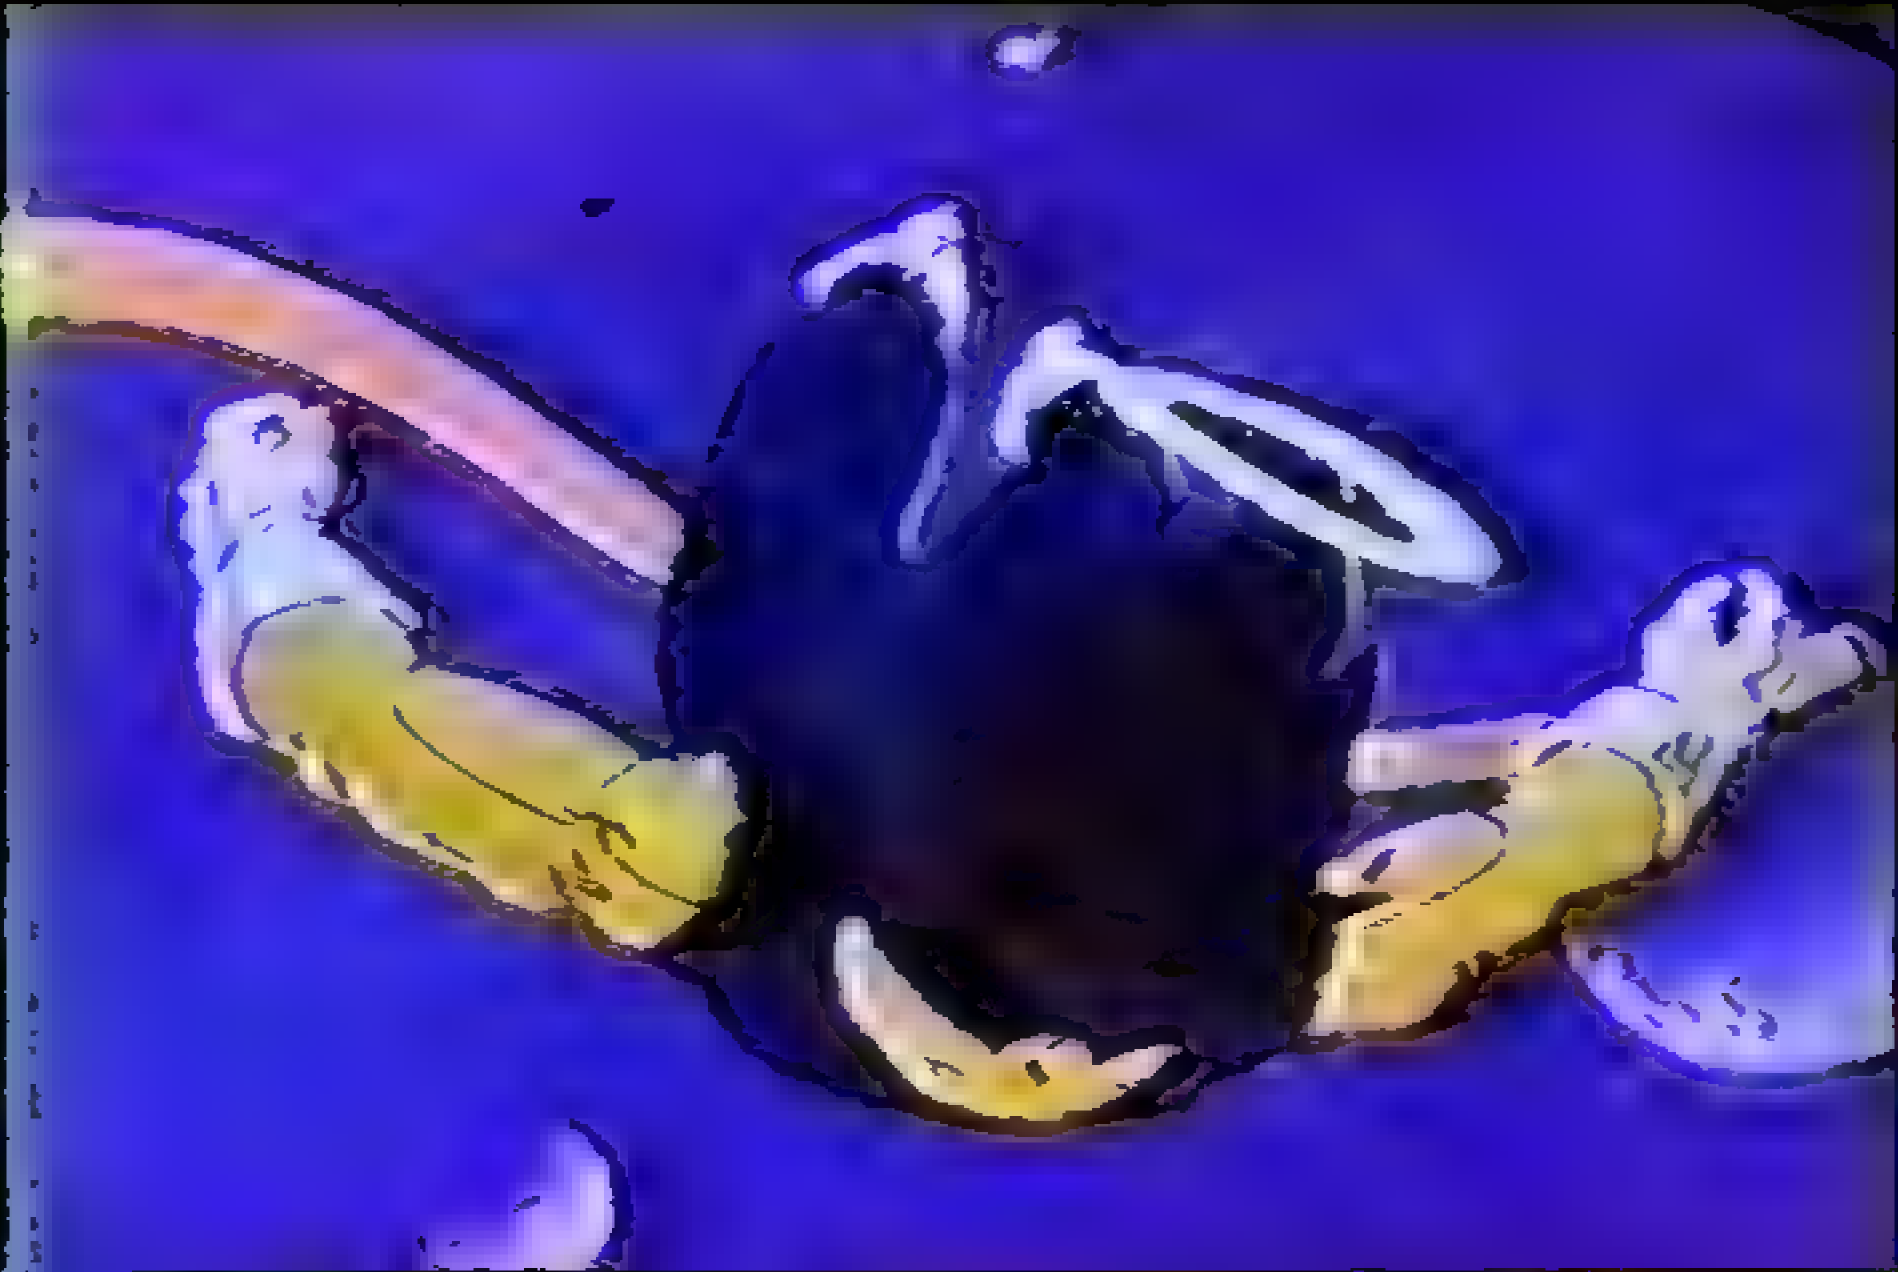

You will soon regret that
you made me your enemy!!

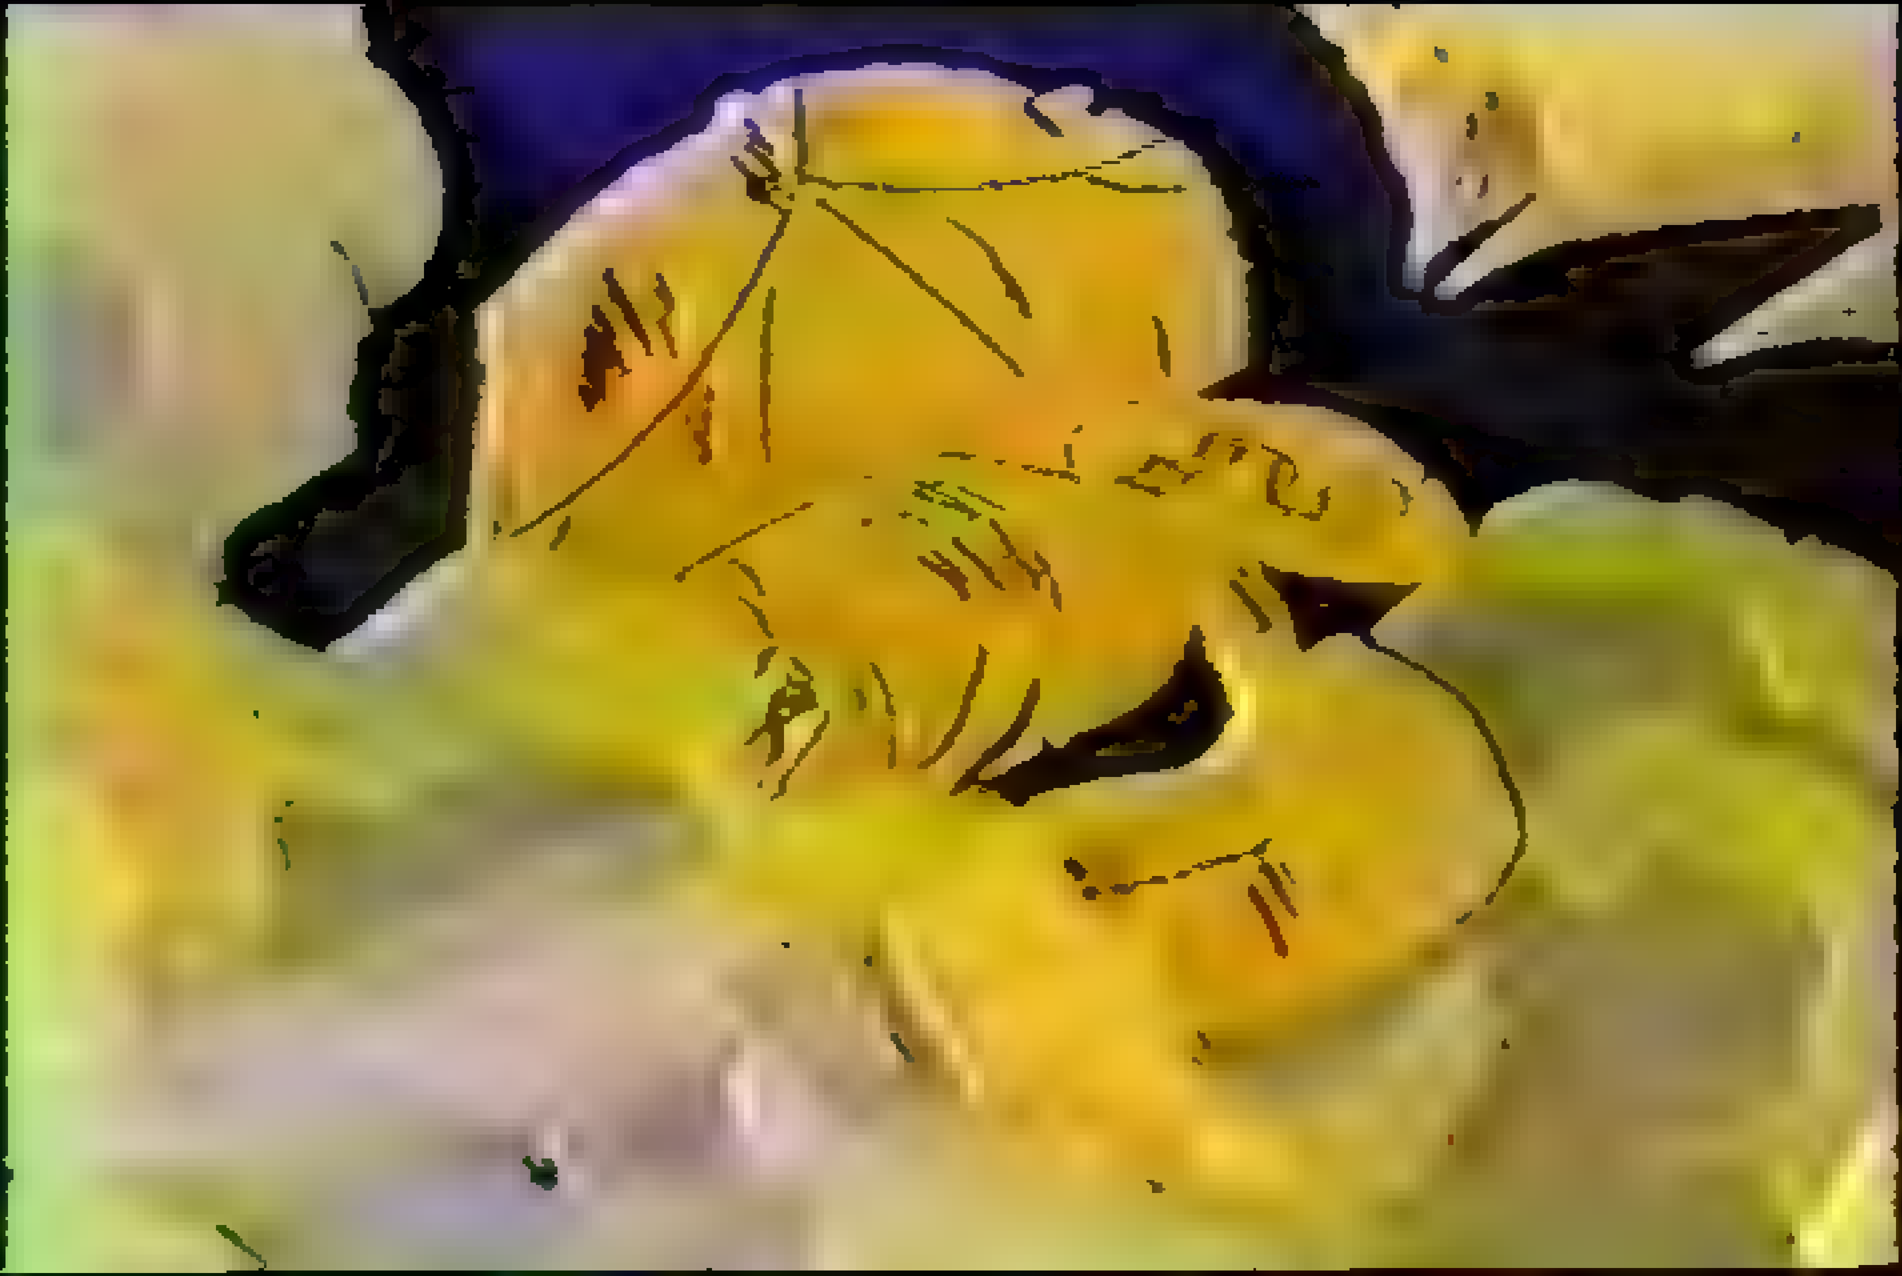

You will soon regret that
you made me your enemy!

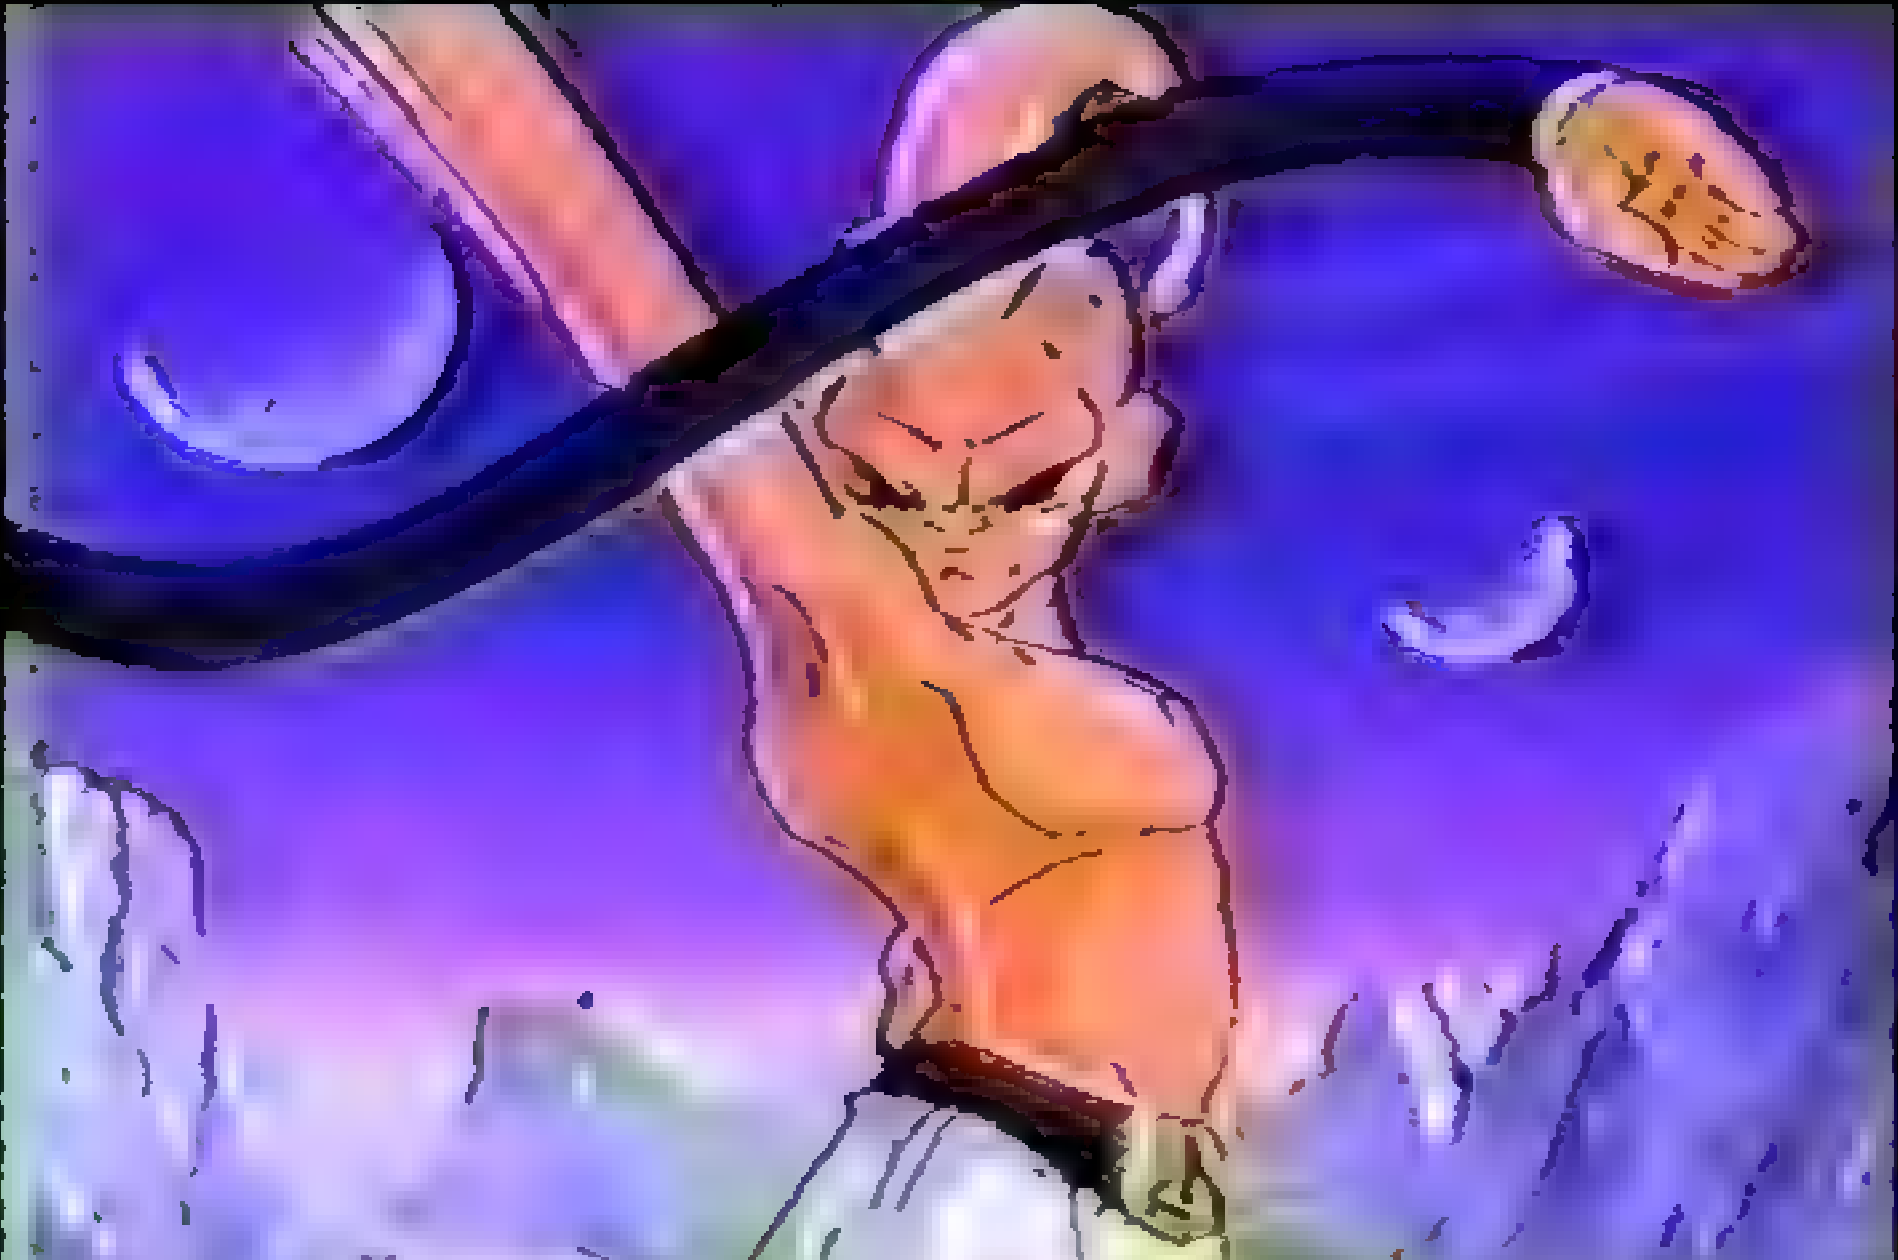

I don't need this now

You should have stayed hidden

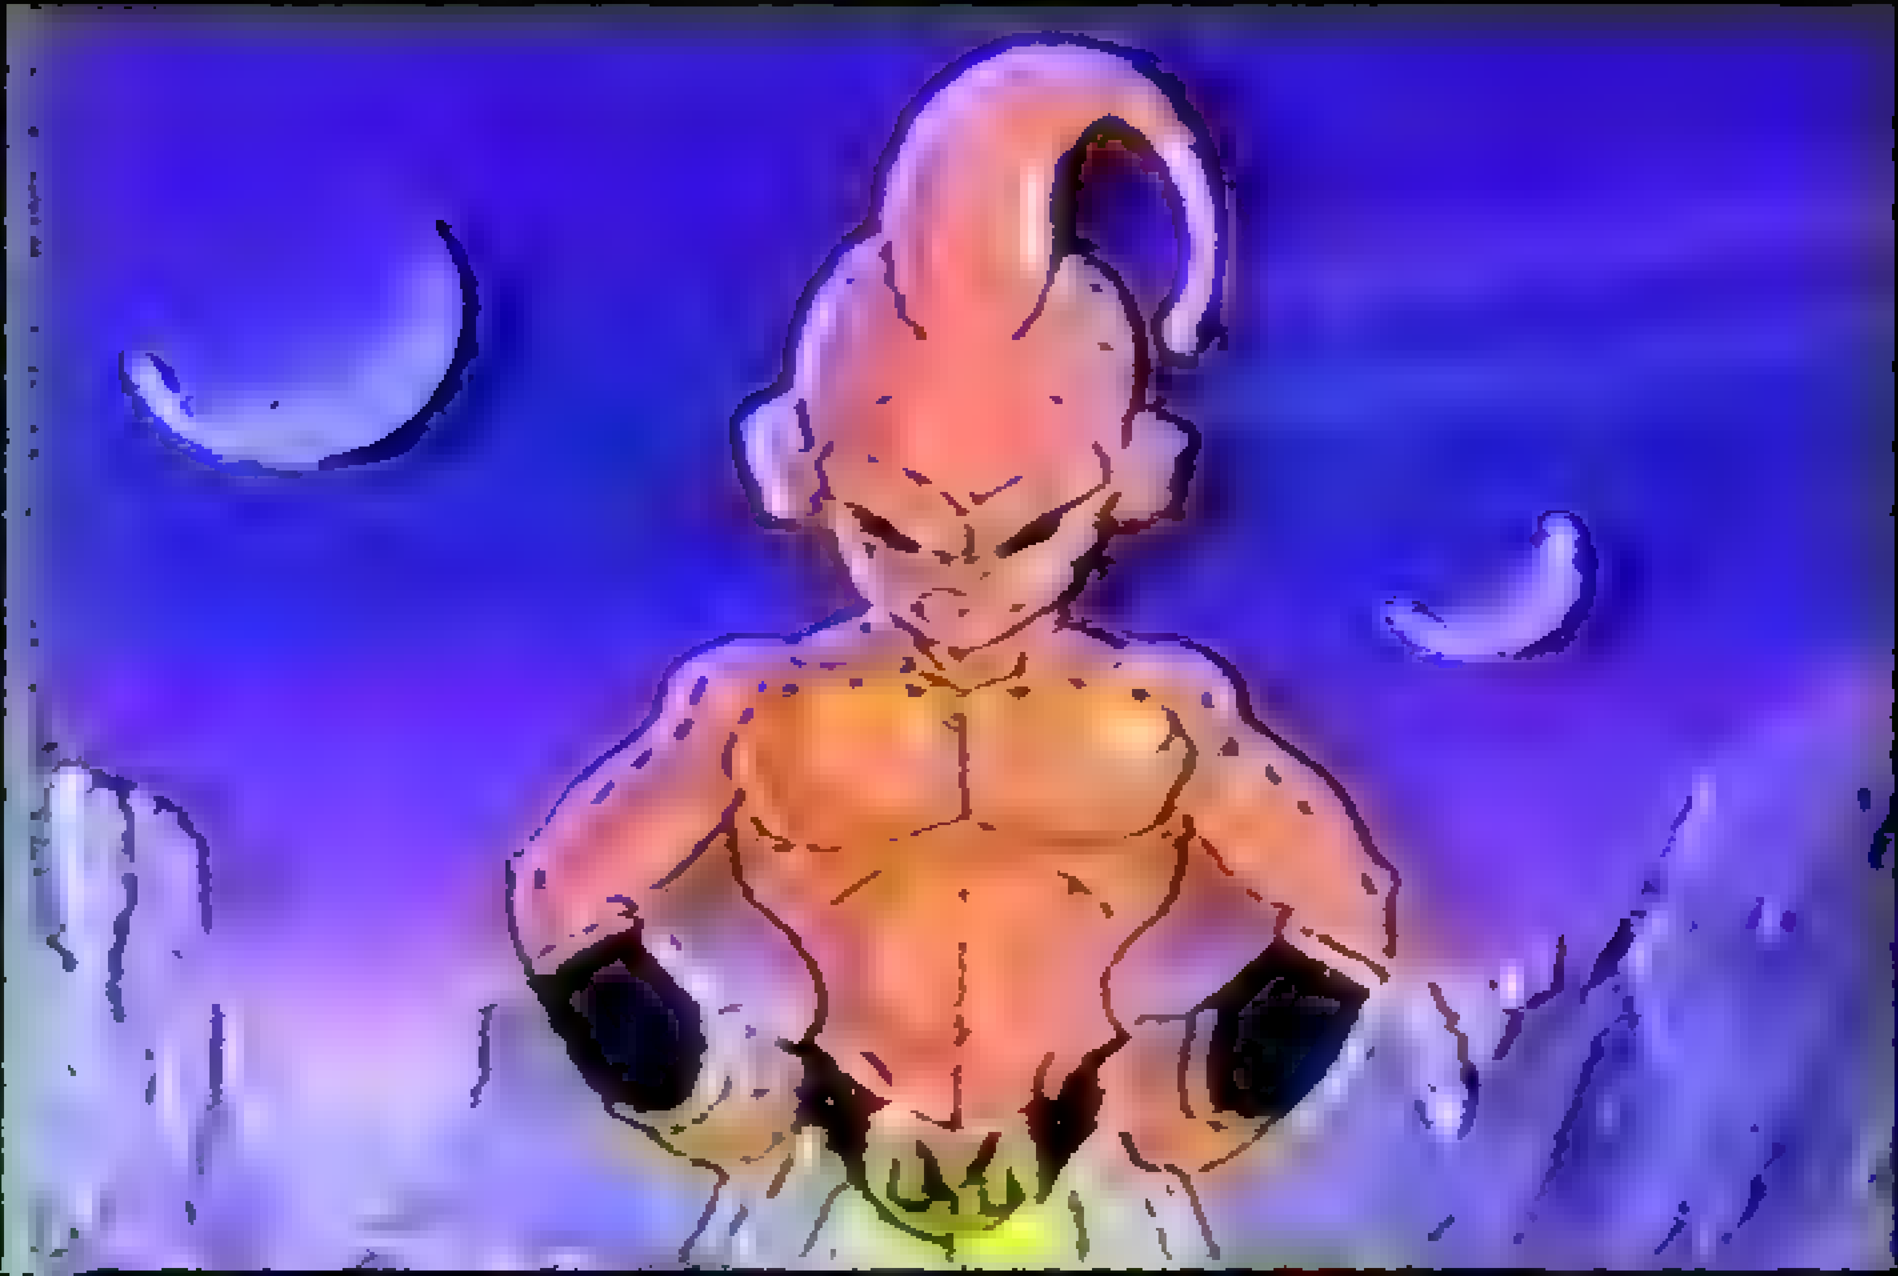

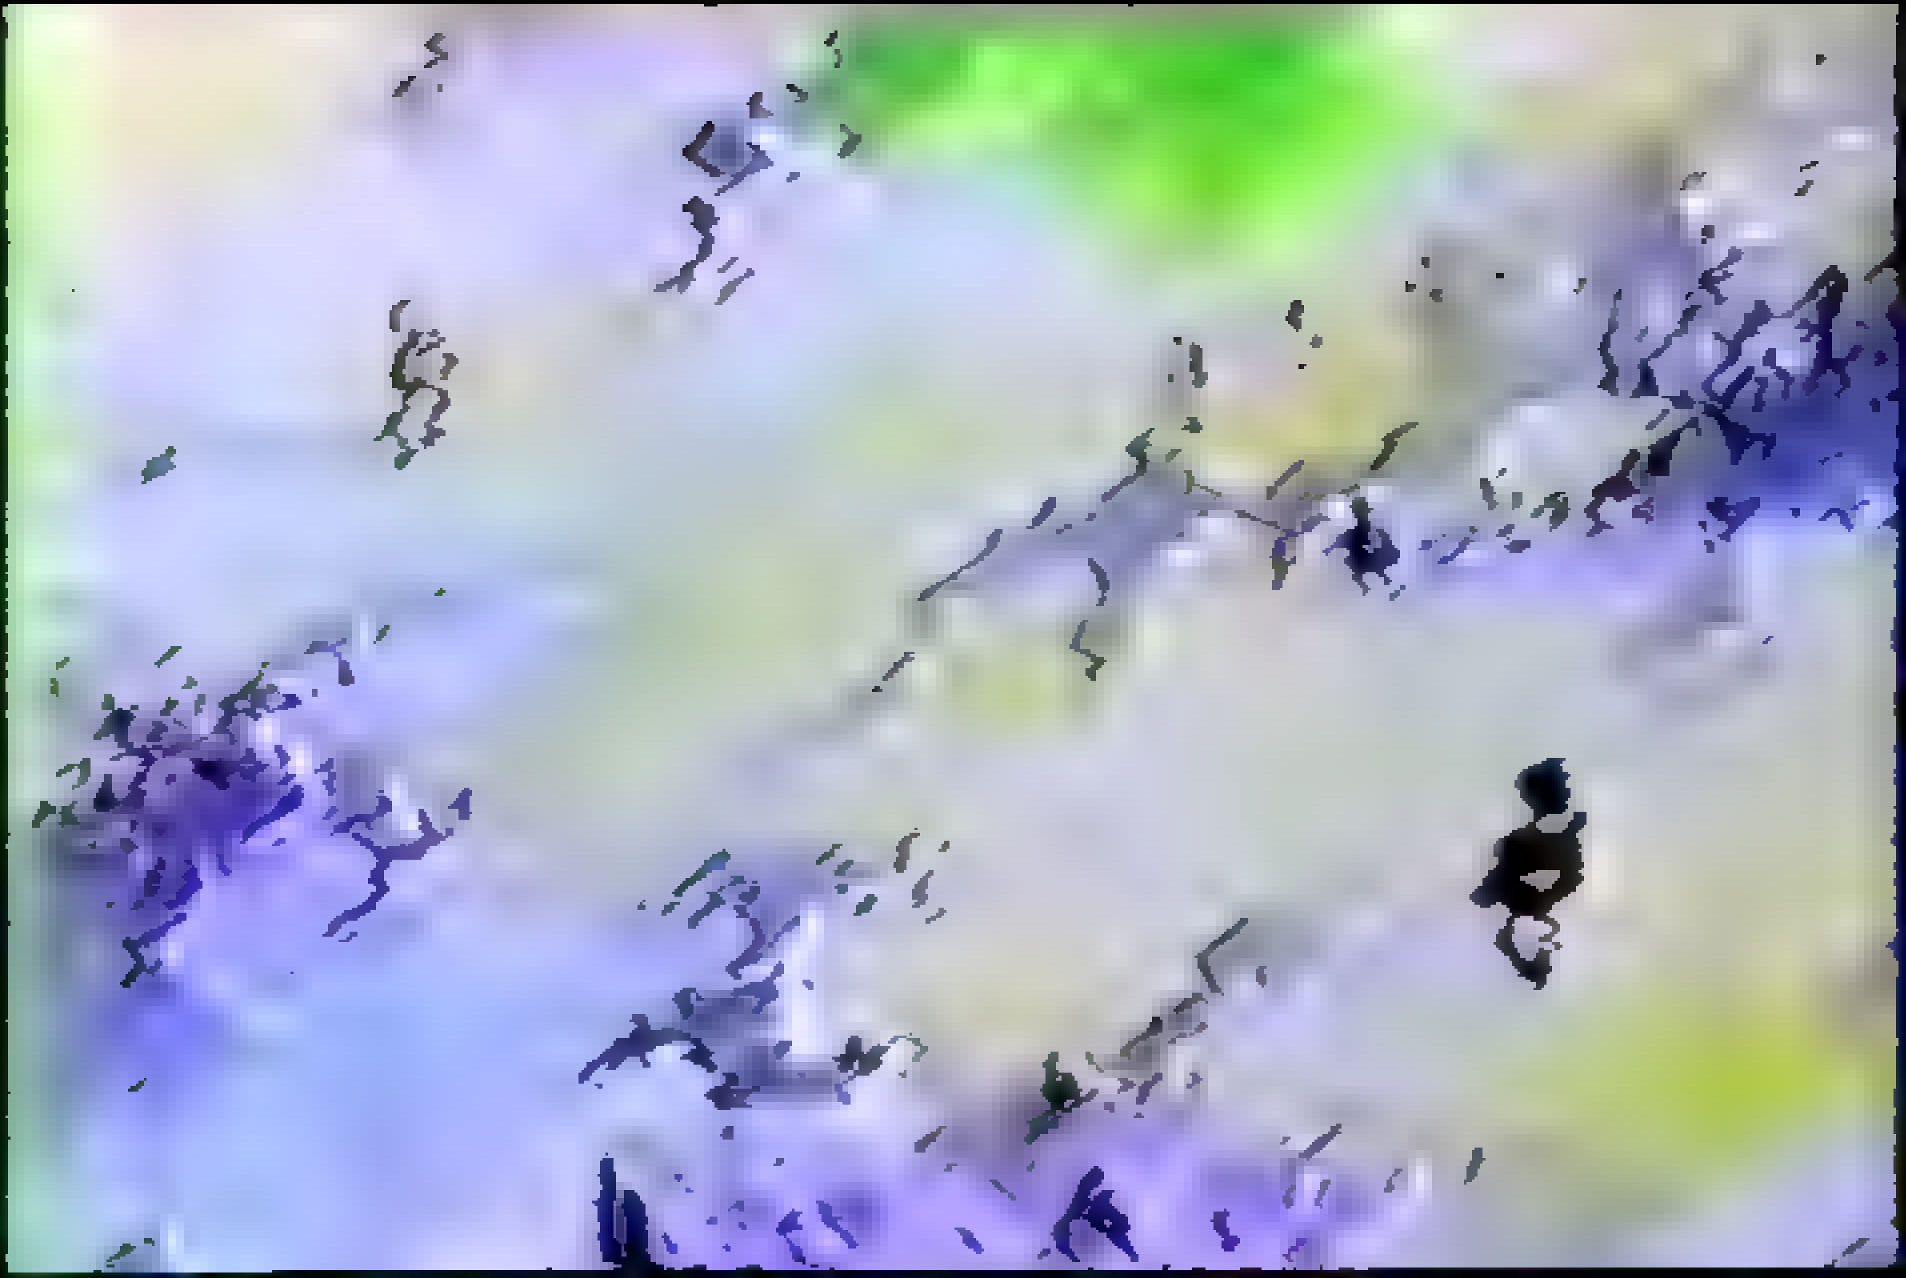

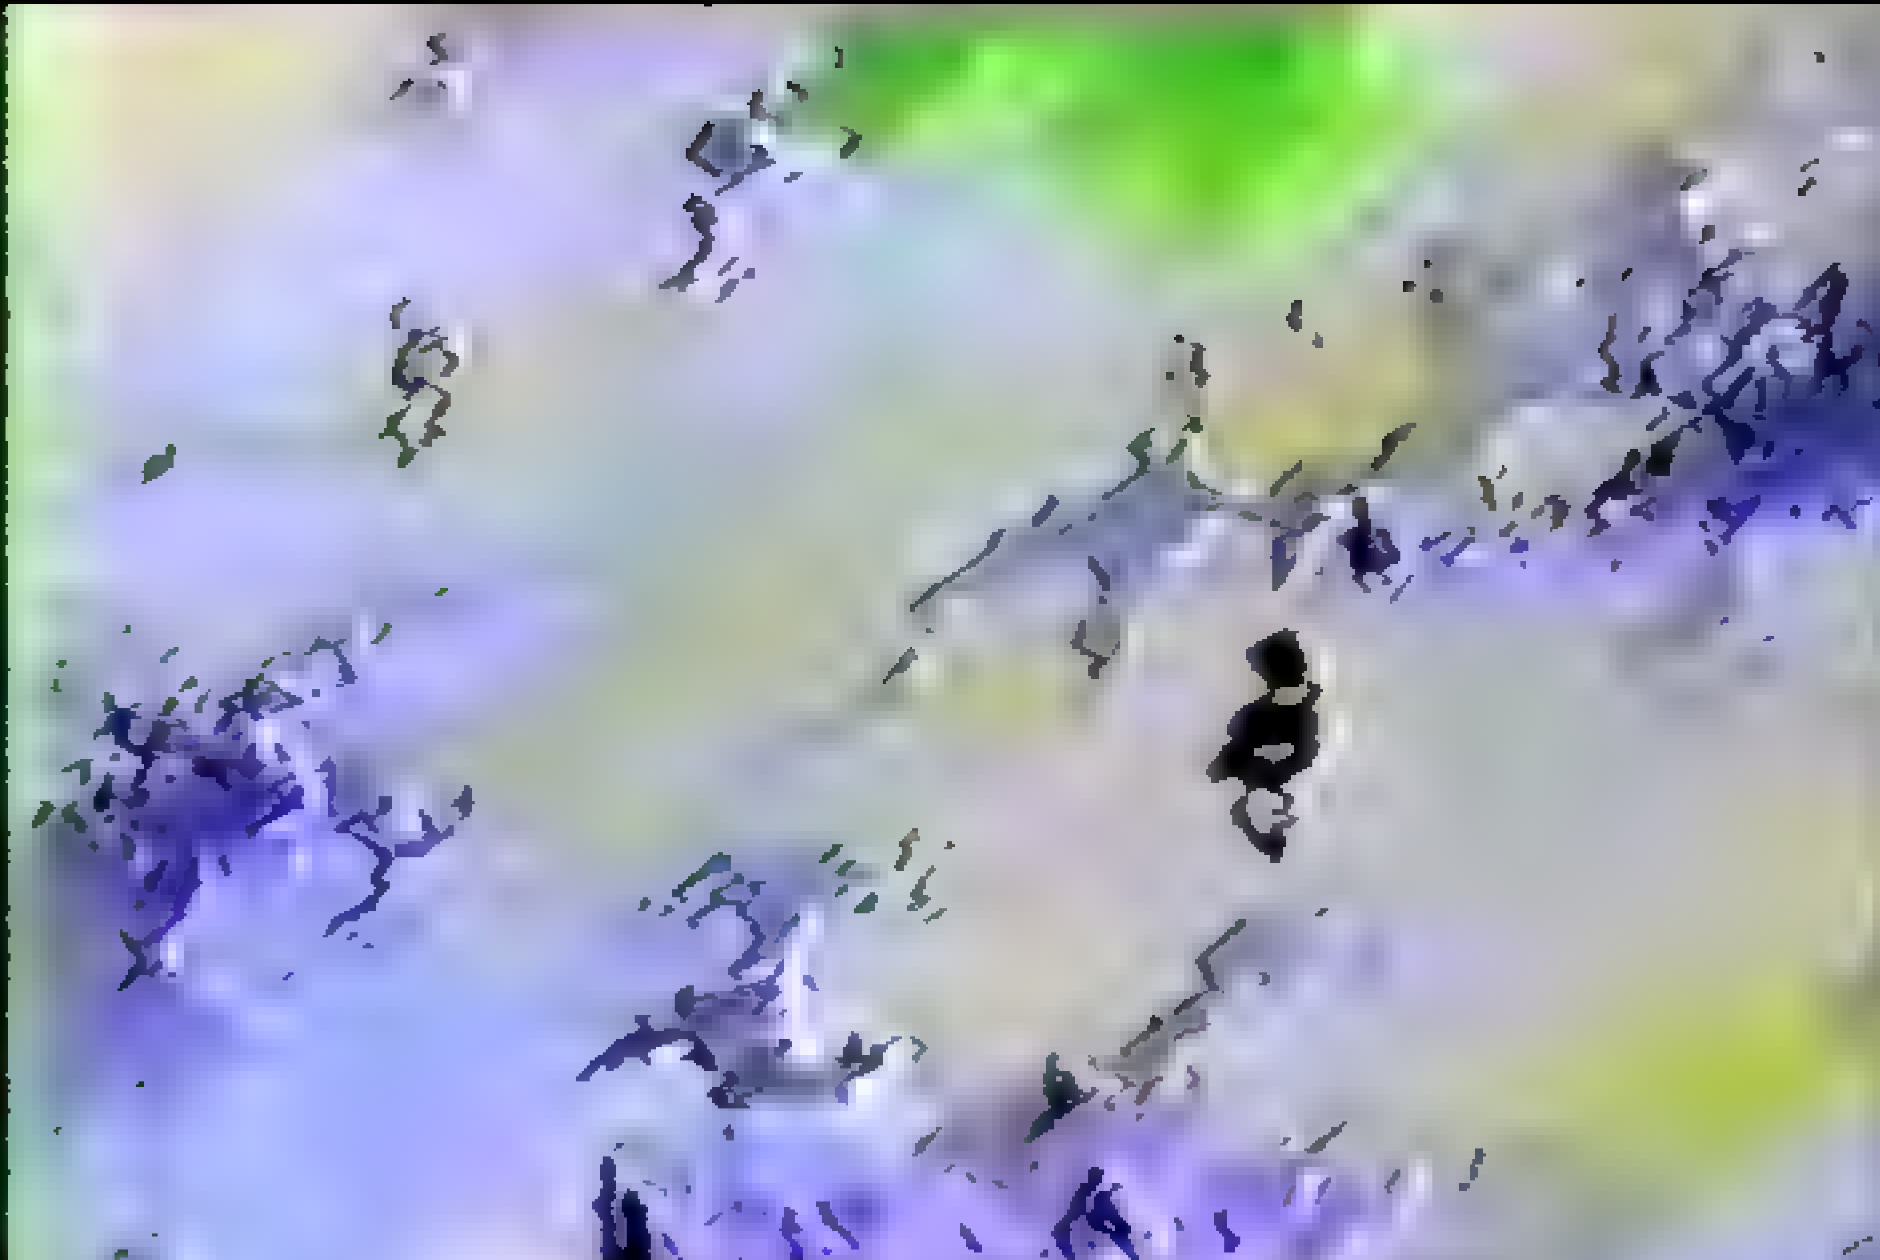

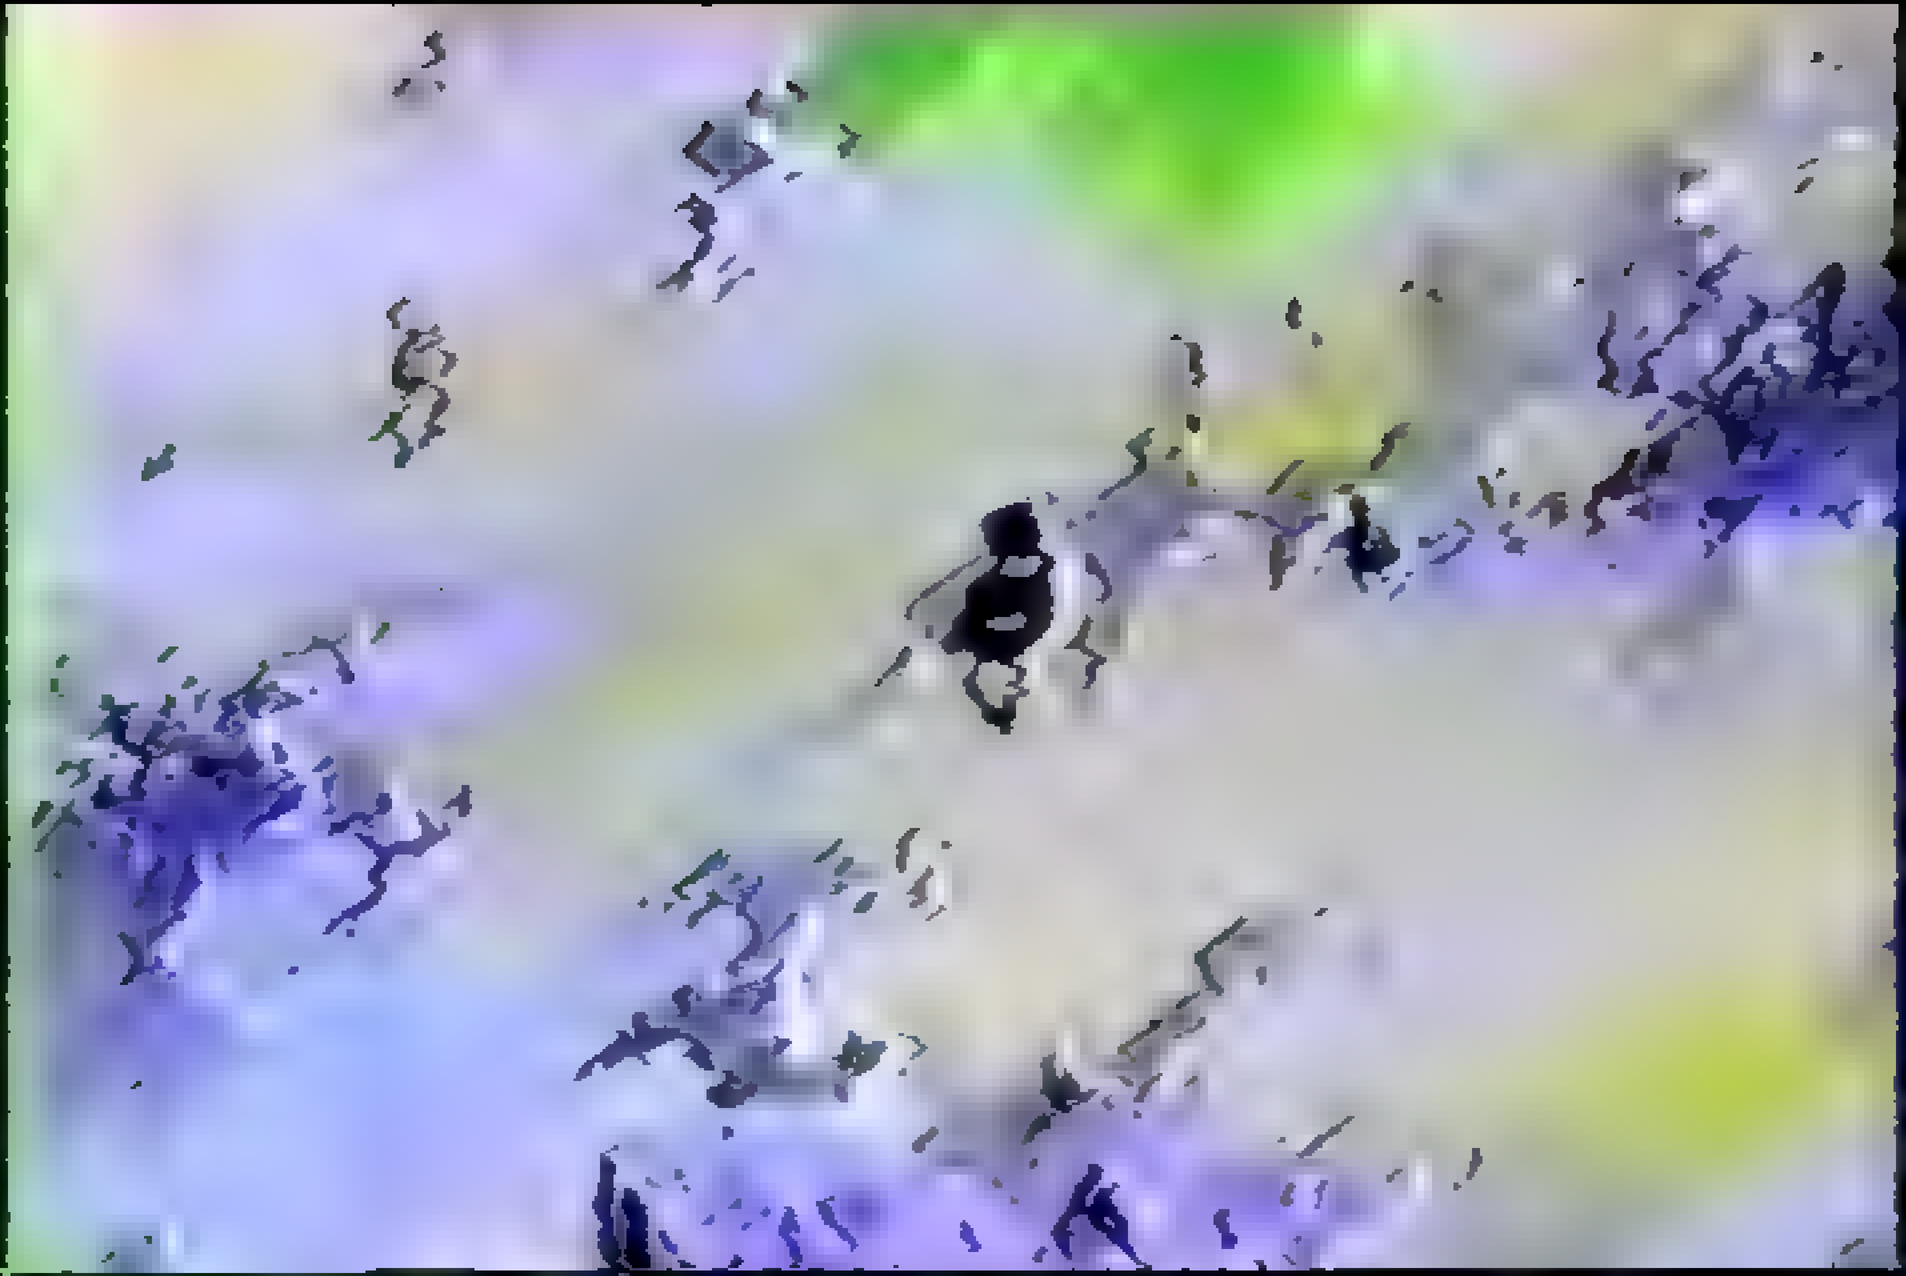

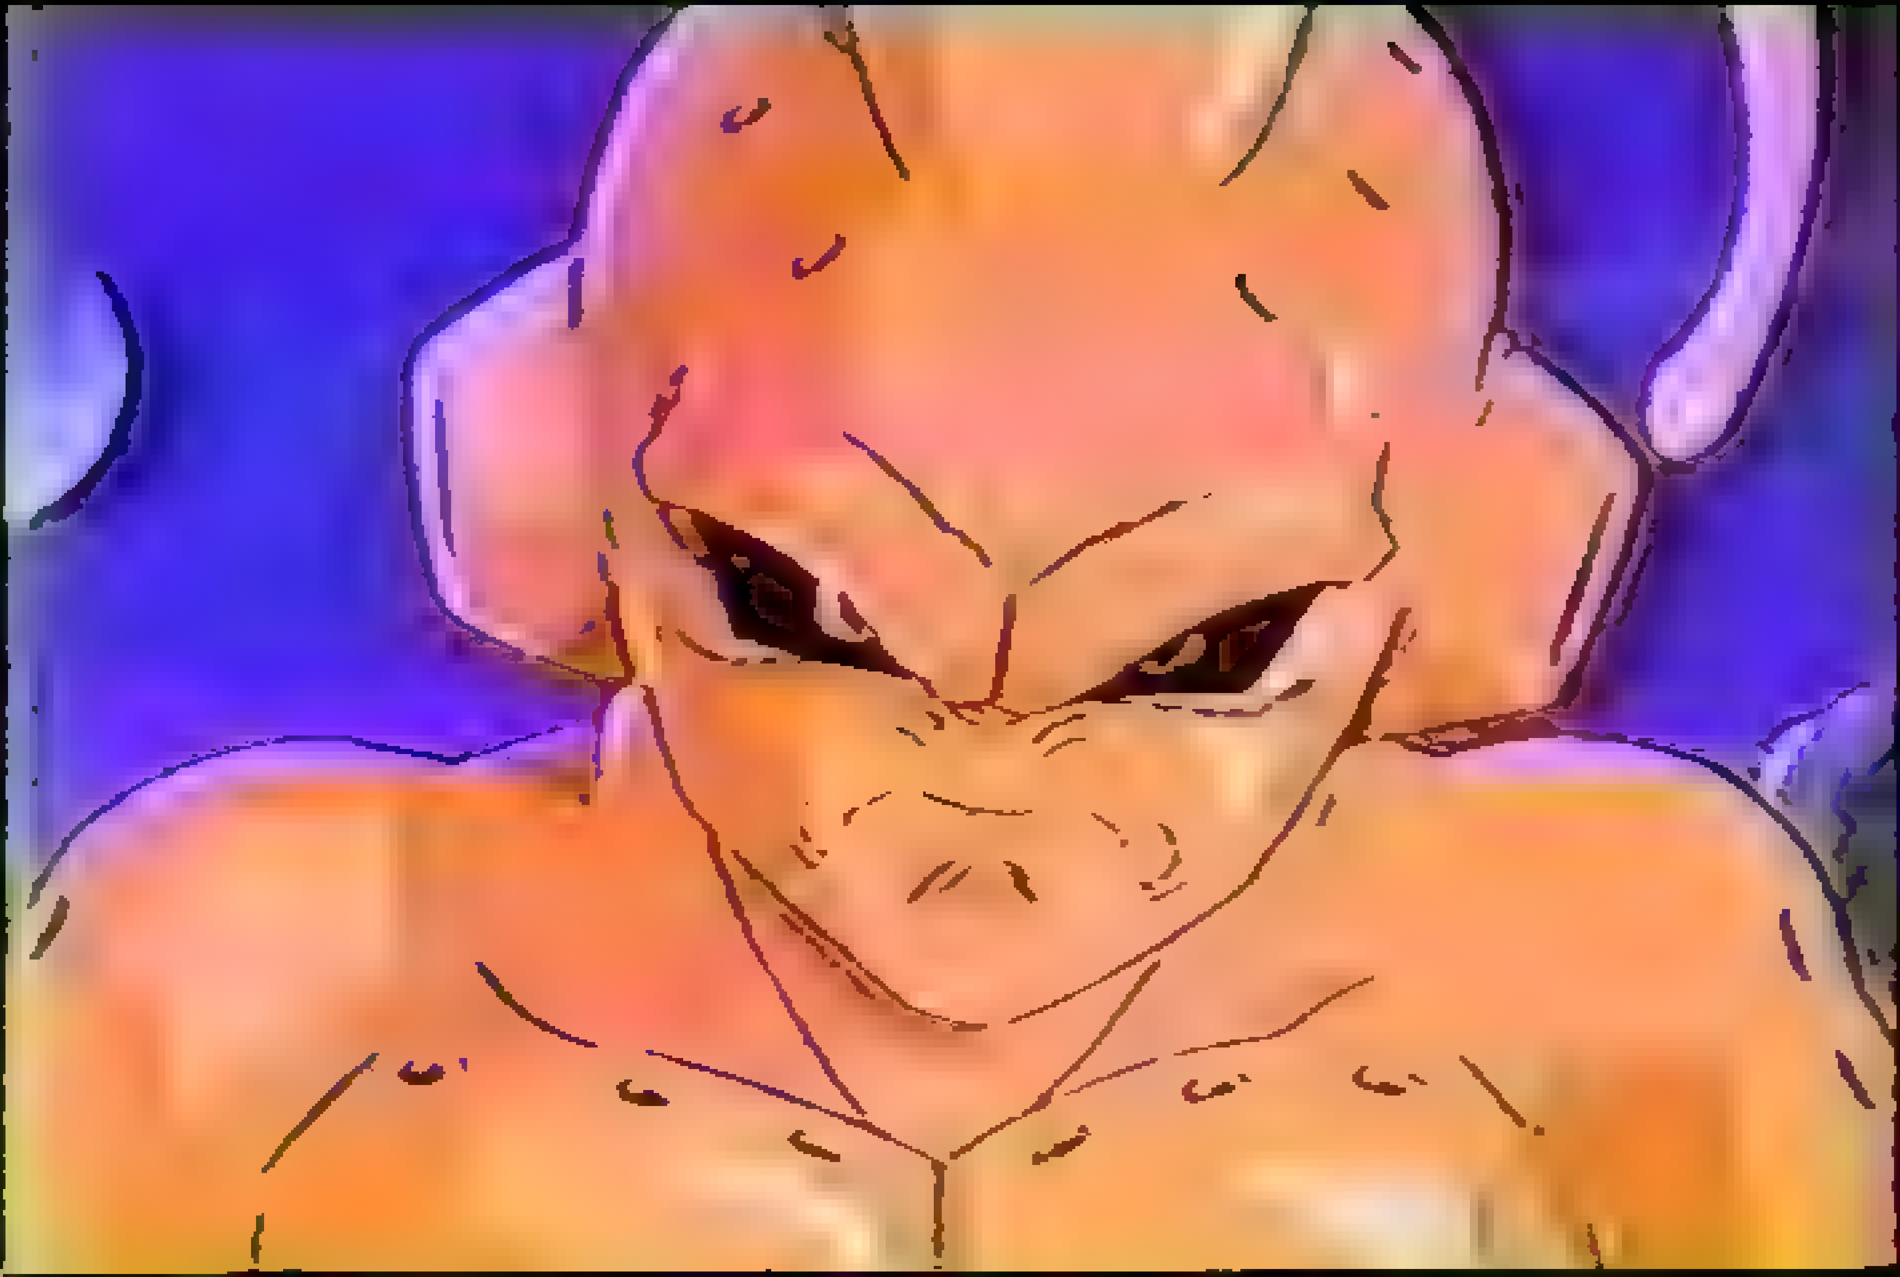

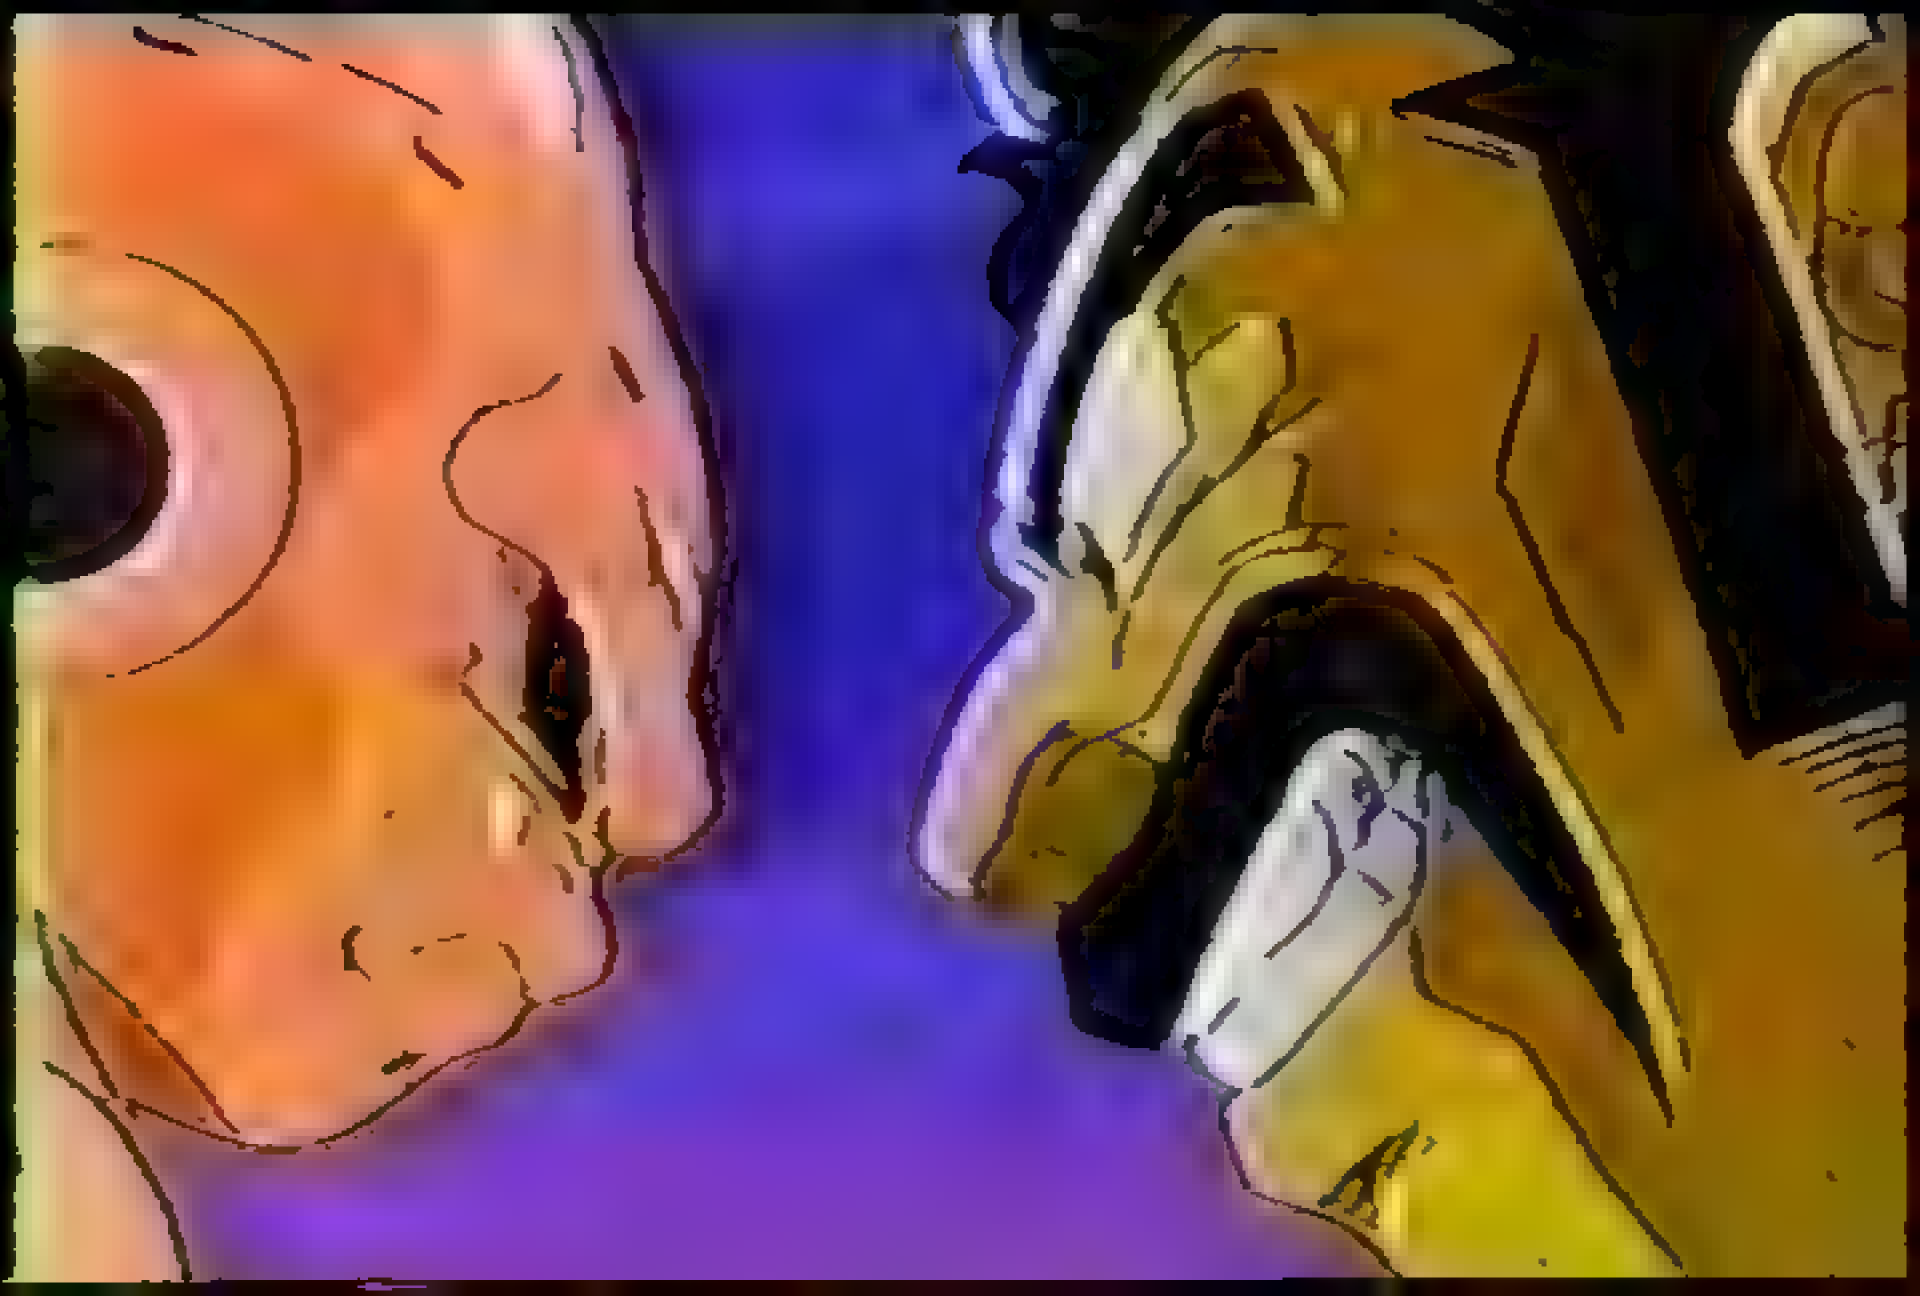

Look, he's paralyzed with fright

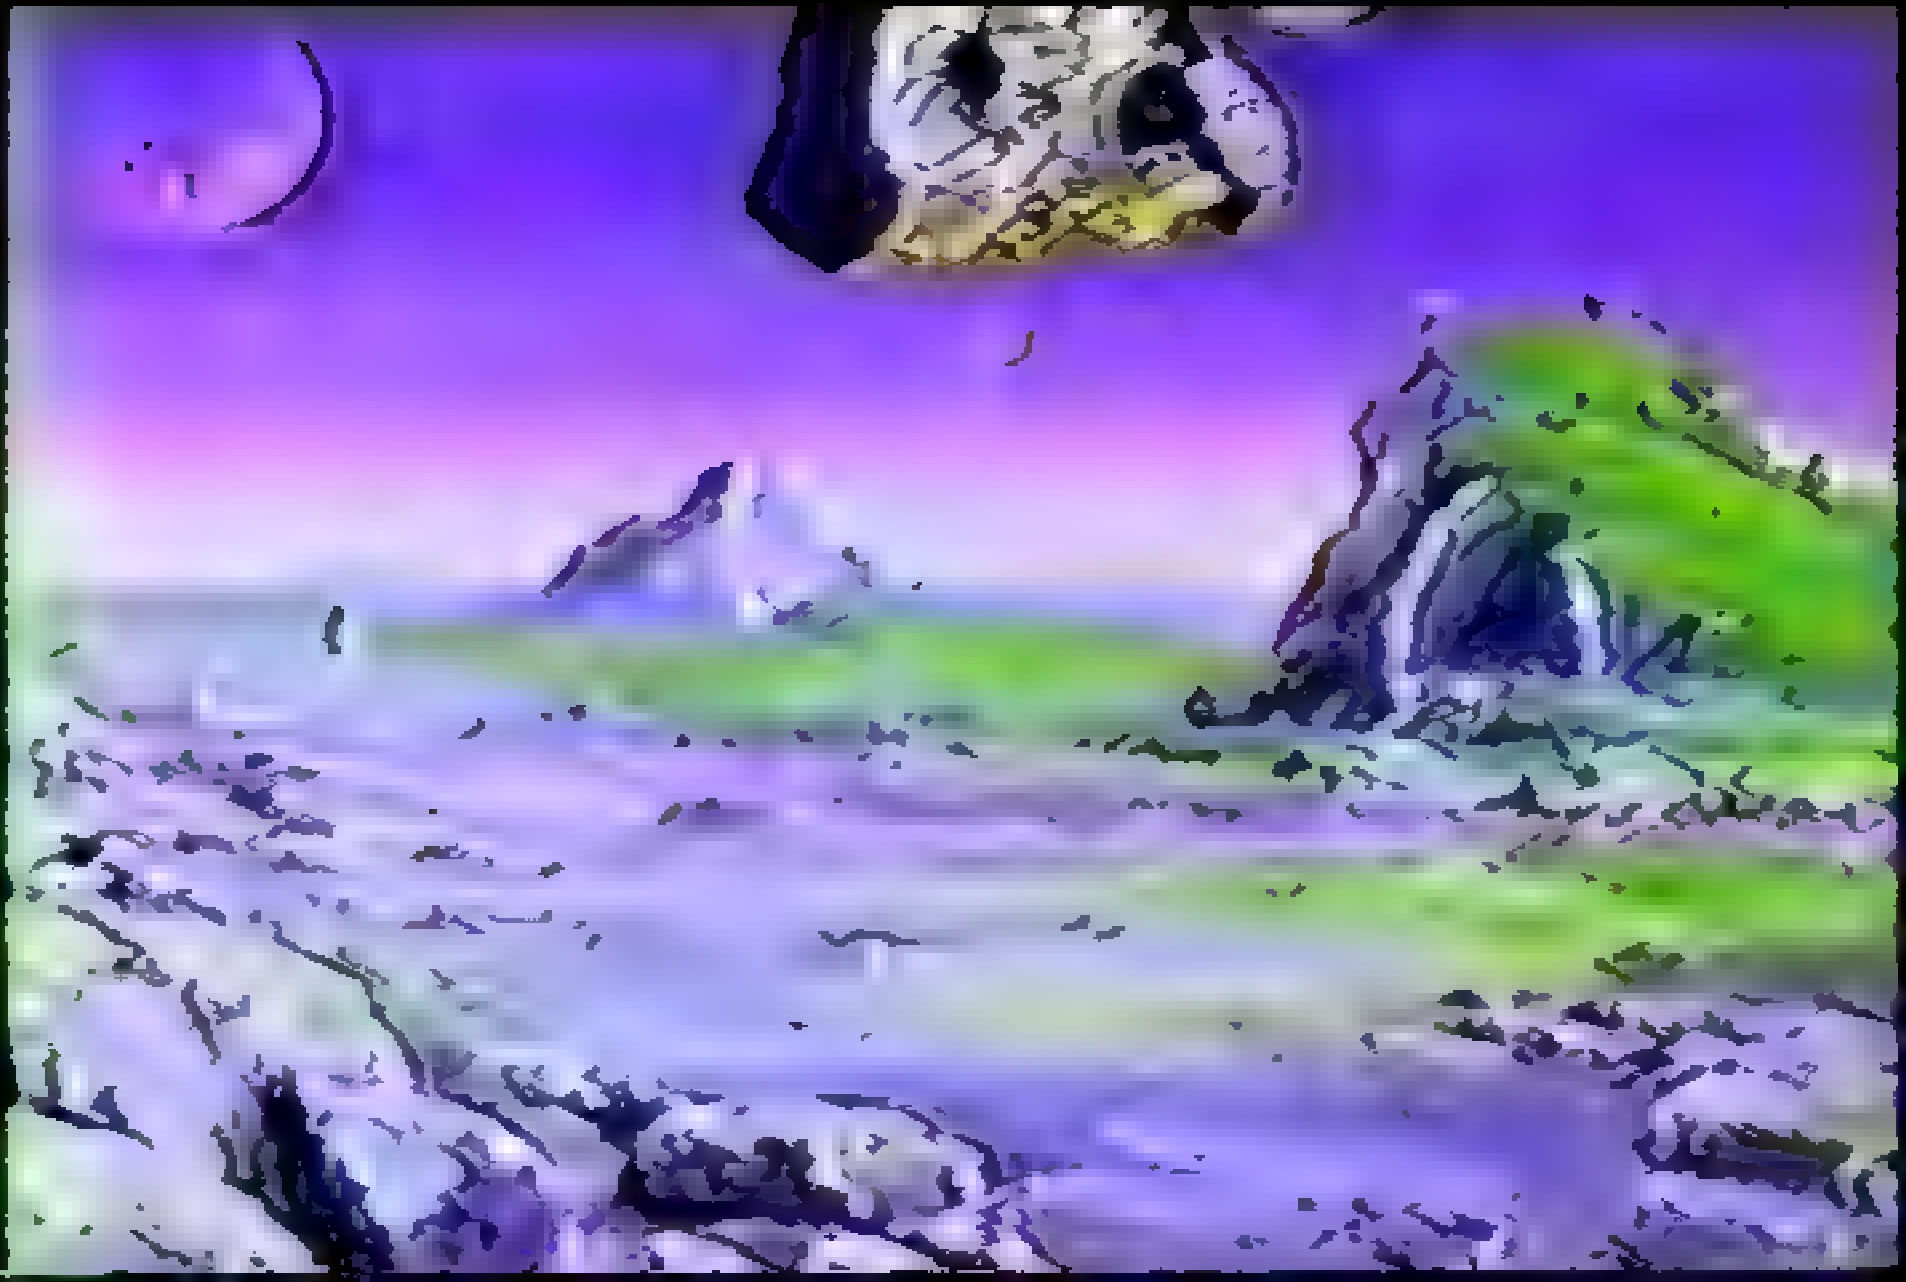

I shake my bottom at you!

Hey, Hey, Hey

Come and get me!

Or are you too scared of me?

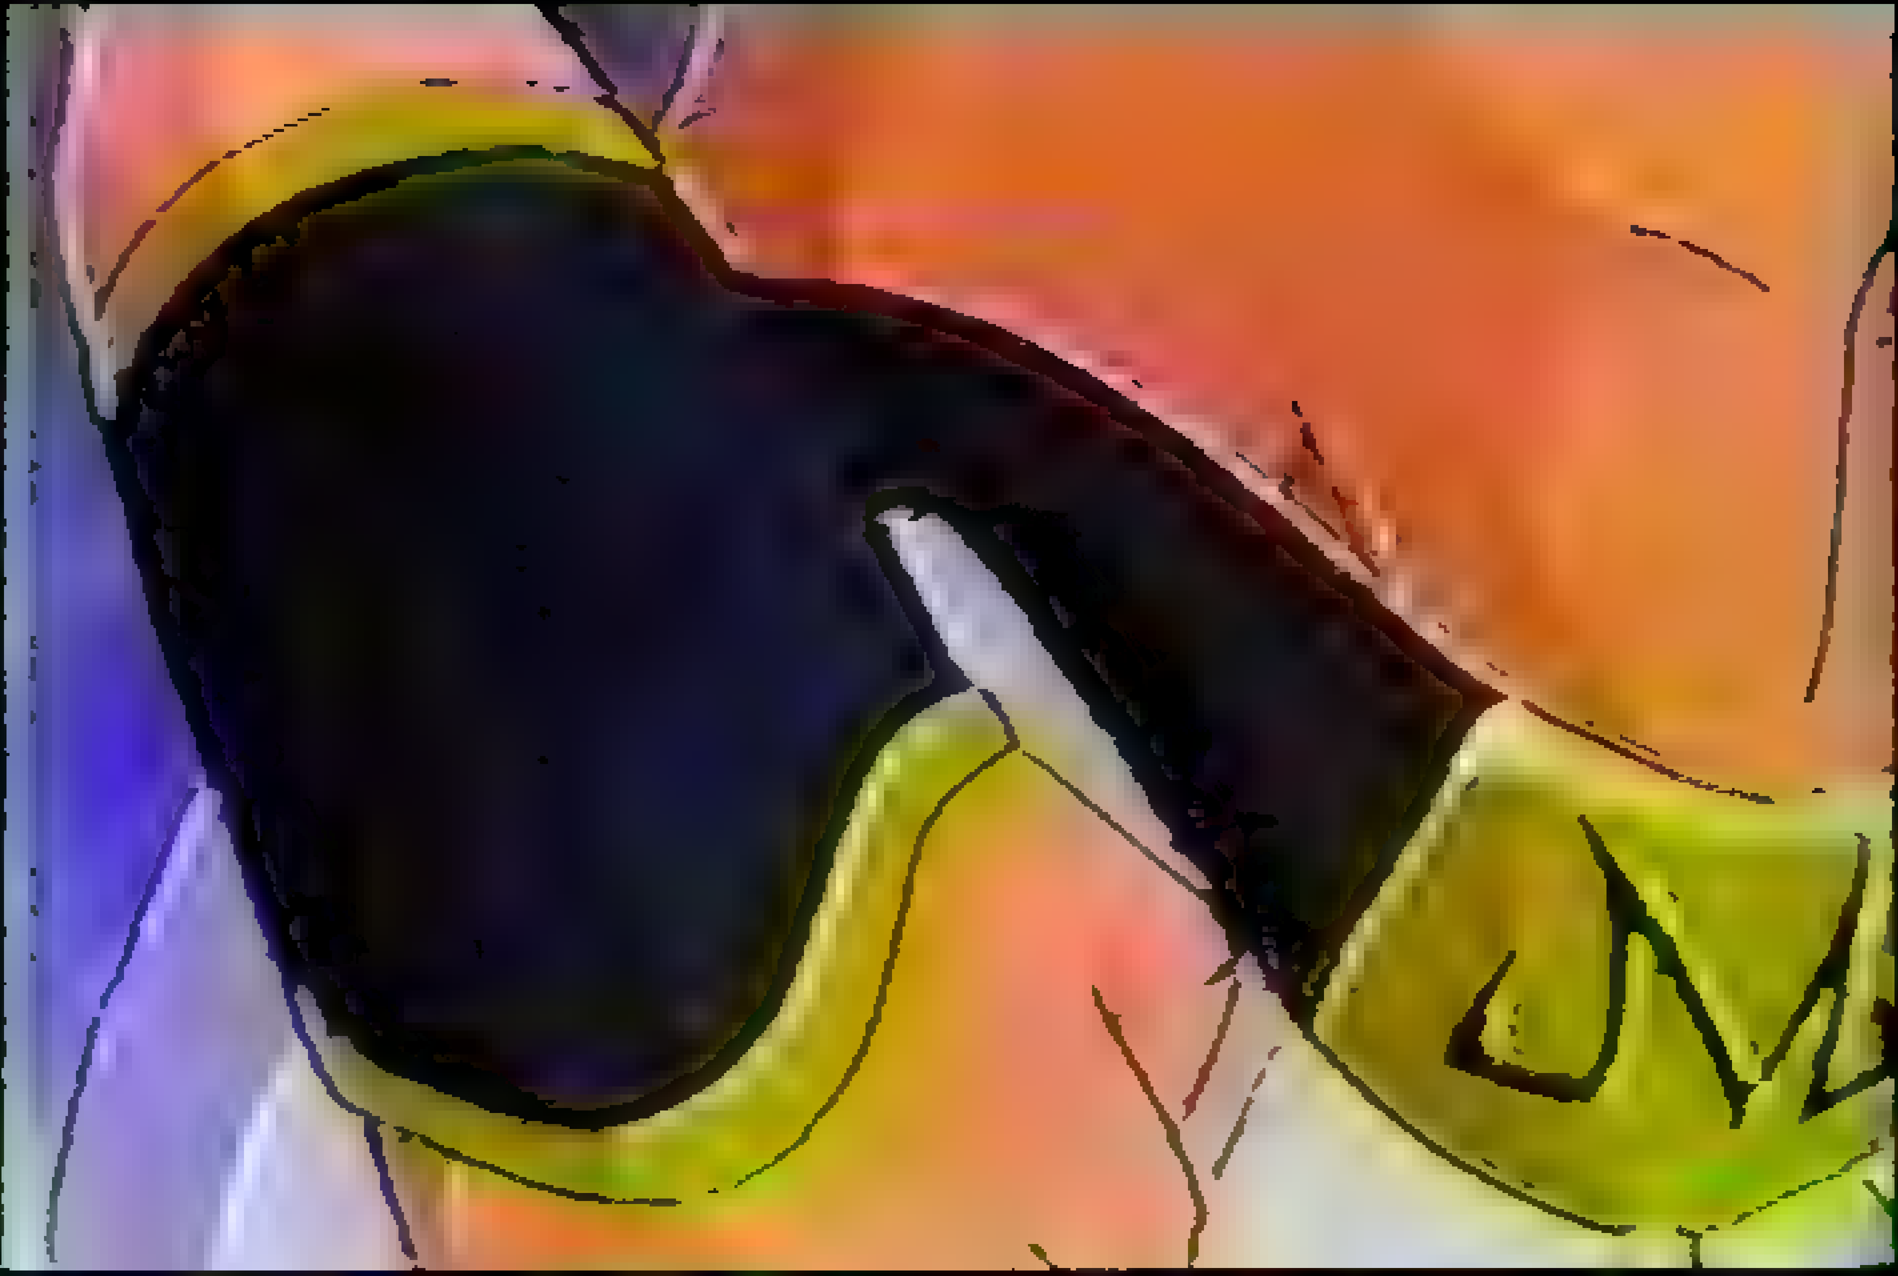

That was perfect.

Even though this is a dream,
that was still a great taunt!

Even though this is a dream,

You wanna fight?

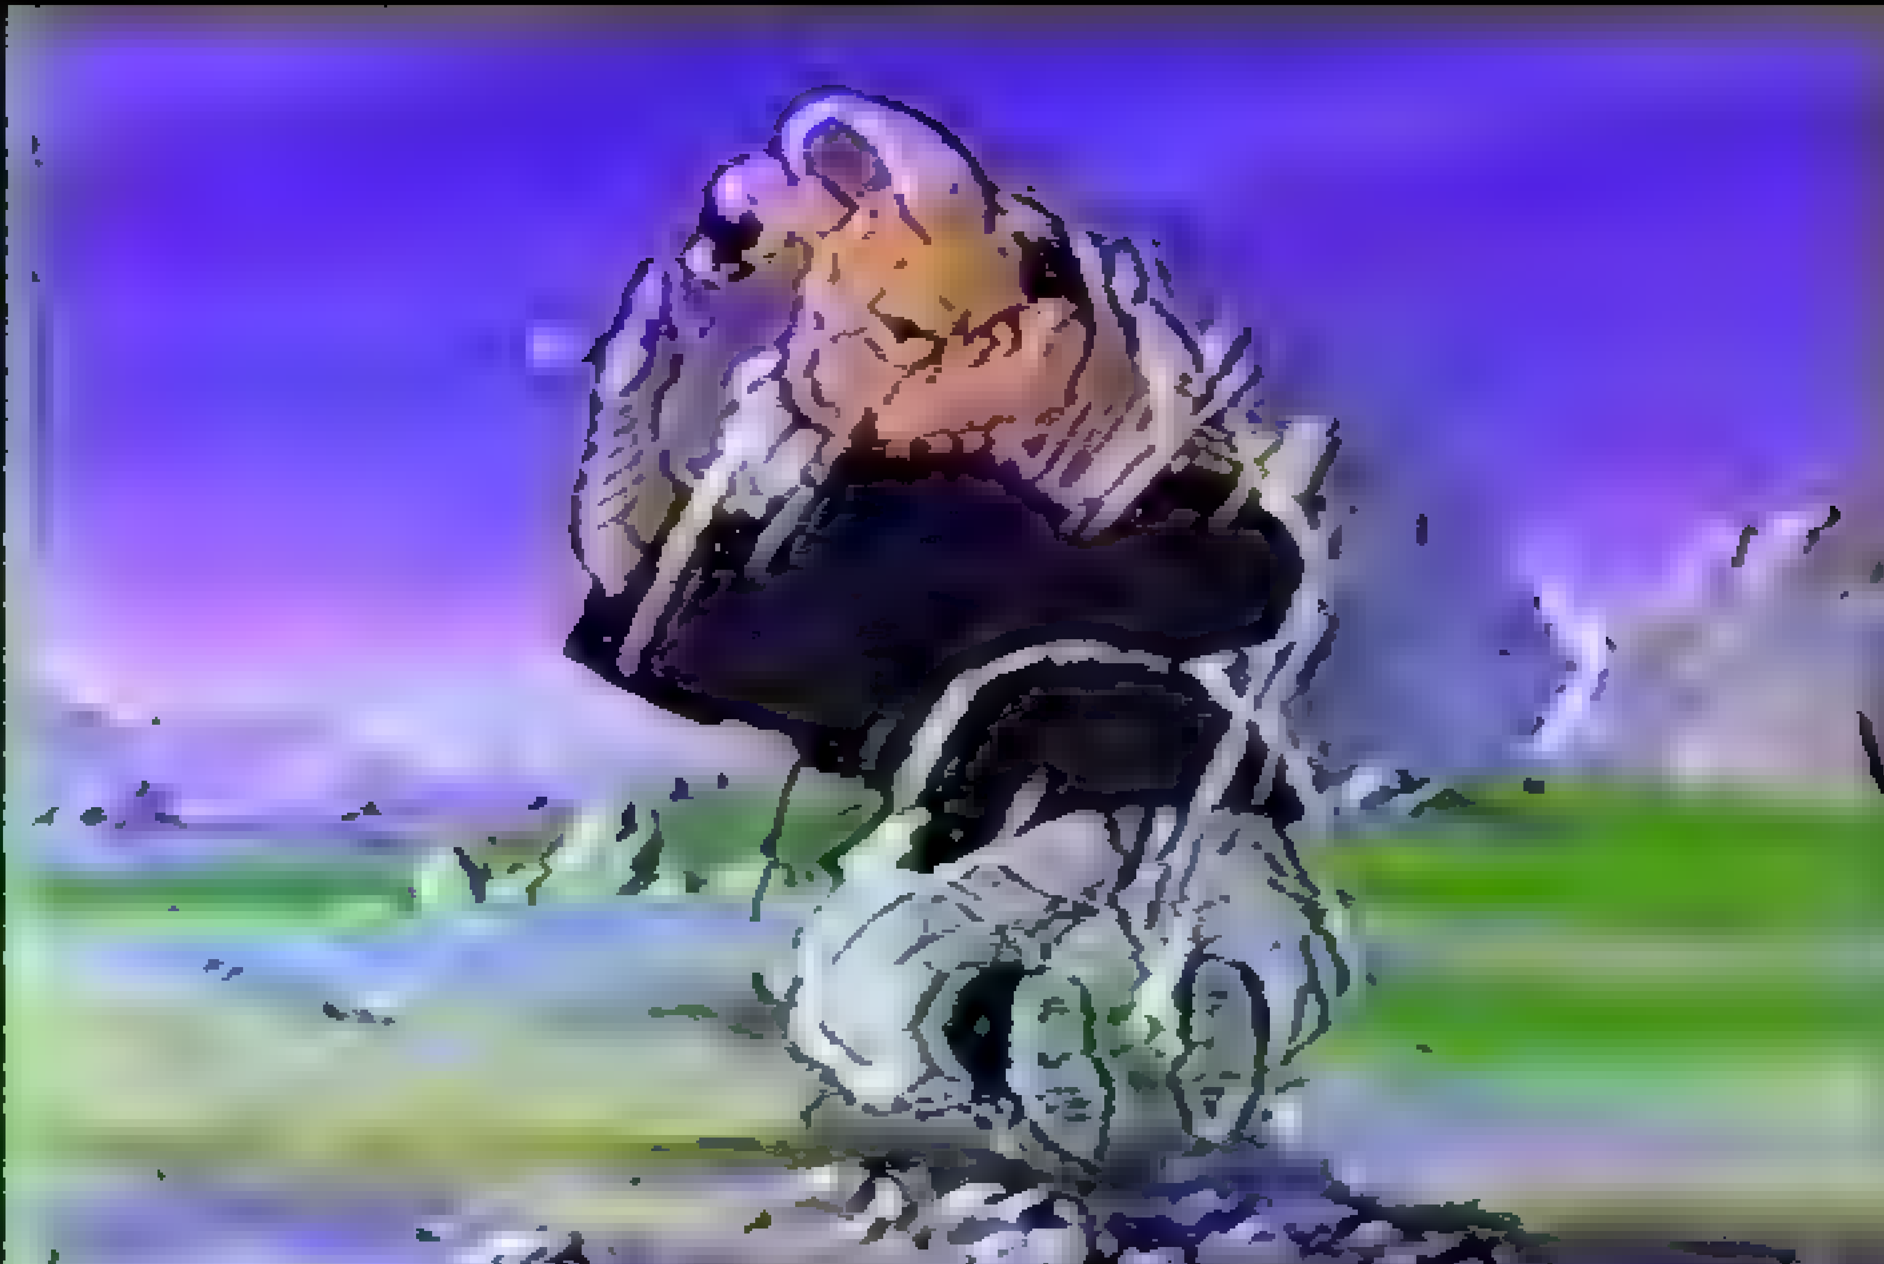

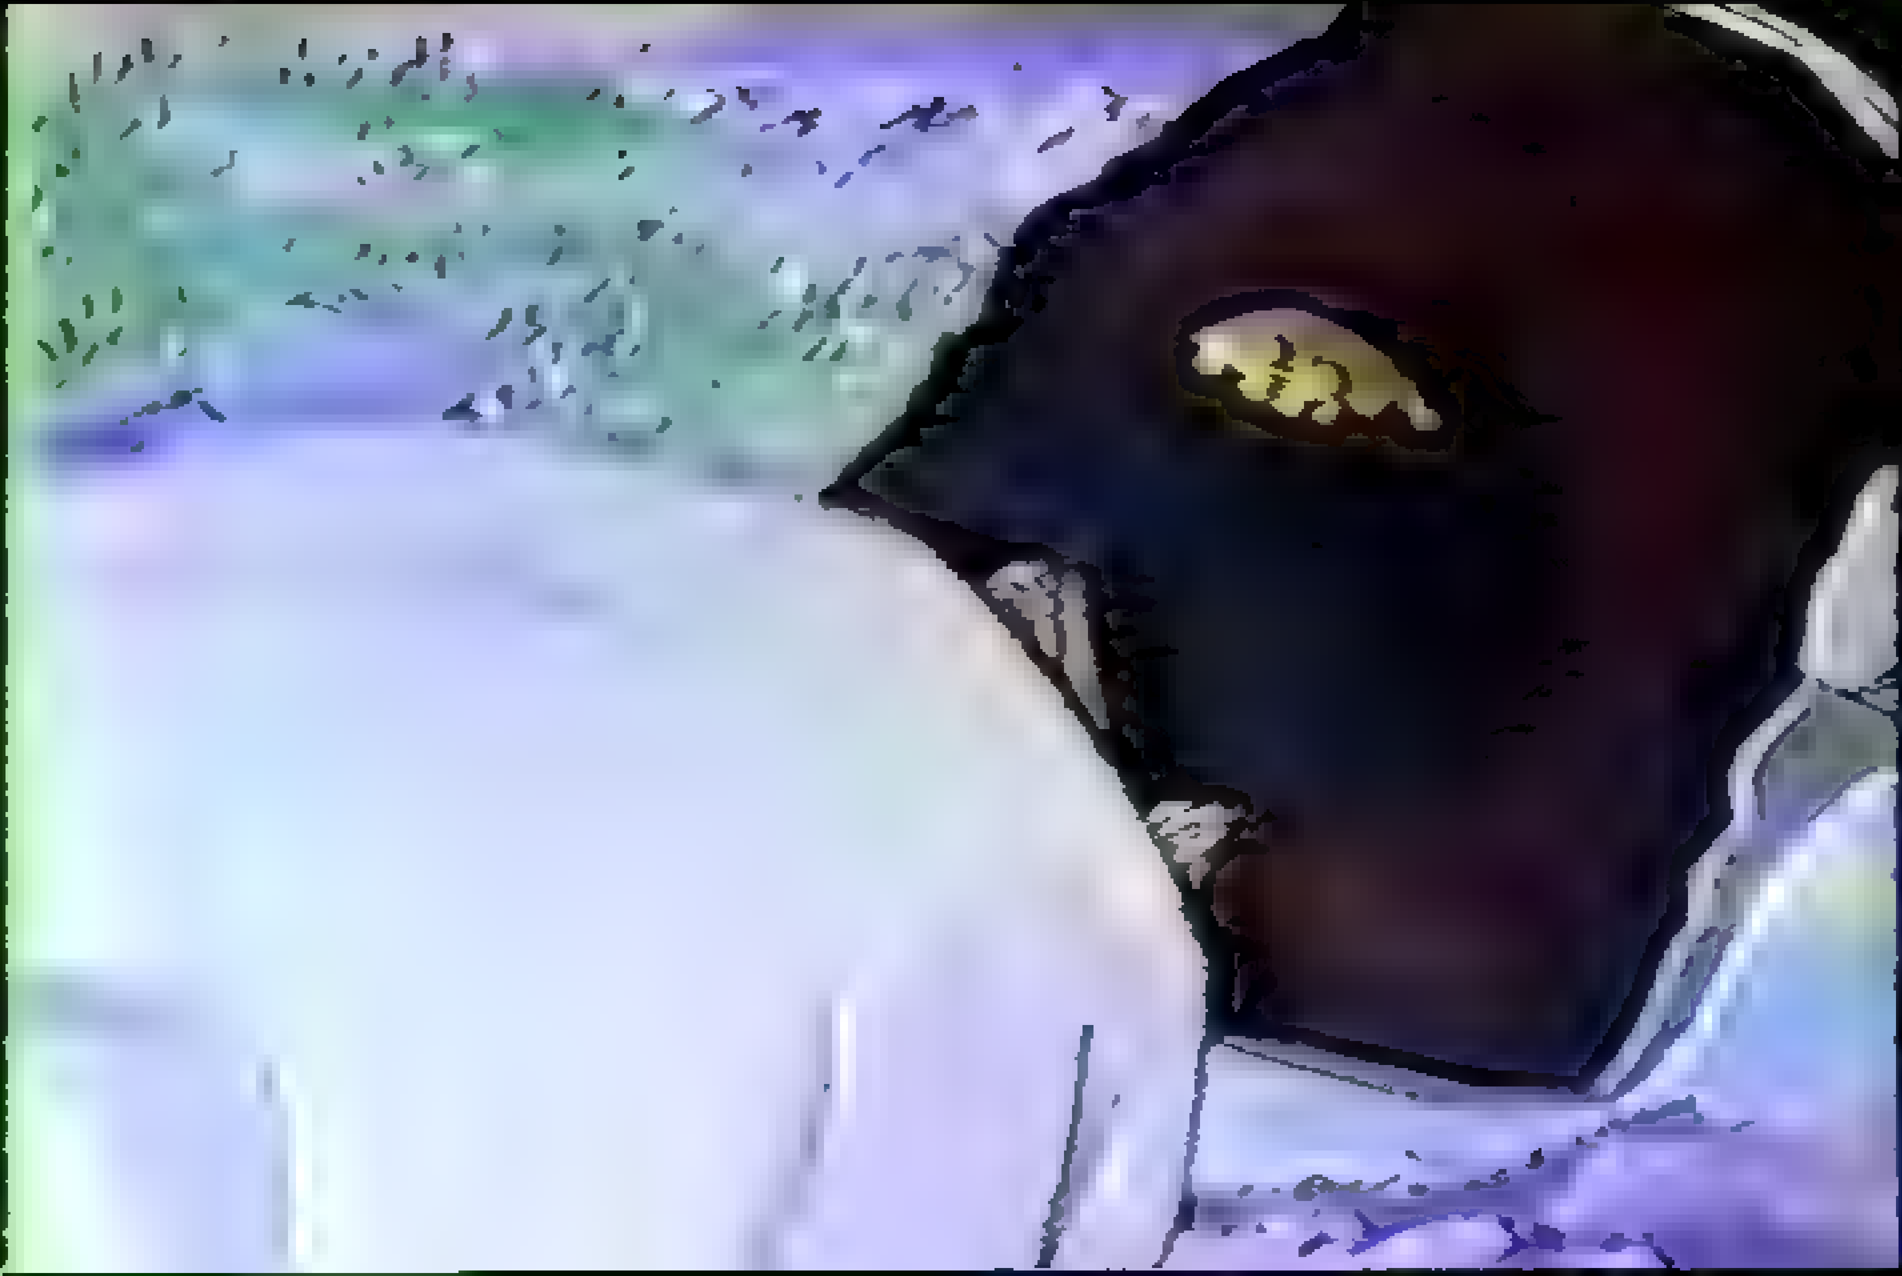

Even though this is a dream I'm still scared

Even though this is a dream I'm still scared!

I didn't mean anything bad

I just wanted to show off

I know I'm too old for that, sorry!

Satan's dodging Buu's attacks

You're good

I've changed my opinion of you Satan!

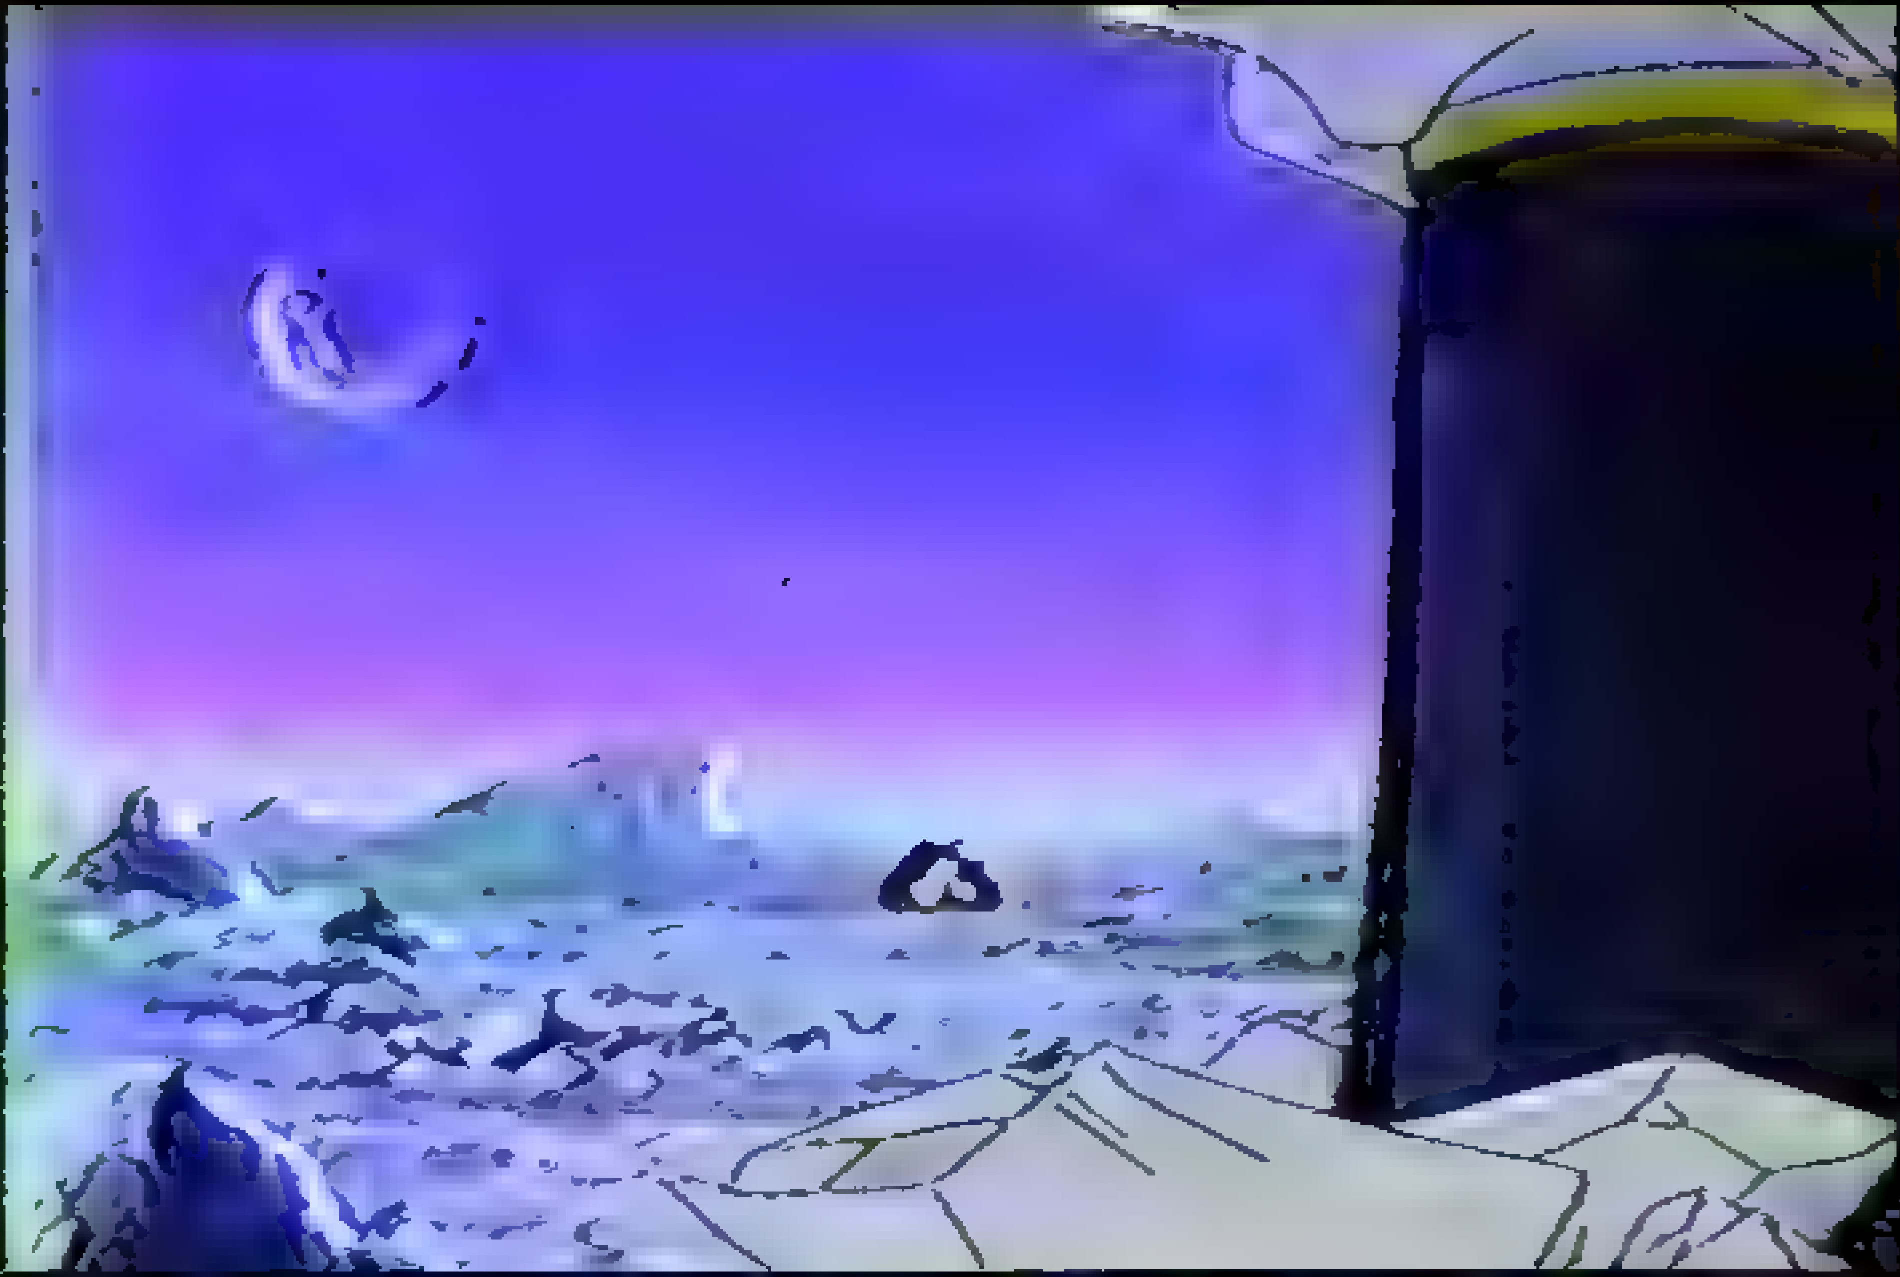

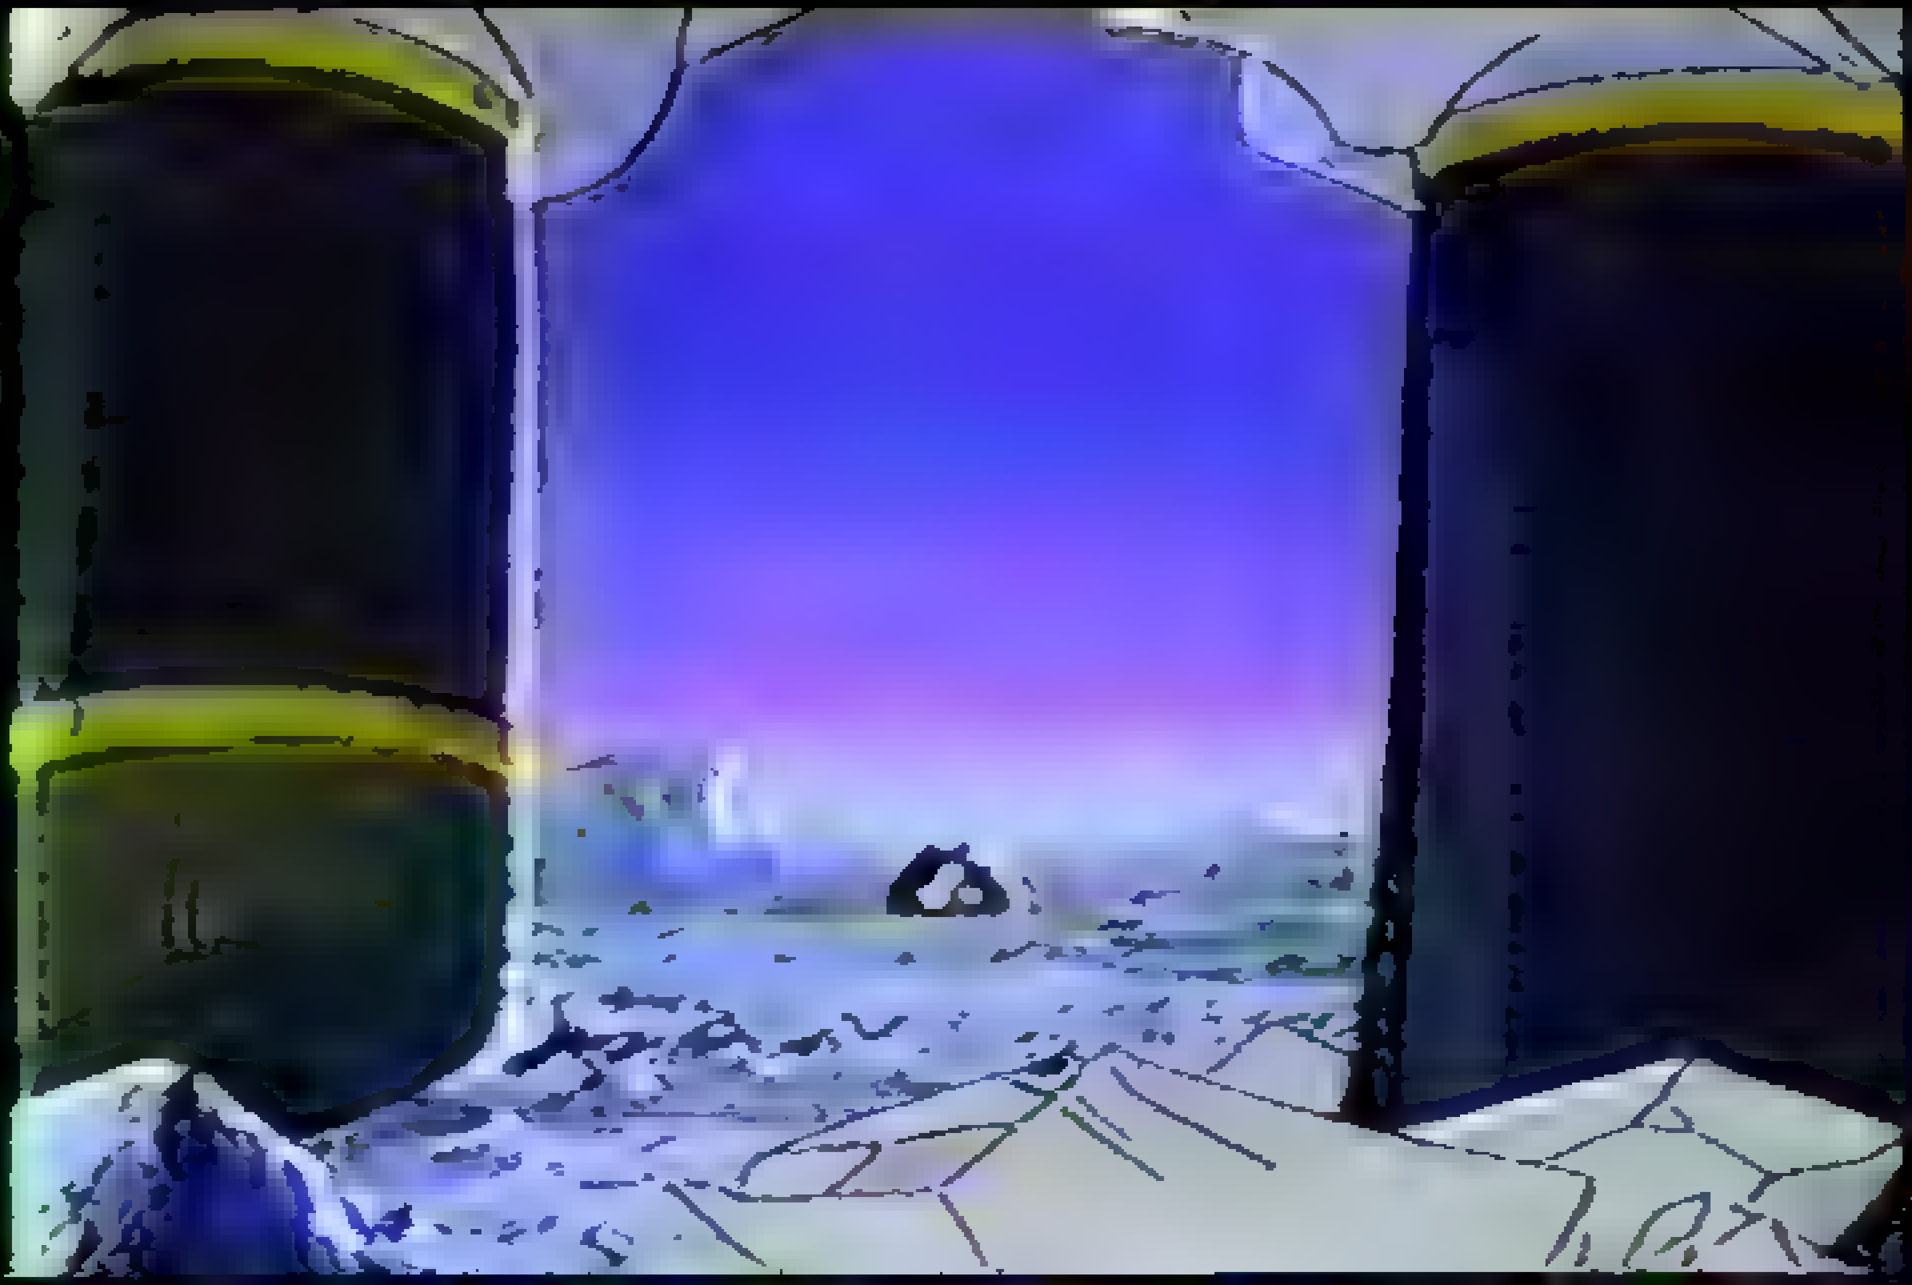

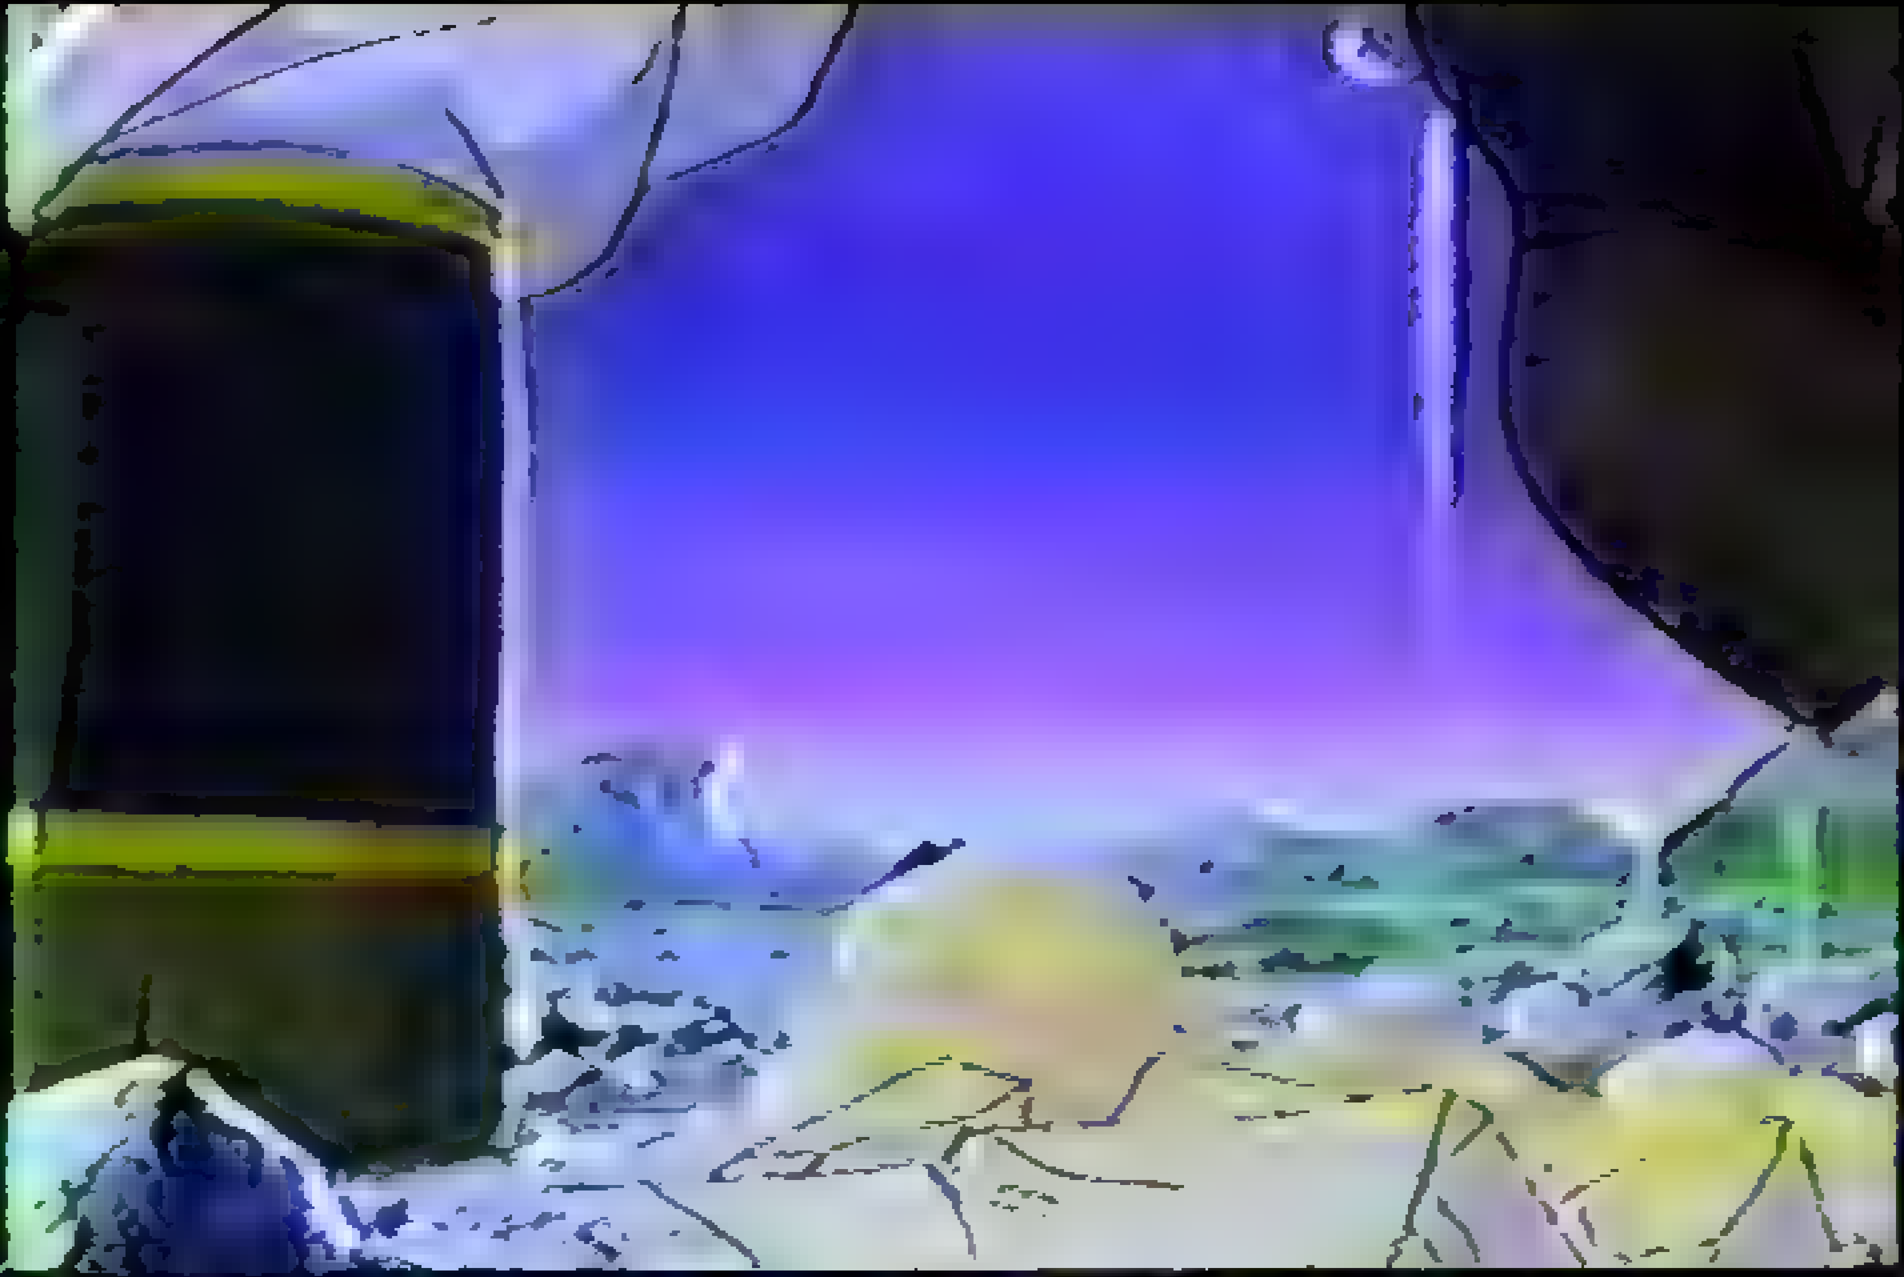

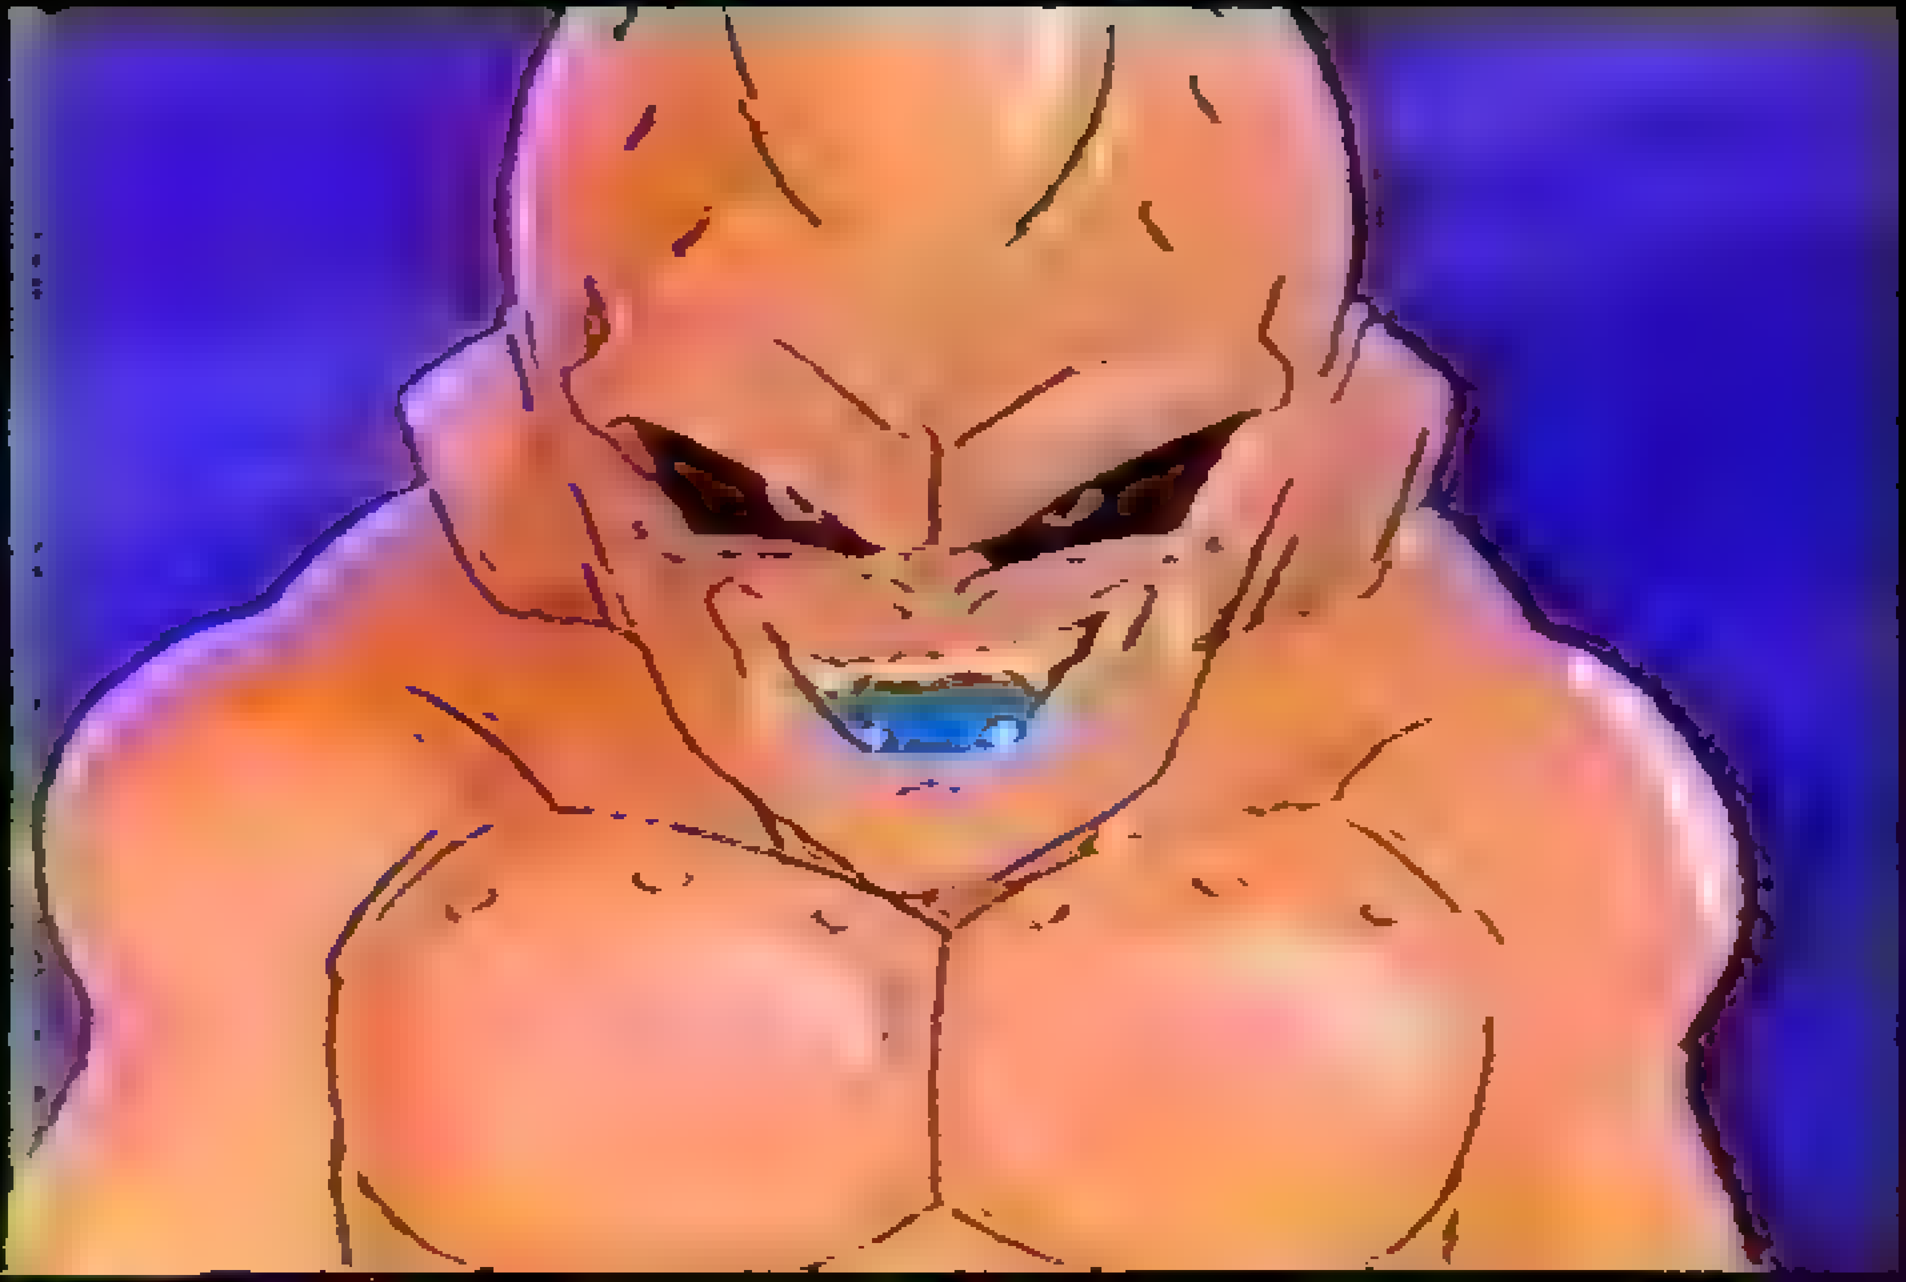

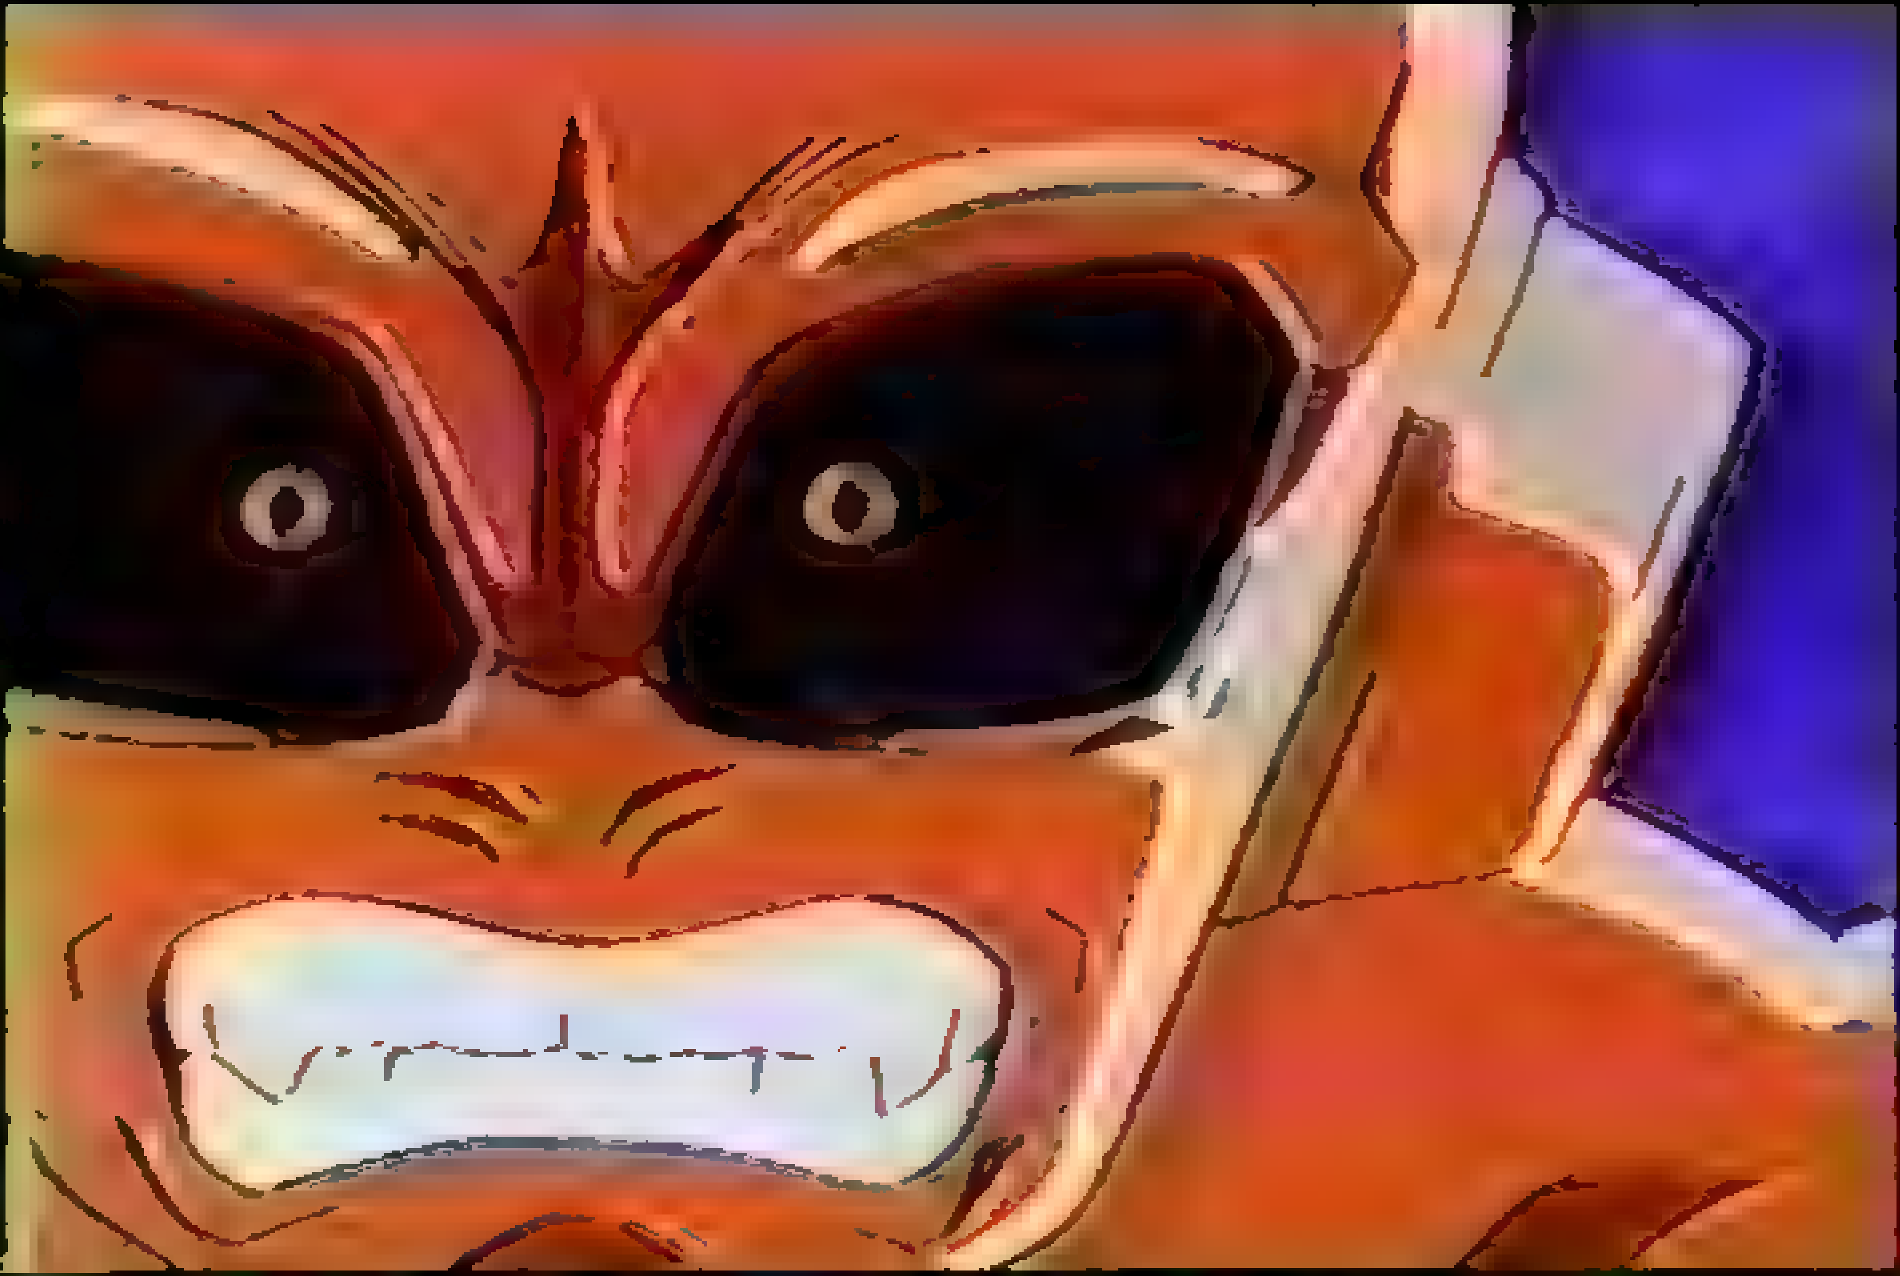

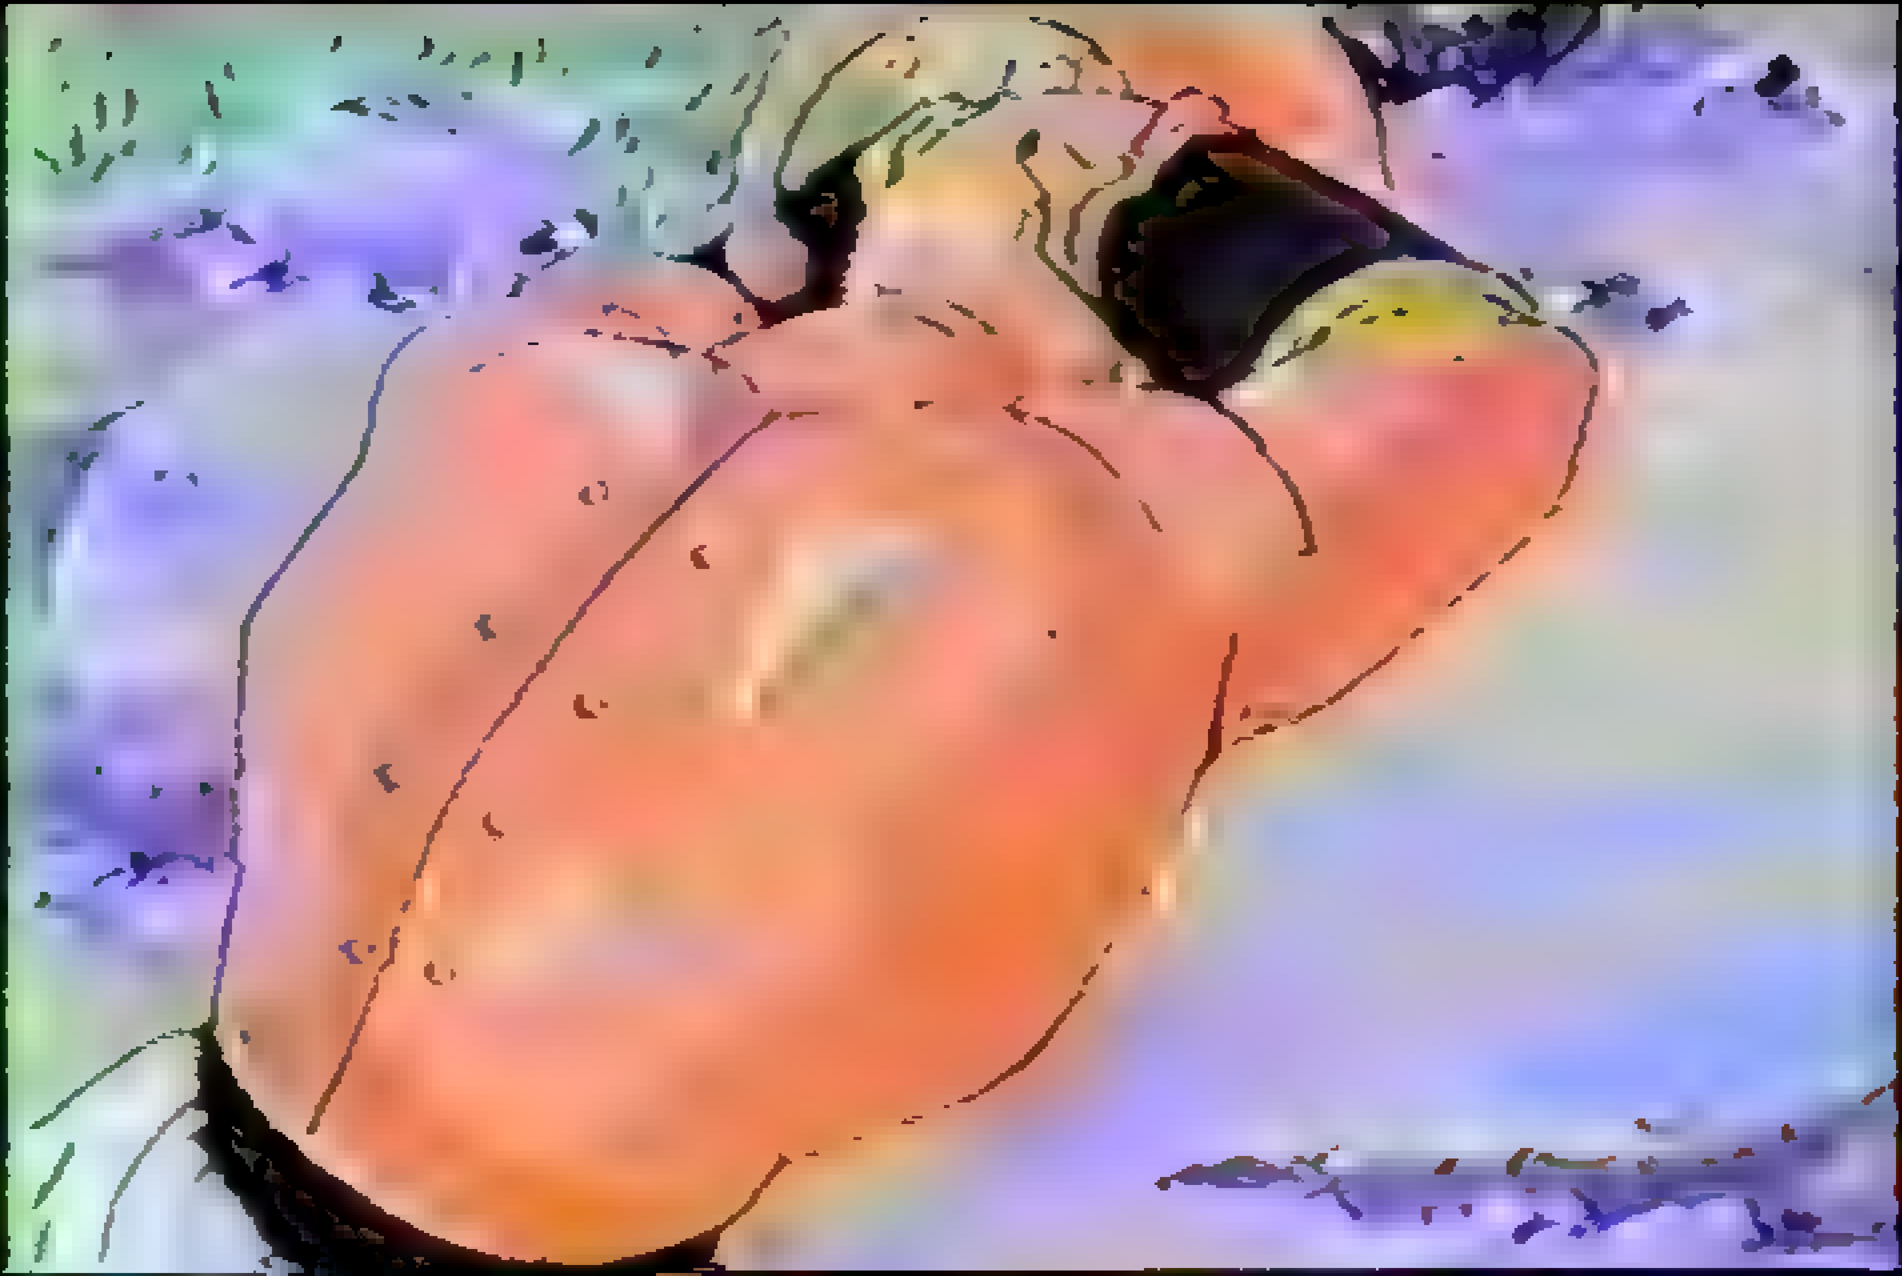

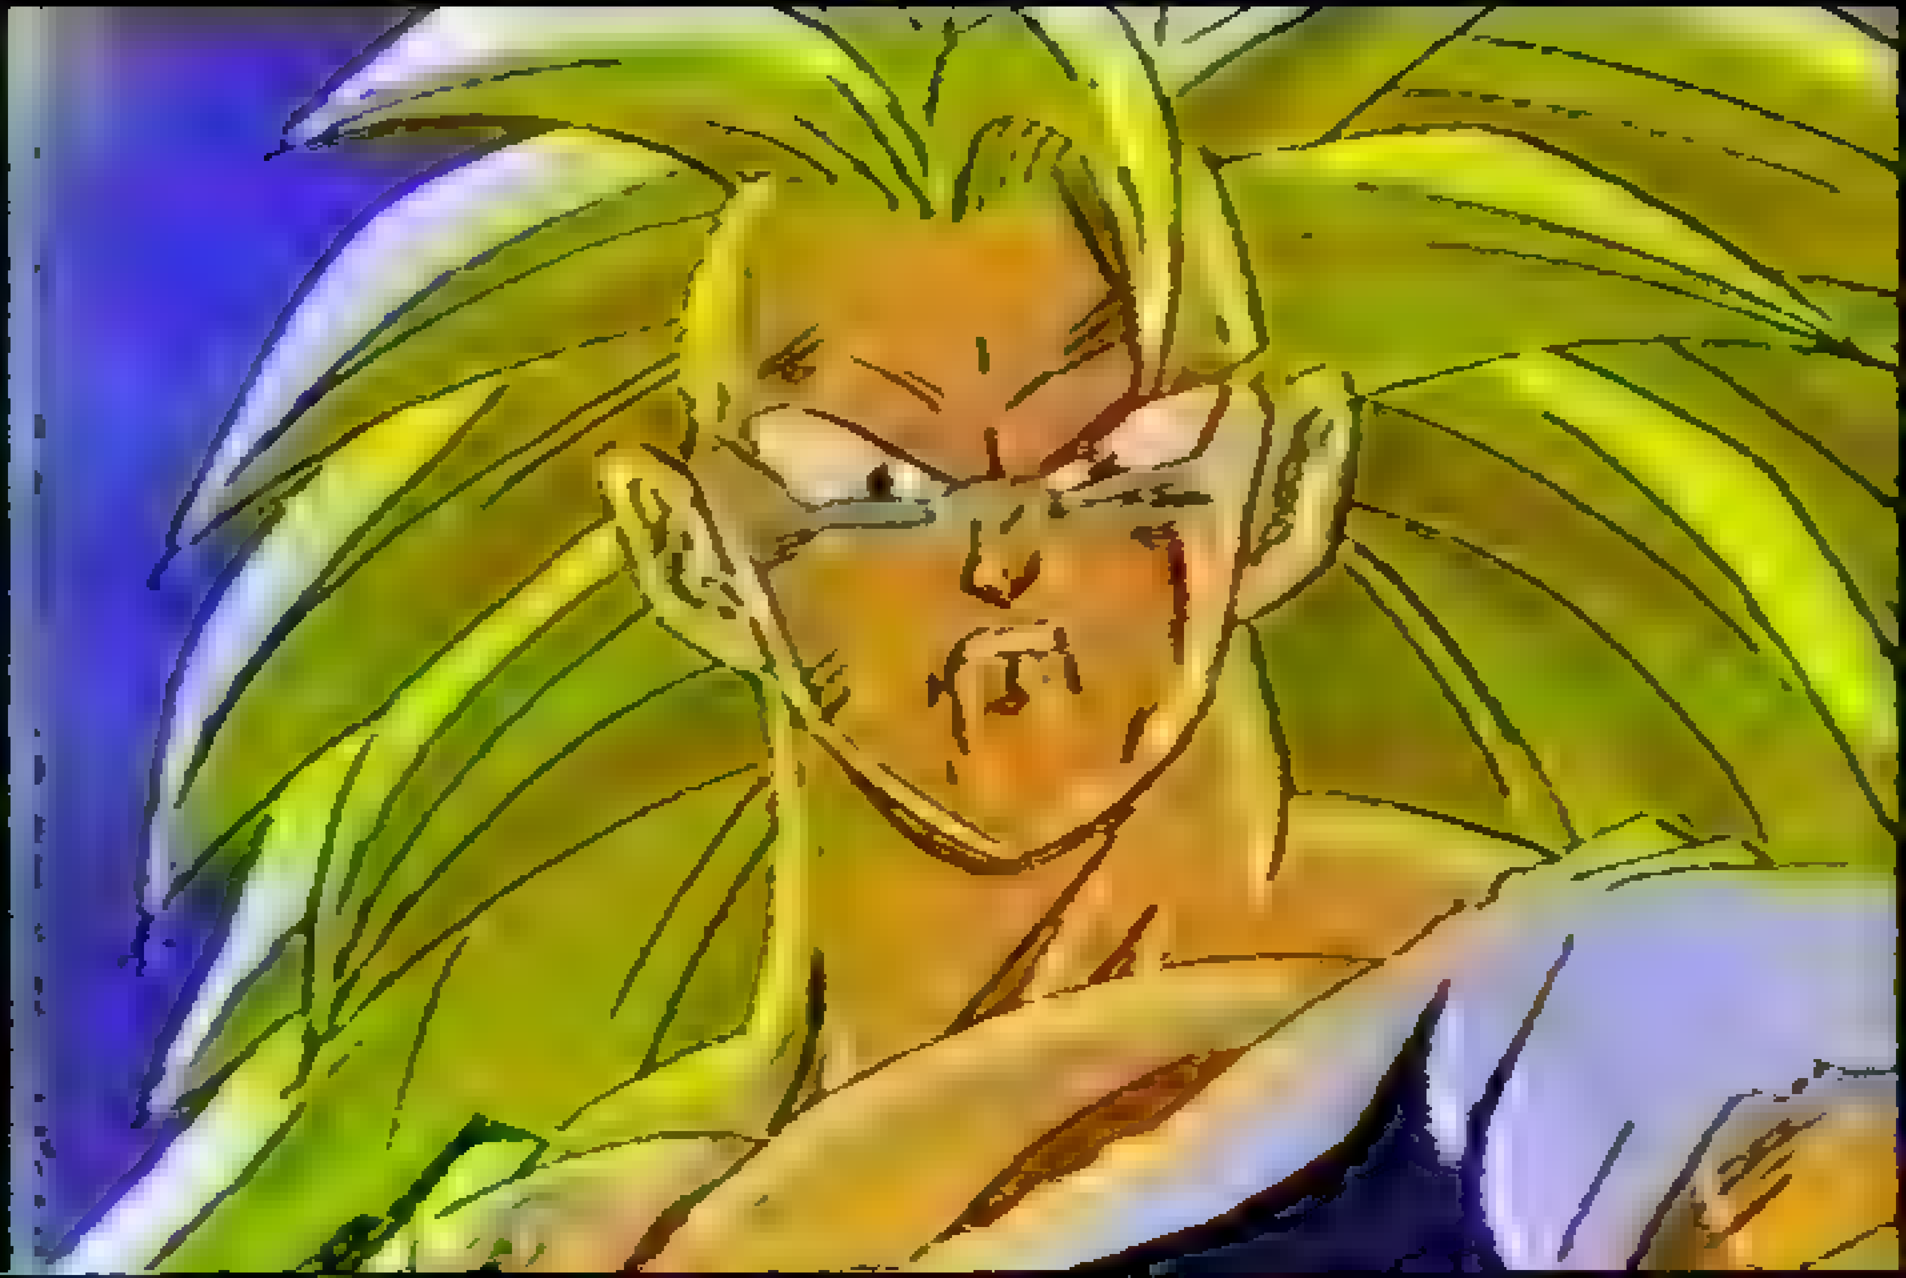

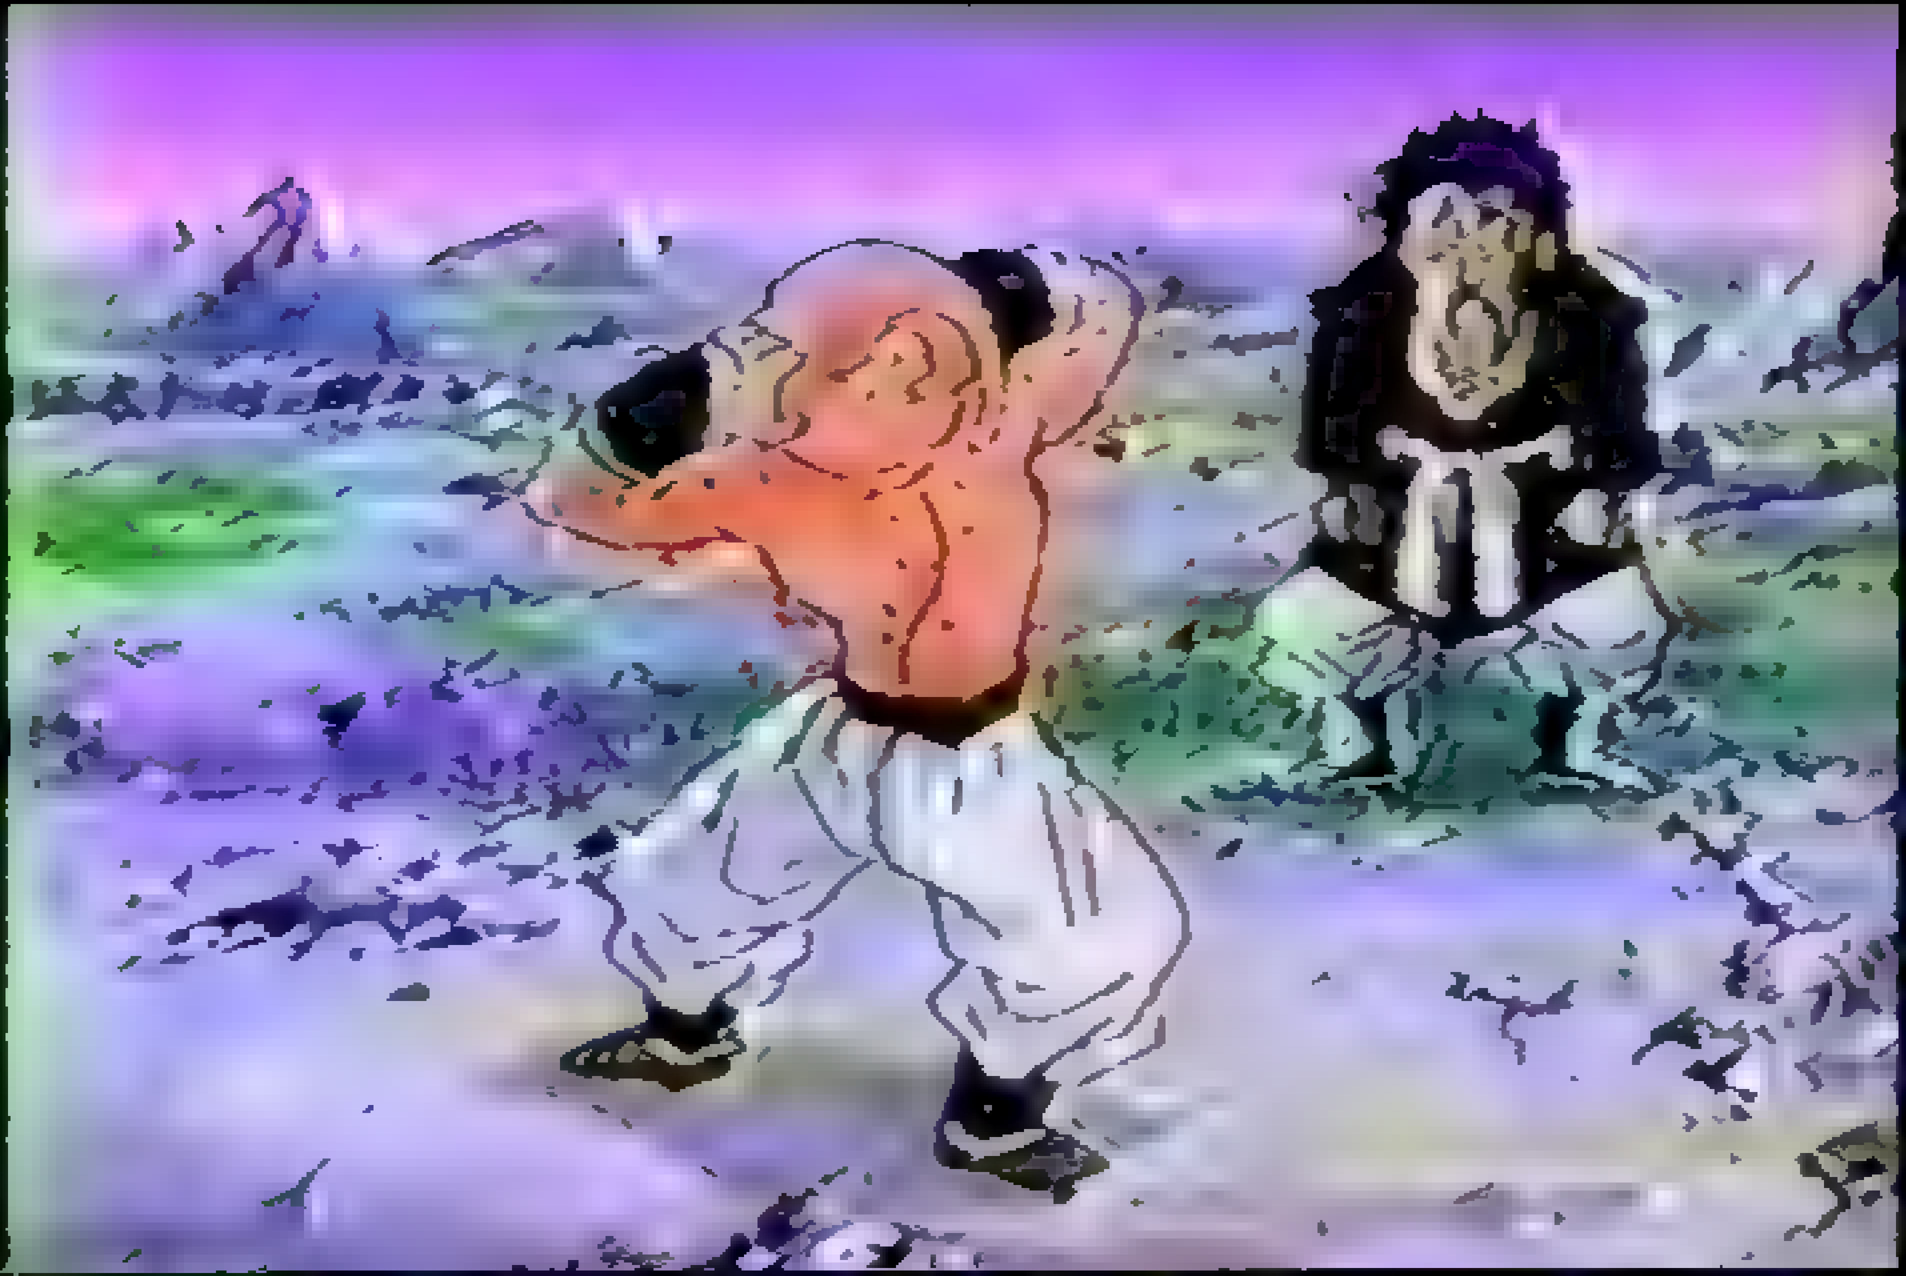

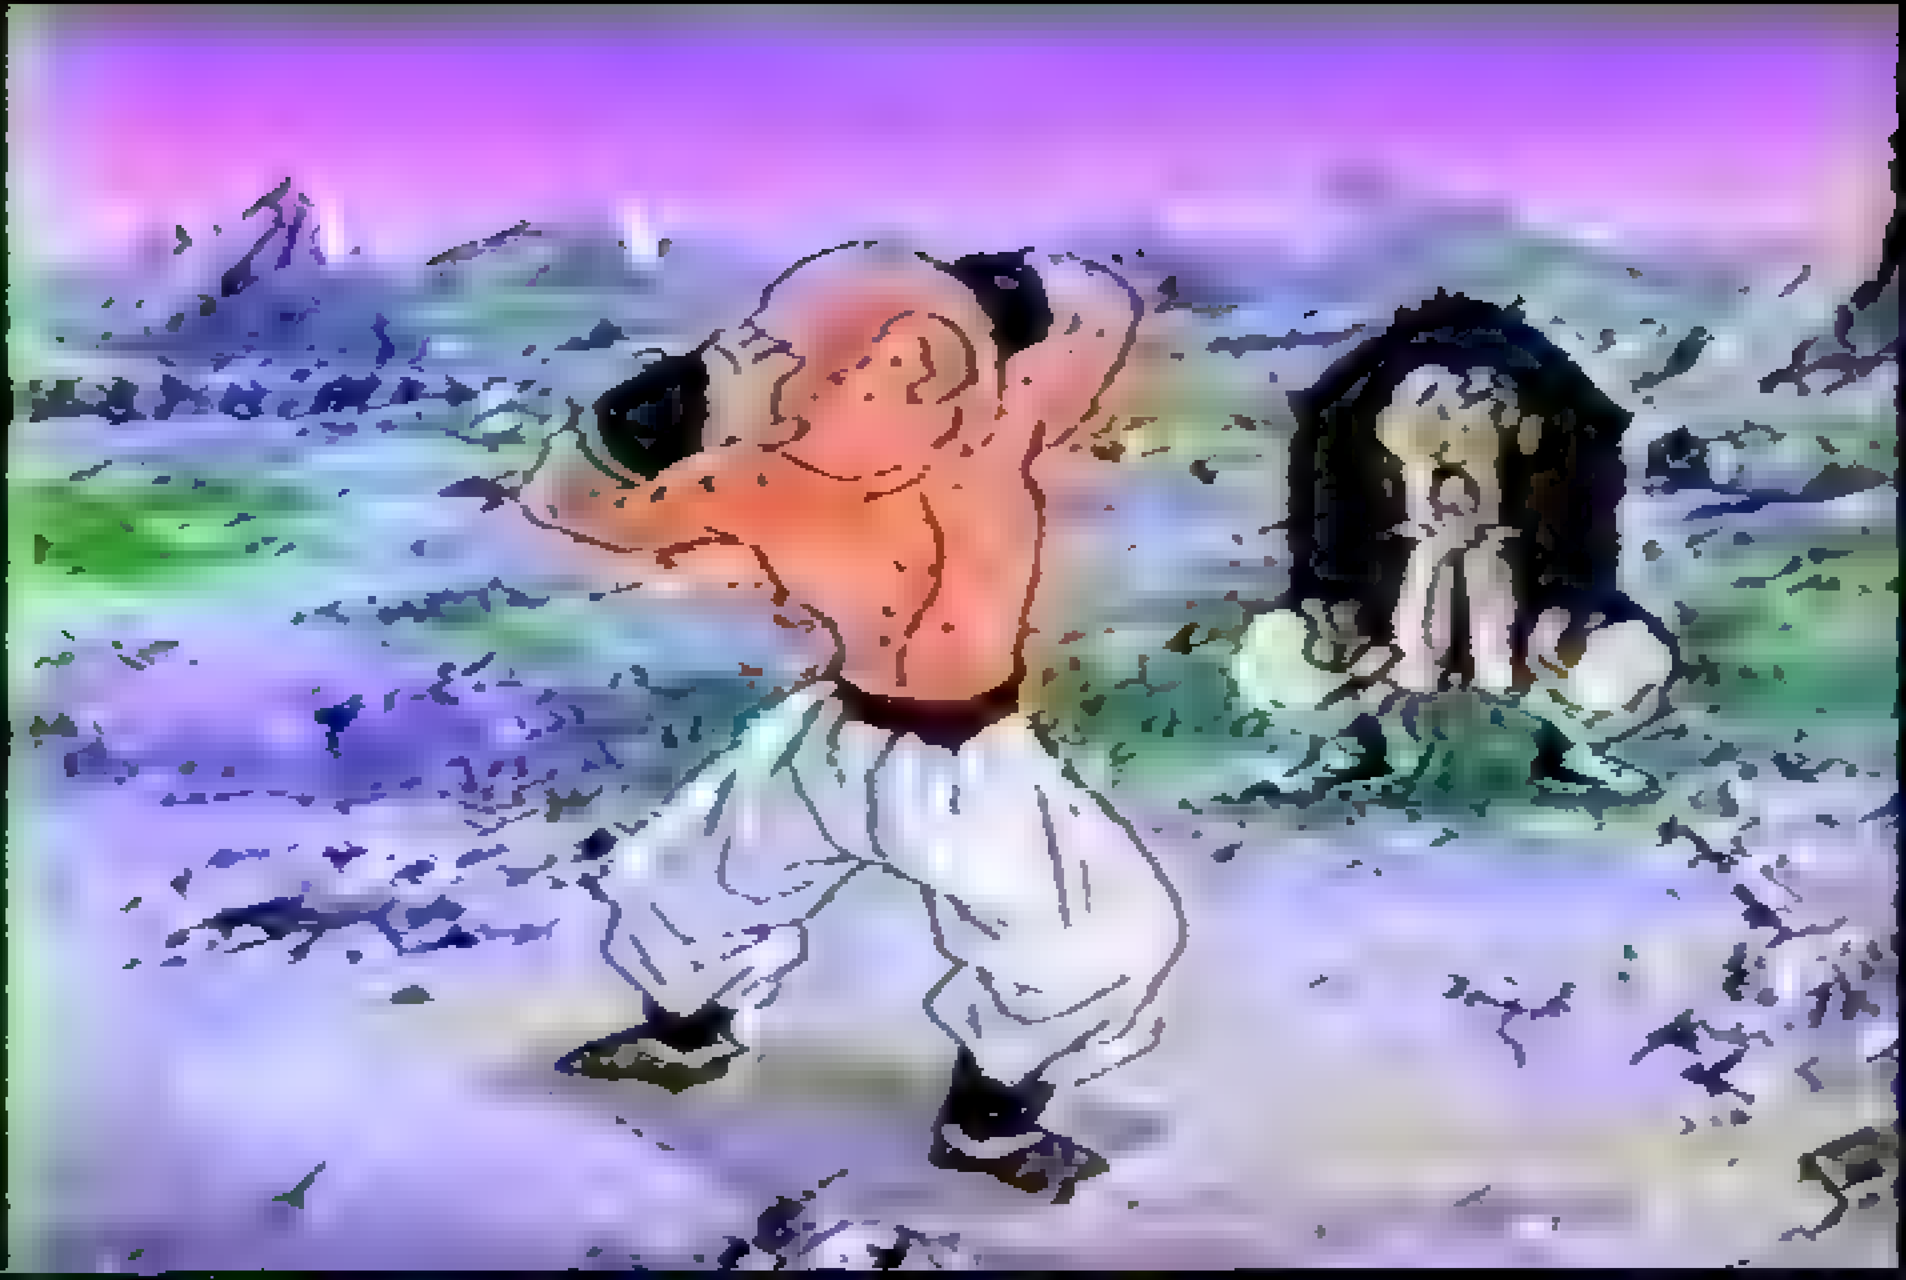

What's going on?

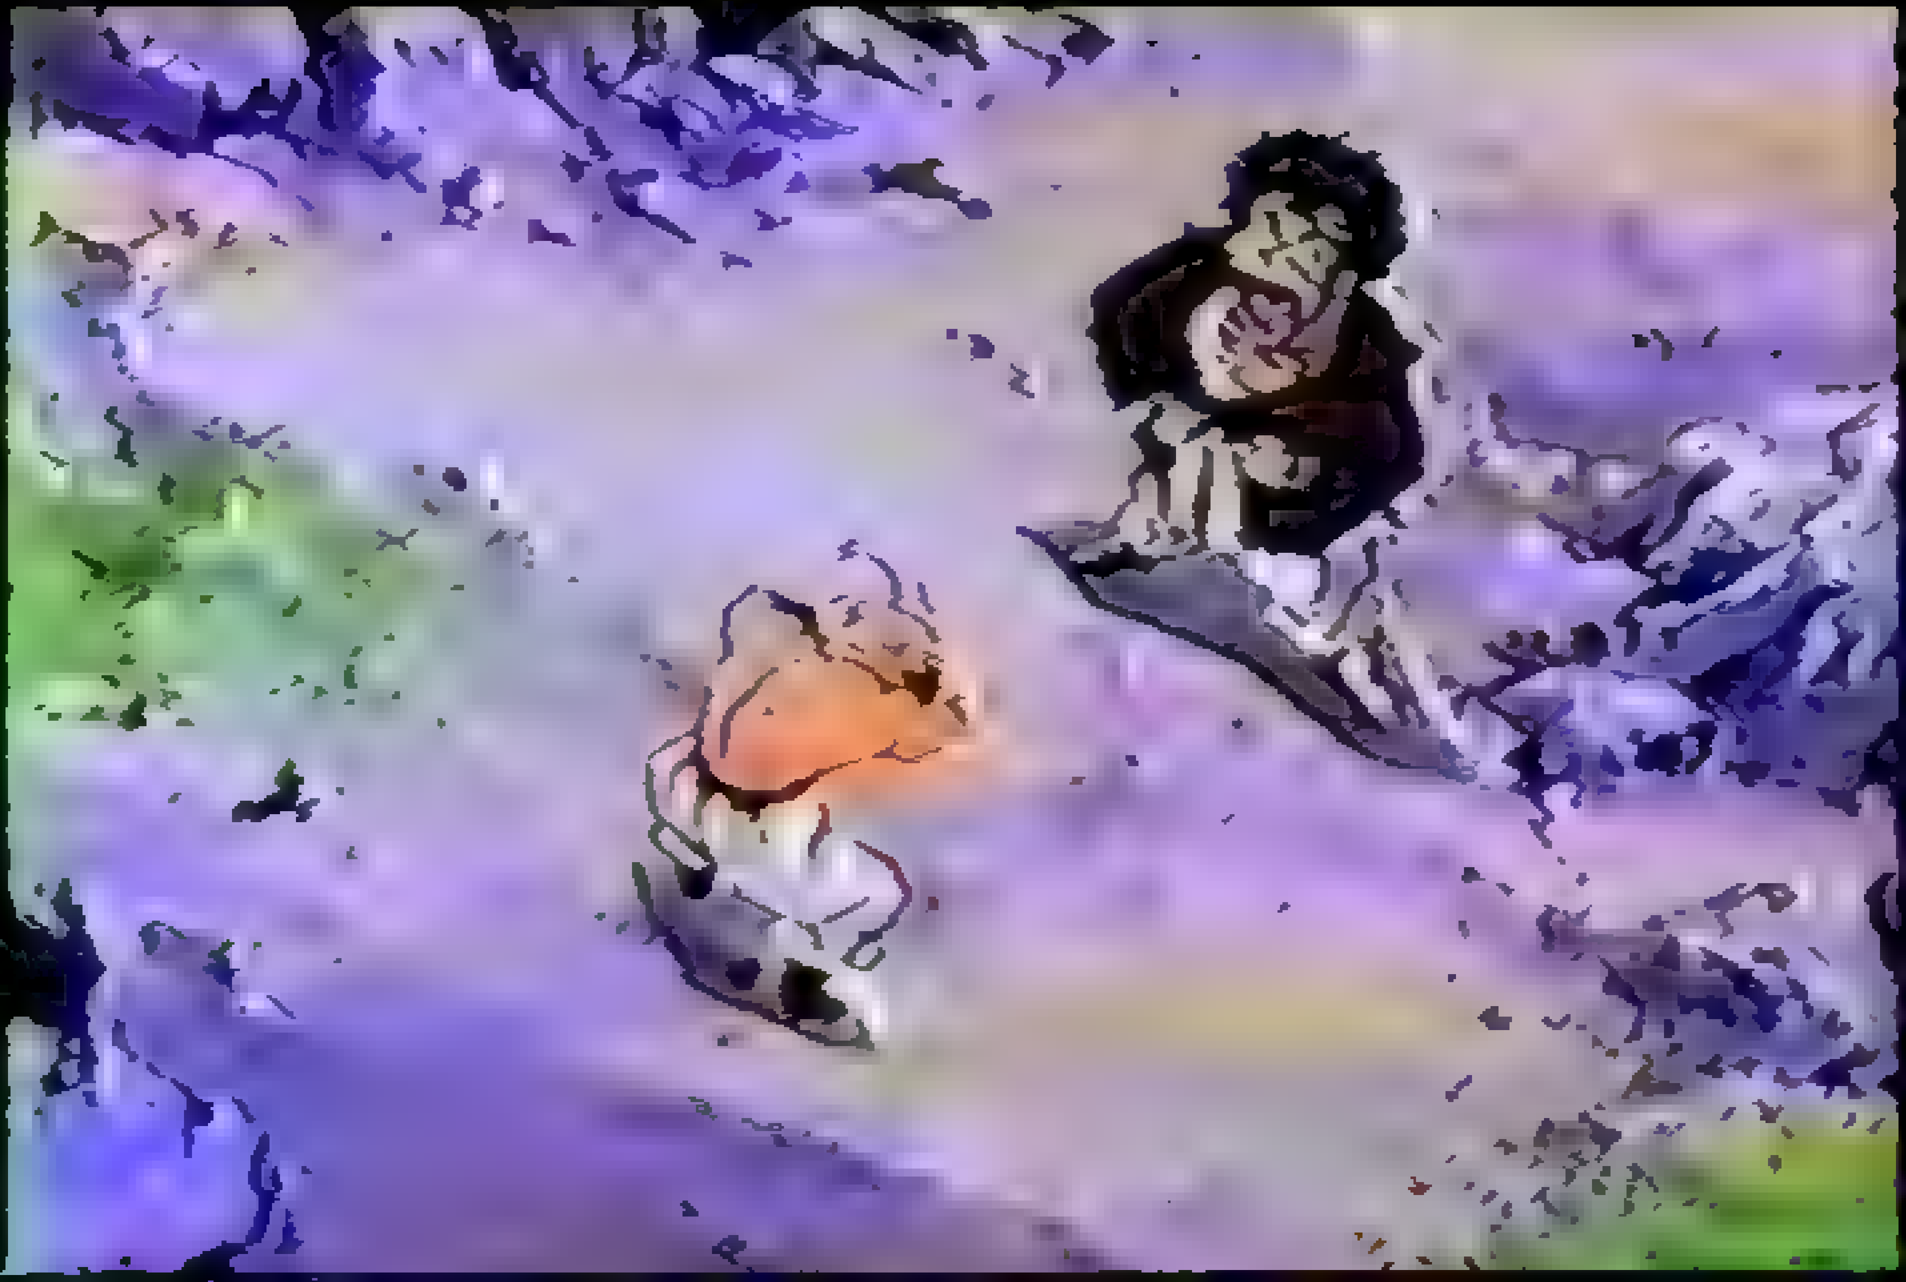

Maybe he's afraid of my wrath?

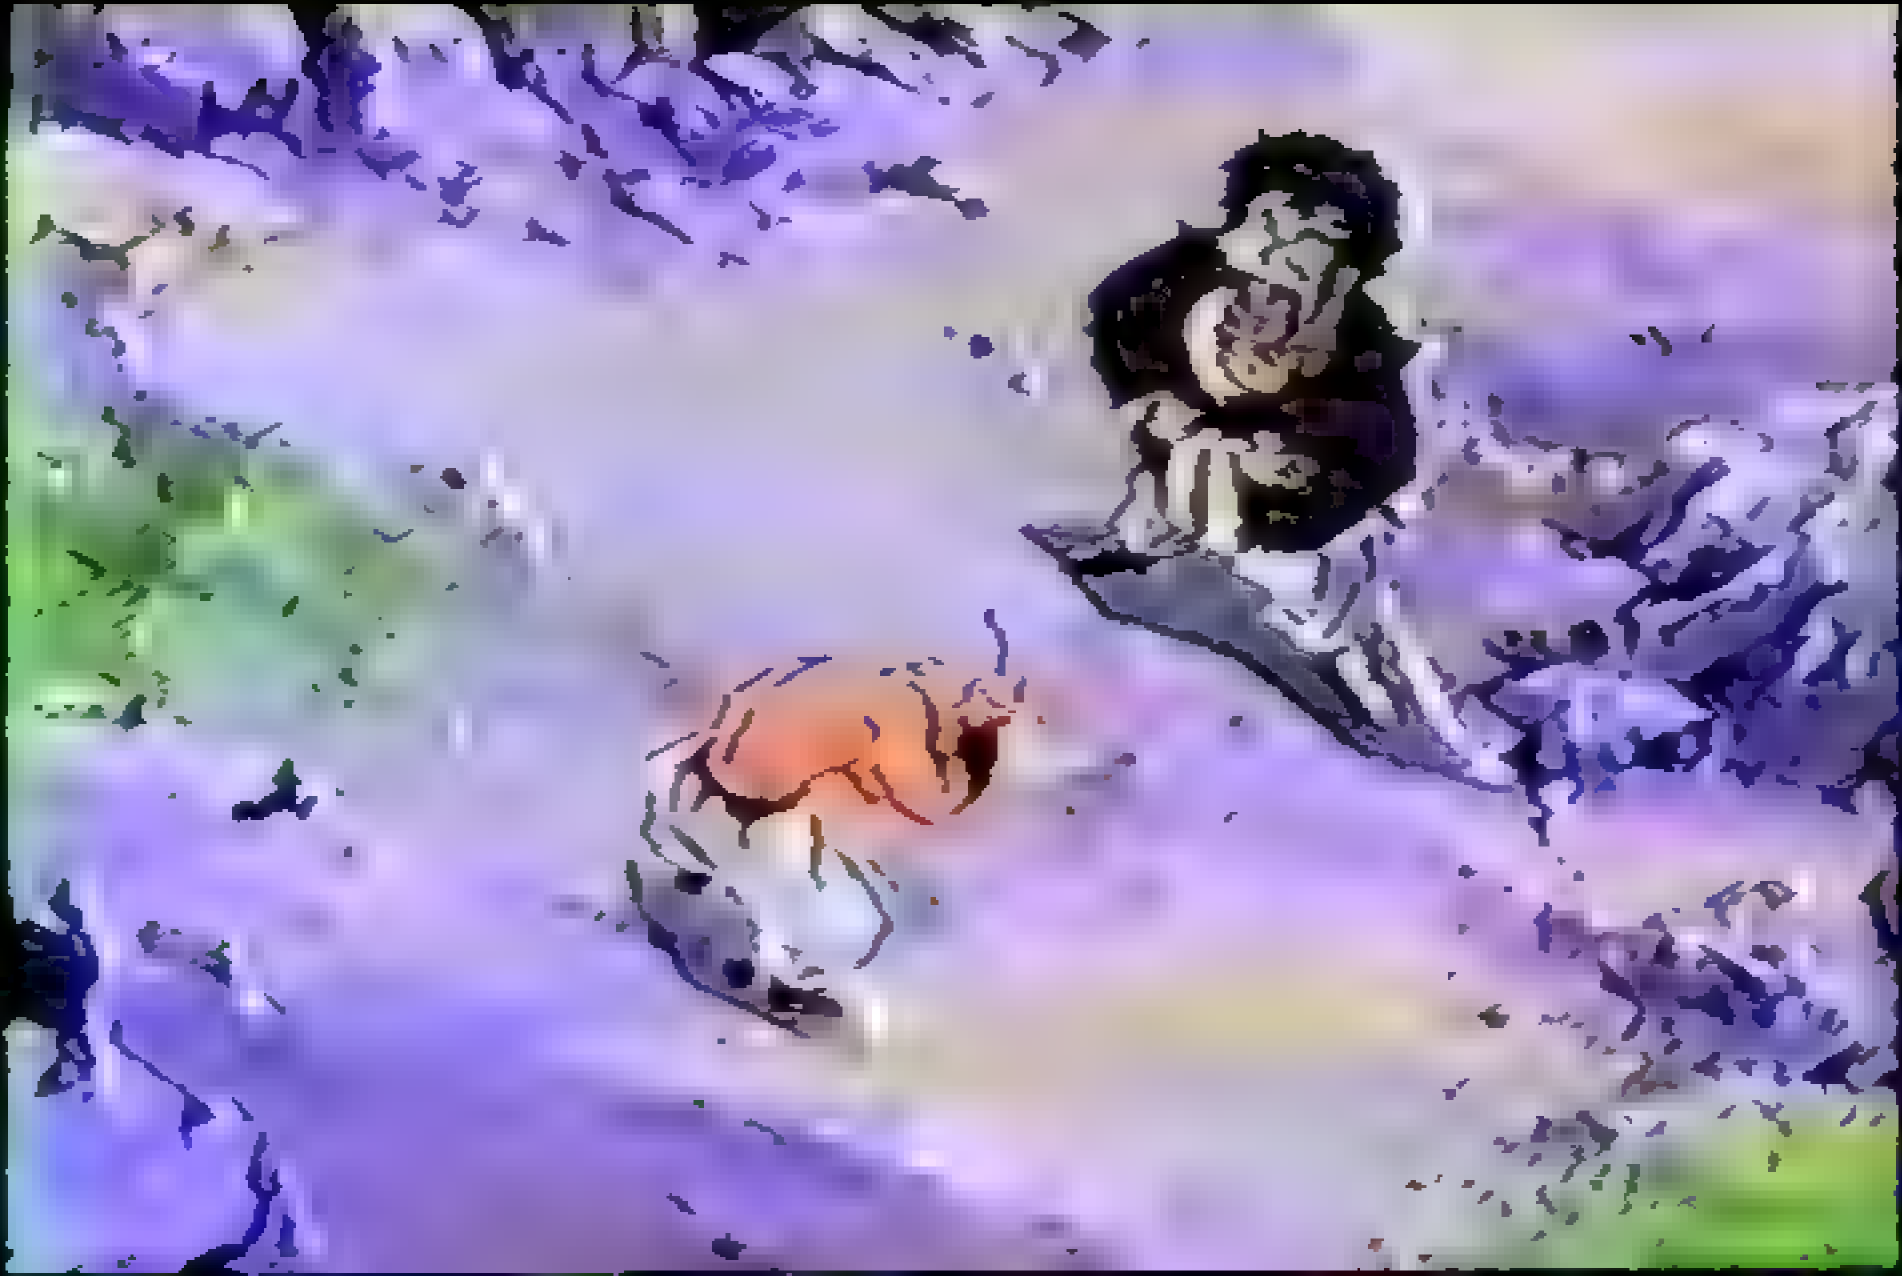

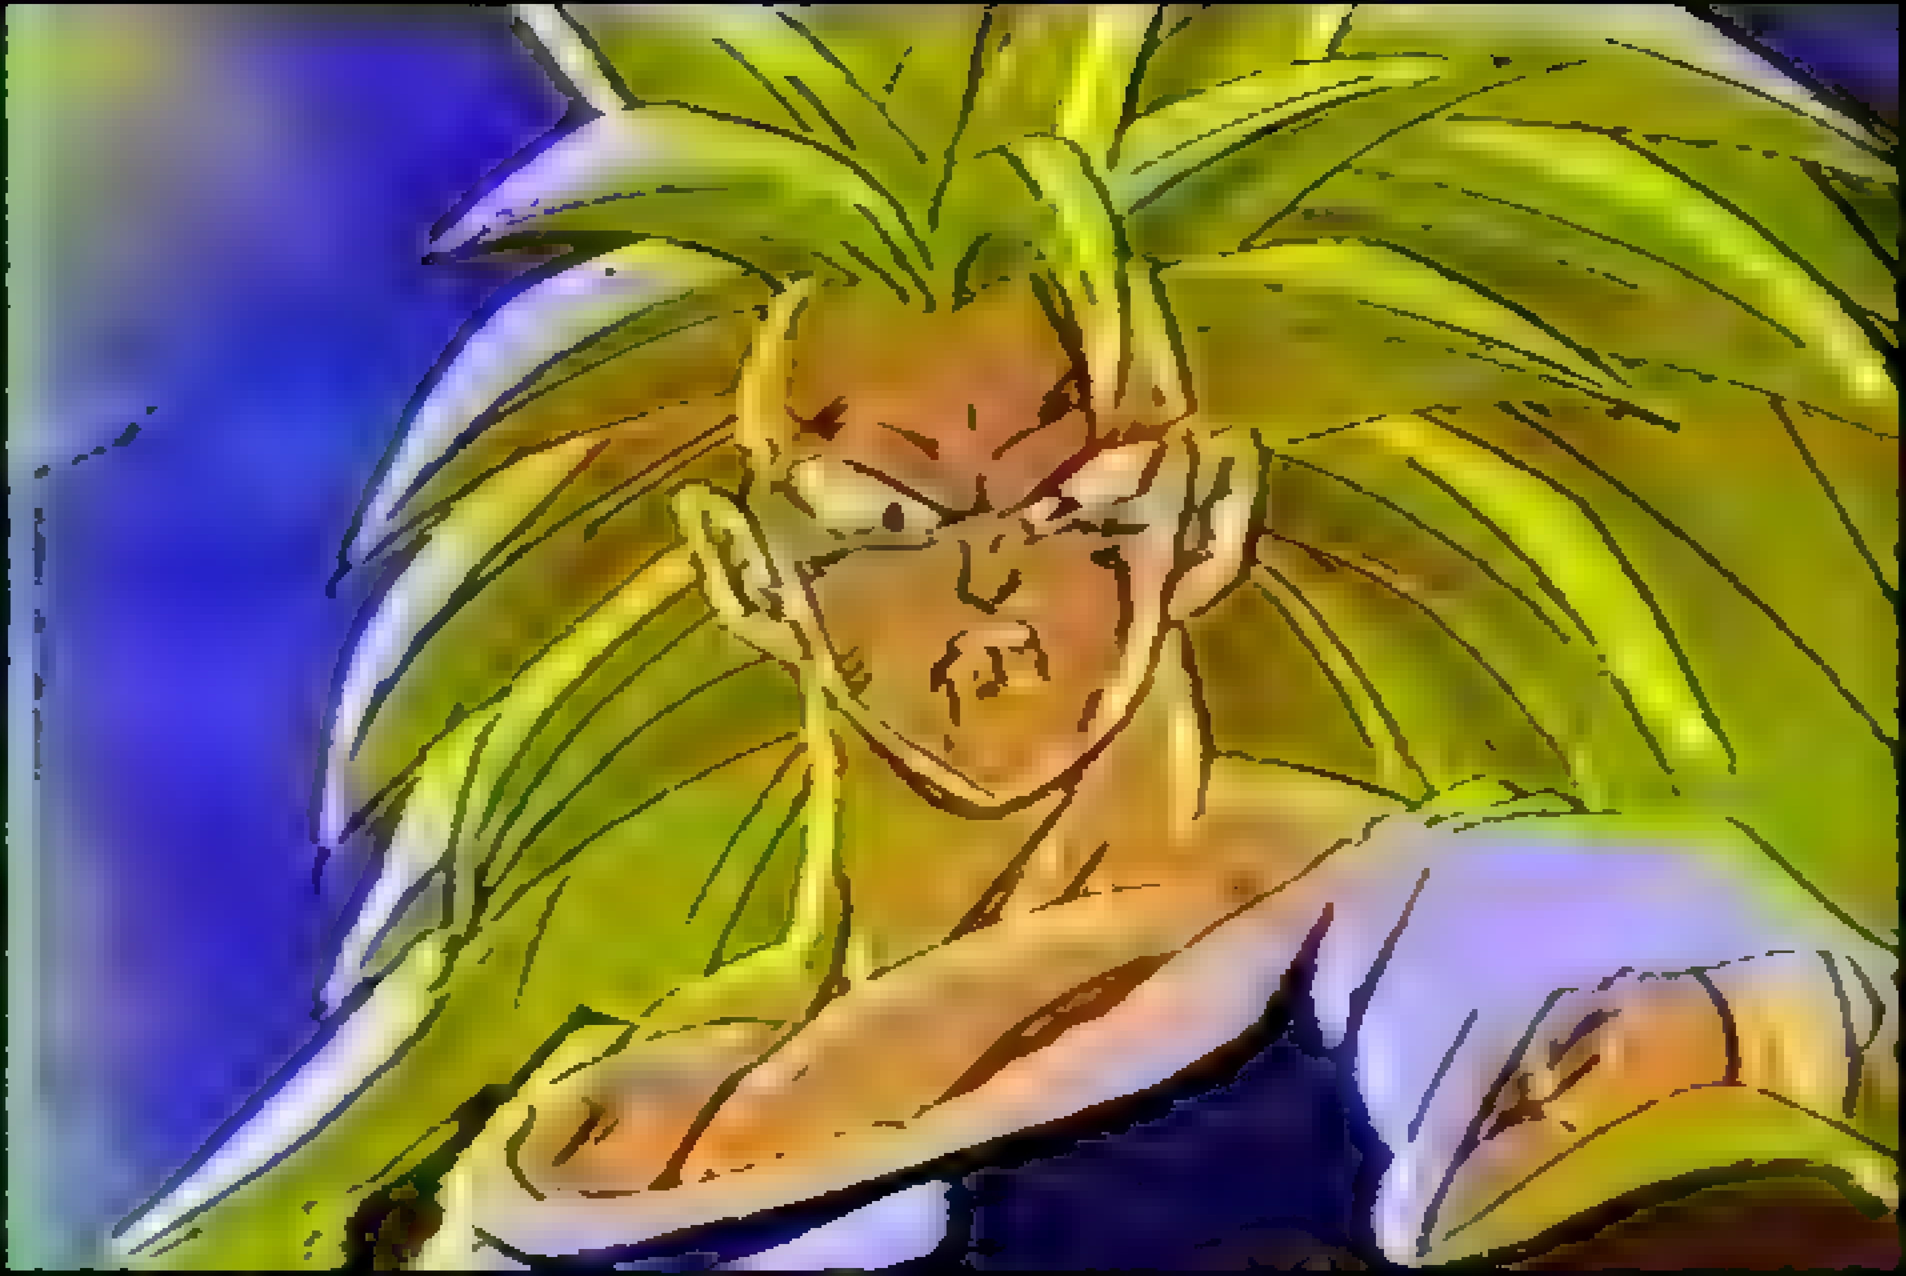

What's wrong?

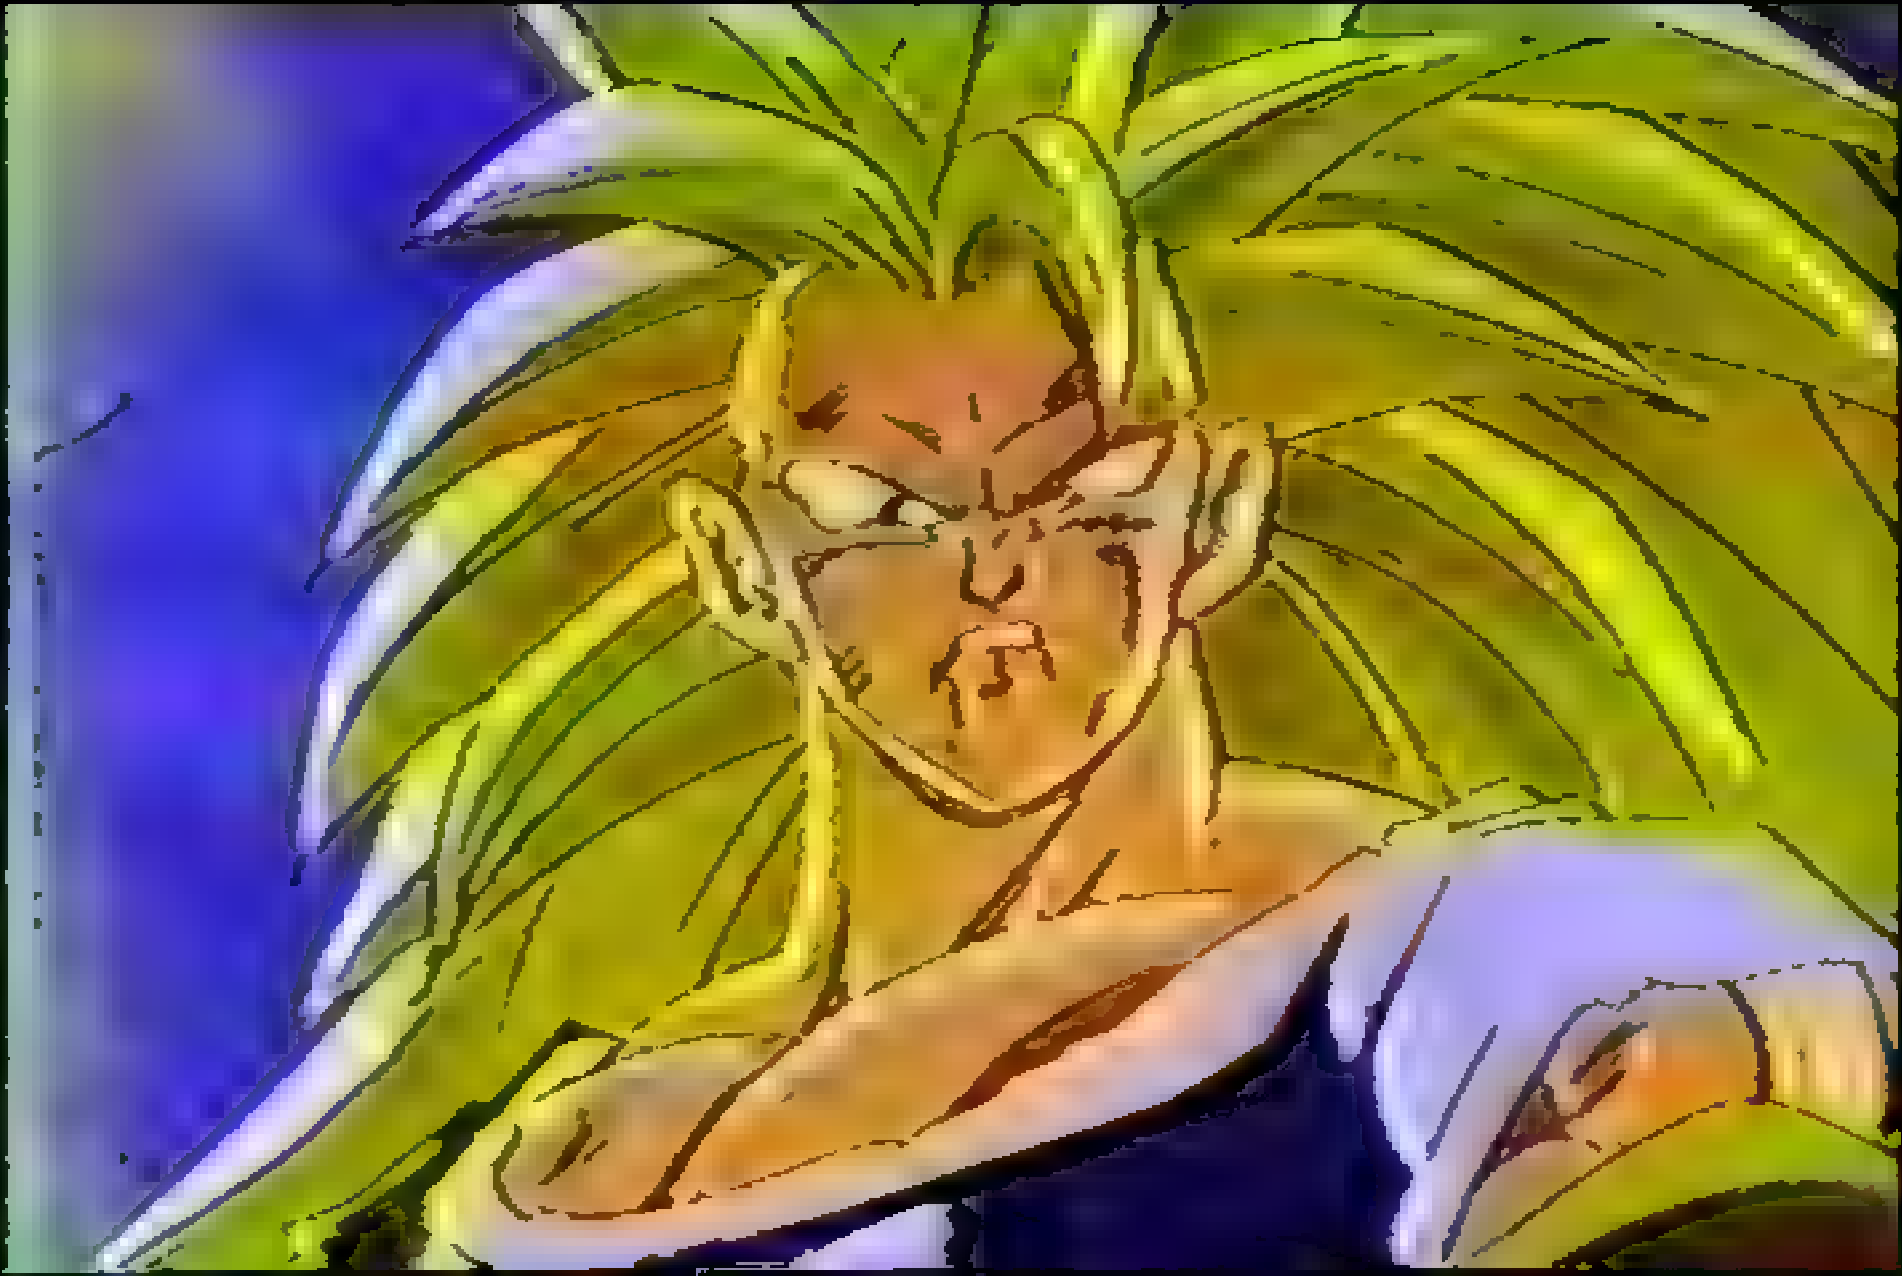

Suffer more from my super power!

Why did Buu start acting like
that when Mr. Satan showed up?

Why did Buu start acting like
